**Item 1.01. Entry into a Material Definitive Agreement.**

On March 4, 2008, Smithfield Foods, Inc., a Virginia corporation ( Smithfield Foods ), and JBS S.A., a company organized and existing under the laws of Brazil ( JBS ), entered into a Stock Purchase Agreement, dated March 4, 2008 (the JBS Agreement ). Pursuant to the JBS Agreement, Smithfield Foods will sell Smithfield Beef Group, Inc. ( Smithfield Beef ), its beef processing and cattle feeding operation, to JBS for \$565.0 million in cash (the JBS Transaction ).

The sale to JBS will include 100 percent of Five Rivers Ranch Cattle Feeding LLC ( Five Rivers ), which is currently held by Smithfield Beef in a 50/50 joint venture with Continental Grain Company ( CGC, formerly ContiGroup Companies, Inc.). Smithfield Foods and CGC have entered into a Purchase Agreement, dated March 4, 2008 (the Five Rivers Agreement and together with the JBS Agreement, the Agreements ), pursuant to which, immediately before the closing of the JBS Transaction, Smithfield Beef will acquire from CGC the 50 percent of Five Rivers that it does not presently own in exchange for 2.167 million shares of Smithfield Foods common stock (individually the Five Rivers Transaction and together with the JBS Transaction, the Transactions ). CGC is a beneficial owner of more than 7 percent of Smithfield Foods common stock. Paul J. Fribourg, a member of Smithfield Foods board of directors, is Chairman, President and Chief Executive Officer of CGC. Michael J. Zimmerman, a Smithfield Foods advisory director, is Executive Vice President and Chief Financial Officer of CGC.

The purchase price for the JBS Transaction is subject to customary adjustments, including adjustments for differences in working capital at closing from agreed-upon targets. Smithfield Foods has made customary representations and warranties in the JBS Agreement, which are sometimes qualified by knowledge and/or materiality. The JBS Agreement also includes customary covenants relating to Smithfield Beef s conduct of its business between the date of signing the JBS Agreement and the date of closing of the JBS Transaction. The JBS Transaction remains subject to certain customary closing conditions, including expiration or termination of all waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The JBS Agreement may be terminated under certain circumstances, including by mutual written consent of both Smithfield Foods and JBS or by either party if the JBS Transaction has not been consummated on or before the first anniversary of the signing date.

The JBS Transaction excludes substantially all live cattle inventories held by Smithfield Beef and Five Rivers as of the closing date, together with the associated debt. Live cattle currently owned by Five Rivers will be transferred to a new 50/50 joint venture between Smithfield Foods and CGC, while live cattle currently owned by Smithfield Beef will be transferred to another subsidiary of Smithfield Foods. The excluded live cattle will be raised by JBS after closing for a negotiated fee and then sold at maturity at market-based prices. Proceeds from the sale of the excluded live cattle will be paid in cash to the Smithfield Foods/CGC joint venture or to Smithfield Foods, as appropriate. Smithfield Foods believes that most of the live cattle inventories will be sold within six months after closing, with substantially all sold within 12 months after closing. The proceeds from the sale of Smithfield Beef s live cattle inventories, together with Smithfield Foods 50 percent interest in Five Rivers cattle inventory, net of the associated debt, are expected to be in excess of \$200 million.

The purchase price for the Five Rivers Transaction is also subject to customary adjustments, including an adjustment for any difference in working capital and certain asset values at closing from the agreed-upon targets. The Five Rivers Agreement includes customary representations and warranties and covenants, including covenants relating to cooperation in obtaining approvals and Five Rivers' conduct of its business between the date of signing the Five Rivers Agreement and the date of closing the Five Rivers Transaction.

The Transactions are expected to close simultaneously as soon as possible subject to customary regulatory review and closing conditions. Smithfield Foods expects that the net proceeds of the Transactions will be used primarily for debt reduction.

The foregoing descriptions of the Agreements are not complete and are qualified in their entirety by references to the JBS Agreement and the Five Rivers Agreement, which are attached hereto as [Exhibit 2.1](#) and [Exhibit 2.2](#), respectively, and are incorporated herein by reference.

### **Item 3.02. Unregistered Sales of Equity Securities.**

The issuance of Smithfield Foods' common stock to CGC in connection with the Five Rivers Transaction has not been and will not be registered under the Securities Act of 1933, as amended (the Securities Act), and will be conducted in reliance on the exemption for nonpublic offerings provided by Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder and analogous state securities law provisions.

### **Item 7.01. Regulation FD.**

On March 5, 2008, Smithfield Foods issued a press release announcing the Transactions. A copy of the press release is attached hereto as [Exhibit 99.1](#) and incorporated herein by reference.
