Item 1.01. Entry into a Material Definitive Agreement

The information included pursuant to Item 2.03 is incorporated under this Item 1.01.

Item 1.02. Termination of a Material Definitive Agreement

As of October 8, 2004, in connection with our entry into the new revolving credit agreement described in Item 2.03 hereof, we terminated our \$450.0 million five-year revolving credit facility with the banks, financial institutions and other lenders signatory thereto and Citibank, N.A. The prior credit facility would have expired on December 3, 2006. The material terms and conditions of the prior credit facility were substantially similar to the material terms and conditions of the new revolving credit agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

On October 8, 2004, we entered into a new \$625.0 million revolving credit agreement with a syndicate of commercial banks, including Citibank, N.A. as agent for the lenders, that expires in October 2009. This new agreement replaces our \$450.0 million five-year revolving credit facility and \$200.0 million 364-day revolving credit facility. Amounts borrowed under the \$450.0 million five-year facility have been transferred to this new facility.

The new revolving credit agreement allows for borrowings in various currencies and up to \$150.0 million may be used for the issuance of stand-by letters of credit.

The interest rate and facility fee on the new agreement, as well as the issuance fee paid for the issuance of letters of credit on the facility, vary based on our public debt ratings and borrowing level. The current interest rate is LIBOR plus .675% and the facility and issuance fees are .20% and .675%, respectively.

The new agreement contains customary restrictive covenants pertaining to our and our subsidiaries' management and operations, including limitations on the amount of subsidiary debt that we may incur and limitations on our ability to pledge assets, as well as financial covenants, including covenants requiring, among other things, that we comply with a Debt-to-EBITDA ratio of less than 3.25 to 1 and a Fixed Charge Ratio of greater than 2.00 to 1. The new revolving credit agreement also contains customary events of default, including, among others, payment defaults, material inaccuracy of representations and warranties, covenant defaults, bankruptcy or involuntary proceedings, certain monetary and non-monetary judgments, change of control and customary ERISA defaults.
