**Item 8.01. Other Events.**

On May 1, 2007, Alabama National BanCorporation (the Company) sold its insurance services division, which was one of its reportable business segments, to an unrelated third party. The Company is filing this Current Report on Form 8-K (the Form 8-K) to update the historical consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 (the 2006 Form 10-K) for discontinued operations. In accordance with Statement of Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets (SFAS No. 144), revenues and expenses associated with the insurance services division have been classified as discontinued operations in the Company's Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2007, June 30, 2007 and September 30, 2007 that were filed with the Securities and Exchange Commission (the SEC) on May 10, 2007, August 8, 2007 and November 9, 2007, respectively.

Under requirements of the SEC, the same classification as discontinued operations required by SFAS No. 144 is also required for previously issued financial statements for each of the three years presented in the Company's 2006 Form 10-K, if those financial statements are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the sale of the insurance services division. This reclassification has no effect on the Company's reported net income for any reporting period.

The net gain/(loss) from discontinued operations that has been recast from continuing operations was as follows (dollars in thousands):

<b>Fiscal 2006</b>	<b>Fiscal 2005</b>	<b>Fiscal 2004</b>	<b>Fiscal 2003</b>	<b>Fiscal 2002</b>
\$ 282	\$ 122	\$ 42	\$ 109	\$ (21)

The historical financial information in Exhibits 99.1, 99.2 and 99.3 has been revised and updated from its previous presentation solely to reflect the reclassifications for discontinued operations described above for the following periods:

fiscal years ended December 31, 2006, 2005, 2004, 2003 and 2002.

In connection with the reclassifications for discontinued operations discussed above, assets and liabilities associated with the Company's insurance services division have been recorded as assets to be disposed of and liabilities to be disposed of in the accompanying consolidated statements of financial condition as of December 31, 2006 and 2005. The Company has not modified or updated any other disclosures included in the 2006 Form 10-K.
