***2007 Management Bonus Plan***

On April 25, 2007, the Compensation Committee (the *Committee*) of the Board of Directors of Zebra Technologies Corporation (the *Company*) approved (i) the 2007 Management Bonus Plan (the *2007 Plan*), and (ii) the 2007 target bonus awards for the *Company's* named executive officers (*Named Officers*) under the 2007 Plan.

Bonus awards for the Named Officers under the 2007 Plan are based solely on a financial performance component, which consists of the achievement of certain financial performance goals of the *Company* and, if applicable, of the participant's assigned business unit. These financial performance goals are expressed in terms of financial performance measures which are described in Exhibit A to the 2007 Plan (individually, a *Financial Performance Goal*, and collectively, the *Financial Performance Goals*). In cases where multiple *Financial Performance Goals* are used, such as when the target bonus award is tied to the performance of the *Company* and of a business unit, a relative weight is assigned to each of the *Financial Performance Goals* such that the total of all weights assigned to the multiple *Financial Performance Goals* for a *Named Officer* equals 100%.

Each *Named Officer* will be eligible to receive a portion of his target bonus award under the 2007 Plan upon the achievement of 86.7% of his *Financial Performance Goal*, 100% of his target bonus award upon the achievement of 100% of his *Financial Performance Goal*, and 200% of his target bonus award upon achievement of 106.6% of his *Financial Performance Goal*. Bonuses under the 2007 Plan will be interpolated on a straight line basis for achievement of performance levels between the applicable points of reference on the bonus scale described in Section 4.2 of the 2007 Plan. The maximum award payable to each *Named Officer* under the 2007 Plan is 200% of his target bonus award.

The *Committee* also approved the following target bonus percentages (expressed as a percentage of base earnings to be paid in 2007) for the *Named Officers*: for Edward L. Kaplan, whose annualized base salary commencing April 2, 2007 is \$700,000, an 80% target; for Charles R. Whitchurch, whose annualized base salary commencing April 2, 2007 is \$286,800, a 50% target; for Philip Gerskovich, whose annualized base salary commencing April 2, 2007 is \$365,800, a 50% target; for Hugh Gagnier, whose annualized base salary commencing April 2, 2007 is \$324,900, a 45% target; and for Veraje Anjargolian, whose annualized base salary commencing April 2, 2007 is \$256,100, a 45% target. Mr. Kaplan's, Mr. Whitchurch's and Mr. Gerskovich's target bonus percentages are based on consolidated income from operations of the *Company*. Mr. Gagnier's and Mr. Anjargolian's target bonus percentages are based on multiple *Financial Performance Goals*, with 25% of their respective target bonus percentages being tied to the consolidated income from operations of the *Company* and 75% of their respective target bonus percentage being tied to the direct operating profit of their assigned business unit. Mr. Gagnier's assigned business unit is Specialty Printer Solutions; and Mr. Anjargolian's assigned business unit is Card Printer Solutions.

The summary of the 2007 Plan contained herein is qualified in its entirety by reference to the 2007 Plan, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
