BOARD COMMITTEES**AUDIT**

The Audit Committee consists of Mr. McCluski, the Chairman of the Committee, Ms. Morley and Mr. Hanson. The Board of Directors has determined that Mr. McCluski and Ms. Morley are audit committee financial experts, as defined by the rules of the Securities and Exchange Commission, and the Board has determined that the members of the Audit Committee are independent as defined by the current listing standards of the Nasdaq. The Audit Committee met five times during fiscal 2006.

The Audit Committee assists the Board by overseeing the performance of the independent registered public accounting firm and the quality and integrity of the Company's internal accounting, auditing and financial reporting practices. The Audit Committee's other primary duties and responsibilities are to: (1) serve as an independent and objective party to monitor the Company's financial reporting process and internal control system; (2) be directly responsible for the selection of the Company's independent registered public accounting firm and their compensation; (3) review and appraise the audit efforts of the Company's independent registered public accounting firm; and (4) provide an open avenue of communication among the independent registered public accounting firm, the Company's financial and senior management and the Board of Directors. The Audit Committee also pre-approves all audit services and permitted non-audit services performed or proposed to be undertaken by the auditors and meets quarterly with representatives of management and the Company's independent auditors to review financial statements prior to release of quarterly financial results. The Board has adopted a written charter for the Audit Committee which was filed as Appendix A to the Company's Definitive Proxy Statement filed with the Securities and Exchange Commission, or SEC, on January 30, 2006, and which also may be accessed and reviewed through the Company's website: <http://www.indevus.com>.

COMPENSATION

The Compensation Committee consists of Mr. Hanson, the Chairman of the Committee, Mr. Sharrock and Dr. Morville. The Compensation Committee met eight times during fiscal 2006. The Board has determined that the members of the Compensation Committee are independent as defined by the current listing standards of the Nasdaq.

The Compensation Committee reviews and determines the compensation of all executive officers of the Company. The Compensation Committee's other primary duties and responsibilities are to: (1) review general policy matters relating to compensation and benefits of employees of the Company; (2) administer the Company's stock option and other employee compensation plans; and (3) consult with management on matters concerning compensation and make recommendations to the Board of Directors on compensation matters where approval of the Board of Directors is required. The Board has adopted a written charter for the Compensation Committee which may be accessed and reviewed through the Company's website: <http://www.indevus.com>.

NOMINATING AND GOVERNANCE

The Nominating and Governance Committee consists of Ms. Morley, the Chairperson of the Committee, Dr. Morville and Mr. Ferrara. The Board has determined that the members of the Nominating and Governance Committee are independent as defined by the current listing standards of the Nasdaq. The Nominating and Governance Committee met two times during fiscal 2006.

The Nominating and Governance Committee develops and maintains criteria and procedures for the identification and recruitment of candidates for election to serve as directors of the Company, recommends director nominees to the Board, and as appropriate, to the stockholders of the Company. The Nominating and Governance Committee's other primary duties and responsibilities are to: (1) review and reassess the adequacy of the corporate governance guidelines of the Company and recommend any proposed changes to the Board for approval; (2) study and review with the Board the overall effectiveness of the Board and its committees and establish director orientation guidelines; (3) review and recommend to the Board from time to time the creation of new Board committees, the directors to be selected for membership on the Board committees, and the responsibilities, organization and membership of existing Board committees; (4) review and report to the Board on management succession planning; (5) oversee jointly with the Compensation Committee the annual Chief Executive Officer evaluation process and report the results of the evaluation to the Board and its Compensation Committee; and (6) review with management any proposed major organizational changes to the Company. The Board has adopted a written charter for the Nominating and Governance Committee which is included as Appendix D to the Company's Definitive Proxy Statement filed with the SEC on January 28, 2005, and may be accessed and reviewed through the Company's website: <http://www.indevus.com>.

The Nominating and Governance Committee and the Board will consider director candidates recommended by stockholders. The Nominating and Governance Committee and the Board do not have a written policy for how they will consider such recommendations due to the limited number of such recommendations to date, the need to evaluate such recommendations on a case-by-case basis, and the expectation that recommendations from stockholders would be considered generally in the same manner as recommendations by a director or an officer of the Company.

The Nominating and Governance Committee and the Board have not established minimum qualifications that must be met by a board-recommended nominee. However, the directors do:

consider whether a current board member wishes to be re-elected;

determine if a new nominee is needed and the skills and experience desired in a new director, such as marketing or sales experience, financial expertise, business experience, technological knowledge, business development expertise or community involvement;

identify potential nominees who have such skills and experience;

determine whether the potential nominees are stockholders of the Company;

Edgar Filing: INDEVUS PHARMACEUTICALS INC - Form 10-K/A

develop a consensus of the directors with respect to which potential nominee would be best suited for the position;

investigate the potential nominee's background and develop personal knowledge about the candidate; and

determine whether the candidate is interested.

Table of Contents

A stockholder who wishes to make a recommendation for consideration by the Nominating and Governance Committee must submit a written recommendation to the Company. Each such written recommendation must state the name, age, business or residence address of the candidate, the principal occupation or employment of the candidate, the number of shares of Indevus common stock and preferred stock owned either beneficially or of record by each such candidate, if any, and the length of time such shares have been so owned. Written recommendations received by September 30 will be considered for the next annual meeting of stockholders held thereafter, while recommendations received after such date will be considered for the annual meeting following the next annual meeting held thereafter unless the Board, in its sole discretion, decides otherwise.

The Company has entered into a consulting agreement with a former director, which terminates on December 6, 2007, to assist in identifying potential candidates for the Nominating and Governance Committee to consider for recommendation as nominees to the Company's Board of Directors. Remuneration is contingent upon successful placement of a candidate to the Company's Board of Directors.

COMMUNICATIONS WITH DIRECTORS

The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board or any individual director must mail a communication addressed to the Board or the individual director to the Board of Directors, c/o Indevus Pharmaceuticals, Inc. at 33 Hayden Avenue, Lexington, Massachusetts 02421-7966. Any such communication must state the number of shares of Indevus common stock and preferred stock beneficially owned by the stockholder making the communication. All of such communications will be forwarded to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is clearly of a marketing nature or is unduly hostile, threatening, illegal, or similarly inappropriate, in which case the Company has the authority to discard the communication or take appropriate legal action regarding the communication.

Item 11. Executive Compensation

DIRECTOR COMPENSATION

As part of the review of the Company's director compensation, the Compensation Committee periodically retains an independent compensation consultant to review whether our non-employee director compensation practices are competitive with those of other biotechnology, pharmaceutical, and comparable peer companies. Based on the consultant's analyses and recommendations, the Compensation Committee can recommend and the Board can approve changes to the directors' compensation in order to remain competitive with the Company's peer companies. The last such consultant review occurred in August 2006, and certain modifications to the directors' compensation were approved by the Compensation Committee and the Board at that time. The discussion below reflects the current compensation terms for the Company's non-employee directors.

Cash Compensation

The Company has established an annual role-based compensation program with respect to the cash component of compensation for members of the Board of Directors. Pursuant to such program, non-employee directors of the Company receive the annualized fees listed below payable on a quarterly basis with respect to each position held. The Company does not compensate Directors who are also its employees for their service as Directors. Each non-employee director is also reimbursed for expenses actually incurred to attend meetings.

In September 2004, the Board of Directors approved a program under the 2004 Equity Incentive Plan to allow directors to elect to receive, in lieu of the cash compensation payable to Board members and Committee Chairman, deferred stock units. In fiscal 2006 no such elections were made.

Options and Deferred Stock Units

Upon becoming a director, each new director of the Company is entitled to receive a one time initial grant of an option to purchase 50,000 shares of common stock exercisable at a price equal to the fair market value of the Company's common stock as determined on the date of grant. Indevus made an initial option grant of 50,000 shares to Andrew Ferrara when he became a director in April 2006.

Subject to the discretion of the Compensation Committee, on the date following each annual meeting of the stockholders, each director of the Company (except Dr. Cooper) may also receive annual grants of a number of deferred stock units determined by the Committee at the time of grant based on current market conditions and the fair market value of the Company's common stock.

Option Extension

In February 2006, the Compensation Committee considered issues relating to a number of in-the-money options held by Mr. Rogers that were scheduled to expire shortly, but were unable to be exercised and sold due to a number of factors, including corporate developments, black-out periods imposed on the executives and related factors. The Compensation Committee evaluated the impact on Mr. Rogers, the Company and its stockholders of an extension of the expiration date of such options. At such time, based on an assessment of these issues as well as previous discussions and analysis of option extensions, related accounting charges, provisions of the underlying stock option plan and the appropriate time period for any extension, the Compensation Committee recommended and the Board of Directors of the Company approved the extension of the expiration date of 375,000 options held by Mr. Rogers from February 23, 2006 to August 23, 2007. The SEC has considered the extension of the expiration date of an option to be the cancellation of the old option and the granting of a new option for reporting purposes.

Stock Awards

The Compensation Committee of the Board of Directors of Indevus met on several occasions during the last quarter of fiscal 2005 to evaluate and address executive compensation for fiscal 2006 in conjunction with analyses conducted by and recommendations of the independent compensation consulting firm retained by the Committee. At these meetings the Compensation Committee expressed its philosophy regarding long-term incentive compensation that a combination of restricted shares and performance shares be awarded to the Company's executive officers. The Compensation Committee did not take action on granting any awards at these meetings as they determined there were insufficient shares available under the Company's existing equity compensation plans, when also considering the desire to be able to award long-term incentive compensation to new employees. Upon stockholder approval of the increase to the shares available for issuance under the 2004 Equity Incentive Plan at the Annual Meeting of stockholders held in March 2006, the Committee then granted restricted stock awards and performance-based stock awards to the Company's executive officers.

The number of shares of common stock subject to restricted stock awards granted in fiscal 2006 to the named executive officers were: 71,900 shares to Dr. Cooper and 28,800 shares each to Messrs. Beerman, Butler, Rogers, Tucker and Dr. Sandage. The awards are subject to transfer restrictions, forfeiture and acceleration and vest in equal annual installments such that the transfer restrictions are removed relating to the shares as follows: one third annually for three years commencing one year from the date of grant. The shares subject to the restricted stock awards may be sold immediately upon their vesting which is subject to automatic extension during a black-out period pursuant to the terms of the awards. Prior to vesting and satisfaction of any other required conditions, no dividends are payable with respect to the shares subject to the restricted stock awards.

In addition to the restricted stock awards, each named executive officer was granted the right to receive shares of common stock subject to (i) achievement of certain milestones related to the market price of Indevus' common stock, and (ii) the recipient remaining employed by Indevus on March 7, 2009, the three year anniversary of the date of grant. The number of shares the recipient is entitled to receive, if any, at such time is dependent on the market price at which Indevus' common stock trades for 20 consecutive business days at any time during the three year period prior to the vesting date. Depending on such prices as may be attained, Dr. Cooper could receive either (i) 70,100, (ii) 93,500, (iii) 116,900 or (iv) 0 shares, while Messrs. Beerman, Butler, Rogers, Tucker and Dr. Sandage could each receive either (i) 28,100, (ii) 37,500, (iii) 46,900, or (iv) 0 shares. Subject to certain acceleration events, if such market prices are not attained during such three year period, the recipient will not receive any shares under these awards.

If Dr. Cooper is terminated by the Company for reasons other than Just Cause or pursuant to a Change in Control, as such terms are defined in the Cooper Agreement, he is entitled to receive his base salary plus average bonuses for a period of twelve (12) months from the termination date of the Cooper Agreement, either in a lump sum or installments, at the discretion of the Company.

Thomas F. Farb

The Company has entered into an employment agreement (the Farb Agreement) with Thomas F. Farb (the President). The Company's agreement with Mr. Farb, effective October 16, 2006, provides for Mr. Farb to serve as the Company's President and Chief Operating Officer. The Farb Agreement provides for a term of one year, subject to automatic one year renewal periods unless notice of termination is given by either the Company or the President within sixty (60) days prior to each anniversary date of the Farb Agreement. The Farb Agreement provides for an initial annual base salary subject to increase at the discretion of the Board of Directors and for eligibility to participate in the Company's Senior Executive Bonus Plan, subject to certain restrictions. This amount may be paid either in a lump sum or installments, at the discretion of the Company, and is subject to set-off from other employment.

Pursuant to the Farb Agreement and upon his employment, Indevus granted Mr. Farb options to purchase 600,000 shares of Indevus common stock, 50,000 shares of restricted common stock of Indevus and a performance stock award, all pursuant to Indevus 2004 Equity Incentive Plan. The options vest 25% one year from the date of grant and 6.25% every quarter for the next three years thereafter. The Restricted Stock Awards fully vest in three equal annual installments in each of October 2007, 2008 and 2009. The Restricted Stock Awards are subject to transfer restrictions, forfeiture and acceleration provisions. The Performance Stock Awards vest on October 16, 2009 and the amount of such awards is determined in accordance with, and subject to, the achievement of certain milestones related to the market price of Indevus common stock, and vesting is dependent on the recipient remaining employed by Indevus on October 16, 2009. The number of shares the recipient is entitled to receive, if any, at such time is dependent on the market price at which Indevus common stock trades for 20 consecutive business days at any time during the three year period prior to such vesting date. With regards to the Performance Stock Awards, depending on such prices as may be attained, Mr. Farb could in the aggregate receive either (i) 45,000, (ii) 60,000, (iii) 75,000, or (iv) no shares.
