This registration statement includes forward-looking statements that relate to future events or our future financial performance and involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to differ materially from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. All statements contained in this registration statement other than statements of historical facts, including statements regarding our future operating results and financial position, our business strategy and plans and our objectives for future operations, are forward-looking statements. The words anticipate, architected, believe, continue, could, designed, enable, estimate, expect, intend, likely, or would and similar expressions are intended to identify forward-looking statements.

Forward-looking statements made or incorporated by reference herein include, but are not limited to, statements about:

anticipated trends and challenges in our business and the markets in which we operate;

our ability to address market needs or develop new or enhanced products to meet those needs;

expected adoption of our DTN System by our potential customers;

our ability to compete in our industry;

our ability to successfully manufacture our Photonic Integrated Circuits, or PICs, and our DTN System;

our ability to grow our revenue and improve our gross margins;

**Table of Contents**

our ability to protect our confidential information and intellectual property rights;

the expected future impact of our deferred revenue and deferred inventory costs;

our ability to manage our growth and anticipated expansion into new markets;

our ability to establish Vendor-Specific Objective Evidence in accordance with Statement of Position No. 97-2, *Software Revenue Recognition*, as amended by SOP 98-9, *Modification of SOP 97-2, Software Revenue Recognition, with Respect to Certain Transactions* ;

our need to obtain additional funding and our ability to obtain funding in the future on acceptable terms; and

our expectations regarding the use of proceeds from the offering contemplated by the Registration Statement.

All forward-looking statements involve risks, assumptions and uncertainties. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our financial condition, operating results, business strategy, short-term and long-term business operations and objectives, and financial needs. The occurrence of the events described, and the achievement of the expected results, depend on many events, some or all of which are not predictable or within our control. Actual results may differ materially from expected results. See Item 1A titled *Risk Factors* and elsewhere in the Registration Statement for a more complete discussion of these risks, assumptions and uncertainties and for other risks and uncertainties. That section is incorporated by reference herein. These risks, assumptions and uncertainties are not necessarily all of the important factors that could cause actual results to differ materially from those expressed in any of our forward-looking statements. Other unknown or unpredictable factors also could harm our results. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this registration statement might not occur. We undertake no obligation, and specifically decline any obligation, to update publicly or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
