The agreement provides for an annual base salary of \$300,000 and an annual bonus in the amount of up to 55% of his base salary composed as follows: up to 30% of his annual base salary may be awarded based on achievement of annual milestones subject to the approval of the Board of Directors and 25% of his annual salary may be awarded solely at the discretion of the Board of Directors. Mr. Ludvigson also received a one time bonus of \$150,000 and an option to purchase 300,000 shares of Nanogen common stock at fair market value in connection with the June 2004 employment agreement, which options vest in equal monthly installments over a four year period. In the event of a change in control or other significant event defined in his employment agreement, Mr. Respass may receive accelerated vesting of all of his outstanding options if determined by the Compensation Committee. In the event Mr. Respass' employment with us is terminated for any reason other than for cause, or in the event of a constructive termination of his employment, in the absence of a change in control, he will become entitled to six months of salary continuation and health insurance benefits.

Robert Saltmarsh

In addition, Mr. Saltmarsh is entitled to receive a transaction bonus equal to 50% of his base salary upon the occurrence of certain corporate transactions defined in the Employment Agreement (the Transaction Bonus). In the event Mr. Saltmarsh receives a Transaction Bonus, no Achievement Bonus will be paid to Mr. Saltmarsh in the year in which such Transaction Bonus is paid. In connection with his appointment as Chief Financial Officer, on January 5, 2005, the Compensation Committee of the Board of Directors granted Mr. Saltmarsh options to purchase 150,000 shares of our common stock. The options vest in equal monthly installments over a four year period. In the event of a change in control or certain other corporate events, the agreement provides for accelerated vesting of all of his outstanding options, with such vesting to occur automatically upon a change of control, or with the approval of the Board upon the occurrence of any other significant event. If Mr. Saltmarsh's employment is terminated by us without cause or in the event of a constructive termination, we will continue to pay Mr. Saltmarsh's base salary for six months from the date of such termination as severance compensation. The agreement has an initial term of three years, subject to automatic renewal for successive additional three year terms. In the event the agreement is not renewed, Mr. Saltmarsh will become entitled to salary continuation payments for a period of six months. During any period in which salary continuation payments are being made to Mr. Saltmarsh, he has agreed not to engage in any business activity that is competitive with us or hire or solicit any of our employees or exclusive consultants.

In the event any payment or benefit provided to any individual under the Company's 1997 Stock Incentive Plan would subject that individual to the excise tax imposed by Section 4999 of the Internal Revenue Code relating to excess parachute payments, then such individual will be entitled to receive an additional payment from the Company in an amount equal to the amount of the excise tax imposed on such payment or benefit, together with any interest and penalties (a Gross-Up Payment) plus the income taxes and additional excise tax, together with any interest and penalties, imposed on the Gross-Up Payment.

Compensation of Directors

Each non-employee Board member receives an annual retainer of \$25,000 to be paid entirely in shares of our Common Stock, based on the closing stock price on the date of the Company's Annual Meeting of Stockholders. These shares are issued under our 1997 Stock Incentive Plan. Accordingly, on June 9, 2005 Messrs. Whalen, Gerber, Papadopoulos, Schreiber and Jellinek, now deceased, each received 6,812 shares of our Common Stock. In addition, each non-employee Board member receives an annual retainer of \$1,500, to be paid entirely in cash, for each Board committee on which he or she serves and the Chairmen of the Audit and

Compensation Committees receive an additional annual cash retainer of \$10,000 and \$2,500, respectively, for their service on such committees. Non-employee Board members also receive the following additional cash payments: \$2,000 per Board meeting attended (\$750 per Board meeting participated in by phone) and \$750 per Board committee meeting attended or participated in by phone. Pursuant to the 1997 Stock Incentive Plan, each non-employee Board member may elect to convert all or part of his or her annual cash retainer payments and/or meeting fees from us in the form of non-qualified stock options, restricted stock, stock units, or a combination thereof. In 2005, none of our non-employee Board members elected to convert their annual cash retainer payments and cash meeting fees into stock options, restricted stock or restricted stock units.

Upon initial appointment or election to the Board, a non-employee director will receive an option grant under our 1997 Stock Incentive Plan to purchase 25,000 shares of the our Common Stock at an exercise price equal to the fair market value of the option shares on the grant date. These options vest at a rate of 25% after one year and the remainder ratably over the remaining three years. The vesting of the option shares will accelerate if there is a Change of Control as defined in the plan. Accordingly, on June 9, 2005 William Gerber and Frank Jellinek each received an option to purchase 25,000 shares of our Common Stock at an exercise price per share of \$3.67, the fair market value of our Common Stock on such date.

In the event any payment or benefit provided under the Company's 1997 Stock Incentive Plan to any Board member would subject that individual to the excise tax imposed by Section 4999 of the Internal Revenue Code relating to excess parachute payments, then such individual will be entitled to receive an additional payment from us in an amount equal to the amount of the excise tax imposed on such payment or benefit, together with any interest and penalties (a Gross-Up Payment) plus the income taxes and additional excise tax, together with any interest and penalties, imposed on the Gross-Up Payment.

Compensation Committee Interlocks and Insider Participation

The following individuals served as members of our Compensation Committee during 2005: David Schreiber, Val Buonaiuto and Frank Jellinek, each of whom were independent directors during 2005. Mr. Buonaiuto resigned from the Board of Directors on May 25, 2005. During 2005, none of our executive officers served on the Compensation Committee (or equivalent), or the board of directors of another entity whose executive officer(s) served on our Compensation Committee or Board.

December 16, 2004 date of the acquisition and (ii) employees, directors and executive officers of Nanogen or its subsidiaries (including Epoch Biosciences, Inc.) whose service commenced or commences after December 16, 2004. Awards under the assumed Epoch Biosciences, Inc. 2003 Stock Incentive Plan may be in the form of non-statutory stock option grants with an exercise price of not less than 100% of the fair market value of the Common Stock on the grant date, stock bonuses for services rendered, or stock issuances with a purchase price not less than 100% of the fair market value of the Common Stock on the award date. Item 13. Certain Relationships and Related Transactions

In June 2005, we signed a letter of agreement with FasTraQ, Inc. (FasTraQ) for the development of certain future product. In October and December 2005 we amended this letter of agreement. In February 2006, we converted this letter of agreement into an executed contract. Our Chief Executive Officer and Chairman of the Board, Mr. Birndorf, is a director and an investor in FasTraQ. Mr. Birndorf abstained from the discussions and votes regarding FasTraQ at the meetings of our Board of Directors. As a result of the agreements and related amendments we

Edgar Filing: NANOGEN INC - Form 10-K/A

made an initial non-refundable payment of \$500,000 to FasTraQ to begin the initial development of this product as well as a \$25,000 payment to purchase certain product from them. As of December 31, 2005, the full \$525,000 had been expensed.

We are also obligated to supply materials at no cost to be used in the development of this technology and pay FasTraQ up to \$500,000 based on meeting certain research milestones.

Mr. Birndorf owns an aircraft which is leased by a local charter aircraft company. We did not utilize the aircraft during 2005; however, for the year ended December 31, 2004, the Company paid approximately \$13,000 to the local charter aircraft company for the Company's use of Mr. Birndorf's aircraft for business related travel. Mr. Birndorf receives approximately \$1,500 per hour of usage when his aircraft is leased to outside parties, including the Company. Mr. Birndorf received \$5,000 for the year ended December 31, 2004 as a result of the Company's use of Mr. Birndorf's aircraft. The Board believes that the terms of the charter arrangements are no less favorable to the Company than those that could be obtained from unrelated third parties, based on review of lease fees published by other charter companies.

William Gerber was the President, Chief Executive Officer and a Director of Epoch Biosciences, Inc., a company acquired by us in December 2004. On December 15, 2004 we and Mr. Gerber entered into a consulting agreement pursuant to which Mr. Gerber provides consulting services to us from time to time, as requested by Howard Birndorf or David Ludvigson, regarding the integration of the business of Epoch and other strategic issues facing the Company. The agreement will terminate upon the Gerber's election to the Board. Mr. Gerber has received no cash compensation pursuant to the consulting agreement; however, his vested options to purchase 221,968 shares of our Common Stock (which were originally granted to him under Epoch's stock option plans and subsequently converted into options to purchase shares of Nanogen Common Stock pursuant to the acquisition) will remain outstanding during the duration of Mr. Gerber's service relationship with us, either as a non-employee Board member or pursuant to the consulting agreement. In accordance with the terms of the applicable option agreements, Mr. Gerber's options will terminate and cease to remain outstanding upon the twelve month anniversary of the termination of Mr. Gerber's service relationship with us. We believe that the value attributable to the extended period that the vested option shares remain outstanding is in excess of \$60,000.

We believe that the foregoing transactions were in its best interests. It is our current policy that all transactions by us with our officers, directors, and 5% stockholders or their affiliates will be entered into only if such transactions are approved by a majority of the disinterested directors, and are on terms no less favorable to us than could be obtained from unaffiliated parties.

Item 14. Principal Accountant Fees and Services

The following table sets forth the aggregate fees billed to us for our annual audits for the fiscal years ended December 31, 2005 and 2004, and all other fees billed during 2005 and 2004 related to our principal accounting firm, Ernst & Young LLP:

	For the Years Ended December 31,	
	2005	2004
	(in thousands)	
Audit Fees	\$ 534	\$ 583
Audit-Related Fees	103	12
Tax Fees		
All Other Fees	2	
Total	\$ 639	\$ 595

The Audit Committee has determined that the rendering of all non-audit services by Ernst & Young, LLP is compatible with maintaining the auditor's independence. The fees listed under "Audit Fees" above were incurred for service related to the annual audit of our consolidated financial statements, reviews of interim consolidated financial statements. In 2004 and 2005, audit fees also include fees incurred for the audits of management's assessment of the effectiveness of internal controls over financial reporting as required under the Sarbanes-Oxley regulations. No material weaknesses were determined in our internal controls. The fees listed under "Audit-Related Fees" above were incurred for service related to accounting consultations and due diligence in

connection with a proposed acquisition. The fees listed under *All Other Fees* above were incurred for service related to annual license fees for access to an on-line database of accounting and auditing literature. The Audit Committee approves non-audit services provided by Ernst & Young LLP on an ad hoc basis, and has vested authority with Stelios B. Papadopoulos, the Chairman of the Audit Committee, to approve non-audit services as needed.
