Item 1.01 Entry Into a Material Definitive Agreement

At the annual meeting of shareholders of NVR, Inc. (the "Company") held on May 4, 2005, the Company's shareholders approved the NVR, Inc. 2005 Stock Option Plan (the "Plan"). The Company's board of directors unanimously approved the Plan on February 24, 2005, subject to shareholder approval.

Under the Plan, which will be administered by the compensation committee of the Company's board of directors, awards of non-qualified stock options ("Options") to purchase up to 500,000 shares of our common stock may be granted to our key management employees, including our executive officers. Only employees of the Company or any subsidiary thereof are eligible to receive Options.

All Options granted under the Plan are subject to significant vesting conditions, including the satisfaction of performance targets based on growth in earnings per share. Additionally, the Options will not commence vesting until 2010, with the first twenty-five percent (25%) installment vesting on December 31, 2010 and subsequent installments vesting on December 31, 2011, 2012 and 2013, respectively. Shareholder approval is required for any material amendment to the Plan, including any changes to the performance targets based on earnings per share (other than proportionate adjustments by the Company's board of directors to reflect events such as stock splits), any repricings of Options and any acceleration of vesting of outstanding Options, other than upon a change in control of the Company. The Plan does not include evergreen or reload provisions.

The foregoing description of certain terms and conditions of the Plan is qualified in its entirety by reference to the full text of the Plan, which is filed as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference in its entirety.
