**PROXY STATEMENT**

---

**ABOUT THE MEETING**

This proxy statement contains information relating to our 2004 Annual Meeting of Stockholders to be held on Wednesday, May 5, 2004, at 10:00 a.m. at the Company's headquarters located at 16313 N. Dale Mabry Highway, Tampa, Florida, and at any postponements or adjournments of the meeting.

**What is the purpose of the Annual Meeting?**

At our Annual Meeting, stockholders will elect six directors to serve on our Board and will act upon any other business which may properly come before the meeting or any adjournment thereof. In addition, management will report on our performance for fiscal 2003 and respond to appropriate questions from stockholders. We are not currently aware of any other matters which will come before the meeting.

Proxies for use at the meeting are being solicited by the Board of Directors of Shells, chiefly by mail. We began mailing this proxy statement, along with the proxy card, on or about April 5, 2004. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. To ensure adequate representation of shares and the presence of a quorum at the meeting, officers, agents and Shells employees may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. Shells will bear all expenses incurred in connection with this solicitation. We have no present plans to hire special employees or paid solicitors to assist in obtaining proxies, but reserve the option of doing so if it should appear that a quorum otherwise might not be obtained.

**Who is entitled to vote at the meeting?**

## Edgar Filing: SHELLS SEAFOOD RESTAURANTS INC - Form DEF 14A

Only stockholders of record at the close of business on April 2, 2004, the record date for the meeting, are entitled to receive notice of, and to participate in the Annual Meeting, or any postponements and adjournments of the meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the Annual Meeting. Your proxy card shows the number of shares you held at the close of business on April 2, 2004.

### **What does it mean if I receive more than one proxy card?**

If you received more than one proxy card, you have multiple accounts with your brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer

## **Table of Contents**

agent to consolidate as many accounts as possible under the same name and address. You may contact our transfer agent, Continental Stock Transfer & Trust Company at (212) 509-4000.

### **What are the voting rights of the holders of Common Stock?**

Each outstanding share of our Common Stock will be entitled to one vote on each matter to be acted upon at the meeting. On April 2, 2004, there were 4,661,375 shares of Common Stock outstanding.

### **What constitutes a quorum?**

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock as of April 2, 2004 will constitute a quorum, thereby permitting the meeting to conduct its business. As stated earlier, there were 4,661,375 shares of Common Stock, representing the same number of votes, outstanding on April 2, 2004. Accordingly, the presence of holders representing at least 2,330,688 votes will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be counted in determining whether a quorum is present. Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange.

### **How do I vote?**

You may vote your shares by mailing the enclosed proxy card which gives detailed instructions. If you vote by mail, please complete and properly sign the enclosed proxy card and return it in the envelope we have provided. It then will be voted according to your instructions. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card or vote in person. A registered stockholder receives proxy material directly from our transfer agent, Continental Stock Transfer & Trust Co.

Alternatively, you may be able to vote by Internet or telephone. If your shares are held in a brokerage account in the name of your bank or broker (this is called street name), those shares are not included in the total number of shares listed as owned by you on the enclosed proxy card. Instead, your bank or broker will send you directions how to vote those shares. Many (but not all) brokerage firms and banks participate in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote for the election of the nominated slate of directors to serve for the ensuing year. These votes are in accordance with the recommendations of our Board. With respect to any other matter that properly comes before the meeting, the proxy holders will vote according to their best judgment.

### **Can I change my vote after I have voted?**

Yes. Even after you have submitted your proxy card you may change your vote at any time before the proxy is exercised, by filing with the Secretary of Shells either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in

**Table of Contents**

person and request to vote in person, although attendance at the meeting alone will not itself revoke a previously granted proxy.

If your shares are held by a bank or broker and you wish to vote your shares in person, you must contact them and request a special proxy card indicating your ownership of our stock. In addition, you should consult your brokerage firm or bank for directions, in the event you voted your shares by Internet or telephone and want to later change your vote prior to the Annual Meeting.

**INFORMATION ABOUT OWNERSHIP OF OUR COMMON STOCK**

The following table sets forth certain information as of April 2, 2004 regarding the beneficial ownership of our Common Stock by (i) each person known by us to own beneficially more than 5% of the outstanding Common Stock; (ii) each current director (all of whom are standing for re-election); (iii) each executive officer named in the Summary Compensation Table appearing later in this proxy statement; and (iv) all of our directors and executive officers as a group. Except as otherwise specified, the named beneficial owner has the sole voting and investment power over the shares listed, and has an address c/o Shells Seafood Restaurants, Inc., 16313 N. Dale Mabry Highway, Suite 100, Tampa, FL 33618. For purposes of this table, beneficial ownership is determined according to the rules of the Securities and Exchange Commission (the "SEC"), which generally attributes beneficial ownership of securities to persons who possess sole or shared voting power and/or investment power with respect to those securities. Common stock options and warrants which are presently exercisable or which become exercisable within 60 days of April 2, 2004 are considered beneficially owned shares of Common Stock.

## **The Financing Transaction**

In January 2002, we raised \$2,000,000 in a private financing transaction, consisting of secured promissory notes and warrants to purchase Common Stock. The two investors in the financing transaction were Shells Investment Partners, L.L.C. ( "SIP" ) and Banyon Investment, LLC ( "Banyon" ). SIP is an entity comprised of Messrs. Gardner, Giordano and Newkirk, each of whom is currently a director and is a nominee for director for the ensuing year. At the time of the transactions, none of Messrs. Gardner, Giordano and Newkirk were affiliated with us. Banyon is an entity associated with Philip R. Chapman, Chairman of our Board of Directors, and certain family members of Frederick R. Adler, a greater than 10% stockholder. The proceeds of the financing transaction were used for working capital requirements.

In the financing, we issued to each of SIP and Banyon (i) a \$1 million secured promissory note due January 31, 2005 which bears interest at 15% per annum, of which 8% is payable monthly in arrears and 7% is deferred and payable when the principal is payable in full and (ii) a warrant to purchase 4,454,015 shares of Common Stock at an exercise price of \$0.16 per share. The warrants are exercisable through January 31, 2005. If Banyon and SIP were to exercise the warrants in full, collectively, they would own 65.7% of the issued and outstanding shares of Common Stock on a fully diluted basis (exclusive of other shares or stock options which may be held by either of them or their members). Pursuant to an agreement, dated as of February 22, 2002, among SIP, Thomas R. Newkirk, John N. Giordano, J. Stephen Gardner and George W. Heaton, upon repayment by Shells of the \$1 million promissory note issued to SIP, Mr. Heaton is entitled to receive a portion of the warrants issued to SIP. When Shells repays the SIP note, Mr. Heaton is entitled to 33.33% of the SIP warrants. George W. Heaton has assigned his rights under this agreement to Linn D. Heaton.

The Banyon investment consists of the personal funds of its members. The SIP investment consists of funds obtained through a \$700,000 revolving line of credit which matures on January 29, 2005 through Suntrust Bank, N.A. and the personal funds of its members. This revolving line of credit bears a 6.95% fixed interest rate with interest paid on a quarterly basis. A principal payment on the credit line of \$100,000 was required and paid on January 29, 2003 and an additional principal payment of \$100,000 was required and paid on or about March 3, 2004.

**Table of Contents****PROPOSAL NO. 1 ELECTION OF DIRECTORS****How is the Board Structured?**

There are six directors to be elected at the Annual Meeting, each of whom currently serves as a director of Shells. Directors are elected for a term of one year which expires at the next annual meeting of stockholders or at such other time as his or her successor is duly elected and qualified. Unless you specify otherwise, your proxy will be voted in favor of the six persons named below. We have no reason to believe that any of the listed nominees will be unable to serve or that any vacancy will occur on the Board of Directors. However, in the event any of these nominees is unable to serve as a director, the shares represented by your proxy will be voted for the person, if any, who is designated by the Board to replace the nominee. All of the listed nominees have consented to be named and have indicated their intent to serve if elected.

In January 2002, in connection with the \$2 million financing transaction described earlier, we entered into an Investor Rights Agreement with SIP, Banyon and certain other stockholders. The Investor Rights Agreement fixes the composition of the Board at seven members and provides each of Banyon and SIP with the right to nominate three individuals to serve on the Board. This right will terminate with respect to each of Banyon and SIP on the earlier of (i) the date that such entity ceases to beneficially own at least 13% of our issued and outstanding stock, on a fully diluted basis, or (ii) the date that such entity's \$1 million promissory note has been paid in full. Banyon has appointed Philip R. Chapman, Michael R. Golding and Christopher D. Illick, and SIP has appointed Thomas R. Newkirk, J. Stephen Gardner and John N. Giordano, as their respective nominees to the Board.

William E. Hattaway, our former president, and George W. Heaton have been designated as Board observers, with the right to attend and observe all meetings of the Board. Neither Mr. Hattaway nor Mr. Heaton may vote on any matters which come before the Board for consideration.

**Who are the nominees for election to the Board?**

The nominees, their ages, the year in which each first became a director and their principal occupations or employment during the past five years are summarized below:

## **Table of Contents**

During the fiscal year ended December 28, 2003, we held 14 meetings, acted by unanimous written consent two times and acted by committee action seven times. Each director currently standing for re-election attended at least 75% of the aggregate number of meetings of the Board of Directors and all committees of the Board on which he served, during this past fiscal year.

This year, we instituted a policy, generally, of expecting our directors to attend our Annual Meetings. Three of our directors were in attendance at last year's Annual Meeting.

## **Board Committees**

The Board of Directors has standing Executive, Audit, and Stock Option and Compensation Committees.

The Executive Committee possesses all the powers and authority of the Board in the management of the business and affairs of our Company, except for certain powers which are specifically reserved by Delaware law to the entire Board or the stockholders. Messrs. Chapman and Newkirk are the current members of the Executive Committee. The Executive Committee did not meet in fiscal 2003.

The Audit Committee's responsibilities, which include reviewing our internal accounting procedures and consulting with and reviewing the services provided by the independent auditors, are described in the Audit Committee Charter. The Audit Committee's Report appears later in this proxy statement. Messrs. Newkirk and Illick and Dr. Golding are the current members of the Audit Committee. The Audit Committee met four times in fiscal 2003.

The Stock Option and Compensation Committee is charged with reviewing compensation policies and practices, recommending compensation for executives and key employees and administering our stock option plans. The Stock Option and Compensation Committee Report appears later in this proxy statement. Messrs. Chapman and Giordano are the current members of the Stock Option and Compensation Committee. During fiscal 2003, the Stock Option and Compensation Committee met twice and acted by unanimous written consent one time.

Shells does not have a nominating committee nor a charter for a nominating committee. The composition of our board and nomination of board candidates is prescribed by the Investor Rights Agreement between SIP, Banyon and certain other stockholders as described earlier. The Board of Directors does not have a policy with regard to the consideration of any director candidates recommended by security holders but will consider such recommendations.

## **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who beneficially own more than 10% of our Common Stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

## Edgar Filing: SHELLS SEAFOOD RESTAURANTS INC - Form DEF 14A

Based upon a review of the copies of the forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2003, all Section 16(a) filing requirements

applicable to our executive officers, directors and greater than 10% beneficial owners were complied with on a timely basis except for a Form 4 for Warren R. Nelson, relating to a stock bonus received by Mr. Nelson on April 30, 2003. We also understand that certain former executive officers of Shells may not have filed timely all requisite Section 16(a) filings.

### **What is the vote required to approve Proposal No. 1?**

The six nominees receiving the highest number of affirmative votes of the shares rightfully voted will be elected as directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instructions to the contrary. Abstentions, broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by a nominee will not be reduced by any of these actions.

### **What does the Board recommend?**

**THE BOARD OF DIRECTORS DEEMS THE ELECTION AS DIRECTORS OF THE SIX NOMINEES LISTED ABOVE TO BE IN THE BEST INTERESTS OF SHELLS AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THESE NOMINEES.**

### **How do we compensate our Directors?**

Prior to 2002, we had a policy of compensating directors, both generally and for their attendance at meetings of the Board of Directors. In February 2002, as part of our cash conservation program, we revised this policy to eliminate all cash compensation for attendance at Board meetings. Additionally, we eliminated the automatic annual stock option awards to non-employee directors pursuant to the Shells Seafood Restaurants, Inc. Stock Option Plan for Non-employee Directors. We will continue to compensate directors for reasonable expenses incurred in connection with attendance at meetings.

During 2002, an option to purchase 10,000 shares of Common Stock was granted under the Shells Seafood Restaurants, Inc. 2002 Equity Incentive Plan (the 2002 Plan ) to each of Messrs. ### **Employment Agreements**

On July 1, 2003, we entered into a two-year employment agreement with Leslie J. Christon, pursuant to which she serves as our President and Chief Executive Officer. The employment agreement provided for an annual base salary of \$275,000 during fiscal 2003, supplemental discretionary bonuses, as determined by the Stock Option and Compensation Committee of the Board, and an option to purchase 297,374 shares of Common Stock. The option vests annually over two years. Mrs. Christon's employment agreement automatically renews for consecutive one-year terms unless either we or she gives notice to the other of an intention not to renew.

## **Table of Contents**

Mr. Nelson does not currently have an employment agreement with the Company. However, Mr. Nelson has a letter agreement with the Board stating that in the event Mr. Nelson's employment is terminated without cause, Mr. Nelson will be entitled to receive severance payments for a period of 12 months following the termination in an amount equal to his then current salary as of such date.

## **Stock Option Plans**

Currently, Shells has three stock option plans for employees, consisting of the 1996 Employee Stock Option Plan (the 1996 Plan), the 1995 Employee Stock Option Plan (the 1995 Plan), and the 2002 Equity Incentive Plan (the 2002 Plan). The stock option plans authorize us to issue incentive stock options (ISOs), as defined in Section 422 of the Internal Revenue Code, and stock options that do not conform to the requirements of that Code section (Non-ISOs). The exercise price of each ISO may not be less than 100% of the fair market value of the Common Stock at the time of grant, except that in the case of a grant to an employee who owns (within the meaning of Section 422 of the Code) 10% or more of our outstanding stock, the exercise price cannot be less than 110% of such fair market value. The exercise price of each Non-ISO may not be less than the par value of the Common Stock. Options may not be exercised on or after the tenth anniversary (fifth anniversary in the case of an ISO granted to a 10% stockholder), of their grant. Options may not be transferred during the lifetime of an optionholder.

The 1996 Plan, the 1995 Plan, and the 2002 Plan are administered by the Stock Option and Compensation Committee of the Board of Directors. Subject to the provisions of the stock option plans, the Stock Option and Compensation Committee has the authority to determine the individuals to whom the stock options are to be granted, the number of shares to be covered by each option, the option price, the type of option, the option period, the restrictions, if any, on the exercise of the option, the terms for the payment of the option price and other terms and conditions. Payment by optionholders upon exercise of an option may be made (as determined by the Stock Option and Compensation Committee) in cash, by promissory note or other such form of payment acceptable to the Stock Option and Compensation Committee, including shares of Common Stock.

The 2002 Plan also provides for grants of restricted stock units, the value of which is tied to shares of Common Stock, and other equity based awards related to Common Stock, including unrestricted shares of Common Stock, stock appreciation rights and dividend equivalents. Awards of restricted stock, restricted stock units and other types of equity based awards may be made in such amounts, and subject to such terms and conditions, as the Stock Option and Compensation Committee may determine.

During fiscal 2003, the Stock Option and Compensation Committee awarded 160,790 shares of common stock at \$0.40 per share under the 2002 Plan pursuant to a management incentive plan for key management personnel. Additionally, options were awarded during 2003 to purchase shares of Common Stock (i) pursuant to an employment agreement with our new Chief Executive Officer and President, Leslie J. Christon, for 297,374 shares, (ii) upon hiring a new Vice President of Operations amounting to 50,000 shares, and (iii) otherwise in the ordinary course of business, including for various promotions and hiring of management personnel.

The warrants, which may be exercised by a cashless exercise, have an exercise price of \$0.16 per share and are exercisable through January 31, 2005.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The information set forth below briefly describes certain transactions between our Company and certain parties who or which may be deemed to be affiliated with us.

On March 1, 1994, our wholly-owned subsidiary, Shells of Melbourne, Inc. entered into a joint venture agreement with WLH Investments, Inc., a corporation wholly-owned by Wanda L. Hattaway, wife of William E. Hattaway, our former president. The joint venture owns and operates the Shells restaurant located in Melbourne, Florida. The Joint Venture Agreement provides that WLH Investments receives a cumulative annual preferred return of 15% on the \$400,000 of capital contributed to the joint venture by WLH Investments. Shells of Melbourne will then be allocated an equal amount to this preferred return. The remaining net income of the joint venture will be allocated 51% to Shells of Melbourne and 49% to WLH Investments. Based upon these allocations, we paid \$60,000 to WLH Investments for its fiscal 2003 preferred return, and \$167,000 in net income allocations to WLH Investments during 2003. Capital calls unfunded by WLH as of December 28, 2003 were \$104,000 partially offset by \$66,000 in undistributed net income allocations. We intend to offset the remaining \$38,000 in unfunded capital calls, to the extent then still outstanding, against funds available for distribution to WLH Investments in 2004.

In January 2002, we raised \$2,000,000 in the financing transaction described more fully earlier in this proxy statement under the heading Information about ownership of Our Common Stock The Financing Transaction. Both of the investment entities which participated in the financing transaction, SIP and Banyon, have members who are nominated for election to the Board of Directors. J. Stephen Gardner, John N. Giordano and Thomas R. Newkirk are members of SIP. Philip R. Chapman, our Chairman of the Board, and Catherine Adler, the spouse of Frederick R. Adler, one of our principal stockholders, are co-managing members of Banyon. Certain other family members of Frederick R. Adler also are members of Banyon. The financing transaction was approved by a special committee of the Board, comprised of the then

## **Table of Contents**

disinterested members of the Board. Although we believe that the transaction was on terms no less favorable than would have been available from unaffiliated third parties in arm's length transactions, there can be no assurance that this is the case.

During October 2002, we refinanced through Colonial Bank two of our restaurant properties, Melbourne and Winter Haven, with notes of \$635,000 and \$667,000, respectively. The loans, which bear interest at the bank's then base rate, are for terms of five years with required annual principal payments based on a 15 year amortization schedule, and a balloon payment of all then outstanding amounts due at the end of the five years. The principal balances owed on these two notes as of December 28, 2003 were \$579,000 and \$612,000, respectively. The refinancing of the Winter Haven note produced net funds to us of \$375,000 after settlement of an existing mortgage. These net funds were placed into segregated accounts, as inducement for the approval of the property refinancing by the noteholders of our \$2,000,000 financing. In 2003 with the consent of these noteholders, these segregated funds were released into our general working capital.

## **STOCK OPTION AND COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS**

### **REGARDING EXECUTIVE COMPENSATION**

*The report of the Stock Option and Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.*

#### **What is our Executive Compensation Philosophy?**

Shells manages and operates full service, mid-priced, casual dining seafood restaurants. One of our central goals is to ensure that the Company's remuneration policy enables it to attract, retain and reward capable employees who can contribute, both short and longer-term, to the success of the Company. Equity participation and a strong alignment to stockholders' interests are key elements of the Company's compensation philosophy.

The Company's executive compensation program consists of three parts: base salary, bonus and stock options. In awarding salary increases and bonuses, we considered whether the compensation package as a whole adequately compensated each executive for Shells' performance during fiscal 2003 and that executive's contribution to this performance.

#### **Base Salaries of Executive Officers**

Base salary represents the fixed component of the executive compensation program. The Company's practice generally is to maintain base salaries at approximately competitive industry averages. Determinations of base salary levels are established on an annual review of marketplace competitiveness with similar restaurant companies. Periodic increases in base salary relate to individual contributions to the Company's overall performance and relative marketplace competitiveness.

## **Table of Contents**

### **Bonus**

Bonuses represent the variable component of the executive compensation program that is tied to the Company's performance and individual achievement. To the extent deemed appropriate, our policy is to grant bonuses as a portion of the compensation paid to Shells' management personnel. In determining bonuses, we consider factors such as performance of the Company during the year and the individual's contribution to that performance. During fiscal 2002, we adopted an executive and management bonus program specifying criteria relating to the Company's financial performance as well as the individuals' contributions to Shells. During fiscal 2003, Shells paid \$138,594 in cash and stock bonuses with respect to 2002 performance.

### **Stock Options**

We believe that an important goal of the executive compensation program should be to provide executives and key employees who have significant responsibility for the management, growth and future success of the Company with an opportunity to increase their ownership in Shells and the potential for financial gain from increases in the Company's stock price. This approach ensures that the interests of the stockholders, executives and employees will be closely aligned. Therefore, executive officers and other key employees of the Company are granted stock options which give them a right to purchase shares of Common Stock at a specified price in the future. The grant of options is based primarily on an employee's potential contribution to Shells' growth and financial results. In determining the size of option grants, we also consider the number of options owned by such officer, the number and exercise price of options previously granted and currently outstanding, and the aggregate size of the current option grants. Options generally are granted at the prevailing market value of the Common Stock and will only have value if the Company's stock price increases. Generally, grants of options vest over time, and the individual must be employed by Shells for the options to vest.

### **How is Shells' President Compensated?**

On July 1, 2003, Shells entered into a two-year employment agreement with Leslie J. Christon, pursuant to which she serves as President and Chief Executive Officer. The employment agreement provided for an annual base compensation of \$275,000 during fiscal 2003 and supplemental discretionary bonuses, as determined by the Stock Option and Compensation Committee. During fiscal 2003, Mrs. Christon received an option to purchase 297,374 shares of Common Stock which vests annually over two years. In determining Mrs. Christon's compensation, we considered the pay practices of other companies in the restaurant industry as well as her potential contribution to the Company's future performance. A more complete description of Mrs. Christon's employment agreement is set out earlier in the proxy statement under the heading "Executive Compensation - Employment Agreements."

**AUDIT COMMITTEE REPORT**

*This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the information by reference, and shall not otherwise be deemed filed under such Acts.*

Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control. On behalf of the Board, the Audit Committee, among other things, reviews and monitors the financial reporting process, the systems of internal control, the audit process, the independence and performance of the independent accountants and the process for monitoring compliance with laws and regulations. Mr. Illick and Dr. Golding satisfy the definition of independent directors as that term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers Listing Standards. Mr. Newkirk may not be an independent director pursuant to that definition. On May 17, 2000, the Company adopted a written charter for the Audit Committee.

The Audit Committee reviewed the Company's financial statements with management and the Board of Directors and discussed with Kirkland Russ Murphy & Tapp P.A. (Kirkland Russ), the Company's independent auditors for the fiscal year ended December 28, 2003, the matters required to be discussed by Statement of Auditing Standard No. 61. The Audit Committee received from Kirkland Russ the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed with them their independence. The Audit Committee has reviewed the audit fees of Kirkland Russ and any non-audit services and fees, to assure compliance with Shells' and the Committee's policies restricting the independent accountants from performing services that might impair their independence.

After reviewing and discussing the financial statements, and in reliance on the matters reviewed and discussed above, and without other independent verification, the Audit Committee recommended that the audited consolidated financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended December 28, 2003.

**RELATIONSHIP WITH INDEPENDENT AUDITORS**

**Who are our Independent Auditors?**

The firm of Kirkland, Russ, Murphy & Tapp, P.A. audited and issued a report on our financial statements for the fiscal year ended December 28, 2003 and has been selected by the Audit Committee to issue a report on our financial statements for the fiscal year ending January 2, 2005. A representative of Kirkland Russ is expected to be present at the Annual Meeting and available to respond to appropriate questions from

stockholders, and will have an opportunity to make a statement if he or she desires to do so.

**Table of Contents****What were our audit fees for fiscal 2003?**

For the fiscal year ended December 28, 2003, fees for professional services performed by Kirkland Russ were as follows:

	<b>Fiscal 2003</b>	<b>Fiscal 2002</b>
Audit Fees	\$ 51,550	\$ 53,700
Audit Related Fees	0	0
Tax Fees	22,800	28,600
All Other Fees	0	0
<b>Total</b>	<b>\$ 74,350</b>	<b>\$ 82,300</b>

The Audit Committee of the Board of Directors has considered whether the performance and services related to Tax Fees is compatible with maintaining the independence of Kirkland Russ.

We have a policy that discourages the retention of our independent auditors for non-audit services. We will not retain our independent auditors for non-audit work unless: (a) the approvals of the Chair of the Audit Committee and the Chief Financial Officer are obtained prior to the retention; and (b) the retention will not affect the status of the auditors as independent accountants under applicable rules of the SEC and the Independence Standards Board.

The details regarding any engagement of the independent auditors for non-audit services are provided promptly to the full Audit Committee. During fiscal 2003 and 2002, all of the services provided by Kirkland Russ for the services described above under Tax Fees were pre-approved using the above procedures.

**OTHER MATTERS****When are stockholders proposals for the 2005 Annual Meeting due?**

We anticipate that the 2005 Annual Meeting of Stockholders will be held in our second financial quarter. To be considered for inclusion in the proxy statement for the 2005 Annual Meeting, each stockholder proposal must be received by us no later than January 7, 2005. However, in the event the 2005 Annual Meeting of Stockholders is to be held at a later date, then stockholder proposals will be accepted until a reasonable time before the date we begin to print and distribute the proxy materials.

We know of no other business to be acted upon at the Annual Meeting. However, if any other business properly comes before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their best judgment.
