Item 1.01 Entry Into Material Agreement.

Effective June 10, 2005, Spansion LLC, a majority owned subsidiary of Advanced Micro Devices, Inc., entered into a Second Amendment to Amended and Restated Term Loan Agreement by and among Spansion LLC, General Electric Capital Corporation and the majority lenders party thereto (the Amendment). The purpose of the Amendment was to revise Spansion's reporting obligations, eliminate the requirement that Spansion maintain a specified net domestic cash balance and decrease the net worldwide cash balance required to be maintained by Spansion in order to avoid being subject to the enhanced covenants set forth in the Amended and Restated Term Loan Agreement. Pursuant to the Amendment, Spansion would enter into an enhanced covenant period if its net worldwide cash balance as of the last day of any fiscal quarter were below the amount then outstanding under the Amended and Restated Term Loan Agreement plus \$6 million, which would have been \$43.7 million as of March 27, 2005.
