Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Embarcadero Technologies, Inc. (the Company) received a Nasdaq Staff Determination letter on November 17, 2004, stating that the Company is not in compliance with Nasdaq's continued listing requirement set forth in Nasdaq Marketplace Rule 4310(c)(14), because the Company has not timely filed its Form 10-Q for the three months ended September 30, 2004. As a result, the fifth character "E" has been appended to the Company's trading symbol and its common stock began trading under the symbol "EMBTE" on November 19, 2004. The Company is requesting a hearing before the Nasdaq Listing Qualifications Panel to review the Staff Determination. The delisting of the Company's securities would materially and adversely affect the liquidity and trading price of the Company's common stock.

On November 18, 2004, the Company issued a press release disclosing receipt of the Staff Determination letter from Nasdaq. A copy of this press release is attached as Exhibit 99.1 hereto.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

As previously announced, the Company's Audit Committee of the Board of Directors has retained independent counsel and consultants to investigate the revenue recognition practices of the Company's UK subsidiary. As a result of this ongoing investigation, the Company has delayed the filing of its Quarterly Report on Form 10-Q for the quarter ended September 30, 2004, and expects to make such filing once the investigation is complete.

Although the overall Audit Committee investigation is not yet complete, the Audit Committee concluded on November 23, 2004, that the Company will be required to restate its financial statements for the first two quarters of 2004 to make adjustments to revenue recorded relating to international sales generated by its UK subsidiary. As a result, the Company's previously issued unaudited financial statements for the quarters ended March 31, 2004 and June 30, 2004, should no longer be relied upon. The Audit Committee has discussed this conclusion with the Company's independent accountants.
