ITEM 1.01. *Entry into a Material Definitive Agreement.*

On December 30, 2004, HEALTHSOUTH Corporation (the *Company*) issued a press release, a copy of which is attached hereto as Exhibit 99 and incorporated herein by reference, announcing that it had entered into (i) a definitive global settlement agreement (the *Settlement Agreement*) with the U.S. Department of Justice Civil Division (*DOJ*), the Office of Inspector General of the Department of Health and Human Services (*OIG-HHS*), the U.S. Department of Labor (*DOL*), the TRICARE Management Activity (*TRICARE*), and together with the DOJ, *OIG-HHS* and *DOL*, the *United States*) and certain other individuals and entities which had filed civil suits against the *Company* and/or its affiliates (collectively, the *Relators*) and (ii) an administrative settlement agreement with the Centers for Medicare & Medicaid Services (*CMS*) acting on behalf of the United States Department of Health and Human Services (the *Administrative Settlement Agreement*), to resolve issues associated with various Medicare billing practices.

Pursuant to the terms of the *Settlement Agreement*, the *Company* will make cash payments to the *United States* in the aggregate amount of \$325 million, plus accrued interest from November 4, 2004 (the *Settlement Amount*). The *United States* will, in turn, pay the *Relators* the portion of the *Settlement Amount* due to the *Relators* pursuant to the terms of the *Settlement Agreement*. An initial payment of \$75 million (plus interest) was paid to the *United States* on January 3, 2005, with the balance to be paid quarterly over the next three years. The entire balance of the *Settlement Amount*, or any portion thereof, may be prepaid by the *Company* without penalty. The *Settlement Agreement* provides that in the event the *Company* fails to pay any amount due under the *Settlement Agreement* within ten business days of the date upon which such payment is due and does not timely cure such default, the remaining unpaid balance of the *Settlement Amount* (plus interest from the date of default) will become immediately due and payable.

Subject to the terms and conditions of the *Settlement Agreement*, including the *Company*'s full payment of the *Settlement Amount*, the *Settlement Agreement* provides for the release of the *Company* by the *United States* from any civil or administrative monetary claim the *United States* had or may have had relating to the *Covered Conduct* (as defined in the *Settlement Agreement*). The *Covered Conduct* includes, but is not limited to, the submission of certain claims for reimbursement for outpatient physical therapy services rendered to Medicare, *TRICARE*, or *DOL* beneficiaries; certain claims for reimbursement for various categories of unallowable claims and costs by the *Company*; and the submission by the *Company* of claims to Medicare for costs relating to the *Company*'s allegedly improper accounting practices, as well as the submission by the *Company* of other unallowable costs included in its Medicare Home Office Cost Statements and in its individual provider cost reports.

Subject to certain exceptions and the terms and conditions of the *Settlement Agreement*, including the *Company*'s full payment of the *Settlement Amount*, the *Settlement Agreement* provides for the release of the *Company* by the *Relators* from any and all claims based upon any transaction or incident occurring prior to December 30,

2004, including all claims that have been or could have been asserted in his or its respective civil action, and from any civil monetary claim the United States had or may have had for the Covered Conduct that is pled in his or its respective civil action.

In addition, in consideration of the Company's obligations in the Settlement Agreement and the December 2004 Corporate Integrity Agreement (CIA) with OIG-HHS that is Attachment F to the Settlement Agreement, and subject to the Company's full payment of the Settlement Amount, the Settlement Agreement provides for the release of the Company by OIG-HHS and OWCP-DFEC, and the agreement by OIG-HHS and OWCP-DFEC to refrain from instituting, directing, or maintaining any administrative action seeking exclusion from Medicare, Medicaid, the FECA Program, the TRICARE Program and other Federal health care programs, as applicable, for the Covered Conduct. The Company entered into the CIA with the OIG-HHS to promote its compliance with the requirements of Medicare, Medicaid and all other Federal health care programs. Under the CIA, the Company is subject to certain compliance requirements and review of certain Medicare reimbursement procedures by an Independent Review Organization. Substantially all of the obligations under the CIA are in effect for a five year period beginning on January 1, 2005, and any failure to comply with its material terms could lead to suspension or exclusion from further participation in Federal health care programs, including Medicare and Medicaid.

Certain claims of the United States are specifically excluded from the scope of the Settlement Agreement, including: (i) any civil, criminal, or administrative liability arising under the Internal Revenue Code; (ii) any criminal liability; (iii) except as explicitly stated in the Settlement Agreement, any administrative liability, including mandatory exclusion from Federal health care programs; (iv) any liability to the United States (or its agencies) for any conduct other than the Covered Conduct; (v) any liability under the Settlement Agreement; (vi) any liability for express or implied warranty claims or other claims for defective or deficient products or services, including quality of goods and services; (vii) any liability for personal injury or property damage or for other consequential damages arising from the Covered Conduct; and (viii) any liability of individuals, including officers and employees of the Company.

The foregoing description of the Settlement Agreement and the CIA is qualified in its entirety by the text of the Settlement Agreement and the CIA, which are attached hereto as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

Subject to certain exceptions and the terms and conditions of the Administrative Settlement Agreement, the Administrative Settlement Agreement provides for the release of the Company by CMS from any obligations related to any cost statements or cost reports which had, or could have been submitted to CMS or its fiscal intermediaries by the Company for cost reporting periods ended on or before December 31, 2003 (the Covered Cost Reports). The Administrative Settlement Agreement provides that all Covered Cost Reports be closed and considered final and settled.

Subject to the terms and conditions of the Administrative Settlement Agreement, the Administrative Settlement Agreement also provides for the release of CMS by the Company from (i) any liability in connection with Covered Cost Reports including any pending or future administrative appeals and federal court cases arising from Covered Cost Reports and (ii) making any further payments, credits or remuneration to the Company for any Covered Cost Reports.

The foregoing description of the Administrative Settlement Agreement is qualified in its entirety by the text of the Administrative Settlement Agreement which is attached hereto as Exhibit 10.3 and incorporated herein by reference.
