Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On October 26, 2006, Alberto-Culver Company (Alberto-Culver) and New Sally Holdings, Inc. (New Sally Holdings) entered into the following agreements:

a second amendment to the Investment Agreement, dated as of June 19, 2006, as amended (the Investment Agreement), among Alberto-Culver, Sally Holdings, Inc., currently a subsidiary of Alberto-Culver (Sally Holdings), New Sally Holdings, New Aristotle Company, currently a subsidiary of New Sally Holdings, and CDRS Acquisition LLC (Investor), a limited liability company organized by Clayton, Dubilier & Rice Fund VII, L.P., a fund managed by Clayton, Dubilier & Rice, Inc. (the Second Amendment to the Investment Agreement);

a second amendment to the Separation Agreement, dated as of June 19, 2006, as amended (the Separation Agreement), among Alberto-Culver, Sally Holdings, New Sally Holdings and New Aristotle Holdings, Inc., currently a subsidiary of New Sally Holdings (New Alberto-Culver) (the Second Amendment to the Separation Agreement), which was consented to by Investor;

a second amendment to the Tax Allocation Agreement, dated as of June 19, 2006, as amended (the Tax Allocation Agreement), among Alberto-Culver, Sally Holdings, New Sally Holdings and New Alberto-Culver (the Second Amendment to the Tax Allocation Agreement), which was consented to by Investor; and

a second amendment to the Employee Matters Agreement, dated as of June 19, 2006, as amended (the Employee Matters Agreement), among Alberto-Culver, Sally Holdings, New Sally Holdings and New Alberto-Culver (the Second Amendment to the Employee Matters Agreement), which was consented to by Investor.

The Second Amendment to the Investment Agreement, the Second Amendment to the Separation Agreement, the Second Amendment to the Tax Allocation Agreement and the Second Amendment to the Employee Matters Agreement are collectively referred to herein as the Amendments.

Second Amendment to the Investment Agreement

Among other things, the Second Amendment to the Investment Agreement (i) reduces the number of directors on the New Sally Holdings board of directors from 12 to 11 and reduces the number of individuals Investor will designate to serve as initial directors of New Sally Holdings from 6 to 5 (the Investor Designees), (ii) reduces the number of Investor Designees that need to be independent for purposes of New York Stock Exchange rules from 3 to 2 and (iii) modifies the forms of Amended and Restated By-laws and Stockholders Agreement of New Sally Holdings that will become effective on the closing date of the transactions to reflect the reduction in the number of directors on the New Sally Holdings board of directors and the reduction of Investor Designees and to reduce the maximum number of individuals Investor will have the right to designate for nomination in future periods.

Specifically, among other things, under the revised forms of Amended and Restated By-laws and Stockholders Agreement, the maximum number of individuals Investor will have the right to designate for nomination if its and its affiliates own 45% or more of the outstanding New Sally Holdings common stock was reduced from 6 to 5. The number of directors that may be designated by Investor for nomination at other ownership percentages was not modified. Thus, under the revised forms, following the 2007 annual meeting of stockholders of New Sally Holdings until the earlier of the tenth anniversary of the closing date and the termination of the stockholders agreement, so long as the ownership percentage of Investor's and its affiliates' and their permitted transferees' shares of New Sally Holdings common stock in the aggregate equals or exceeds the percentages set forth in the table below, Investor will have the right to designate for nomination to the New Sally Holdings board of directors, a number of individuals set forth opposite the applicable percentage:

	Number of
Ownership Percentage	Investor Designees

Edgar Filing: ALBERTO CULVER CO - Form 425

45% or greater	five individuals
less than 45% but equal to	
or greater than 35%	four individuals

or greater than 25%	three individuals
less than 25% but equal to	
or greater than 15%	two individuals
less than 15% but equal to	
or greater than 5%	one individual

The revised forms of Amended and Restated By-laws and Stockholders Agreement also provide that, rather than the three classes of the New Sally Holdings board of directors being evenly divided with two initial Investor Designees and two initial non-Investor Designees serving in each class, the classes will be as evenly divided as possible with two initial Investor Designees and two initial non-Investor Designees in each of Class I and Class II and with one initial Investor Designee and two non-Investor Designees in Class III.

Second Amendment to the Separation Agreement

The Second Amendment to the Separation Agreement, among other things, provides that the amount of cash and cash equivalents to be retained by New Sally Holdings immediately following completion of the distributions will be reduced by an amount equal to a payment that may be made prior to the closing under a specified contract.
