Plan Administrator

Comcast-Spectacor 401(k) Plan

Philadelphia, Pennsylvania

We have audited the accompanying statements of net assets available for benefits of the Comcast-Spectacor 401(k) Plan (the Plan ) as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the Plan s basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2005 (Schedule H - Line 4i) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic 2005 financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2005 AND 2004**

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of the Comcast-Spectacor 401(k) Plan (the Plan) provides only general information. Participants should refer to the official Plan document for a complete description of the Plan's provisions.

1. General

The effective date of the Plan is January 1, 1992. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974. The Plan covers eligible employees, as defined in the Plan document, who have completed one year of eligibility service (as defined in the Plan document) and have attained age 21. Effective January 1, 1994, a 401(k) feature was added to the Plan and the name was changed from the Spectacor Retirement Plan to the Spectacor Retirement and Savings Plan. Effective January 1, 1997, the name was changed to the Comcast-Spectacor 401(k) Plan. The following entities participate in the Plan, referred to collectively as the Company :

Comcast-Spectacor Limited Partnership (Plan Sponsor)  
Comcast-Spectacor Limited Partnership Baysox Club, LLC  
Comcast-Spectacor Limited Partnership Keys Club, LLC  
Comcast-Spectacor Limited Partnership Shorebirds Club, LLC  
Spectrum Arena Limited Partnership  
Philadelphia Flyers Limited Partnership  
Philadelphia 76ers Limited Partnership  
Philadelphia Phantoms Limited Partnership  
Comcast Spectacor Foundation  
Flyers Skate Zone Limited Partnership  
Global Spectrum Limited Partnership  
Spectacor, Inc.  
Patron Solutions Limited Liability Partnership  
FPS Rinks Limited Partnership

The Trustee and Record-keeper for the Plan is Citigroup Institutional Trust Company and CitiStreet Associates, LLC, respectively.

2. Contributions and Related Party Transactions

Each participant may make a pretax contribution deferring not less than 1% or more than 100% of eligible compensation (as defined in the Plan document), subject to Internal Revenue Service (IRS) regulations.

Effective January 1, 2005, the Company matching contribution formula provides a non-discretionary safe-harbor matching contribution on behalf of each participant who has made salary deferrals in the Plan year. This contribution is equal to 100% of the first 4% and 50% of the next 2% of the participant's annual salary deferral contributions. This contribution shall be determined on an annual basis and shall be adjusted to the extent necessary after the end of each Plan year.

The Plan also provides for discretionary profit sharing contributions.

3. Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution, an allocation of the Company's contribution, if any, and Plan earnings, net of expenses. Allocations of Company matching contributions are based on participant elective deferrals to the Plan. Allocations of profit sharing contributions are in proportion to total compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants shall have a fully (100%) vested and nonforfeitable interest in Company matching contributions for Plan years beginning on or after January 1, 2005. Matching contributions and any profit sharing contributions attributable to periods prior to January 1, 2005 will continue to vest according to their original schedule based on years of service. A participant is 100% vested after five years of credited service. Vesting can be accelerated under certain other conditions defined in the Plan document. All forfeited amounts may be applied to Plan expenses including legal, consulting, education materials, etc. or to reduce Company contributions.

In the event of whole or partial termination of the Plan, there will be full and immediate vesting of each affected employee's account balance.

5. Payment of Benefits

All benefits under the Plan are paid as lump-sum distributions. In-kind distributions are not provided for under the Plan.

6. Loans to Participants

Citigroup Institutional Trust Company (the Trustee) may make loans from the Plan to participants in accordance with the Plan document. All loans to participants are considered investments of the participant's account and bear a rate of interest. All loans are to be repaid within five years unless the loan is used to acquire a principal residence, in which case the term may be longer.

7. Income Tax Status

The IRS issued a determination letter to the Plan, dated April 29, 2003, stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, is exempt from federal income tax under Section 501(a) of the Code. The Plan has been amended since receiving the determination letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**Table of Contents****COMCAST-SPECTATOR 401(k) PLAN****NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2005 AND 2004 (Continued)****NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES****1. Valuation of Investments and Income Recognition**

Plan assets are stated at fair value. The fair value of mutual funds is determined by quoted market price. The change in fair value of assets during the year is measured by the difference between the fair value at year-end and the fair value at the beginning of the year or costs of purchases during the year and is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Participant loans are stated at their outstanding balances, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**2. Use of Estimates**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

**NOTE C - INVESTMENTS**

The fair market value of investments held by the Plan representing 5% or more of the Plan's assets are identified below.

**NOTE D - TRUST AGREEMENT**

Comcast-Spectacor, L.P., as Plan Sponsor, entered into a trust agreement with Smith Barney Corporate Trust Company (Trustee), a party-in-interest. Under the terms of this agreement, the Trustee will hold, invest and reinvest the funds. Comcast-Spectacor, L.P. has no right, title or interest in or to the trust fund maintained under this agreement.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, each entity that constitutes the Company has the right under the Plan to discontinue its contributions and to terminate the Plan with the respect to its employees. Additionally, Comcast-Spectacor, L.P. has the right to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE F - PLAN AMENDMENTS**

On December 19, 2005, the Plan was amended to change the computation of the eligibility period for subsequent years in which the employee had not yet reached the 1,000 hours of service required in a one-year period beginning on their date of hire and ending on their one-year anniversary ( employment year ). Per the amendment, effective January 1, 2005, if the employee had not satisfied the eligibility requirement of 1,000 hours of service in their first employment year, the subsequent measuring periods to determine eligibility will be the Plan year, rather than the employment year.

Also on December 19, 2005, the Plan was amended with respect to automatic rollover requirements relating to small sum mandatory distributions. Effective for distributions on or after March 28, 2005 that are greater than \$1,000 and not exceeding \$5,000, the distribution shall be paid in a direct rollover to a Citibank individual retirement money market account unless the Plan participant elects otherwise.
