Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 21, 2007, Celsion Corporation (the Company) closed the previously announced sale of its Prolieve assets (the Prolieve Assets) to Boston Scientific Corporation, a Delaware corporation (Boston Scientific). The sale of the Prolieve Assets was made pursuant to an Asset Purchase Agreement, dated April 17, 2007 (the Asset Purchase Agreement), that was previously filed as Exhibit 10.1 to Form 8-K filed by the Company on April 17, 2007. The use of the Prolieve Assets was approved by the Food and Drug Administration in 2004 for the treatment of benign prostatic hyperplasia. The Prolieve Assets were used by the Company in the manufacture, marketing, sale, distribution and research and development of products using thermal therapy. Prior to the sale of the Prolieve Assets, Boston Scientific was the Company s exclusive distributor of the Prolieve Assets. As of April 30, 2007, Boston Scientific owned 7.94% of the Company s common stock.

The Prolieve Assets were sold to Boston Scientific for an aggregate purchase price of \$60 million payable in three installments consisting of \$30 million at closing and \$15 million on each of the first and second anniversaries of the closing. In addition to the other indemnification provisions, such as indemnification for breaches of representations, warranties and covenants contained in the Asset Purchase Agreement, the Company agreed to indemnify Boston Scientific for a period of two years from the closing, in an amount up to \$15 million of incurred costs, in the event of unforeseen intellectual property claims related to the Prolieve Assets. The \$30 million payable at closing was reduced by approximately \$17 million, representing the principal and accrued interest due on promissory notes previously issued by the Company to Boston Scientific, and by the amounts of certain royalty payments to American Medical Systems, Inc. and AMS Research Corporation (together referred to as AMS) under the Settlement and License Agreement dated as of February 7, 2007 among AMS and the Company (the Settlement Agreement). The Settlement Agreement was previously filed as Exhibit 10.1 to Form 10-Q filed by the Company on May 10, 2007.

The foregoing description of the Asset Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Asset Purchase Agreement, a copy of which is attached to the Form 8-K filed by the Company on April 18, 2007 and is incorporated herein by reference.
