QUESTIONS AND ANSWERS

1. Q: Who is asking for my proxy?

A: Your proxy is being solicited by our Board for use at our Annual Meeting. Our directors, officers or employees may also solicit proxies on behalf of our Board, in person or by telephone, facsimile, mail or e-mail. If our directors, officers or employees solicit proxies, they will not be specially compensated. Contango will pay all costs and expenses of this proxy solicitation.

2. Q: What are stockholders being asked to vote on?

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

A: At our Annual Meeting, stockholders will be asked to vote:

To elect our board of directors to serve until the annual meeting of stockholders in 2006; and

On any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

3. Q: Who is entitled to vote?

A: The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on October 17, 2005 (the Record Date). As of the Record Date, the Company had outstanding 14,716,047 shares of common stock, par value \$0.04 per share (the Common Stock) and 2,000 shares of Series D perpetual cumulative convertible preferred stock, par value \$ 0.04 per share (Series D Preferred Stock). Approximately 833,330 shares of Common Stock are currently issuable upon conversion of the outstanding shares of Series D Preferred Stock.

4. Q: How many shares may vote at the Annual Meeting?

A: Holders of Common Stock and holders of Series D Preferred Stock will vote as one class at the Annual Meeting. Each record holder of Common Stock is entitled to one vote per share of Common Stock owned on the Record Date. Each record holder of Series D Preferred Stock is entitled to one vote per share for each share of Common Stock (including fractional shares) into which each share of Series D Preferred Stock is convertible, rounded to the nearest one-tenth of a share.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

Vote for, or withhold authority to vote for, each nominee for director.

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Kenneth R. Peak, the Company's Chairman, Chief Executive Officer, Chief Financial Officer and Secretary. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Peak's name and inserting the name of another person to act as his or her proxy. In such a case, the stockholder would have to sign the proxy card and deliver it to the person named as his or her proxy, and that person would have to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

If you return a signed proxy card without having specified any choices, Mr. Peak, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

FOR the election of each nominee for director; and

At the discretion of Mr. Peak, as proxy, on any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

6. Q: How does the Board recommend I vote?

A: The Board unanimously recommends that you vote For each of the matters to be voted on at the Annual Meeting.

Our executive officers and directors who own shares of Common Stock have advised us that they intend to vote their shares in favor of the proposal presented in this Proxy Statement. As of the Record Date, executive officers, and both nominee and retiring directors, collectively owned 3,058,644 shares of Common Stock, representing 19.7% of the total shares entitled to vote. See Security Ownership of Certain Beneficial Owners and Management .

7. Q: What vote is required?

A: Proposal 1, the election of directors, will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting.

8. Q: What is a quorum ?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company's Common Stock and Series D Preferred Stock will constitute a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. A broker non-vote occurs when a nominee holding shares of the Company's Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders as a vote against, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

10. Q: What does it mean if I receive more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the Annual Meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies may be solicited in person, by telephone, facsimile, mail or e-mail by directors, officers and employees of the Company without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

13. Q: How can a stockholder communicate with the Company's independent directors?

A: The Audit Committee is authorized to receive communications from stockholders. Mail should be addressed to the Independent Directors in care of the Chairman of the Audit Committee, Contango Oil & Gas Company, 3700 Buffalo Speedway, Suite 960, Houston,

Texas 77098. Mail will not be opened but will be forwarded to the Chairman of the Audit Committee or the named independent director. Mail addressed to the Board of Directors will be delivered to Kenneth R. Peak, Chairman, Chief Executive Officer, Chief Financial Officer and Secretary. Mr. Peak is not an independent director.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, we will present the nominees named below and recommend that they be elected to serve as directors until the next annual stockholders meeting or until their successors are duly elected and qualified. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

Your proxy will be voted for the election of the five nominees named below unless you give instructions to the contrary. Your proxy cannot be voted for a greater number of persons than the number of nominees named.

Nominees

Presented below is a description of certain biographical information, occupations and business experience for the past five years of each person nominated to become a director. Five directors are to be elected at the Annual Meeting. Three nominees are current directors standing for reelection to the Board. If any nominee should become unavailable for election, your proxy may be voted for a substitute nominee selected by the Board, or the Board's size may be reduced accordingly. The Board is unaware of any circumstances likely to render any nominee unavailable. Directors of the Company hold office until the next annual stockholders meeting, until successors are elected and qualified or until their earlier resignation or removal.

The Company does not have a standing nominating committee or nominating committee charter. Instead, the Board has adopted, by Board resolution, a process of nominating directors wherein nominees must be selected, or recommended for the Board's selection, by a majority of independent directors as defined in Section 121(A) of the American Stock Exchange listing standards. The Board believes that the independent members of the Board can satisfactorily carry out the responsibility of properly selecting or approving nominees for the Board without the formation of a standing nominating committee. Each Board member other than Kenneth R. Peak is an independent director. The Board will also consider nominees recommended by stockholders. The Company's Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. The procedures include a requirement that notices regarding a person's nomination be received in writing from the stockholder and by the Company's Secretary not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's annual meeting. Moreover, the notice must include such nominee's written consent to be named in the Company's proxy statement and to serve if elected. Minimum qualifications include extensive entrepreneurial experience and a solid understanding of financial statements. Each nominee below has been recommended by the Board.

Board Operations and Organization

Mission Statement. The Company's primary objective is to maximize stockholder value, while at all times observing the highest ethical standards. The Company will pursue this objective through participation in the energy industry.

Corporate Authority & Responsibility. All corporate authority resides in the Board, as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The independent members of the Board retain responsibility for selection, evaluation and the determination of compensation of the chief executive officer of the Company, oversight of the succession plan, approval of the annual budget, assurance of adequate systems, procedures and controls, and all matters of corporate governance. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. Directors are compensated in the form of both a cash payment and Company equity. During the fiscal year ended June 30, 2005, each outside director received a quarterly retainer of \$5,000 and a quarterly stock option grant to purchase 3,000 shares of Common Stock. Each outside director also receives a \$1,000 cash payment for each board meeting and separately scheduled Audit Committee meeting attended. The Chairman of the Audit Committee receives an additional quarterly stock option grant to purchase 1,500 shares of Common Stock.

Board Size. In general, smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors shall be elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2005, the Board held six meetings. During the fiscal year ended June 30, 2005, the Board passed resolutions by unanimous written consent on nine occasions.

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. As a consequence, the committee structure of the Board is limited to the Audit Committee. The Audit Committee is composed solely of independent directors. The Board may form other committees as it determines appropriate.

Audit Committee. The Audit Committee was established by the Board for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the financial

statements of the Company. The Audit Committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The Audit Committee also reviews the scope and adequacy of our system of internal controls and procedures over financial reporting. Members of the Audit Committee are Messrs. Compofelice (Audit Committee Chairman), Brehmer and Williams. The Audit Committee met formally four times during the fiscal year ended June 30, 2005. The Board has determined that each of Messrs. Compofelice and Brehmer is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission (SEC). Mr. Brehmer, if elected to the Board, will serve as Audit Committee Chairman following this meeting. Messrs. Reimer and Schoonover, if elected to the Board, will also serve as Audit Committee members.

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FIVE
NOMINEES AS DIRECTORS OF CONTANGO, TO SERVE UNTIL THE NEXT
ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS
ARE DULY ELECTED AND QUALIFIED.**

CORPORATE GOVERNANCE

It has specifically reviewed the provisions of the Sarbanes-Oxley Act of 2002, the rules of the SEC and the listing standards and rules of the American Stock Exchange.

Executive Compensation

The Company's executive compensation program is designed to attract and retain highly qualified executives and to motivate them to maximize stockholder return. It is intended to provide overall competitive compensation levels and incentive pay levels that vary based on corporate and individual performance. The compensation package for Kenneth R. Peak, Chairman and Chief Executive Officer, is determined by the independent directors on the Board. The compensation packages for other executive officers are determined by the Chairman and Chief Executive Officer in consultation with the Board.

There are three basic components to the Company's current compensation system: base pay, annual incentive compensation in the form of a cash bonus, and the grant of stock options. Each component is addressed in the context of individual and Company performance and competitive conditions. In determining competitive compensation levels, the Company analyzes data that includes information regarding the general natural gas and oil exploration and production industry.

Edgar Filing: CONTANGO OIL & GAS CO - Form DEF 14A

Chairman and Chief Executive Officer. The independent members of the Board retain responsibility for selection, evaluation and the determination of compensation of the chief executive officer. The independent directors have set Mr. Peak's base salary at \$150,000 per year.

Based on the Company's performance, the independent directors awarded Mr. Peak a \$500,000 cash bonus and granted him a stock option to purchase 250,000 shares of Contango Common Stock for the fiscal year ended June 30, 2005. The recommendation was made in recognition of the performance of the Company during the 2005 fiscal year from an operating, liquidity and balance sheet perspective. The independent members of the Board cited as their bases for compensation, the net income and EBITDAX results of the Company for the fiscal year ended 2005, the strengthening of the balance sheet following the \$50 million property sale and the significant exploration prospects generated during the fiscal year. The

independent members of the Board cited these achievements as being reflected in the change in the valuation and stock price over the last several years. Mr. Peak also received as compensation in fiscal year ended 2005, a golf club membership worth \$125,000. In addition, the Company is paying monthly membership dues of approximately \$632 per month.

Based on the Company's performance, the independent directors awarded Mr. Peak a \$100,000 cash bonus and granted him a stock option to purchase 400,000 shares of Contango Common Stock in the fiscal year ended June 30, 2004. For the fiscal year ended June 30, 2003, the Company reported a loss for the year under the successful efforts method of accounting; and, therefore, Mr. Peak did not receive a cash bonus. He did, however, receive a stock option grant for 100,000 shares of Contango Common Stock during the year.

Executive Officers. Mr. Peak has set the base pay for Lesia Bautina, Senior Vice President and Controller, Marc Duncan, President and Chief Operating Officer of Contango Operators, Inc., and David L. Holcombe, Assistant Treasurer at \$90,000, \$170,000, and \$75,000 per year, respectively. Cash bonuses and/or stock option grants are available annually at the discretion of Mr. Peak in consultation with the Board. Factors used in determining the grant of a cash bonus and/or stock option grant include, among others individual and Company performance and competitive conditions. For the fiscal years ended June 30, 2005, 2004 and 2003, Ms. Bautina received cash bonuses of \$110,000, \$100,000 and \$76,000, respectively, and received stock option grants to purchase 85,000, 15,000 and 100,000 shares of Contango Common Stock, respectively. For the fiscal year ended June 30, 2005, Mr. Duncan received stock option grants to purchase 50,000 shares of Contango Common Stock. Mr. Duncan joined Contango in June 2005. For the fiscal year ended June 30, 2005, Mr. Holcombe received stock option grants to purchase 20,000 shares of Contango Common Stock. Mr. Holcombe joined Contango in November 2004.

The Company may periodically grant additional cash bonuses and/or new stock option grants to provide continuing incentive for future performance. In making the decision to make additional grants, the independent directors and the Chairman and Chief Executive Officer would consider factors such as the size of previous grants and the number of stock options already held and the degree to which increasing that ownership stake would provide the additional incentives for future performance, the likelihood that the grants would encourage the executive officer to remain with the Company and the value of the executive's service to the Company.

Audit Committee Pre-Approval Policies and Procedures

The 2005 audit and non-audit services provided by Grant Thornton LLP were pre-approved by the Audit Committee. The non-audit services which were pre-approved by the Audit Committee were also reviewed to ensure compatibility with maintaining the accounting firm's independence.

The Audit Committee has established pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee selects and appoints outside auditors, considers the independence and effectiveness of the outside auditors, approves the fees and other compensation to be paid to the outside auditors and is responsible for oversight of the outside auditors and reviews any revisions to the estimates of audit and non-audit fees initially approved. The Audit Committee receives the written disclosures required by generally accepted auditing standards. The Audit Committee annually requires the outside auditors to provide the Audit Committee with a written statement delineating all relationships between the outside auditors and the Company. The Audit Committee actively engages in a dialogue with the outside auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditors. The Audit Committee recommends that the Board of Directors take appropriate action in response to the outside auditors' report to satisfy itself of the outside

auditors' independence. The scope of services and fees are required to be compatible with the maintenance of the accounting firm's independence, including compliance with SEC rules and regulations.

The Audit Committee, as permitted by its pre-approval policy, from time to time delegates the approval of certain permitted services or classes of services to a member of the Audit Committee. The Audit Committee then reviews the delegate's pre-approval decisions on an annual basis.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is a standing committee of the Board of Directors. The Audit Committee consists of three members, Joseph S. Compofelice (Chairman), Jay D. Brehmer and Darrell W. Williams, each of which is independent as defined in Section 121(A) of the American Stock Exchange listing standards. The Board of Directors has designated Mr. Compofelice as the audit committee financial expert as defined by SEC rules. The Audit Committee assists, advises and reports regularly to the Board in fulfilling its oversight responsibilities related to:

- The integrity of the Company's financial statements
- The Company's compliance with legal and regulatory requirements
- The independent auditor's qualifications and independence
- The performance of the Company's outside auditors

In meeting its responsibilities, the Audit Committee is expected to provide an open channel of communication with management, the outside auditors and the Board. The Audit Committee's specific responsibilities are set forth in its charter, as amended. The Audit Committee Charter was amended September 21, 2004 to provide a process for stockholders to communicate with the independent directors.

The Audit Committee has reviewed and discussed Contango's audited consolidated balance sheet as of June 30, 2005 and 2004 and consolidated statements of income, cash flows and stockholders' equity for the three years ended June 30, 2005, 2004 and 2003 with Contango's management. The Audit Committee has discussed with Grant Thornton LLP, Contango's independent auditors, the matters required to be discussed by Statement of Auditing Standards No. 61 (concerning the accounting methods used in the financial statements).

The Audit Committee has also received and reviewed the written disclosures and the letter from Grant Thornton LLP required by Independent Standards Board No. 1 (concerning matters that may affect an auditor's independence), and has discussed with Grant Thornton LLP their independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Contango's Annual Report on Form 10-K for the year ended June 30, 2005 for filing with the Securities and Exchange Commission.
