Amendments to Share Incentive Plan

On May 2, 2006, the Board of Directors (the Board) of BioMarin Pharmaceutical Inc. (the Company) approved the Company's 2006 Share Incentive Plan (the Plan), subject to the approval of the shareholders. The Plan provides for the granting of options, restricted shares, restricted share units, unrestricted shares, deferred share units and performance awards to directors, officers, employees and consultants and advisors of the Company and its subsidiaries. We have included a description of the plan in our Proxy Statement sent to shareholders on or about May 16, 2006 under the heading Proposal Three: Approval of the 2006 Share Incentive Plan. Shareholders will have the opportunity to vote on this at our Annual Meeting to be held on June 21, 2006.

As a result of discussions between representatives of the Company and various stockholders, on June 16, 2006, the Board has adopted resolutions to make the following amendments to the Plan, if shareholders at the Annual Meeting approve them:

The total Awards issued under the Plan, calculated based on the number of Shares underlying the Awards, during any calendar year in the aggregate will not exceed: (i) three and one half percent (3.5%) of the total number of Shares of the Company's common stock then outstanding; plus (ii) the number of Shares underlying Awards granted under the Plan, the Company's 1997 Stock Plan or the Company's 1998 Director Option Plan that expire, are forfeited, canceled or become unexercisable for any reason. This provision may not be modified without Shareholder approval.

We believe these changes more closely align the Company with the interests of our shareholders by limiting the dilutive effect of granting these awards.

At our Annual Meeting, shareholders will have the opportunity to vote whether to approve the Plan, as it will be amended in accordance with the resolutions noted above. We have included the Amended and Restated 2006 Share Incentive Plan as Exhibit 99.1 to this Form 8-K.
