Section Ninth. Purchase of the Company s Stock. In accordance with the provisions of the Mexican Securities Law (*Ley del Mercado de Valores*), it was approved to eliminate the reference made to the theoretical value of the outstanding capital stock of the Company to determine the reduction amount and the increase of capital stock at the time of purchase or issuance by the Company, respectively, for the purpose that such reduction or increase be in accordance with the market value of such shares.

Section Eleventh. Prohibition of Subsidiaries to Purchase Stock. In accordance with applicable law, it was approved to eliminate the provision in the Company s By-laws that allowed the Company s subsidiaries to acquire the Company s capital stock, in order to comply with stock options or stock purchase plans granted or implemented in favor of employees of such subsidiaries or the Company.

Section Fourteenth. Reduction of Paid in Capital. This amendment was approved for the purposes of stating that the reimbursement value to be paid by the Company to its shareholders who exercise their right to withdraw will be determined by the lower of the following two values: (i) 95% of the stock price quoted on the Mexican Stock Exchange (*Bolsa Mexicana de Valores, S.A. de C.V.*) determined by the average value of the volume of transactions made during the past thirty days on which such shares were traded (or any certificate representing such shares) prior to the effective date of such withdrawal

Section Sixteenth. Cancellation of Registration in the Mexican Securities Registry. In accordance with the General Provisions Applicable to Issuers and to Other Participants in the Securities Market (*Disposiciones de Carácter General Aplicables a las Emisoras de Valores y a Otros Participantes del Mercado de Valores*) issued by the Mexican Banking and Securities Commission (*Comisión Nacional Bancaria y de Valores*), it was amended in order to specify that in the event of deregistration of the Company's shares (or any certificate representing such shares) with the Securities Section of the National Securities Registry, by voluntary request of the Company or by resolution of the Mexican Banking and Securities Commission, shareholders that hold the majority of the Company's ordinary shares or that have the ability, by virtue of any other title or certificate, to impose decision on the General Shareholders' Meetings or to nominate the majority of the members of the Board of Directors of the Company, shall have the obligation to carry-out a public tender offer of the shares of the Company prior to such deregistration and for at least the price that results in the higher value between: (i) the stock price quoted on the Mexican Stock Exchange; and (ii) the book value of the stock as stated in the latest quarterly financial statements filed with the Mexican Stock Exchange prior to such offer, except when such value was modified in accordance with the criteria applicable to the most recent material information, in which case, the Company's most recent financial information shall be considered.

The stock price quoted on the Mexican Stock Exchange shall be equivalent to the price determined by the average value of the volume of transactions made during the past thirty days on which such shares were traded (or any certificate representing such shares) prior to the offering date which shall not exceed six months. In the event that the number of days in which the shares (or any certificate representing such shares) were traded was lower than thirty days, the calculation will be based on the actual number of days in which such shares were traded. In the event that the shares (or any certificate representing such shares) are not traded, calculations will be based on the book value of such shares.

Such shareholders shall not be required to carry-out the public tender offer mentioned above for the deregistration of the shares of the Company if the approval by 95% of the shareholders of the Company's outstanding capital stock through a General Shareholders' Meeting has been granted and the amount of the purchase price to be offered for such shares (or any certificate representing such shares) placed among the General Public Investors (*Gran Público Inversionista*) as defined by the regulations issued by the

Moreover, the Board of Directors is required to provide their opinion within five business days prior to the public offering, on the fairness of the stock price, in which it shall consider the interests of minority shareholders and the opinion of the Audit Committee, which, in the event that is contrary to the Board of Directors' opinion, shall be disclosed. In the event that the Board of Directors is under a conflict of interest situation, their opinion shall be accompanied by the opinion of an independent expert, selected by the Audit Committee, emphasizing the protection of minority shareholders.
