PROXY STATEMENT

Annual Meeting of Shareholders

May 16, 2007

Purpose

This proxy statement is being furnished to shareholders on or about April __, 2007 in connection with a solicitation by the Board of Directors of WellPoint, Inc. (WellPoint , the Company , we , us or our) of proxies to be voted at the annual meeting of shareholders and any adjournments postponements, to be held at 10:00 a.m., Eastern Daylight Time, Wednesday, May 16, 2007, at our principal executive offices at 120 Monument Circle, Indianapolis, Indiana, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Shareholders will be admitted to the annual meeting beginning at 9:00 a.m., Eastern Daylight Time.

Record Date, Quorum and Vote Required

Record Date

At the close of business on March 15, 2007, the record date for the annual meeting, there were _____ shares of our common stock outstanding and entitled to vote at the annual meeting.

Quorum

In order for business to be conducted at the annual meeting, a quorum must be present. A quorum will be present if 25% of the votes entitled to be cast on a matter are represented in person or by proxy.

Vote Required

You will have one vote for each share held. Proposal 1, election of directors, will be determined by the vote of a plurality of the votes cast on such election. Each of Proposal 2, the approval of majority voting for the election of directors in non-contested elections, and Proposal 3, the ratification of the appointment of our independent registered public accounting firm, will be approved if the votes cast for the respective proposal exceed the votes cast against the proposal.

Shares of our common stock represented by properly executed proxies will be voted at the annual meeting in accordance with the choices indicated on the proxy. Abstentions on a specific proposal will be considered as present at the annual meeting and will be counted for purposes of determining whether a quorum is present. Abstentions will not be counted in the votes cast on any of the proposals and will not affect the determination of whether a proposal will be approved.

If your shares of our common stock are held in street name, and you do not provide your broker with voting instructions regarding any of the proposals, your broker will nevertheless have the discretion to vote your shares of common stock for the proposals.

Shareholders

Shares of our common stock may be held directly in your own name or may be held through a stockbroker, bank or other nominee in street name. Summarized below are some distinctions between shares held of record and those owned beneficially:

Table of Contents

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the shareholder of record with respect to those shares and we are sending these proxy materials directly to you. As the shareholder of record, you have the right to vote in person at the annual meeting or to grant your voting proxy to the persons designated by us. We have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in street name, and you have received these proxy materials from your broker, bank or other nominee who is considered the shareholder of record with respect to the shares. As the beneficial owner, you have the right to direct the broker, bank or nominee on how to vote your shares and are also invited to attend the annual meeting. Your broker, bank or nominee is obligated to provide you with a voting instruction card for you to use. However, since you are not the shareholder of record, you may not vote these shares in person at the annual meeting unless you bring with you to the annual meeting a legal proxy, executed in your favor, from the shareholder of record.

Employee Shareholder

If you participate in the WellPoint 401(k) Retirement Savings Plan and you are invested in our common stock fund in your account, you may give voting instructions to the plan trustee as to the number of shares of common stock equivalent to the interest in our common stock fund credited to your account as of the most recent valuation date coincident with or preceding the record date. The trustee will vote your shares in accordance with your instructions received by May 14, 2007 at 12:00 p.m., Eastern Daylight Time. You may also revoke previously given voting instructions by May 14, 2007 at 12:00 p.m., Eastern Daylight Time, by filing with the trustee either written notice of revocation or a properly completed and signed proxy card bearing a later date. Your voting instructions will be kept confidential by the trustee. If you do not send instructions for Proposal 1, the election of directors, Proposal 2, the approval of majority voting for the election of directors in non-contested elections, or Proposal 3, the ratification of the appointment of our independent registered public accounting firm, the trustee will vote the number of shares equal to the share equivalents credited to your account in the same proportion that it votes shares for which it did receive timely instructions.

Voting

Whether you hold shares as a shareholder of record or as a beneficial owner you may vote before the annual meeting by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. Most shareholders will have a choice of voting through the Internet or by telephone or completing a proxy card or voting instruction card and returning it in the enclosed postage-prepaid envelope. Please refer to the instructions below and on the accompanying proxy card or voting instruction card.

By Mail

You may vote by mail by signing and dating your proxy card or voting instruction card provided by your broker, bank or nominee and mailing it in the enclosed postage-prepaid envelope. If you provide specific voting instructions, your shares will be voted as you instruct. **If you sign and date your proxy card, but do not provide instructions, your shares will be voted FOR the election of each of our nominee directors listed beginning on page ____ of this proxy statement, FOR the approval of majority voting for the election of directors in non-contested elections described beginning on page ____ of this proxy statement and FOR the ratification of the appointment of the independent registered public accounting firm described beginning on page ____ of this proxy statement.**

Through the Internet

You may vote through the Internet by going to www.investorvote.com and following the instructions. You will need to have your proxy card or voting instruction card available when voting through the Internet. If you want to vote through the Internet, you must do so before 11:59 p.m., Eastern Daylight Time, May 15, 2007. **If you vote through the Internet, you do not need to return your proxy card.**

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

Householding Notice

The SEC has adopted rules that allow us to deliver a single annual report, proxy statement, proxy statement combined with a prospectus or any information statement to any household at which two or more shareholders reside who share the same last name or whom we believe to be members of the same family. This procedure is referred to as householding.

If you share the same last name and address with one or more shareholders, from now on, unless we receive contrary instructions from you (or from one of these other shareholders), you and all other shareholders who have your last name and live at the same home address will receive only one copy of any of our Annual Report on Form 10-K, proxy statement for our annual meeting of shareholders, any proxy statement we file and deliver in connection with any other meeting of shareholders, any proxy statement combined with a prospectus or any information statement. We will include with the householded materials for our annual meetings, or any other shareholders meeting, a separate proxy card and Notice of Shareholders Meeting for each registered shareholder who shares your last name and lives at your home address.

If you object to householding or wish to revoke householding in the future, in order to receive individual copies of these documents, you may write or call our Secretary, WellPoint, Inc., 120 Monument Circle, Mail No. IN0102-B315, Indianapolis, Indiana, 46204 or telephone (800) 985-0999. You can call the same number or write to the same address if you participate in householding but wish to receive a separate copy of these documents or to request householding if shareholders are receiving multiple copies of the annual report, proxy statement or information statement. You may opt out of householding at any time prior to 30 days before the mailing of proxy materials each year, which you can measure by reference to the date 30 days before the mailing date of the proxy statement for the prior year's annual meeting of shareholders. If you would like to opt out of householding for any other shareholders meeting that might be scheduled during a given calendar year, we will issue a press release notifying shareholders of the actual deadline for opting out of householding via either of the methods just described. If we do not hear from you, you will be deemed to have consented to the delivery of only one set of these documents to your household. We intend to household indefinitely, and your consent will be perpetual unless you revoke it. If you revoke your consent, we will begin sending you individual copies of these documents within 30 days after we receive your revocation notice.

Your participation in this program is encouraged. It will reduce the volume of duplicate information received at your household as well as the cost to us of preparing and mailing duplicate materials. In addition, we have been notified that certain intermediaries, i.e. brokers or banks, will household proxy materials. Beneficial shareholders can request information about householding from their banks, brokers or other holders of record.

King & Co., Inc. will receive a fee of approximately \$5,500 plus reasonable out-of-pocket expenses for this work. We also will reimburse banks, brokers or other custodians, nominees and fiduciaries for their expenses in forwarding the proxy materials to beneficial owners and seeking instruction with respect

We believe it is important to disclose to you a summary of our major corporate governance practices. Over the past several years, we have enhanced our corporate governance practices in a number of important ways, and we continually seek out best practices to promote a high level of performance from the Board and management.

Edgar Filing: WELLPOINT INC - Form PRE 14A

We will continue to assess and refine our corporate governance practices and share them with you.

BOARD AND COMMITTEE MEMBERSHIP

As reflected in our Corporate Governance Guidelines, our business, property and affairs are managed under the direction of our Board. Members of our Board stay informed of our business through discussions with our CEO and other officers, by reviewing materials provided to them, by visiting our offices, by participating in meetings of the Board and its committees and through their own industry knowledge and inquiries.

As permitted by the rules of the NYSE, our Board has adopted categorical standards to assist it in making determinations of independence and whether or not a director has a material relationship with us. These categorical standards are set forth in Appendix II to this proxy statement and are available on our website at www.wellpoint.com under the Corporate Governance tab.

Table of Contents

Our Board has determined that each of the following directors meets these standards, has no material relationship with us and is independent as defined by the NYSE listing standards: Susan B. Bayh, Sheila P. Burke, William H.T. Bush, Julie A. Hill, Warren Y. Jobe, Victor S. Liss, William G. Mays, Ramiro G. Peru, Jane G. Pisano, Senator Donald W. Riegle, Jr., William J. Ryan, George A. Schaefer, Jr., Jackie M. Ward and John E. Zuccotti.

Meetings and Committees of the Board

During 2006, the Board held nine meetings. The Board met in executive session without management at each of the meetings. During the period in 2006 for which he or she served as a director, each director, other than Mr. Zuccotti, attended at least 75% of the total meetings of the Board and each committee on which he or she served. Mr. Zuccotti attended 71% of the total meetings of the Board and each committee on which he served in 2006. Mr. Zuccotti joined the Board following our acquisition of WellChoice, Inc. (WellChoice) at the end of 2005 and he had previously scheduled commitments in 2006 prior to knowing the Board calendar of events. Mr. Zuccotti attended at least 75% of the total meetings of the WellChoice board of directors and each committee on which he served during each calendar year of his tenure on the WellChoice board of directors.

There are five standing committees of the Board. From time to time, the Board, in its discretion, may form other committees. The following table provides membership information for each of the Board committees as of March 1, 2007.

The Compensation Committee also engaged Frederic W. Cook and Company (Frederic W. Cook), an outside compensation consultant, to assist in the evaluation of executive officers compensation during the first quarter of 2006.

The Governance Committee

The Governance Committee assists the Board in discharging its responsibilities relating to Board composition, director compensation and corporate governance by identifying and recommending individuals for nomination as members of the Board, recommending to the Board the overall director compensation policy and developing and recommending to the Board a set of corporate governance guidelines.

A copy of the Governance Committee Charter is available on our website at www.wellpoint.com under the Corporate Governance tab.

The Governance Committee met six times during 2006. At five of the six meetings, the Committee met in executive session without management.

Table of Contents

The current members of the Governance Committee are: Jackie M. Ward (Chairperson), Susan B. Bayh, William H.T. Bush, Julie A. Hill, Senator Donald W. Riegle, Jr. and John E. Zuccotti. The Board has determined that each of the members of the Governance Committee is independent as defined by the NYSE listing standards.

Shareholder Nominees

The policy of the Governance Committee is to consider properly submitted shareholder nominations for candidates for membership on the Board as described below under Identifying and Evaluating Nominees for Directors. In evaluating such nominations, the Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under Director Qualifications. Any shareholder nominations proposed for consideration by the Governance Committee must include the nominee's name and qualifications for Board membership and must be addressed to our Secretary at WellPoint, Inc., 120 Monument Circle, Mail No. IN0102-B315, Indianapolis, Indiana 46204.

For a description of the requirements regarding shareholder nominations and other proposals at annual meetings, see Shareholder Proposals and Nominations for Next Year's Annual Meeting beginning on page 3.

Director Qualifications

The Governance Committee will look for candidates who possess qualifications that meet our strategic needs; possess high personal values, judgment and integrity; have an understanding of our business and the regulatory and policy environment in which we operate; and have diverse experiences in key business, financial and other challenges that face a publicly held health benefits company. In particular, the Governance Committee will look for candidates with special and diverse experience in areas such as management of public companies, entrepreneurial companies, and large companies, investment banking and banking industry experience, health care industry experience, public relations and mass marketing experience, accounting and audit experience, clinical health experience and technology and e-commerce experience. The candidates should be committed to enhancing shareholder value, should have sufficient time to carry out their duties and should be able to provide insight and practical wisdom based on experience to represent the interests of all shareholders. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform all director duties responsibly. The foregoing qualifications will be applied by the Governance Committee to all candidates for nominees, including candidates submitted by shareholders.

Identifying and Evaluating Nominees for Directors

The Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Governance Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance Committee considers, subject to the restrictions in our by-laws, whether the vacancy should be filled and if so, various potential candidates for director. Candidates may come to the attention of the Governance Committee through current Board members, management, professional search firms, shareholders or other persons. These candidates are evaluated at regular or special meetings of the Governance Committee, and may be considered at any point during the year. As described above, the Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, recommendations are aggregated and considered by the Governance Committee at a regularly scheduled meeting, which is generally the first or second meeting prior to the issuance of the proxy statement for our annual meeting. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials are forwarded to the Governance Committee. The Governance Committee may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

Board Attendance at Annual Meeting of Shareholders

Our policy is that Board members attend each annual meeting of shareholders. All members of the Board at the time attended the 2006 annual meeting of shareholders, except for Messrs. Peru and Zuccotti who were unable to attend.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PERSONS

Policy

The Board has adopted a written policy and procedures for review, approval and monitoring of transactions involving us and related persons (directors and executive officers or their immediate family members, or shareholders owning five percent or greater of our outstanding common stock). The policy covers any related person transaction that involves amounts exceeding \$100,000 in any calendar year and in which a related person has a direct or indirect material interest.

Related person transactions must be approved or ratified by the Governance Committee of the Board. In considering the transaction, the Governance Committee will take into account, among other factors it deems appropriate, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. The policy includes several categories of standing pre-approved transactions, including, but not limited to, transactions involving competitive bids, certain banking-related services and certain transactions involving amounts not in excess of the greater of \$1 million or 2% of the other company's total annual gross revenues. The Governance Committee will periodically review and assess the on-going transactions to ensure compliance with the Governance Committee's guidelines and that the transactions remain appropriate.

Current Transactions

Dr. Lenox D. Baker, Jr., a member of our Board, is a cardiac and thoracic surgeon and is the President of Mid-Atlantic Cardiothoracic Surgeons, Ltd., which is a provider in our network. Dr. Baker is one of nine doctors associated with Mid-Atlantic Cardiothoracic Surgeons, Ltd. For the years ended December 31, 2005 and 2006, we made payments in the amount of approximately \$1,155,050 and \$1,053,037, respectively, to this practice for reimbursement of claims. The Governance Committee approved and continues to monitor this arrangement consistent with the above policy.

In the ordinary course of business, we may, from time to time, engage in transactions with other corporations or financial institutions whose officers or directors are also our directors. Transactions with such corporations and financial institutions are conducted on an arm's length basis, and in 2006, such transactions did not impair the independence of our independent directors. In 2006, all of these transactions were deemed to be pre-approved by the Governance Committee consistent with the above policy.

STANDARDS OF ETHICAL BUSINESS CONDUCT

We have adopted Standards of Ethical Business Conduct (the Code) for our directors, management and other associates. The purpose of the Code is to focus on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and help foster a culture of honesty and integrity. The Code is posted on our website at www.wellpoint.com under the Corporate Governance tab, and is available in print upon request to our Secretary at WellPoint, Inc., 120 Monument Circle, Mail No. IN0102-B315, Indianapolis, Indiana 46204.

Everyone is expected to act in accordance with the requirements of the Code. Waivers of the Code for any director, our Chief Executive Officer, our Chief Financial Officer and our other executive officers may only be made by the Board or by a Board committee composed of independent directors. Any such waiver and any amendment to the Code will be posted on our website at www.wellpoint.com under the Corporate Governance tab and otherwise disclosed as required by law. During fiscal year 2006, there were no waivers of the Code for any of our directors, our Chief Executive Officer, our Chief Financial Officer or any of our other executive officers.

PROPOSAL NO. 2

APPROVE MAJORITY VOTING FOR THE ELECTION OF DIRECTORS IN

NON-CONTESTED ELECTIONS

The Board recommends that shareholders approve an amendment to our articles of incorporation to change the voting standard for the election of directors from a plurality to a majority vote standard in non-contested elections.

The Indiana Business Corporation Law (IBCL) provides that, unless otherwise provided in a company's articles of incorporation, directors are elected by a plurality of the votes cast. Our articles of incorporation are silent with respect to the voting standard required in director elections, so our directors are currently elected by a plurality vote; that is, a director nominee who receives the highest number of affirmative votes cast is elected, whether or not such votes constitute a majority.

In 2006, the Board, acting upon the recommendation of the Governance Committee, adopted a form of majority voting for non-contested director elections, implementing this policy through an amendment to our by-laws. Under this policy, directors continue to be elected by a plurality vote, but a director nominee who receives a greater number of withhold votes than for votes must immediately tender his or her resignation to the Board. The Governance Committee would then make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board would act on the Governance Committee's recommendation and publicly disclose its decision within 90 days from the certification date of the election results.

To further strengthen our commitment to majority voting and enhance director accountability to our shareholders, the Board has authorized, and recommends that shareholders approve, an amendment to our articles of incorporation that would specify that director nominees in a non-contested election would be elected by a vote of the majority of votes cast with respect to the director. A majority of the votes cast means that the number of shares voted for a director must exceed the number of shares voted against such director. Pursuant to the amendment, shareholders also will be able to abstain with respect to the election of a director; however, abstentions will have no effect in determining whether the required affirmative majority vote has been obtained.

Under the IBCL, a standard other than plurality may be used only if it is specified in the articles of incorporation, and shareholders must approve this type of an amendment to the articles of incorporation. If the proposed amendment is approved, a new paragraph will be added to Article VI of our articles of incorporation that reads as follows:

Table of Contents

Section 6.8. Standard for Election of Directors by Shareholders. Except as otherwise set forth in this Article VI, each Director shall be elected by a vote of the majority of votes cast with respect to the Director at any shareholders meeting for the election of Directors at which a quorum is present, provided that if as of the record date for such meeting the number of Director nominees to be considered at the meeting exceeds the number of Directors to be elected, each Director shall be elected by a vote of the plurality of the shares represented in person or by proxy and entitled to vote on the election of Directors. For purposes of this Section, a majority of the votes cast means that the number of shares voted for a Director must exceed the number of shares voted against such Director.

If approved, this amendment will become effective upon the filing of articles of amendment of our articles of incorporation with the Indiana Secretary of State. We would make such a filing promptly after the annual meeting if the amendment is approved.

Upon approval of this proposal and the filing of the articles of amendment, the Board will amend our by-laws to conform its director resignation policy to the majority vote standard, so that an incumbent director who did not receive the requisite affirmative majority of the votes cast for his or her re-election will tender his or her resignation to the Board. Under the IBCL, an incumbent director who is not re-elected continues to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors. Such a director remains on the Board as a holdover director until his or her position is filled by a subsequent shareholder vote or his or her earlier resignation or removal by a shareholder vote or by the Board. The Board will adopt the holdover director resignation policy to address the continuation in office of a director that would result from application of the holdover director provision. Under the holdover director resignation policy, the Board will decide whether to accept the resignation in a process similar to the one the Board currently uses pursuant to the existing director resignation policy set forth in our by-laws.

**The Board of Directors recommends a vote FOR the proposal to approve
majority voting for the election of directors in non-contested elections.**

APPENDIX I

WELLPOINT, INC.

CORPORATE GOVERNANCE GUIDELINES

Amended May 17, 2006

I. Role of the Board of Directors and Management

The Board of Directors (Board) of WellPoint, Inc. (the Company) is the ultimate decision-making body of the Company except with respect to matters reserved to the shareholders. It oversees and guides the Company s business through the exercise of its business judgment in what it reasonably believes to be in the best interests of the Company and its shareholders. Within this framework, the Board also considers the interests of other constituents such as members, associates, business partners and the communities in which the Company operates. It selects the Chief Executive Officer (CEO) who in turn selects executives (collectively, Management) who are charged with the conduct of the Company s business in a manner that is consistent with the direction provided by the Board and the Standards of Ethical Business Conduct of the Company. Having selected Management, the Board oversees and monitors their performance.

II. Composition, Selection and Compensation of the Board

A. Size of the Board

The size and composition of the Board should be appropriate for effective deliberation of issues relevant to the Company s business and related interests and not exceed a number that can function efficiently as a body. Thus, it is the policy of the Company that the size of the Board should be within the range of ten to nineteen members.

B. Independent Directors

It is the policy of the Company that the Board consists of a majority of independent Directors. Independence is determined in accordance with the New York Stock Exchange Listing Standards, as amended from time to time (Listing Standards). The Board has adopted categorical standards for the determination of independence of its members as provided in the Listing Standards. Directors have an affirmative obligation to inform the Chairman of the Board, the CEO and the Chairperson of the Governance Committee of any changes in their circumstances or relationships that may impact their designation as independent.

C. Board Membership Criteria

The Governance Committee is responsible for developing and recommending the appropriate skills and characteristics required of Directors in the context of the current make-up of the Board. At a minimum, potential Board members should have personal and professional integrity, business judgment, relevant experience and skill, knowledge of the health care industry or experience with businesses and other organizations and sufficient time and energy to diligently perform their duties. In recommending the potential Board membership criteria to be approved by the Board, the Governance Committee should consider the interplay of the candidate s experience with the experience of other Board members, conformity with any requirements of the Blue Cross and Blue Shield Association, the extent to which the candidate would be a desirable addition to any committees of the Board and the overall diversity of the Board.

D. Selection of Directors

The Board is responsible for selecting Director nominees and recommending them for election by the shareholders. The Governance Committee will identify individuals believed to be qualified to become Directors and recommend to the Board the nominees to stand for election by the shareholders, or in the case of a vacancy, by the Board.

Table of Contents

E. Former Chief Executive Officer's Board Membership

It is the policy of the Company that when a CEO terminates his or her employment with the Company, he or she should submit a written resignation from the Board at the same time. Whether the individual continues to serve on the Board is a matter for discussion at that time by the Board. A former CEO serving on the Board will not be considered an independent Director for any cooling off period required by the Listing Standards.

F. Directors Who Change Their Present Job Responsibility

It is the policy of the Company that when a Director's principal occupation or business association changes substantially from the position he or she held when originally invited to join the Board, the Director will notify in writing the Chairman of the Board, the CEO and the Chairperson of the Governance Committee and will submit a written resignation from the Board at the same time. The Board does not believe that Directors who retire or change from the position they held when they came on the Board should necessarily leave the Board. There should, however, be an opportunity for the Board to review the continued appropriateness of Board membership under these circumstances.

G. Service on Other Boards of Directors

Directors shall limit the number of other public company boards on which they serve to five in order to insure effective service on the Company's Board. Directors should notify in writing the Chairman of the Board, the CEO and the Chairperson of the Governance Committee in advance of accepting an invitation to serve on the board of another public company, the audit committee of another board or the board of a health care provider.

H. Term Limits

The Board does not believe it should establish term limits. While term limits could help ensure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of Directors who have been able to develop, over a period of time, increasing insight into the Company and its operations and, therefore, provide an important contribution to the Board.

I. Retirement Age

It is the policy of the Company that a Director may not stand for re-election if he or she has attained the age of 72 prior to the annual meeting of shareholders at which his or her term of office expires. A Director who attains the age of 72 during his or her term may continue as a Director until his or her term ends.

J. Extending the Invitation to a Potential Director to Join the Board

The invitation to join the Board should be extended by the Board itself via the Chairman of the Board, the CEO, and the Chairperson of the Governance Committee.

K. Director Orientation and Continuing Education

The Company has an orientation process for new Directors that includes detailed background material on the Company and meetings with Management. Thereafter, Directors receive materials and briefings on subjects that assist them in discharging their duties and have the opportunity to participate in continuing education programs developed and/or presented by accredited experts.

L. Non-Employee Director Compensation and Board Stock Ownership Guidelines

The Governance Committee will annually review and recommend to the Board the compensation and reimbursement arrangements for non-employee Directors. Directors who are employees of the Company shall not receive any compensation for his or her service on the Board or any Board committee. To create a linkage with shareholders, the Board believes that a meaningful portion of a non-employee Director's compensation should be provided in common stock. Further, each Director has an obligation to own five times the annual retainer fee in Company common stock at the end of a five year period commencing on the later of the date such Director joined the Board or May 3, 2002.

Table of Contents

III. Board Leadership

A. Selection of Chairman and CEO

It is the policy of the Company that the positions of Chairman of the Board and the CEO may be filled by the same person or by different persons.

B. Presiding Director

The Presiding Director position will be filled by an independent member of the Board and will rotate one time a year immediately following the annual meeting of shareholders among the Chairpersons of the Governance, Audit, Compensation and Planning Committees (so long as such Chairperson is an independent member of the Board).

The Presiding Director will have the following duties and responsibilities:

preside at meetings of the Board (including executive sessions) and shareholders in the Chairman's absence;

serve as the liaison between the Chairman and the independent Directors;

oversee information sent to the Board;

approve meeting agendas and schedules for the Board;

have the authority to call meetings of the independent Directors; and

be available for consultation and direct communication, if requested by major shareholders.

IV. Functions of the Board

A. Access to Independent Advisors

The Board believes that access to independent advisors plays an important role in the discharge of its duties and responsibilities. As such, the Board on occasion may select, retain, terminate and approve fees for such independent advisors as it deems appropriate in the discharge of its duties and responsibilities.

B. Interaction with Institutional Investors, Press, Customers, Etc.

The Board believes that Management speaks for the Company. Individual Directors may, from time to time, at the request of Management, meet or otherwise communicate with various constituencies that are involved with the Company. If comments from the Board are appropriate, they should, in most circumstances, come from the Chairman of the Board or the Presiding Director.

C. Access to Senior Management

Directors have complete access to Management and are encouraged to visit the Company facilities and operations.

Furthermore, the Board encourages the CEO, from time to time, to bring associates into Board meetings who: (a) can provide additional insight into the items being discussed because of personal involvement in these areas, and/or (b) are associates with future potential that the CEO

believes should be given exposure to the Board.

D. Annual Self-Evaluation

The Board will annually conduct a self-evaluation and oversee the annual self-evaluation required of the standing committees. In addition, the Board will assess the contribution of individual directors in connection with the renomination process. The evaluations will be based on such objective and subjective criteria as the Board deems appropriate.

Table of Contents

V. Board Meetings

A. Meetings

It is the policy of the Company that all major decisions be considered by the Board as a whole. As a consequence, the Board will hold regularly scheduled meetings, at least, four times a year, plus special meetings as the need arises.

B. Selection of Agenda Items for Board Meetings

The Chairman of the Board and the CEO will establish the agenda for each Board meeting. Each Director is encouraged to suggest the inclusion of item(s) on the agenda.

C. Board Materials Distributed in Advance

Information and data that is important to the Board's understanding of the matters to be considered will be distributed in writing by Management before the Board meets. The Chairman of the Board will facilitate the delivery of information to the Directors.

D. Board Presentations

As a general rule, presentations on specific subjects should be sent to the Board in advance so that Board meeting time may be conserved and discussion time focused on the issues arising from the presentations.

E. Board Attendance and Participation

Directors are expected to prepare for, attend, and participate in all Board and applicable committee meetings.

F. Executive Sessions of Non-Management and Independent Directors

Non-management Directors of the Board will meet in Executive Session at least four times each year. Independent Directors of the Board will meet in Executive Session at least twice a year. The format of these meetings may, in part, include a discussion with the CEO. There will be an opportunity to meet in Executive Session after each regularly scheduled meeting of the Board or Board Committee. Any Director may request an Executive Session.

VI. Committee Matters

A. Number, Structure and Independence of Committees

The Board may establish committees to assist it discharging its responsibilities in accordance with the Company's By-Laws. From time to time, the Board may want to form a new committee or disband a current committee depending upon the circumstances. The current five committees are Audit, Compensation, Executive, Governance, and Planning. The duties and responsibilities of the committees are set forth in the Company's By-Laws and committee charters. The Audit, Compensation and Governance Committees will consist solely of independent Directors as determined by the Board consistent with the Categorical Standards and the Listing Standards. In addition, members of the Audit Committee will meet the independence and financial knowledge standards of the Securities and Exchange Commission, and at least, one member will be an audit committee financial expert. No member of the Audit Committee will serve on the audit committee of more than two other public companies unless the Board determines that such simultaneous service would not impair his or her ability to effectively serve on the Audit Committee.

B. Assignment and Rotation of Committee Members

The Board believes that there should be periodic rotation of committee membership among Directors. However, there may be reasons at a given point in time to maintain an individual Director's committee membership for a long period.

Table of Contents

C. Frequency and Length of Committee Meetings

The Chairperson of the committee, in consultation with the members of the committee, will determine the frequency and length of the meetings of the committee.

D. Committee Agenda

The Chairperson of the committee, in consultation with the members of the committee and Management, will develop the committee's agenda.

VII. Leadership Development

A. Formal Evaluation of the CEO

The Compensation Committee will conduct an annual evaluation of the CEO's performance and may take into consideration any input from the Board. The results will be communicated to the Board and the CEO by the Chairperson of the Compensation Committee. The evaluation will be based on criteria established by the Compensation Committee, which may also take into consideration any input from the Board. The evaluation will be used by the Compensation Committee in the course of its deliberations when considering the compensation of the CEO.

B. Succession Planning for the CEO

The Board plans for succession to the position of the CEO. To assist the Board, there will be available, on a continuing basis, the CEO's recommendations for (i) a successor in the event of the retirement of the CEO and (ii) an interim successor in the event of the death, disability, or other emergency or termination of the CEO.

C. Management Development and Succession Planning

There will be a periodic report to the Board by the CEO on the Company's program for the development and succession planning for Management.

D. Management Stock Ownership Guidelines

To create a linkage with shareholders, the Board believes that Management should own a meaningful amount of common stock of the Company. Thus, the Board has adopted Stock Ownership Guidelines that require the CEO to own five times his or her base salary at the end of a five year period commencing on the later of the date he or she became CEO or May 3, 2002. Other members of Management have a similar requirement that varies from one and one-half to three times the person's base salary depending upon his or her position.

VIII. Standards of Ethical Business Conduct and Reporting of Irregularities

A. Personal Loans

The Company will not extend credit or arrange for the extension of credit in the form of a personal loan to Directors or Management.

B. Standards of Ethical Business Conduct

The Company has adopted Standards of Ethical Business Conduct (the Standards) for Directors, Management and other associates of the Company. The purpose of the Standards is to focus on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and help foster a culture of honesty and integrity. The Standards are posted on the Company's web site.

Everyone is expected to act in accordance with the requirements of the Standards. PROXY/VOTING INSTRUCTIONS FOR ANNUAL MEETING OF SHAREHOLDERS

Wednesday, May 16, 2007

This PROXY is solicited by the Board of Directors for use at the Annual Meeting of Shareholders on May 16, 2007. Your shares of stock will be voted as you specify. If you sign and date your proxy card, but do not provide instructions, your shares will be voted FOR the election of each of the Company's nominee directors, FOR the approval of majority voting for the election of directors in non-contested elections, FOR the ratification of the appointment of the independent registered public accounting firm, and in the discretion of the proxy holder on any other matter which may properly come before the Annual Meeting of Shareholders and all adjournments or postponements of the meeting.

By signing this PROXY, you revoke all prior proxies and appoint Angela F. Braly and David C. Colby, or either of them, as proxies, with the power to appoint substitutes, to vote your shares of common stock of WellPoint, Inc., that you would be entitled to cast if personally present at the Annual Meeting of Shareholders and all adjournments or postponements of the meeting.

If you participate in the WellPoint 401(k) Retirement Savings Plan and you are invested in the Company Common Stock fund in your account, you may give voting instructions to the plan Trustee as to the number of shares of Common Stock equivalent to the interest in the Company Common Stock fund credited to your account as of the most recent valuation date coincident with or preceding the record date. The Trustee will vote your shares in accordance with your instructions received by May 14, 2007 at 12:00 p.m. Eastern Daylight Time. You may also revoke previously given voting instructions by May 14, 2007 at 12:00 p.m. Eastern Daylight Time, by filing with the Trustee either written notice of revocation or a properly completed and signed proxy card bearing a later date. Your voting instructions will be kept confidential by the Trustee. If you do not send voting instructions, the Trustee will vote the number of shares equal to the share equivalents credited to your account in the same proportion that it votes shares for which it did receive timely instructions.

Your voice is important. You are strongly encouraged to vote your proxy by telephone or through the Internet in accordance with the instructions below. However, if you wish to vote by mail, just complete, sign, and date the reverse side of this card and return in the enclosed envelope.
