**PROXY STATEMENT FOR THE 2004
ANNUAL MEETING OF SHAREHOLDERS**

SOLICITATION AND REVOCATION OF PROXIES

The accompanying proxy, being mailed to shareholders on or about November 19, 2004, is solicited by the Board of Directors (the **Board**) of Vail Resorts, Inc. (the **Company**) for use at the Annual Meeting of Shareholders (the **Meeting**) to be held on Friday, December 17, 2004. In case the Meeting is adjourned, the proxy will be used at any adjournments thereof. If a proxy is received before the Meeting, the shares represented by it will be voted unless the proxy is revoked by written notice to the Secretary of the Company prior to the Meeting or by voting in person by ballot at the Meeting. If matters other than those specifically set forth in the accompanying Notice of Annual Meeting are presented at the Meeting for action, which is not currently anticipated, the proxy holders will vote the proxies in accordance with their best judgment.

Holders of record of Common Stock of the Company as of the close of business on November 10, 2004 will be entitled to vote at the Meeting. On such date there were outstanding and entitled to vote 35,421,947 shares of Common Stock of the Company, each of which is entitled to one vote with respect to each matter to be voted on at the Meeting. All items to be voted on at the Meeting other than the election of directors require the affirmative vote of the holders of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote on the item for approval and which have actually been voted. The election of directors requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote. The presence at the Meeting in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. For all actions to be acted upon by shareholders, other than the election of directors, abstentions (including proxies containing broker non-votes) will be treated as present at the meeting for purposes of determining a quorum but are not counted for voting purposes and therefore have no effect on the outcome of any vote. For the election of directors, both abstentions and proxies containing broker non-votes will be treated as present at the meeting for purposes of determining a quorum. For the election of directors only, abstentions will be counted as votes cast on such matters and will have the effect of a negative vote, while proxies containing broker non-votes are not counted for voting purposes and therefore have no effect on the outcome of any vote.

The cost of soliciting proxies in the form enclosed will be borne by the Company. In addition to the solicitation by mail, proxies may be solicited personally, or by telephone, by employees of the Company. The Company may reimburse brokers holding Common Stock in their names or in the names of their nominees for their expenses in sending proxy material to the beneficial owners of such Common Stock.

PROPOSAL 1. ELECTION OF DIRECTORS

On September 28, 2004, Apollo Ski Partners, L.P. (Apollo Ski Partners) converted all of its Class A Common Stock into shares of Common Stock. As a result of such conversion, there are no longer any shares of Class A Common Stock outstanding. While the Class A Common Stock was outstanding, holders of Class A Common Stock had the right to elect two-thirds of the directors as Class 1 directors and the holders of Common Stock had the right to elect one-third of the directors as Class 2 directors. Because there are no longer any shares of Class A Common Stock outstanding, the Board now consists of one class of directors, all of whom are elected by the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote.

In connection with the change in ownership structure represented by the conversion of the shares of Class A Common Stock into shares of Common Stock, the Board decided to reduce the size of the Company's board of directors in the interest of improving the effectiveness and focus of the directors. Consequently, of the twelve directors who have previously served on the Board, seven remain as directors and are up for election at the Meeting and five resigned effective September 27, 2004.

At the Meeting, seven directors will be elected by the Common Stockholders. Each director will be elected for a one-year term and requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote.

The persons named as proxies in the accompanying proxy, who have been designated by the Board, intend to vote, unless otherwise instructed in such proxy, FOR the election of Messrs. Aron, Hannan, Hernandez, Katz, Micheletto, Sorte and Stiritz as directors.

CORPORATE GOVERNANCE

On September 28, 2004, the Board took several actions designed to improve the Company's corporate governance and to comply with New York Stock Exchange rules that became effective for the Company on October 31, 2004. These actions included (1) the adoption of a revised charter of the Audit Committee, (2) the adoption of the charter of the Compensation Committee, (3) the establishment of a Nominating & Corporate Governance Committee and the adoption of its charter and (4) the appointment of independent directors on each of the Audit, Compensation and Nominating & Corporate Governance Committees.

Corporate Governance Guidelines

The Company's Board acts as the ultimate decision-making body of the Company and advises and oversees management, who are responsible for the day-to-day operations and administration of the Company. The Board has adopted Corporate Governance Guidelines which, along with the charters of the Board committees and the Company's Code of Ethics & Business Conduct, provide the framework for the governance of the Company. A complete copy of the Company's Corporate Governance Guidelines, the charters of the Board committees and the Code of Ethics & Business Conduct for employees and directors may be found on the Company's website at www.vailresorts.com. The Audit Committee charter is also attached as Exhibit A to this proxy statement. Copies of these materials are available without charge upon written request to the Secretary of the Company.

Meetings of the Board

The Board held a total of six meetings during the fiscal year ended July 31, 2004 (Fiscal 2004). During Fiscal 2004, all of the incumbent directors of the Company attended 75% or more of the meetings of the Board and of committees of the Board on which they served either in person or telephonically. Mr. Aron attended the 2003 Annual Meeting of Shareholders.

The non-management directors will meet in executive sessions at least semi-annually to discuss such matters as they deem appropriate and, at least once a year, to review the Compensation Committee's annual review of the Chief Executive Officer (the CEO). These executive sessions will be chaired by the Lead Director. Mr. Katz has been designated by the Board as Lead Director of the Company. The Lead Director helps the Chairman of the Board develop the agenda for Board meetings and reviews the Board's governance procedures and policies. The Lead Director is elected by the Board annually. Shareholders may communicate with the non-management directors by following the procedures under Communications with the Board of Directors.

Director Nominations

The Nominating & Corporate Governance Committee considers and recommends candidates for election to the Board. The committee also considers candidates for election to the Board that are submitted by shareholders. Each member of the committee participates in the review and discussion of director candidates. In addition, members of the Board who are not on the committee may meet with and evaluate the suitability of candidates. In making its selections of candidates to recommend for election, the committee seeks persons who have achieved prominence in their field and who possess significant experience in areas of importance to the Company. The minimum qualifications that the Nominating & Corporate Governance Committee believes must be met for a candidate to be nominated include integrity, independence, forthrightness, analytical skills and the willingness to devote appropriate time and attention to the Company's affairs. Candidates should also demonstrate a willingness to work as part of a team in an atmosphere of trust and a commitment to represent the interests of all the shareholders rather than those of a specific constituency. Successful candidates will also demonstrate significant experience in areas of importance to the Company, such

as general management, finance, marketing, technology, law or public sector activities.

Shareholders who wish to submit nominees for election at an annual or special meeting of shareholders should follow the procedure described in the Company's Bylaws. The Nominating & Corporate Governance Committee applies the same standards in considering candidates submitted by shareholders as it does in evaluating candidates submitted by members of the Board. The Nominating & Corporate Governance Committee nominated the seven nominees that are up for election at this year's Meeting.

Independence Determinations for Directors

Under the Company's Corporate Governance Guidelines, a majority of the Board must be comprised of directors who are independent under the Corporate Governance Standards of the New York Stock Exchange. To be deemed independent, the Board must determine, after due deliberation, that the director has no material relationship with the Company other than as a director. In making such determination, the Board adheres to all of the specific tests for independence included in the New York Stock Exchange listing standards and considers all other facts and circumstances it deems necessary or advisable.

To assist it in making such determinations, the Board has adopted the following standards:

- A director will be deemed independent if the Board makes an affirmative determination after a review of all relevant information that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). A director shall not fail to meet any of the independence tests set forth in Section 303A.02(b) of the NYSE Listed Company Manual or any successor provisions thereto, which tests include:
- A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship.
- A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation.
- A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company is not independent until three years after the end of the affiliation or the employment or auditing relationship.
- A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship.
- A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold.

In addition, the Board has established the standards set forth below to further assist it in making determinations regarding director independence.

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

- No director can be independent if he or she is, or in the past three years has been, part of an interlocking directorship in which an executive officer of the Company serves on the compensation committee of another company that employs the director.

- No director can be independent if, in the past three years, the Company has made payments to, or received payments from, such director's primary business affiliation or the primary business affiliation of an immediate family member that were not made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons.

In addition, the Board reviews business and charitable relationships between the Company and each non-employee director to determine compliance with the standards described above and to evaluate whether there are any other facts or circumstances that might impair a director's independence.

The Board will deem a director to be independent if no relationship or transaction exists that would disqualify a director under the categorical standards and no other relationships or transactions exist of a type not specifically mentioned in the categorical standards that, in the Board's opinion, taking into account all facts and circumstances, would impair a director's ability to exercise his or her independent judgment.

Determinations Regarding Independence

The Board has determined that each of the nominees, other than Mr. Aron, is independent under the rules of the New York Stock Exchange. The Board based its determinations of independence on its adopted Standards of Director Independence described above. In making its determination with respect to Messrs. Hannan and Katz, who are associated with Apollo Advisors (which was previously an affiliate of Apollo Ski Partners), the Board took into consideration that Apollo Ski Partners had converted all of its Class A Common Stock into Common Stock, that Apollo Ski Partners had distributed the Common Stock owned by it to its partners, that the Shareholder Agreement among Apollo Ski Partners, Ralcorp and the Company had been terminated and that the management fee of \$500,000 per year previously paid to Apollo Advisors had been eliminated. In making its determination with respect to Messrs. Micheletto and Stiritz, who serve on the board of directors of Ralcorp as Vice Chairman and Chairman, respectively, the Board took into consideration that the Shareholder Agreement had been terminated and that Messrs. Micheletto and Stiritz serve as non-executive directors of Ralcorp.

Communications with the Board of Directors

The Nominating & Corporate Governance Committee, on behalf of the Board, will review letters from shareholders concerning the Company's annual general meeting and governance process and makes recommendations to the Board based on such communications. Shareholders can send communications to the Board by mail in care of the Secretary at P.O. Box 7, Vail, CO 81658, and should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations or communications, will be forwarded to the appropriate director or directors for review. Any such unsolicited commercial solicitation or communication not forwarded to the appropriate director or directors will be available to any non-management director who wishes to review it.

Code of Ethics & Business Conduct

The Company has adopted a Code of Ethics & Business Conduct (the "Code") that applies to all directors and employees, including its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code is available on the Company's website at www.vailresorts.com. The Company will also post on its website any amendment to the Code and any waiver of the Code granted to any of its directors or executive officers.

Committees of the Board

The Board has an Executive Committee, an Audit Committee, a Compensation Committee and a Nominating & Corporate Governance Committee. The charters for all of these committees, which have been approved by the Board, are available on the Company's website at www.vailresorts.com.

The Executive Committee

Current Members:

Adam M. Aron

Robert A. Katz

Joe R. Micheletto

The Executive Committee has all powers and rights necessary to exercise the full authority of the Board in intervals between meetings of the Board in the management of the business and affairs of the Company. The members of the Executive Committee for Fiscal 2004 were Messrs. Aron and Katz. The Executive Committee regularly meets to discuss Company issues and had six meetings during Fiscal 2004, including actions taken by unanimous written consent and telephonic meetings.

The Audit Committee

Current Members:

Joe R. Micheletto, Chairman

Roland A. Hernandez

Robert A. Katz

The Board has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act). The Audit Committee is primarily concerned with the effectiveness of the Company's independent registered public accounting firm, accounting policies and practices, financial reporting and internal controls. The Audit Committee acts pursuant to its charter, a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee is authorized, among other things, to (i) appoint, retain, compensate, evaluate and terminate, as appropriate, the Company's independent registered public accounting firm, (ii) approve all audit engagement fees and terms, as well as all significant non-audit engagements with the independent registered public accounting firm, (iii) discuss with management and the independent registered public accounting firm the Company's annual audited financial statements and quarterly financial statements, (iv) review reports by the independent registered public accounting firm describing its internal quality control procedures and all relationships between the Company and the independent registered public accounting firm and (v) annually prepare a report as required by the SEC to be included in the Company's annual proxy statement. The members of the Audit Committee for Fiscal 2004 were Messrs. Hauge, Hernandez and Micheletto, with Mr. Micheletto serving as Chairman of the Committee. Mr. Hauge resigned effective September 27, 2004 in connection with the decrease in the size of the Board. The Board has determined that Mr. Micheletto is an "audit committee financial expert" as defined in the federal securities laws. Mr. Hernandez, a member of the Audit Committee, also serves on the audit committee of Ryland Group, Inc., Wal-Mart Stores, Inc. and MGM Mirage. Under the rules of the New York Stock Exchange, if an audit committee member simultaneously serves on the audit committees of more than three public companies, and the listed company does not limit the number of audit committees on which its audit committee members serve to three or less, then in each case, the board must determine that such simultaneous service would not

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

impair the ability of such member to effectively serve on the listed company's audit committee. The Board will consider this matter and make a determination with respect to Mr. Hernandez at its upcoming Board meeting scheduled for December 9, 2004. The Board has determined that all current members of the Audit Committee are independent as defined by the Corporate Governance Standards of the New York Stock Exchange and the rules of the SEC applicable to audit committee members. The Audit Committee held ten meetings, including meetings by telephone, during Fiscal 2004.

The Compensation Committee

Current Members:

Robert A. Katz, Chairman

Joe R. Micheletto

John F. Sorte

The Compensation Committee acts pursuant to its charter and is authorized and directed, among other things, to (i) review and approve corporate goals and objectives relevant to the CEO's compensation, evaluate the CEO's performance in light of those goals and objectives, and, either as a committee or together with the other independent directors (as directed by the Board), determine and approve the CEO's compensation level based on this evaluation, (ii) review the performance of and approve the individual elements of total compensation for the executive officers of the Company other than the CEO, (iii) review and approve the Company's incentive compensation and equity-based plans and approve changes to such plans, in each case subject, where appropriate, to shareholder or Board approval and (iv) produce a compensation committee report on executive officer compensation as required by the SEC to be included in the Company's annual proxy statement or annual report on Form 10-K filed with the SEC. The members of the Compensation Committee for Fiscal 2004 were Messrs. Biondi, Lee, Tisch and Katz, with Mr. Katz serving as chairman of the Committee. Messrs. Biondi, Lee and Tisch resigned effective September 27, 2004 in connection with the decrease in the size of the Board. The Board has determined that all current members of the Compensation Committee are independent as defined by the Corporate Governance Standards of the New York Stock Exchange. The Compensation Committee had one meeting in Fiscal 2004. A subcommittee of the Compensation Committee which consists of non-employee directors, within the meaning of Rule 16b-3 promulgated under the Exchange Act and outside directors, within the meaning of regulations promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended, has been created to grant awards to Named Executive Officers and to officers who are subject to Section 16 of the Exchange Act under the Company's 1993 Stock Option Plan and its 1996, 1999 and 2002 Long Term Incentive and Share Award Plans. The subcommittee is necessary for Fiscal 2005 because Mr. Katz, while deemed independent by the Board under the Company's Corporate Governance Guidelines, the Corporate Governance Standards of the New York Stock Exchange and the rules and regulations of the SEC, is not an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended. The members of the subcommittee of the Compensation Committee are Messrs. Micheletto and Sorte.

The Nominating & Corporate Governance Committee

Current Members:

William P. Stirtz, Chairman

John J. Hannan

Roland A. Hernandez

The Nominating & Corporate Governance Committee acts pursuant to its charter and is authorized and directed to (i) review the overall composition of the Board, (ii) actively seek individuals qualified to become Board members for recommendation to the Board, (iii) identify and recommend to the Board director nominees for the next annual meeting of shareholders and members of the Board to serve on the various committees of the Board, (iv) be responsible for oversight of the evaluation of the performance of the Board and management and (v) review and reassess the adequacy of the Corporate Governance Guidelines of the Company and recommend any proposed changes to the Board for approval. The Nominating & Corporate Governance Committee was formed on September 28, 2004. The Board has determined that all current members of the Nominating & Corporate Governance Committee are independent as defined by the Corporate Governance Standards of the New York Stock Exchange.

Compensation of Directors

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

Non-employee directors receive an annual retainer of \$25,000 and meeting fees of \$5,000 for each Board meeting attended in person and \$1,000 for meetings attended telephonically. Members of all committees receive

\$1,000 per committee meeting attended, except that Audit Committee members receive \$2,000 per each committee meeting attended. Certain directors are entitled to additional retainer compensation based on their additional responsibilities. The Lead Director receives an additional \$25,000 per year. The Chairman of the Audit Committee receives an additional \$25,000 per year and each other Audit Committee member receives an additional \$15,000 per year. The Chairman of the Nominating & Corporate Governance Committee and the Chairman of the Compensation Committee each receive an additional \$5,000 per year. However, Mr. Katz, the Lead Director, has waived the additional retainer amounts he is entitled to receive as a member of the Audit Committee and as Chairman of the Compensation Committee. Directors are also reimbursed for their reasonable travel expenses. The Company provides its directors with stock options as well as certain skiing, golf and lodging privileges.

Compensation Committee Interlocks and Insider Participation

Messrs. Biondi, Lee, Tisch and Katz served as members of the Compensation Committee of the Board during Fiscal 2004.

Mr. Katz is associated with Apollo Advisors. In Fiscal 2004, the Company paid a fee of \$500,000 to Apollo Advisors for management services and expenses related thereto. This arrangement was approved by the Board of the Company in March 1993 and terminated effective October 1, 2004.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file initial reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Such officers, directors and shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, the Company believes that all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis for Fiscal 2004, except that Mr. Hauge, a former director, reported late the receipt of stock options.

CERTAIN RELATIONSHIPS AND OTHER TRANSACTIONS

Messrs. Aron, Jensen, Jones, Mace, and McCarthy are party to agreements with the Company, as described in Employment Agreements.

In 1995, Mr. Thompson and his spouse received financial terms more favorable than those available to the general public in connection with their purchase of a homesite at Bachelor Gulch Village. Rather than payment of an earnest money deposit with the entire balance due in cash at closing, the contract provided for no earnest money deposit with the entire purchase price (which was below fair market value) to be paid under a promissory note of \$350,000. In 1999, the note agreement was amended to provide that the note, which continued to accrue interest at a rate of 8% per annum, would be payable in full in the form of one lump sum payment. The amendment provided that the lump sum payment shall be due on the earlier of (i) the date the property is sold, (ii) two years from the date Mr. Thompson's employment with the Company is terminated for any reason, or (iii) September 1, 2009. In September 2004, Mr. Thompson sold the home and repaid the note in full.

In connection with Mr. Thompson's employment, the Company provided Mr. Thompson a one-time cash bonus of \$600,000, which vested on July 1, 2003, for the purchase of a selected lot in the Red Sky Ranch golf community with a purchase price of \$600,000. The Company also provided Mr. Thompson a membership in the Red Sky Ranch golf club in connection with such lot purchase. The Company provided Mr. Thompson with such one-time bonus on October 29, 2003 and Mr. Thompson took title to the property and the related membership on October 29, 2003. Based on the average of several appraisals, the Company estimates that the fair market value of the lot at the time of purchase was \$716,000, and the fair market value of the membership was \$175,000. Mr. Thompson also received a lifetime honorary membership in Red Sky Golf Club under which Mr. Thompson is not required to pay an initiation fee or dues. The Company has not recorded compensation in association with this membership, as it is considered to be a working condition fringe benefit during the course of his employment.

In February 2003, Marc J. Rowan, a former director of the Company and a founding principal of Apollo Advisors, and Michael Gross (also a founding principal of Apollo Advisors), each purchased a homesite at Bachelor Gulch Village. The purchases occurred pursuant to the September 1999 contracts between the Company and the purchasers, as previously disclosed in the Company's annual proxy statements since 1999. The purchase price for each site was \$378,000, which the Company believed at the time to be the approximate fair market value of the sites at the time of the original contracts, less a credit of \$132,300 for certain infrastructure costs, such as architectural plans, necessary to develop the sites. The Company determined the sales price at the time of discussions with Mr. Rowan about a possible purchase more than a year prior to the September 1999 execution of the contracts based on a formula used by the Company's real estate subsidiary for establishing the base land price of a development parcel for multiple homesites under contract at the time to a third party developer and the assumed square footage of the residences expected to be built on the sites as indicated by Messrs. Rowan and Gross. Also, as previously stated in the Company's proxy statements, the contracts were amended to extend the original closing dates on each property from January 2001 to January 2003. As previously disclosed in the Company's Form 10-Q for the third quarter of 2003, the Company believes that, at the time of the closing of the

purchases by Messrs. Rowan and Gross in February 2003, the fair market value of each site was approximately \$1.6-\$1.7 million, based generally on the Company's familiarity with appreciated values of Bachelor Gulch real estate. Additionally, the Company has been advised by Mr. Rowan and Mr. Gross that each has sold the properties for approximately that amount. Upon further review of the transactions, the Company has determined that, due to differences between the expected sizes of the residences to be built on the properties contracted to be sold to Mr. Rowan and Mr. Gross, as compared to properties under contract with the third party developer, and in light of the actual sales prices of homesites in excess of the base land prices as sold by the third party developer, the market value of the two sites at the time of execution of the contracts with Mr. Rowan and Mr. Gross should have been approximately \$601,000 each. The infrastructure credit corresponded to an estimate by the Company's real estate subsidiary of the amount the Company would have had to spend on infrastructure had the properties been sold to the third party developer. Mr. Rowan and Mr. Gross have each made a supplemental payment of \$223,000 (reflecting the difference between \$601,000 and the stated purchase price), an additional payment equal to the amount of the infrastructure credit and additional amounts that the Company paid for infrastructure in connection with the lots, plus interest on these amounts from the date of closing of the properties to receipt of the payments.

Since January 3, 1997, the Company, Apollo Ski Partners and Ralcorp have been party to a shareholder agreement (the Shareholder Agreement) pursuant to which Apollo Ski Partners and Ralcorp were subject to voting agreements and had certain registration rights. The Company, Apollo Ski Partners and Ralcorp entered into a Termination Agreement (the Termination Agreement) on October 5, 2004 terminating the Shareholder Agreement. Under the Termination Agreement, Ralcorp retains certain demand and piggyback registration rights with respect to the Common Stock owned by it. The indemnification provisions of the Shareholder Agreement also survive. In connection with the conversion by Apollo Ski Partners of its Class A Common Stock into shares of Common Stock, on October 12, 2004, the Company filed a shelf registration statement for certain shares of the Company Common Stock which Apollo Ski Partners distributed to certain of its partners.

Historically, the Company has paid a fee to Apollo Advisors for management services and expenses related thereto. In Fiscal 2004, this fee was \$500,000. This arrangement was approved by the Board of the Company in March 1993. In connection with the conversion by Apollo Ski Partners of its Class A Common Stock into shares of Common Stock, this arrangement was terminated effective October 1, 2004.

See Employment Agreements for a discussion of certain compensation transactions with Mr. Aron.

EMPLOYMENT AGREEMENTS

The Company has an employment agreement, as amended from time to time, with Adam M. Aron (the "Employment Agreement"), pursuant to which Mr. Aron serves as the Chief Executive Officer of the Company. Pursuant to the Employment Agreement, the initial term of Mr. Aron's employment was July 29, 1996 through September 30, 1999, with automatic renewals thereafter in two-year terms, subject to notice of termination by either Mr. Aron or the Company.

Pursuant to the Employment Agreement, Mr. Aron's minimum base salary is \$675,000 per year, subject to annual increases, as determined by the Compensation Committee of the Board. Mr. Aron is, and has been since October 1, 1997, eligible to participate in the Company's bonus plan. Under the terms of the Employment Agreement, Mr. Aron's minimum Target Bonus is 80% of his then current salary, which minimum Target Bonus shall be paid if the Company's budget is fully achieved.

Pursuant to the Employment Agreement, Mr. Aron was originally granted 37,500 restricted shares of Common Stock and options to purchase 260,000 shares of Common Stock, all of which restricted shares and options have vested. Pursuant to amendments to the Employment Agreement, Mr. Aron was granted an additional 180,000 shares of restricted stock, all of which have vested. Mr. Aron is entitled to future stock option grants at the discretion of the Board. Mr. Aron is subject to a 12-month non-compete clause upon termination. In the event of a change of control of the Company (as defined in the Employment Agreement), all of Mr. Aron's rights with respect to the options and the restricted shares of Common Stock will vest immediately if (1) he remains employed with the Company for at least six months after the change of control occurs, or (2) following the change of control, his employment is terminated as a result of death or disability, or is terminated without cause. In addition, upon either his termination following a change of control or a termination by the Company without cause, or by Mr. Aron for good reason, Mr. Aron is entitled to receive certain benefits. Such benefits include payment of Mr. Aron's then current base salary through the date his employment ends and for a twenty-four month period thereafter and a prorated bonus (assuming performance targets are met) for the portion of the year in which the termination occurs. A change in control of the Company occurs when a person other than Apollo Ski Partners or its affiliates owns a majority of the Company's outstanding common stock or a majority of the combined voting power of all outstanding voting securities. Mr. Aron is also entitled to certain benefits upon termination of his employment as a result of death or disability.

The Company provides Mr. Aron a life insurance policy of \$5 million and \$500,000 of annual disability income protection. The Company purchased, for approximately \$1.5 million, a home in the Vail Valley for Mr. Aron's use while employed by the Company (the "Residence"). In accordance with the Employment Agreement, as amended, Mr. Aron became fully vested in the following components of compensation as of August 3, 2003:

- A one-time bonus of \$600,000 which Mr. Aron used to purchase Red Sky Ranch Lot 5 and related Red Sky Golf Club membership from the Company for a purchase price of \$600,000. The lot and membership collectively had an estimated fair market value of \$1.0 million as of the vesting date. Mr. Aron closed the purchase of the lot on August 29, 2003, and the Company paid him the related one-time bonus on August 3, 2003; and
- A one-time bonus of \$1.8 million which Mr. Aron used to purchase the Residence from the Company and pay related closing costs and to purchase a related Beaver Creek Club membership for a combined purchase price of \$1.8 million. The Residence and membership collectively had an estimated fair market value of \$1.9 million as of the vesting date. Mr. Aron closed on the Residence on December 22, 2003, and the Company paid him the related one-time bonus on December 31, 2003.

In addition, as of May 1, 2001, Mr. Aron vested in the right to acquire Bachelor Gulch Lot 99 and related Bachelor Gulch and Red Sky Golf Club memberships for a purchase price of \$646,750. At the time Mr. Aron vested in this right, the lot and related memberships had an estimated fair market value of \$2.2 million. As of August 3, 2003, Mr. Aron vested in the right to receive a one-time bonus of \$659,750 which Mr. Aron used to purchase and pay related closing costs for the lot and related memberships. Mr. Aron closed on the purchase of

the lot and memberships on August 29, 2003 and the Company paid him the related one-time bonus on August 3, 2003. The estimated fair market value of the lot and related memberships was \$3.1 million at the date of purchase.

RockResorts International, LLC (RockResorts), a subsidiary of the Company, entered into an employment agreement (the Agreement) with Edward Mace effective October 25, 2001 for a two-year term with automatic renewals for successive one-year periods thereafter to engage his services as President of RockResorts. Pursuant to the terms of the Agreement, Mr. Mace's base salary is \$375,000 per year, subject to annual increases by the Chairman of RockResorts, the CEO and the Board. However, without Mr. Mace's prior written consent, no decreases may be made below the initial amount paid of \$375,000 per year. Mr. Mace participates in the Company's bonus plan.

Pursuant to the Agreement, Mr. Mace was granted the option to buy 100,000 shares of common stock through the Vail Resorts, Inc. 1999 Long Term Incentive and Share Award Plan, which options vest over three (3) years and have an exercise price of \$16.10, and with all such options vesting automatically upon a change of control, as defined in Mr. Mace's employment agreement. Mr. Mace is entitled to receive future stock option grants at the discretion of the CEO and the Board. Further, he receives customary health, disability and insurance benefits pursuant to the Agreement and is entitled to the benefits of a family membership at Beaver Creek Club and Red Sky Golf Club at no cost to him other than incidental personal charges. RockResorts also agreed to pay Mr. Mace his reasonable relocation costs, and paid his commute costs to Denver through March 2002. Mr. Mace is subject to a one-year covenant not to compete and a permanent covenant to maintain confidentiality with respect to information or trade secrets that Mr. Mace learns in the course of his employment. In addition, upon termination of his agreement by the Company without cause, or by Mr. Mace for good reason, Mr. Mace is entitled to continue to receive his base salary for a period of eighteen (18) months following his termination, along with a pro-rated bonus in the year of termination. Mr. Mace is also entitled to certain benefits upon termination of his employment as a result of death or disability.

In connection with Mr. Mace's employment agreement, RockResorts agreed to invest up to \$900,000, but not to exceed 50% of the purchase price, for the purchase of a residence for him and his family in Eagle County, Colorado (the Colorado Residence). RockResorts contributed \$900,000 towards the purchase price of the Colorado Residence and thereby obtained an approximate 47% undivided ownership in such residence. Upon the resale of the Colorado Residence, or within approximately eighteen (18) months of the termination of Mr. Mace's employment with RockResorts, whichever is earlier, RockResorts shall be entitled to receive its proportionate share of the resale price of the Colorado Residence, less certain deductions.

The Company entered into an employment agreement with Jeffrey W. Jones effective November 18, 2003 to serve as the Company's Chief Financial Officer. The initial term of the agreement is until September 30, 2005 with automatic renewals for successive one year periods thereafter. Mr. Jones' base salary is \$365,000 per year, subject to annual increases by the CEO and the Board. However, without Mr. Jones' written consent, no decreases may be made below \$365,000 per year. Mr. Jones participates in the Company's bonus plan. In addition, on November 20, 2003, Mr. Jones was granted 12,000 restricted shares of Common Stock. Mr. Jones was also granted options to purchase a total of 125,000 shares of Common Stock as follows: 35,000 granted on September 29, 2003; 40,000 granted on November 20, 2003; and 50,000 granted on September 28, 2004. The options vest in three equal installments over three years from the grant date. Mr. Jones is entitled to future stock option grants at the discretion of the CEO and the Board. Mr. Jones receives customary health, disability and insurance benefits and is entitled to the benefits of an associate membership at the Red Sky Golf Club at no cost to him other than incidental personal charges. The Company also agreed to pay Mr. Jones his reasonable relocation costs and the reasonable costs incurred by Mr. Jones in selling his primary residence in Illinois. Mr. Jones is subject to a one-year covenant not to compete and a permanent covenant to maintain confidentiality with respect to information or trade secrets that Mr. Jones learns in the course of his employment. In addition, upon termination of his agreement by the Company without cause, or termination by Mr. Jones with good reason, Mr. Jones is entitled to continue to receive his base salary for a period of twelve (12) months following his termination, along with a pro-rated bonus in the year of termination. Mr. Jones is also entitled to certain benefits upon termination of his employment as a result of death or disability.

In connection with Mr. Jones' employment, the Company agreed to invest up to \$650,000, but not to exceed 50% of the purchase price, for the purchase of a residence for Mr. Jones and his family in Eagle County, Colorado. The Company contributed \$650,000 toward the purchase price of the residence and thereby obtained an approximate 46% undivided ownership interest in such residence. Upon the resale of the residence, or within approximately eighteen (18) months of the termination of Mr. Jones' employment with the Company, whichever is earlier, the Company is entitled to receive its proportionate share of the resale price of the residence, less certain deductions.

Effective as of May 1, 1997, Vail Associates, Inc. entered into an Employment Agreement with William A. Jensen to serve as Senior Vice President and Chief Operating Officer of Breckenridge Ski Resort. In May 1999, Mr. Jensen was named Chief Operating Officer of Vail Mountain. The initial term of the Employment Agreement was May 1, 1997 through September 30, 2000 with automatic one-year renewals after September 30, 2000. Mr. Jensen's base salary was \$200,000 per year, subject to annual increases thereafter at the discretion of the CEO and the Board. Mr. Jensen participates in the Company's bonus plan.

Pursuant to the terms of his Employment Agreement, Mr. Jensen is eligible for annual stock option and/or restricted stock grants and was initially granted the option to purchase 40,000 shares of the Company's common stock, effective May 1, 1997 at an exercise price of \$20.125, through the Vail Resorts, Inc. 1997 Long Term Incentive and Share Award Plan. Those options vested over a three-year period. Mr. Jensen is entitled to future stock option awards at the discretion of the President, the CEO and the Board. Mr. Jensen receives customary health, dental, long-term disability and life insurance benefits and is entitled to benefits of membership at the Keystone and Beaver Creek golf clubs at no cost to him other than incidental personal charges. Vail Associates, Inc. also agreed to reimburse Mr. Jensen his moving and relocation expenses, not to exceed \$40,000. Mr. Jensen is subject to a one-year covenant not to compete and a permanent covenant to maintain confidentiality with respect to information or trade secrets that Mr. Jensen learns in the course of his employment. Upon termination of Mr. Jensen's employment by the Company, without cause, or by Mr. Jensen, for good reason, Mr. Jensen shall be entitled to continue to receive his then current base salary (plus certain insurance benefits) for a period of twelve (12) months following termination, along with a pro-rated bonus in the year of termination. Mr. Jensen is also entitled to certain benefits upon termination of his employment as a result of disability or death.

In order to facilitate the Company's requirement that Mr. Jensen reside in the Town of Vail in connection with his appointment as the Chief Operating Officer of Vail Mountain, Vail Associates, Inc. entered into an agreement with Mr. Jensen in 1999 to invest in the purchase of a primary residence for Mr. and Mrs. Jensen in Vail, Colorado. Vail Associates, Inc. contributed \$1,000,000 toward the purchase price of the residence and thereby obtained an approximate 49% undivided ownership interest in such residence. Vail Associates, Inc. is entitled to receive its proportionate share of the resale price of the residence, less certain deductions, upon the resale of the residence or within approximately eighteen (18) months after Mr. Jensen's termination of employment from the Company, whichever occurs first.

Effective as of July 17, 2000, Vail Associates, Inc. entered into an employment agreement with Roger McCarthy to serve as Senior Vice President and Chief Operating Officer of Breckenridge Ski Resort. In November 2002, Mr. McCarthy's role expanded to include Keystone Resort. Mr. McCarthy's base salary effective October 1, 2000 was \$250,000 per year, subject to annual increases thereafter at the discretion of the CEO and the Board. Mr. McCarthy participates in the Company's bonus plan.

Pursuant to the terms of his employment agreement, Mr. McCarthy is eligible for annual stock option and/or restricted stock grants and was initially granted the option to purchase 30,000 shares of the Company's common stock, effective February 24, 2000 at an exercise price of \$16.625, through the Vail Resorts, Inc. 1999 Long Term Incentive and Share Award Plan. Those options vested over a three-year period, one-third (1/3) each year. Mr. McCarthy is entitled to future stock option awards at the discretion of the President, the CEO and

the Board. Mr. McCarthy receives customary health, dental, long-term disability and life insurance benefits and is entitled to use the Keystone Ranch and Keystone River Course golf courses, free of green and cart fees. Mr. McCarthy is subject to a one-year covenant not to compete and a permanent covenant to maintain confidentiality with respect to information or trade secrets that Mr. McCarthy learns in the course of his employment. Upon termination of Mr. McCarthy's employment by the Company, without cause, or by Mr. McCarthy, for good reason, Mr. McCarthy shall be entitled to continue to receive his then current base salary (plus certain insurance benefits) for a period of twelve (12) months following termination, along with a pro-rated bonus in the year of termination. Mr. McCarthy is also entitled to certain benefits upon termination of his employment as a result of disability or death.

In connection with Mr. McCarthy's employment, Vail Associates, Inc. agreed to invest up to \$400,000, but not to exceed 50% of the purchase price, for the purchase of a primary residence for Mr. McCarthy and his family in Breckenridge, Colorado. Vail Associates, Inc. contributed \$400,000 toward the purchase price of the residence and thereby obtained an approximate 41% undivided ownership interest in such residence. Vail Associates, Inc. is entitled to receive its proportionate share of the resale price of the residence, less certain deductions, upon the resale of the residence or within approximately eighteen (18) months after Mr. McCarthy's termination of employment from the Company, whichever occurs first.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Board (the Committee) for Fiscal 2004 was comprised of Messrs. Biondi, Lee, Tisch and Katz. For Fiscal 2005, the Committee is comprised of Messrs. Katz, Micheletto and Sorte. The Committee is responsible for establishing and administering the Company's executive compensation programs, its equity incentive plans, the grant of options to purchase the Company's stock and performance-based compensation to the Company's executives. A subcommittee of the Compensation Committee which consists of non-employee directors, within the meaning of Rule 16b-3 promulgated under the Exchange Act and outside directors, within the meaning of regulations promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended, has been created to grant awards to Named Executive Officers and to officers who are subject to Section 16 of the Exchange Act under the Company's 1993 Stock Option Plan and its 1996, 1999 and 2002 Long Term Incentive and Share Award Plans. The members of the subcommittee of the Compensation Committee are Messrs. Micheletto and Sorte.

Compensation Philosophy

The Committee's compensation philosophy is designed to support the Company's primary objective of creating value for shareholders. The Committee believes that the following compensation strategies for the Company's executive officers, including the CEO, achieve this objective:

- *Attract and retain talented executives* The Company provides core compensation in the form of base salary and benefit programs that are comparable to those of similarly sized companies in the resort/leisure/hospitality industry. The base salary target is generally based on industry survey results. For higher levels of responsibility, the base salary component is intended to be a diminishing portion of the executive's potential total compensation.
- *Emphasize pay for performance* The Company's stock based plans establish a significant relationship between current Company performance and incentive compensation, on a sliding scale basis, with substantial rewards possible for exceptional results and no reward for poor results.
- *Encourage management stock ownership* The Committee firmly believes that long-term shareholder value will be significantly enhanced by management stock ownership. As a result, the Company's stock option program strongly encourages stock ownership by executive officers.

The Internal Revenue Code imposes a limitation on the deduction for certain executive officers' compensation unless certain requirements are met. The Company and the Committee have carefully considered the impact of these tax laws and have taken certain actions intended to preserve the Company's tax deduction with respect to any affected compensation. However, notwithstanding this general policy, the Committee has authorized, and will continue to retain the authority to authorize, payments that may not be deductible if it believes that they are in the best interests of both the Company and its shareholders. The Committee will continue to consider on a case-by-case basis whether particular compensation awards and programs that do not satisfy the condition of Section 162(m) outweigh the costs to the Company of the loss of related tax deductions. In Fiscal 2004, the Company recorded non-deductible compensation expense of approximately \$1.5 million, related to the CEO's employment agreement.

Base Salary

The Company generally establishes base salary ranges by considering compensation levels in similarly sized companies in the resort/leisure/hospitality industry. The base salary targets are generally established based upon industry survey results in light of the Company's strategic goals compared to other publicly owned, growth-oriented companies. The Company's current philosophy is to pay base salaries sufficient to attract and retain executives with a broad, proven track record of performance.

The base salary and performance of each executive officer is reviewed periodically (at least annually) by his or her immediate supervisor (or the Committee, in the case of the CEO) resulting in salary actions as appropriate. An executive officer's level of responsibility is the primary factor used in determining base salary. Individual performance and industry information are also considered in determining any salary adjustment. The Committee reviews and approves all executive officer salary adjustments as recommended by the CEO. The Committee reviews the performance of the CEO and establishes his base salary.

Bonus Plan

In Fiscal 2004, all Named Executive Officers were eligible for an annual bonus under the Vail Resorts, Inc. annual cash bonus plan approved by the Board. For Fiscal 2004, the performance measure selected by the Committee for cash bonuses was the meeting of certain Reported EBITDA targets. Reported EBITDA is calculated as segment net revenue less segment operating expense plus segment equity investment income (plus, in the Real Estate segment only, gain on transfer of property). In the event the Company's Reported EBITDA for Fiscal 2004, as determined on both an aggregate and a divisional basis, met or exceeded certain predetermined target levels, the appropriate divisional executive participating in the plan was eligible to receive an incentive award for Fiscal 2004. Such awards are based upon salary level, the Committee's determination of the individual's position and level of responsibility and the Committee's assessment of the individual's impact upon the Company's financial success. The Committee has absolute discretion in reducing or eliminating the amount of an award for any individual included in the plan. The Company paid bonus compensation for Fiscal 2004 to all of the Named Executive Officers. The bonuses received by the Named Executive Officers are reflected in the Summary Compensation Table.

Stock Option and Share Award Program

The Company's existing stock option and long-term incentive and share award plans are designed to align management interests with those of shareholders. In furtherance of this objective, the level of stock option grants and restricted share awards for executive officers is determined by the Committee each year, typically in consultation with the CEO except with respect to the CEO himself. Awards for all employees (including all executive officers) are determined by giving equal consideration to base salary, level of responsibility and industry long-term compensation information. In order to encourage increased Company performance in the future, the Company's stock options vest in one-year increments over periods ranging from three to five years, except that options granted to Mr. Aron can vest up to ten years from the date of grant and are subject to certain vesting acceleration conditions. All stock option grants to the Named Executive Officers are reflected in the table entitled "Option Grants in Fiscal 2004."

Deferred Compensation Plan

On September 15, 2000, the Company approved the adoption by The Vail Corporation, an indirect wholly owned subsidiary of the Company (the "Employer"), of a Deferred Compensation Plan (the "Plan") for the benefit of its key employees, as that term is defined in the Plan ("Key Employees"). The Plan provides that Key Employees may contribute to the Plan up to 95% of their base pay and up to 95% of any Employer-paid bonus, which contributions may be allocated among the following three accounts: retirement, education, and personal goals. The Company may, on an annual basis, elect to make matching and/or discretionary Employer contributions. To date, the Company has not made any matching or discretionary contributions. Key Employee contributions and any matching or discretionary contributions made by Employer are placed in a rabbi trust which restricts management's use and access to the money. All contributions made by Key Employees are immediately 100% vested. Any matching or discretionary contribution made by Employer vest 25% each year for four years, starting from the date of Key Employee's hire. The Company may direct the Plan Administrator to accelerate the vesting on the matching and/or discretionary Employer contributions. The trustee under the Plan is Wells Fargo Bank Minnesota, N.A. The Plan is a non-qualified benefit plan. All money in the rabbi trust remains subject to the Company's general creditors in the event of bankruptcy.

CEO Compensation

Mr. Aron's compensation for Fiscal 2004 consisted of base salary in addition to participation in the Company's benefit programs. Mr. Aron's base salary for Fiscal 2004 was paid in accordance with his Employment Agreement, as described in "Employment Agreements." At the time the Company entered into and amended Mr. Aron's agreement, the Committee gave consideration to chief executive officer compensation in other publicly owned, growth-oriented and similarly sized companies in comparable industries. Mr. Aron was

granted 120,000 stock options and 22,500 shares of restricted stock in Fiscal 2004 in recognition of his performance as CEO and to provide incentive throughout the term of the option to strive to operate the Company in a manner that directly and positively affects both the short term and long term interests of the stockholders. As of November 10, 2004, Mr. Aron held 1,225,000 stock options, of which 905,000 were fully vested. All compensation received by Mr. Aron in Fiscal 2004 is reflected in the Summary Compensation Table.

Performance Graph

The following graph compares the performance of the Company's Common Stock to The Russell 2000 Stock Index, The S&P 500 Stock Index and the Company's Peer Group Indices*.

* The Company's Peer Group Indices' performances are weighted according to market capitalization. The Company included the Russell 2000 in the graph because the Company is included in such index and because there is no established industry index for the Company's business. Total shareholder return is weighted according to market capitalization so that companies with a larger market capitalization have a greater impact on the Peer Group's index results. Historical stock performance during this period may not be indicative of future stock performance.

The total return graph is presented for the period from the end of the Company's 1999 fiscal year through the end of the Company's 2004 fiscal year. The total stockholder return assumes that \$100 is invested at the beginning of the period in the Common Stock of the Company, The Russell 2000, The S&P 500 Stock Index and the Company's Peer Group. The Company's Peer Group is comprised of: Hilton Hotels; Host Marriott; Marriott International; Six Flags, Inc.; Inrawest Corp. and American Skiing Company.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the above Compensation Committee Report on Executive Compensation and Performance Graph shall not be incorporated by reference into any such filings.

PROPOSAL 2. AMENDMENT AND RESTATEMENT OF THE COMPANY S

CERTIFICATE OF INCORPORATION

This proposal would amend and restate the Company s Amended and Restated Certificate of Incorporation, as described below. A copy of the Amended and Restated Certificate of Incorporation that you are being asked to approve is attached to this Proxy Statement as Appendix B.

The Board is proposing to amend and restate the Company s Amended and Restated Certificate of Incorporation to:

- (1) eliminate the classification of directors into Class 1 and Class 2 directors, as the Company now has only one class of directors;
- (2) delete the provisions relating to Class A Common Stock, as the Company no longer has any Class A Common Stock outstanding; and
- (3) delete references to Gillett Holdings, Inc. and the Company s reorganization, as these references are no longer relevant.

On September 28, 2004, Apollo Ski Partners converted all of its Class A Common Stock into shares of Common Stock. Apollo Ski Partners owned over 99% of the Class A Common Stock. Pursuant to the Company s current Amended and Restated Certificate of Incorporation, upon this conversion by Apollo Ski Partners, all other shares of Class A Common Stock outstanding automatically converted into shares of Common Stock. While the Class A Common Stock was outstanding, holders of the Class A Common Stock had the right to elect two-thirds of the directors as Class 1 directors and holders of Common Stock had the right to elect one-third of the directors as Class 2 directors.

Since no shares of Class A Common Stock remain outstanding, the Board now consists of one class of directors all of whom are elected by the affirmative vote of a majority of the shares of Common Stock and the references in the Certificate of Incorporation to Class 1 and Class 2 directors are no longer necessary or meaningful. Consequently, the Board wishes to restate the Certificate of Incorporation to delete the references to Class 1 and Class 2 directors. Similarly, the Company s Amended and Restated Certificate of Incorporation, as now in effect, has various references to Class A Common stock and the Board wishes to restate the Certificate of Incorporation to delete such references to Class A Common Stock.

In addition, the Amended and Restated Certificate of Incorporation, as now in effect, authorizes 125,000,000 shares of capital stock of the Company; 20,000,000 shares of Class A Common Stock; 80,000,000 shares of Common Stock and 25,000,000 shares of preferred stock. The Board proposes that the amount authorized for Class A Common Stock is added to the amount currently authorized for shares of Common Stock as there are no longer any shares of Class A Common Stock outstanding. The total amount of authorized capital stock would remain 125,000,000 shares, but would be amended and restated to authorize 100,000,000 shares of Common Stock and 25,000,000 shares of preferred stock.

The Board also proposes to delete all references in the Amended and Restated Certificate of Incorporation to Gillett Holdings, Inc. and to the Company s 1992 reorganization. These references are no longer relevant to the Company and are no longer needed in the Amended and Restated Certificate of Incorporation.

If the proposal is approved, the Company will file an Amended and Restated Certificate of Incorporation with the Delaware Secretary of State, which will become effective on the date the filing is accepted.

In summary, the proposed Amended and Restated Certificate of Incorporation merely makes clean-up and technical changes to the Certificate of Incorporation of the Company, and does not alter the rights of security holders.

Vote Required For Approval

The affirmative vote of the holders of a majority of the shares represented in person or by proxy which are entitled to vote and which have actually been voted on this matter is required for this proposal to be adopted.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT OF THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION.

**PROPOSAL 3. RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm for the year ended July 31, 2005. PricewaterhouseCoopers LLP expects to have a representative at the 2004 Annual Meeting of Shareholders who will have the opportunity to make a statement and who will be available to answer appropriate questions.

It is understood that even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders.

Vote Required For Approval

The affirmative vote of the holders of a majority of the shares represented in person or by proxy which are entitled to vote and which have actually been voted on this matter is required for this proposal to be adopted.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

FUTURE SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

The deadline for shareholders to submit proposals pursuant to Rule 14a-8 of the Exchange Act for inclusion in the Company's proxy statement and proxy for the 2005 Annual Meeting of Shareholders is July 22, 2005. Shareholders who wish to submit a shareholder proposal outside of the processes of Rule 14a-8 of the Exchange Act must give timely notice to the Company within the time limits and according to the procedures described in the Company's bylaws. You can obtain a copy of the Company's bylaws by writing the Secretary at the address shown on the cover of this proxy statement.

OTHER MATTERS

At the date of this Proxy Statement, the Board has no knowledge of any business other than that described herein which will be presented for consideration at the meeting. In the event any other business is presented at the meeting, the persons named in the enclosed proxy will vote such proxy thereon in accordance with their judgment in the best interests of the Company.

13. The Audit Committee shall regularly report to the Company's board of directors.

In performing its functions, the Audit Committee shall undertake those duties and responsibilities that, in its judgment, would contribute most effectively to and implement the purposes of the Audit Committee. In addition to the general duties and responsibilities noted above, the following are specific functions of the Audit Committee:

Independent Auditors

4. The Audit Committee is responsible for ensuring that the outside auditor submits on a periodic basis to the Audit Committee a formal written statement delineating all relationships between the auditor and the Company and the Audit Committee is responsible for actively engaging in a dialogue with the outside
