Item 2.01. Completion of Acquisition or Disposition of Assets

Recapitalization and Reconstitution of Entities that Own Interests in the Key Center Complex

On December 22, 2005, Wells Real Estate Investment Trust II, Inc. (the Registrant), through two wholly owned subsidiaries, completed the recapitalization and reconstitution of the entities that own the interests in an office tower, a full service hotel and a parking garage (collectively, the Key Center Complex), all of which are located in Cleveland, Ohio. The recapitalized entities consist of Key Center Properties LLC (KCP LLC), a Delaware limited liability company, and Key Center Lessee Limited Partnership (KCLLP), an Ohio limited partnership. KCP LLC, a joint venture between the Registrant and Key Center Properties Limited Partnership (KCPLP), a wholly owned entity of The Richard E. Jacobs Group (The Jacobs Group), now holds all the interest in the Key Center Complex. The Jacobs Group, through its ownership of KCPLP, retained its 50% ownership interest in KCP LLC and will remain as the managing member of KCP LLC.

Through a combination of equity and debt contributions of approximately \$315.7 million, the Registrant became entitled to all the benefits of ownership of the Key Center Complex, including the right to receive all net cash flow derived from the operation of the Key Center Complex, excluding a de minimis amount of revenue derived from the operation of the hotel.

The gross investment of approximately \$315.7 million is comprised of the following:

an equity contribution of approximately \$71.2 million to KCP LLC, the reconstituted entity that now holds all the interests in the Key Center Complex, and in which the Registrant now owns a 50% interest;

the Key Center Complex continuing to be subject to certain urban development grant mortgages in the principal amount of approximately \$17.7 million (the UDAG Loans);

a loan to KCPLP, the Ohio limited partnership entity that owns the other 50% interest in KCP LLC, in the amount of approximately \$74.5 million (the KCPLP Loan); and

the acquisition of the existing mortgage loans on the Key Center Complex in the principal amount of approximately \$152.3 million (the Mortgage Loans).

The Registrant's equity contribution to KCP LLC, the KCPLP Loan and the acquisition of the Mortgage Loans were funded with proceeds from the Registrant's ongoing public offering and with proceeds from the Registrant's \$400.0 million line of credit with Wachovia Bank, N.A. The Registrant's interest in KCP LLC was acquired from OTR, an Ohio general partnership, as nominee for the State Teachers Retirement Board of Ohio. Neither OTR nor KCPLP is affiliated with the Registrant, its affiliates or Wells Capital, Inc. (the Advisor).

The UDAG Loans mature on May 11, 2009 and do not bear interest, except for certain contingent interest payments based on net cash flow hurdles that are not anticipated to be achieved. The KCPLP Loan bears interest at an annual rate of 12.0% and is secured by a pledge of KCPLP's interest in KCP LLC. The Mortgage Loans were acquired at par from Teachers Insurance and Annuity Association of America (TIAA) and New York State Teachers Retirement System (NYSTRS), the prior holders of the mortgages. TIAA and NYSTRS are not affiliated with the Registrant or its Advisor. The Mortgage Loans, which continue to encumber the interests of KCP LLC in the Key Center Complex, bear interest at the annual rate of 8.59% and mature on July 6, 2008.

Key Center Complex

The Key Center Complex consists of a 57-story office tower containing approximately 1,321,100 rentable square feet (the Key Center Tower), a 400-room full-service Marriott hotel (the Key Center Marriott) and a 982-space parking garage (the Key Center Garage). The Key Center Complex is located on a total of approximately 2.14 acres of land at 127 Public Square and 1360 West Mall Drive in Cleveland, Ohio.

Squire Sanders, which was founded in 1890, is a multi-jurisdictional law firm with approximately 800 lawyers practicing in offices throughout the Americas, Europe and Asia. Squire Sanders is organized around four major practice areas: advocacy, business, capital markets and regulated industries. The current aggregate annual base rent for KeyCorp, Squire Sanders and Thompson Hine and the 10 other office tenants in the Key Center Tower is approximately \$31.1 million. The current weighted-average remaining lease term for KeyCorp, Squire Sanders and Thompson Hine and the 10 other office tenants in the Key Center Tower is approximately 10 years. KeyCorp has the right, at its option, to extend the initial term of its lease for three additional 10-year periods. Squire Sanders has the right, at its option, to extend the initial term of its lease for two additional five-year periods. Thompson Hine, which recently extended its lease agreement for an additional 10 years beyond its original lease expiration date of September 30, 2007, has the right, at its option, to extend the term of its lease for one additional five-year period. Additionally, as part of its lease extension, Thompson Hine has agreed to lease an additional floor commencing on October 1, 2006, which will increase its leased percentage from approximately 11% to approximately 13%.

The Registrant does not intend to make significant renovations or improvements to the Key Center Tower. Management of the Registrant believes that the Key Center Tower is adequately insured.

Key Center Marriott

The Key Center Marriott, which was completed in 1991, features 400 guest rooms, including 15 suites, a full-service restaurant, decorated meeting facilities in an approximately 15,000-square foot conference center, a full-service fitness center and pool, concierge level and other amenities. The Key Center Marriott, which is adjacent to the Key Center Tower and sits on approximately 0.8 acres of land, is

located just off historic Public Square and directly abutting the West Mall. Approximately 200 parking spaces in the Key Center Garage are reserved for guests and employees of the Key Center Marriott. During 2005, the Key Center Marriott underwent full-scale room upgrades that included the replacement of all mattresses, new bathrooms and installation of flat screen televisions.

The Key Center Marriott has been part of the Marriott Hotels & Resorts chain since it opened in October 1991. Marriott Hotel Services, Inc. ("Marriott"), a subsidiary of Marriott International, Inc., manages the Key Center Marriott pursuant to a management agreement with KCLLP. The initial term of the management agreement with Marriott expires on December 30, 2021, and Marriott has the option to exercise three 10-year renewals terms. The base management fee is 3% of gross revenues derived from the Key Center Marriott. The management agreement also contains an incentive management fee that is calculated as 25% of net profit, in excess of the owner's priority return, as defined by the management agreement and related amendments. The management agreement grants to Marriott a right of first refusal in the event of the sale of the Key Center Marriott. The management agreement also contains refinancing and sale incentive fees that would be due to Marriott from the owner in the event of a refinancing or sale of the Key Center Marriott above certain thresholds that include an assumed \$39.0 million mortgage debt amount.

The Key Center Marriott will be operated by KCLLP, an entity in which the Registrant acquired a 99.9% interest as part of its recapitalization and reconstitution of KCP LLC. Key Center Lessee Corporation, an unaffiliated entity, owns the remaining 0.1% interest in KCLLP. The Registrant acquired its interest in KCLLP through Wells TRS II, LLC ("Wells TRS"), a wholly owned subsidiary organized as a Delaware single-member limited liability company. Wells TRS has elected to be treated as a taxable REIT subsidiary; therefore, any earnings recognized by Wells TRS will be subject to federal and state income taxes.

("Computer Associates"), in a sale-leaseback transaction for a purchase price of approximately \$29.5 million, plus closing costs. Legent Corporation and Computer Associates are not affiliated with the Registrant or its Advisor. The acquisition was funded with net proceeds raised from the Registrant's ongoing public offering and with proceeds from the Registrant's \$400.0 million line of credit with Wachovia Bank, N.A.

Acquisition of the LakePointe 5 Building and LakePointe 3 Land

On December 28, 2005, the Registrant, through a wholly owned subsidiary, purchased a four-story office building containing approximately 112,000 rentable square feet (the LakePointe 5 Building) and a 6.9-acre parcel of land (the LakePointe 3 Land), on which a four-story office building designed to contain approximately 111,000 rentable square feet is currently under construction (the LakePointe 3 Building). Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On December 22, 2005, the Registrant drew down \$134.0 million from its \$400.0 million line of credit with Wachovia Bank, N.A. (the Credit Facility) to fund the recapitalization and reconstitution of the entities that own interests in the Key Center Complex. On December 27, 2005, the Registrant drew down an additional \$104.0 million from the Credit Facility to fund the acquisitions of the 2000 Park Lane Building, the Tampa Commons Building and the LakePointe 5 Building. Following these draws, \$238.0 million was outstanding under the Credit Facility.

At the option of the Registrant, borrowings under the Credit Facility bear interest at LIBOR for 7, 30, 60, 90, or 180-day periods, plus an applicable margin ranging from 0.85% to 1.20% (LIBOR Loans) or the floating base rate (Base Rate Loans). The applicable margin for LIBOR Loans is based on the Registrant's debt to total asset value ratio. The base rate for any day is the higher of the Lender's prime rate for such day or the Federal Funds Rate for such day plus 50 basis points. The \$134.0 million draw on December 22, 2005 is a LIBOR Loan that bears interest at 5.23%. The \$104.0 million draw on December 27, 2005 is a Base Rate Loan that bears interest at 7.25%; however, effective December 30, 2005, \$80.0 million will be converted to a LIBOR Loan that bears interest at 5.31%. We anticipate paying down the remaining \$24.0 million of the original \$104.0 million draw on December 30, 2005.

Under the terms of the Credit Facility, accrued interest shall be payable in arrears on the first day of each calendar month. The Registrant is required to repay outstanding principal and accrued interest on May 9, 2008. The Registrant may prepay any loan at any time without premium or penalty. Based on the value of the Registrant's borrowing-base properties, as defined by the credit facility agreement, the Registrant has approximately \$21.1 million in remaining capacity under the Credit Facility, of which \$9.2 million was pledged in the form of letters of credit for future tenant improvements and leasing costs.

(a) Financial Statements. Since it is impracticable to provide the required financial statements for the acquired real properties described in Item 2.01 at the time of this filing, and no financial statements (audited or unaudited) are available at this time, the Registrant hereby confirms that it intends to file the required financial statements on or before March 6, 2006, by amendment to this Form 8-K.

(b) Pro Forma Financial Information. See Paragraph (a) above.
