8. *Indemnification and Contribution.*

(a) The Company will indemnify and hold harmless each Underwriter and its respective partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Underwriter, within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, an **Indemnified Party**), against any losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Securities Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement, any Statutory Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus, or in any amendment or supplement thereto or any road show (as defined in Rule 433) not constituting an Issuer Free Writing Prospectus (a **Non-Prospectus Road Show**) or any Blue Sky application or other document prepared or executed by the Company (or based upon any written information furnished by the Company for use therein) specifically for the purpose of qualifying any or all of the Offered Securities under the securities laws of any state or other jurisdiction (any such application, document or information being hereinafter called a **Blue Sky Application**), or, in each case, arise out of or are based upon the omission or alleged omission, of a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above, as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives, if any, specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in subsection (b) below.

(b) Each Underwriter will severally and not jointly indemnify and hold harmless the Company, each of its directors and each of its officers and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each an **Underwriter Indemnified Party**), against any losses, claims, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Securities Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of any

Registration Statement, any Statutory Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus, or in any amendment or supplement thereto or in any Non-Prospectus Road Show or Blue Sky Application or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives, if any, specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission, as such expenses are incurred, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Final Prospectus furnished on behalf of each Underwriter: the information contained in the first paragraph under the caption Underwriting Stabilization, Short Positions and Penalty Bids.

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnifying party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, (A) without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of any judgment with respect to any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party or (B) be liable for any settlement of any such action effected without its written

consent (which consent shall not be unreasonably withheld), but if settled with the consent of the indemnifying party or if there be a final judgment of the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter

within the meaning of the Securities Act; and the obligations of the Underwriters under this Section shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed a Registration Statement and to each person, if any, who controls the Company within the meaning of the Securities Act.

9. *Default of Underwriters.* If any Underwriter or Underwriters default in their obligations to purchase Offered Securities hereunder on either the First Closing Date or any Optional Closing Date and the aggregate principal amount of Offered Securities that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total principal amount of Offered Securities that the Underwriters are obligated to purchase on such Closing Date, the Representatives may make arrangements satisfactory to the Company for the purchase of such Offered Securities by other persons, including any of the Underwriters, but if no such arrangements are made by such Closing Date, the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Offered Securities that such defaulting Underwriters agreed but failed to purchase on such Closing Date. If any Underwriter or Underwriters so default and the aggregate principal amount of Offered Securities with respect to which such default or defaults occur exceeds 10% of the total principal amount of Offered Securities that the Underwriters are obligated to purchase on such Closing Date and arrangements satisfactory to the Representatives and the Company for the purchase of such Offered Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 10 (provided that if such default occurs with respect to Optional Securities after the First Closing Date, this Agreement will not terminate as to the Firm Securities or any Optional Securities purchased prior to such termination). As used in this Agreement, the term Underwriter includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

10. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities. If this Agreement is terminated pursuant to Section 9 or if for any reason the purchase of the Offered Securities by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by them pursuant to Section 5 and the respective obligations of the Company and the Underwriters pursuant to Section 8 shall remain in effect, and if any Offered Securities have been purchased hereunder the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 9 hereof, the Company will reimburse the Underwriters for all out-of-pocket accountable expenses actually incurred (including but not limited to fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Offered Securities and the respective obligations of the Company and the Underwriters pursuant to Section 8 hereof shall remain in effect.

11. *Notices.* All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered or telegraphed and confirmed to Lehman Brothers Inc., 1271 Avenue of the Americas, 42nd Floor, New York, New York 10020, Attention: Syndicate Registration, Fax: +1 (646) 834-8133 with a copy, in the case of any notice pursuant to Section 8 of this Agreement, to the Director of Litigation, Office of the General Counsel, Lehman Brothers Inc., 399 Park Avenue, 10th Floor, New York, N.Y. 10022, Fax: +1 (212) 520-0421 and Credit Suisse Securities (USA) LLC, Eleven Madison Avenue, New York, N.Y. 10010-3629, Attention: LCD-IBD, Fax: +1 (212) 325 6665 and Credit Suisse (Hong Kong) Limited, 45th Floor, Two Exchange Square, 8 Connaught Road, Central, Hong Kong, Attention: LCD-IBD, Fax: +852 2101-7725, with a copy to Underwriters' U.S. counsel, Simpson Thacher & Bartlett LLP, 35/F, ICBC Tower, 3 Garden Road, Central, Hong Kong, Attention: Leiming Chen, Fax: +(852) 2869-7694, and if sent to the Company, will be mailed, delivered or telegraphed and confirmed to it at JA Solar Holdings Co., Ltd., Jinglong Group Industrial Park, Jinglong Street, Ningjin, Hebei province 055550, People's Republic of China, Attention: Huaijin Yang, CEO, Fax: +(86) 319-580-0760, with a copy to the Company's U.S. counsel, Skadden, Arps, Slate, Meagher & Flom, 42/F, Edinburgh Tower, The Landmark, 15 Queen's Road, Central, Hong Kong, Attention: Gregory G.H. 12. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 8, and no other person will have any right or obligation hereunder.

13. *Representation of Underwriters.* The Representatives will act for the several Underwriters in connection with this financing, and any action under this Agreement taken by the Representatives jointly will be binding upon all the Underwriters.

14. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

15. *Absence of Fiduciary Relationship.* The Company acknowledges and agrees that:

(a) the Representatives have been retained solely to act as underwriters in connection with the sale of the Offered Securities and no fiduciary, advisory or agency relationship between the Company and the Representatives has been created in respect of any of the transactions contemplated by this Agreement or the Final Prospectus, irrespective of whether the Representatives have advised or are advising the Company on other matters;

(b) the price of the Offered Securities set forth in this Agreement was established by the Company following discussions and arms-length negotiations with the Representatives and the Company is capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) it has been advised that the Representatives and their affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and the Representatives have no obligation to disclose such interests and transactions to the Company by virtue of any fiduciary, advisory or agency relationship; and

(d) it waives, to the fullest extent permitted by law, any claims it may have against the Representatives for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Representatives shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Company, including stockholders, employees or creditors of the Company.

16. *Research Independence.* In addition, the Company acknowledges that the Underwriters' research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters' research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Company and/or the offering that differ from the views of their respective investment banking divisions. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the Underwriters with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Company by such Underwriters' investment banking divisions. The Company acknowledges that each of the Underwriters is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the Company.

17. *Applicable Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

The Company hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

The Company irrevocably and unconditionally waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in Federal and state courts in the Borough of Manhattan in The City of New York and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum. The obligation of the Company pursuant to this Agreement in respect of any sum due to any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day, following receipt by such Underwriter of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to such Underwriter hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter against such loss. (b) Each Underwriter will severally and not jointly indemnify and hold harmless the Company, each of its directors and each of its officers and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each an **Underwriter Indemnified Party**), against any losses, claims, damages or

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, (A) without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of any judgment with respect to any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such

settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party or (B) be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with the consent of the indemnifying party or if there be a final judgment of the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, or the Underwriters, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter, any Borrower or any Agent within the meaning of the Securities Act; and the obligations of the Underwriters under this Section shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed a Registration Statement and to each person, if any, who controls the Company within the meaning of the Securities Act.

9. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter on one hand or the Company on the other hand or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities. If for any reason the lending of the Offered Securities by the Company is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by them pursuant to Section 5 and the respective obligations of the Company and the Underwriters pursuant to Section 8 shall remain in effect, and if any Offered Securities have been purchased hereunder the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason other than solely because of an Underwriter's or the Underwriters' default in their obligations to purchase the Offered Securities from any Borrower, or a Borrower's or the Borrowers' default in their obligations to borrow the Offered Securities pursuant to the ADSs Lending Agreement, the Company will reimburse the Underwriters and the Borrowers for all out-of-pocket accountable expenses actually incurred (including but not limited to fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Offered Securities and the respective obligations of the Company and the Underwriters pursuant to Section 8 hereof shall remain in effect.

13. *Absence of Fiduciary Relationship.* The Company acknowledges and agrees that:

(a) the Underwriters have been retained solely to act as underwriters in connection with the sale of the Offered Securities and no fiduciary, advisory or agency relationship between the Company and the Underwriters or the Borrowers has been created in respect of any of the transactions contemplated by this Agreement or the Final Prospectus, irrespective of whether the Underwriters or the Borrowers have advised or are advising the Company on other matters;

(b) the price of the Offered Securities set forth in this Agreement was established by the Company following discussions and arms-length negotiations with the Underwriters and the Company is capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) it has been advised that the Underwriters, the Borrowers and their affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and the Underwriters and the Borrowers have no obligation to disclose such interests and transactions to the Company by virtue of any fiduciary, advisory or agency relationship; and

(d) it waives, to the fullest extent permitted by law, any claims it may have against the Underwriters and the Borrowers for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Underwriters and the Borrowers shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Company, including stockholders, employees or creditors of the Company.

14. *Research Independence.* In addition, the Company acknowledges that the Underwriters and the Borrowers research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters and Borrowers research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Company and/or the offering that differ from the views of their respective investment banking divisions. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the Underwriters or the Borrowers with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Company by such Underwriters or Borrowers investment banking divisions. The Company acknowledges that each of the Underwriters and the Borrowers is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the Company.

15. *Applicable Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

The Company hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

The Company irrevocably and unconditionally waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in Federal and state courts in the Borough of Manhattan in The City of New York and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum. The Company irrevocably appoints CT Corporation System, currently of 111 Eighth Avenue, New York, NY, 10011, as each of their authorized agent in the Borough of Manhattan in The City of New York upon which process may be served in any such suit or proceeding, and agree that service of process upon such agent, and written notice of said service to the Company by the person serving the same to the address provided in Section 11 hereof, shall be deemed in every respect effective service of process upon the Company in any such suit or proceeding. The Company further agrees to take any and all action as may be necessary to maintain such designation and appointment of such agent in full force and effect for a period of seven years from the date of this Agreement.

The obligation of the Company pursuant to this Agreement in respect of any sum due to any Underwriter or Borrower shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day, following receipt by such Underwriter or Borrower of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Underwriter or Borrower may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to such Underwriter or Borrower hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment,

to indemnify such Underwriter or Borrower against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or the Borrowers hereunder, such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or the Borrowers hereunder.

If the foregoing is in accordance with the Underwriters and the Borrowers' understanding of our agreement, kindly sign and return to the Company one of the counterparts hereof, whereupon it will become a binding agreement between the Company in accordance with its terms.

In case any Note which has matured or is about to mature or has been properly tendered for repurchase on a Fundamental Change Repurchase Date (and not withdrawn), as the case may be, or is to be converted pursuant to Article 10, shall become mutilated or be destroyed, lost or wrongfully taken, the Company may, instead of issuing a substitute Note, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or conversion shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for

any loss, liability, cost or expense caused by or in connection with such substitution, and, in every case of destruction, loss or wrongful taking, the applicant shall also furnish to the Company, the Trustee and, if applicable, any Paying Agent or Conversion Agent evidence to their satisfaction of the destruction, loss or wrongful taking of such Notes and of the ownership thereof.

Every replacement Note is a new obligation of the Company in replacement of the Note that has been mutilated, lost, destroyed or wrongfully taken.

provided, no Additional Notes may be issued unless such Additional Notes are fungible with the Notes issued pursuant to the Underwriting Agreement for U.S. federal income tax and securities laws purposes, as determined pursuant to an Opinion of Counsel; and *provided further*, that the Additional Notes have the same CUSIP number as other outstanding Notes. No Additional Notes may be issued if on the Issue Date therefor any Event of Default has occurred and is continuing.

The Notes originally issued pursuant to the Underwriting Agreement and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including waivers, amendments, offers to purchase and United States federal tax purposes.

With respect to any issuance of Additional Notes, the Company shall deliver to the Trustee a resolution of the Board of Directors and an Officers Certificate in respect of such Additional Notes, which shall together provide the following information:

The Company may not redeem any Notes if a Default in the payment of interest on the Notes has occurred and is continuing.

SECTION 3.02 Notice of Optional Redemption. In case the Company shall desire to exercise the right to redeem all or any part of the Notes pursuant to Section 3.01, it shall fix a Redemption Date and it or the Trustee in the name of and at the expense of the Company shall mail or cause to be mailed a notice of such redemption (a **Redemption Notice**) not less than 30 calendar days nor more than 60 calendar days prior to the Redemption Date to all Holders of record at their last addresses as the same appear on the Register; *provided* that if the Company makes such request of the Trustee, the text of the Redemption Notice shall be prepared by the Company. Such mailing shall be by first class mail. The Redemption Notice, if mailed in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holders receive such notice. In any case, failure to give such Redemption Notice by mail or any defect in the notice to the Holder of any Notes designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Notes. Simultaneously with providing such Redemption Notice, the Company shall publicly announce through a reputable national newswire in the United States the relevant information and make this information available the Company Website.

Each such Redemption Notice shall specify:

- (a) that the holder has a right to convert the Notes called for redemption, and the applicable Conversion Rate;
- (b) the date on which the Conversion Period begins;
- (c) that the right to convert such Notes or portions thereof will expire on or before 5:00 p.m. New York City time, on the Business Day immediately preceding the Redemption Date; and
- (d) the aggregate principal amount of Notes to be redeemed;
- (e) the CUSIP number or numbers of the Notes being redeemed.
- (f) the Redemption Date;
- (g) the Redemption Price at which the Notes are to be redeemed;
- (h) the name of the Paying Agent, the place or places of payment and that payment will be made upon presentation and surrender of such Notes;
- (i) that interest accrued and unpaid to, but excluding, the Redemption Date will be paid as specified in said notice, and that on and after such date, interest thereon or on the portion thereof to be redeemed will cease to accrue;

If fewer than all the Notes are to be redeemed, the Redemption Notice shall identify the Notes to be redeemed (including CUSIP numbers, if any). In case any Notes are to be redeemed in part only, the Redemption Notice shall state the portion of the principal amount thereof to be redeemed and shall state that, on and after the Redemption Date, upon surrender of such Notes, a new Note or Notes in principal amount equal to the unredeemed portion thereof will be issued.

SECTION 3.03 Selection of Notes to be Redeemed. If less than all of the outstanding Notes are to be redeemed, the Trustee shall select the Notes or portions thereof of the Global Notes or the Notes in certificated form to be redeemed in principal amounts of \$1,000 or integral multiples of \$1,000 by lot, on a pro rata basis to the extent practicable or by another method the Trustee routinely uses, and in each case to the extent permitted by the Depositary. If any Notes selected for redemption are submitted for conversion in part after such selection, the portion of such Notes submitted for conversion shall be deemed (so far as may be possible) to be the portion to be selected for redemption but shall be converted in accordance with Article 10. The Notes (or portions thereof) so selected for redemption shall be deemed duly selected for redemption for all purposes hereof, notwithstanding that any such Notes are submitted for conversion in part before the mailing of the Redemption Notice.

The Company will not be required to (i) issue, register the transfer of, or exchange any Notes during the period of 15 calendar days preceding the mailing of a Redemption Notice or (ii) register the transfer of or exchange any Notes so selected for redemption, in whole or in part, except the unredeemed portion of any Notes being redeemed in part.

SECTION 3.04 Deposit of Redemption Price. No later than 11:00 a.m., New York City time, one Business Day prior to the Redemption Date, the Company shall deposit with the Paying Agent (or, if the Company or a Wholly Owned Subsidiary of the Company is acting as its own Paying Agent, shall set aside, segregate and hold in trust as provided in Section 6.02 of the Original Indenture) an amount of cash in immediately available funds sufficient to redeem on the Redemption Date all the Notes (or portions thereof) so called for redemption (other than those theretofor surrendered for conversion) at the Redemption Price, together with accrued and unpaid interest to, but excluding, the Redemption Date. If any Notes called for redemption are converted in accordance with Article 10 prior to such Redemption Date, any money deposited with the Paying Agent or so segregated and held in trust for the redemption of such Notes shall be paid to the Company or, if then held by the Company, shall be discharged from such trust.

SECTION 3.05 Payment of Notes Called for Redemption. If a Redemption Notice has been given as provided in Section 3.02, the Notes or portion of Notes with respect to which such notice has been given shall, unless converted in accordance with Article 10, become due and payable on the Redemption Date and at the place or places stated in such Redemption Notice at the Redemption Price, plus interest accrued and unpaid to, but excluding, the Redemption Date; provided that if the Redemption Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, the interest payable on such Interest Payment Date shall be paid on such Redemption Date to the Holders of record of such Notes on the applicable Regular Record Date instead of the Holders of the Notes being redeemed on such date, and, unless the Company shall default in the payment of such Notes at the Redemption Price, plus interest, if any, accrued and unpaid to, but excluding, the Redemption Date, then, on the Redemption Date, such Notes will cease to be outstanding, interest will cease to accrue on such Notes and all other rights of the holders of such Notes will terminate, other than the right to receive the Redemption Price, and previously accrued and unpaid interest thereon. On presentation and surrender of such Notes at a place of payment specified in the notice or redemption, such Notes shall be paid and redeemed by the Company at the Redemption Price, together with interest accrued and unpaid thereon to, but excluding, the Redemption Date; *provided* that if the Redemption Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, the interest payable on such Interest Payment Date shall be paid on such Redemption Date to the Holders of record of such Notes on the applicable Regular Record Date instead of the Holders of the Notes being redeemed on such date.

If any Notes called for redemption shall not be so paid upon surrender thereof for redemption on the Redemption Date as provided in this Section 3.05, the Company shall pay interest (to the extent lawful) on the overdue Redemption Price at the annual rate borne by the Notes plus 1%, and such Notes shall remain convertible in accordance with Article 10 until the Redemption Price and the interest thereon shall have been paid or duly provided for.

SECTION 3.06 Notes Redeemed in Part. Upon presentation of any Notes redeemed in part only, the Company shall execute, and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Note or Notes, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Notes presented.

ARTICLE 4

REPURCHASE OF NOTES

SECTION 4.01 Repurchase at Option of Holders Upon a Fundamental Change. (a) If there shall occur a Fundamental Change at any time prior to maturity of the Notes, then each Noteholder shall have the right, at such Holder's option, to require the Company to repurchase all of such Holder's Notes, or any portion thereof that is a multiple of \$1,000 principal amount, on a date (the **Fundamental Change Repurchase Date**) specified by the Company, that is not less than 20 Business Days nor more than 35 Business Days after the date of the Company Repurchase Notice related to such Fundamental Change is mailed or delivered, at a cash repurchase price equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date, subject to the satisfaction by the Holder of the requirements set forth in Section 4.01(c); *provided* that if such Fundamental Change Repurchase Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, then the interest payable on such Interest Payment Date shall be paid on such Fundamental Change Repurchase Date to the Holders of record of the Notes on the applicable Regular Record Date instead of the Holders surrendering the Notes for repurchase on such date.

(b) On or before the fifth calendar day after the occurrence of a Fundamental Change, the Company shall mail or deliver or cause to be mailed or delivered to all Holders of record of the Notes on the date of the Fundamental Change at their addresses shown in the Register (and to beneficial owners of the Notes as required by applicable law) a Company Repurchase Notice as set forth in Section 4.02 with respect to such Fundamental Change. The Company shall also deliver a copy of the Company Repurchase Notice to the Trustee, the Conversion Agent, and the Paying Agent at such time as it is mailed to Holders of Notes. Simultaneously with providing such notice, the Company shall also publicly announce through a reputable national newswire in the United States such information and make the information available on the Company Website.

No failure of the Company to give the foregoing notices and no defect therein shall limit the repurchase rights of Holders of Notes or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 4.01.

(c) For Notes to be repurchased at the option of the Holder, the Holder must deliver to the Paying Agent, at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date, (i) a written notice of repurchase (the **Fundamental Change Repurchase Notice**) in the form set forth on the reverse of the Notes duly completed (if the Notes are certificated) or stating the following (if the Notes are represented by a Global Note): (A) the certificate number of the Notes which the Holder will deliver to be repurchased in compliance with the appropriate Depository procedures, (B) the portion of the principal amount of the Notes which the Holder will deliver to be repurchased, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000 and (C) that such Notes shall be repurchased by the Company pursuant to the terms and conditions specified in the Notes and in this Indenture, together with (ii) such Notes duly endorsed for transfer (if the Notes are certificated) or book-entry transfer of such Notes (if such Notes are represented by a Global Note). The delivery of such Notes to the Paying Agent (together with all necessary endorsements) at the office of the Paying Agent shall be a condition to the receipt by

the Holder of the repurchase price therefor; *provided, however*, that such repurchase price shall be so paid pursuant to this Section 4.01 only if the Notes so delivered to the Paying Agent shall conform in all respects to the description thereof in the Repurchase Notice. All questions as to the validity, eligibility (including time of receipt) and acceptance of any Notes for repurchase shall be determined by the Company, whose determination shall be final and binding absent manifest error.

(d) The Company shall repurchase from the Holder thereof, pursuant to this Section 4.01, a portion of a Note, if the principal amount of such portion is \$1,000 or a whole multiple of \$1,000. Provisions of this Indenture that apply to the repurchase of all of a Note also apply to the repurchase of such portion of such Note.

(e) The Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

Any repurchase by the Company contemplated pursuant to the provisions of this Section 4.01 shall be consummated by the delivery to the Trustee of the consideration to be received by the Holder promptly following the later of the Fundamental Change Repurchase Date and the time of the book-entry transfer or delivery of the Notes.

SECTION 4.02 Company Repurchase Notice. In connection with any repurchase of Notes pursuant to Section 4.01, the notice contemplated by such provision (the *Company Repurchase Notice*) shall:

(a) state the repurchase price and the Fundamental Change Repurchase Date to which the Company Repurchase Notice relates;

(b) state the event constituting the Fundamental Change and the effective date of the Fundamental Change;

(c) state that the repurchase price will be paid in cash;

(d) state that Holders must exercise their right to elect repurchase prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date;

(e) include a form of Fundamental Change Repurchase Notice;

(f) state the name and address of the Paying Agent;

(g) state that Notes must be surrendered to the Paying Agent to collect the repurchase price;

(h) state that a Holder may withdraw its Fundamental Change Repurchase Notice in whole or in part at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date by delivering a valid written notice of withdrawal in accordance with Section 4.03;

(i) state that the Notes are then convertible, the then applicable Conversion Rate, and any adjustments to the applicable Conversion Rate resulting from the Fundamental Change transaction and expected changes in the cash, shares or other property deliverable upon conversion of the Notes as a result of the occurrence of the Fundamental Change;

(j) state that Notes as to which a Fundamental Change Repurchase Notice has been given may be converted only if the Fundamental Change Repurchase Notice is withdrawn in accordance with the terms of this Indenture;

(k) state the amount of interest accrued and unpaid per \$1,000 principal amount of Notes to, but excluding, the Fundamental Change Repurchase Date; and

(l) state the CUSIP number of the Notes.

A Company Repurchase Notice may be given by the Company or, at the Company's request, the Trustee shall give such Company Repurchase Notice in the Company's name and at the Company's expense; *provided*, that the text of the Company Repurchase Notice shall be prepared by the Company.

The Company will, to the extent applicable, comply with the provisions of Rule 13e-4 and Rule 14e-1 (or any successor provision) and any other tender offer rules under the Exchange Act that may be applicable at the time of the repurchase of the Notes, file the related Schedule TO (or any successor schedule, form or report) under the Exchange Act and comply with all other federal and state securities laws in connection with the repurchase of the Notes.

SECTION 4.03 Effect of Repurchase Notice; Withdrawal. Upon receipt by the Paying Agent of the Fundamental Change Repurchase Notice specified in Section 4.01, the Holder of the Notes in respect of which such Fundamental Change Repurchase Notice was given shall (unless such Fundamental Change Repurchase Notice is validly withdrawn in accordance with the following paragraph) thereafter be entitled to receive solely the repurchase price with respect to such Notes. Such repurchase price shall be paid to such Holder, subject to receipt of funds and/or the Notes by the Paying Agent, promptly following the later of (x) the Fundamental Change Repurchase Date with respect to such Notes (provided the Holder has satisfied the conditions in Section 4.01) and (y) the time of book-entry transfer or delivery of such Notes to the Paying Agent by the Holder thereof in the manner required by Section 4.01. The Notes in respect of which a Fundamental Change Repurchase Notice has been given by the Holder thereof may not be converted pursuant to Article 10 hereof on or after the date of the delivery of such Fundamental Change Repurchase Notice unless such Fundamental Change Repurchase Notice has first been validly withdrawn.

A Fundamental Change Repurchase Notice may be withdrawn in whole or in part by means of a written notice of withdrawal delivered to the office of the Paying Agent in accordance with the Repurchase Notice at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date specifying:

(a) the certificate number, if any, of the Note in respect of which such notice of withdrawal is being submitted, or the appropriate Depository information, in accordance with appropriate Depository procedures, if the Note in respect of which such notice of withdrawal is being submitted is represented by a Global Note,

(b) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, and

(c) the principal amount, if any, of such Notes which remains subject to the original Fundamental Change Repurchase Notice and which has been or will be delivered for repurchase by the Company.

If a Fundamental Change Repurchase Notice is properly withdrawn, the Company shall not be obligated to repurchase the Notes listed in such Fundamental Change Repurchase Notice.

SECTION 4.04 Deposit of Repurchase Price. No later than 11:00 a.m., New York City time, on the Business Day preceding the Fundamental Change Repurchase Date, the Company shall deposit with the Paying Agent or, if the Company or a Wholly Owned Subsidiary of the Company is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 6.02 of the Original Indenture, an amount of cash (in immediately available funds if deposited on the Fundamental Change Repurchase Date), sufficient to pay the aggregate repurchase price of all the Notes or portions thereof that are to be repurchased as of the Fundamental Change Repurchase Date.

If on the Fundamental Change Repurchase Date the Paying Agent holds cash sufficient to pay the repurchase price of the Notes that Holders have elected to require the Company to repurchase in accordance with Section 4.01, then, as of the Fundamental Change Repurchase Date, such Notes will cease to be outstanding, interest will cease to accrue and all other rights of the Holders of such Notes will terminate, other than the right to receive the repurchase price and accrued and unpaid interest upon delivery or book-entry transfer of the Notes. This will be the case whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Paying Agent.

SECTION 4.05 Notes Repurchased in Part. Upon presentation of any Notes repurchased only in part, the Company shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Note or Notes, of any authorized denomination, in aggregate principal amount equal to the unredeemed portion of the Notes presented.

ARTICLE 5

ADDITIONAL COVENANTS

SECTION 5.01 SEC Reports. The first paragraph of Section 11.02 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

The Company shall deliver to the Trustee, within 15 calendar days after the Company would have been required to file with the SEC, copies of the annual reports and any of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. The Company shall also comply with other provisions of Section 314(a) of the Trust Indenture Act.

SECTION 5.02 Reporting Additional Interest Notice. In the event that the Company is required to pay any Reporting Additional Interest to Holders of Notes, the Company will provide written notice to the Trustee of its obligation to pay Reporting Additional Interest no later than two calendar days prior to the relevant Interest Payment Date for Reporting Additional Interest, and such notice shall set forth the amount of Reporting Additional Interest to be paid by the Company on such Interest Payment Date. The Trustee shall not at any time be under any duty or responsibility to any Noteholder to determine the Reporting Additional Interest, or with respect to the nature, extent or calculation of the amount of Reporting Additional Interest when made, or with respect to the method employed in such calculation of the Reporting Additional Interest.

SECTION 5.03 Covenant to Obtain Prior Shareholder Approval. The Company covenants not to enter into any transaction, or take any other action, that will require an adjustment to the Conversion Rate that would exceed the number of Ordinary Shares that would require shareholder approval under the continued listing standards of the Nasdaq Global Market without having obtained prior shareholder approval.

SECTION 5.04 Additional Amounts. All payments made by the Payor under, or with respect to, the Notes, will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, levies, imposts, assessments or other governmental charges of whatever nature (including penalties, interest and other liabilities related thereto) (collectively, **Taxes**) unless the Payor is required to withhold or deduct such Taxes by law or by the official interpretation or administration thereof. If the Payor is required to withhold or deduct any amount for, or on account of, Taxes imposed or levied by or on behalf of (i) the Cayman Islands or any political subdivision or governmental authority of any thereof or therein having the power to tax, (ii) any jurisdiction from or through which payment on the Notes is made, or any political subdivision or governmental authority thereof or therein having the power to tax, or (iii) any other jurisdiction in which the Payor is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (any of the aforementioned being a **Relevant Taxing Jurisdiction**) from any payment made under or with respect to the Notes, the Payor will pay such additional amounts (**Additional Amounts**) as may be necessary so that the net amount received by each holder of Notes (including Additional Amounts) after such withholding or deduction will not be less than the amount such holder would have received if such Taxes had not been required to be withheld or deducted; *provided, however*, that the foregoing obligation to pay Additional Amounts does not apply to:

- (1) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant holder and the Relevant Taxing Jurisdiction, including, without limitation, such relevant holder being or having been a citizen or resident thereof or being or having been present or engaged in a trade or business therein or having or having had a permanent establishment therein, other than a connection resulting from the mere ownership or holding of such Note or enforcement of rights thereunder or the receipt of payments in respect thereof;

- (2) any Taxes that would not have been so imposed if the holder had made a declaration of non-residence or any other claim or filing for exemption to which it is entitled (*provided* that (x) such declaration of non-residence or other claim or filing for exemption is required by the applicable law of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold such Taxes and (y) the relevant holder at that time has been notified (in accordance with the procedures set forth in Section 17.04 of the Original Indenture) by the Payor or any other person through whom payment may be made that a declaration of non-residence or other claim or filing for exemption is required to be made);
- (3) any Note presented for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented during such 30 day period);
- (4) any Taxes that are payable otherwise than by withholding from a payment of the principal of, or interest, on the Notes; or
- (5) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge.

Such Additional Amounts will also not be payable where, had the beneficial owner of the Note been the holder of the Note, it would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (5) inclusive above.

The Payor will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to each holder. The Payor will attach to each certified copy a certificate stating (x) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding Taxes paid per \$1,000 principal amount of the Notes. Copies of such documentation will be available for inspection during ordinary business hours at the office of the Trustee by the holders of the Notes upon request.

At least 30 calendar days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises shortly before or at some time after the 30th day prior to such date, in which case it shall be as soon as practicable after such obligation arises), if the Payor will be obligated to pay Additional Amounts with respect to such payment, the Payor will deliver to the Trustee an Officers' Certificate stating the fact that such Additional Amounts will be payable, the amounts so payable and will set forth such other information necessary to enable the Trustee to pay such Additional Amounts to holders on the payment date. Each such Officers' Certificate shall be relied upon until receipt of a further Officers' Certificate addressing such matters.

The Payor shall pay any present or future stamp, court or documentary taxes, or any other excise or property taxes, charges or similar levies which arise in any jurisdiction from the execution, delivery or registration of any Notes or any other document or instrument referred to therein (other than a transfer of the Notes), or the receipt of any payments with respect to the Notes, excluding any such taxes, charges or similar levies imposed by any jurisdiction other than a Relevant Taxing Jurisdiction, other than those resulting from, or required to be paid in connection with, the enforcement of the Notes or any other such document or instrument following the occurrence of any Event of Default with respect to the Notes.

The foregoing obligations of this Section 5.04 will survive any termination or discharge of this Indenture and will apply with appropriate changes to any jurisdiction in which any successor Person to the Payor is organized or any political subdivision or taxing authority or agency thereof or therein.

Whenever in this Indenture or in the Notes there is mentioned, in any context, the payment of principal or interest, if any, the repurchase price in connection with a Fundamental Change, the Conversion Settlement Amount or any other amount payable under or with respect to any Note, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

SECTION 5.05 Maintenance of Office or Agency. The Company will maintain an office or agency in the Borough of Manhattan, The City of New York, where the Notes may be surrendered for registration of transfer or exchange or for presentation for payment or for conversion redemption or repurchase and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. As of the date of this Indenture, such office is located at the office of the Trustee located at 101 Barclay Street, New York, NY 10286 and, at any other time, at such other address as the Trustee may designate from time to time by notice to the Company. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency not designated or appointed by the Trustee. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office.

ARTICLE 6

SUCCESSOR COMPANY

Article VII of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

SECTION 6.01 When Company May Consolidate, Amalgamate, Merge or Transfer Assets. The Company shall not, in a single transaction or a series of related transactions, consolidate with, amalgamate with or merge with or into any other Person, or sell, lease, transfer, convey or otherwise dispose of all or substantially all of its property and assets to another Person, unless:

(a) either (i) the Company is the continuing corporation or (ii) the resulting, surviving or transferee Person (if other than the Company) is a corporation or limited liability company organized and existing under the laws of the Cayman Islands, the British Virgin Islands, Bermuda, the United States, or any state thereof or the District of Columbia and such Person assumes, by a supplemental indenture, all of the Company's obligations under the Notes and this Indenture, in each case in a form reasonably satisfactory to the Trustee;

(b) immediately after giving effect to the transaction described above, no Default or Event of Default has occurred and is continuing;

(c) if as a result of such transaction the Notes become convertible based on ordinary shares, common stock or other securities issued by any Person other than the Company or the resulting, surviving or transferee Person, such other Person fully and unconditionally guarantees all obligations of the Company or the resulting, surviving or transferee Person (if other than the Company), as applicable, under the Notes and this Indenture; and

(d) the Company has delivered to the Trustee the Officers' Certificate and Opinion of Counsel pursuant to Section 6.03.

For purposes of this Section 6.01, the sale, lease, transfer, conveyance or other disposition of all or substantially all of the property and assets of one or more Subsidiaries of the Company, which property and assets if held by the Company instead of such Subsidiary or Subsidiaries, would constitute all or substantially all of the property and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the property and assets of the Company.

SECTION 6.02 Successor to be Substituted. In case of any such consolidation, amalgamation, merger, sale, lease, transfer, conveyance or other disposition in which the Company is not the continuing corporation and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and reasonably satisfactory in form and substance to the Trustee, of the due and punctual payment of the principal of and interest on all of the Notes, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed or satisfied by the Company, such successor Person shall succeed to, and be substituted for, the Company, and may exercise every right and power of the Company with the same effect as if it had been named herein as the party of this first part, and the Company shall be discharged from its obligations under the Notes and this Indenture. Such successor Person thereupon may cause to be signed, and may issue either in its own name or in the name of JA Solar Holdings Co., Ltd. any or all of the Notes, issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Notes that previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Notes that such successor Person thereafter shall cause to be signed and delivered to the

Trustee for that purpose. All the Notes so issued shall in all respects have the same legal rank and benefit under this Indenture as the Notes theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Notes had been issued at the date of the execution hereof. In the event of any such consolidation, merger, sale, lease, transfer, conveyance or other disposition, upon compliance with this Article 6 the Person named as the Company in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 6 may be dissolved, wound up and liquidated at any time thereafter and such Person shall be discharged from its liabilities as obligor and maker of the Notes and from its obligations under this Indenture.

SECTION 6.03 Opinion of Counsel to be Given Trustee. Prior to execution of any supplemental indenture pursuant to this Article 6, the Trustee shall be provided with an Officers Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger, sale, lease, transfer, conveyance or other disposition and any such assumption complies with the provisions of this Article 6.

ARTICLE 7

An *Event of Default*, whenever used in the Original Indenture or this First Supplemental Indenture with respect to the Notes shall mean any one of the following events:

- (a) a default by the Company in any payment of interest on any Note when the same becomes due and payable and such default continues for 30 calendar days;

borrowed money of the Company or any of its Significant Subsidiaries (or the payment of which is guaranteed by the Company or any of its Significant Subsidiaries), whether such Indebtedness (or guarantee) now exists or is created after the date of this Indenture, in an aggregate amount in excess of \$10 million (or its foreign currency equivalent), unless such indebtedness is discharged, or such acceleration is rescinded, stayed or annulled, within a period of 30 calendar days after written notice of such failure or acceleration has been received by the Company or such Significant Subsidiary;

(iii) orders the winding up or liquidation of the Company; or

(iv) any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 calendar days.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under clause (e) of this Section 7.01 will not constitute an Event of Default until the Trustee or the holders of 25% in principal amount of the Outstanding Notes notify the Company of the Default and such Default is not cured within the time specified by clause (e) of this Section 7.01 after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a **Notice of Default**.

SECTION 7.02 Acceleration. Section 8.02(a) of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

If an Event of Default described in clauses (g) and (h) of Section 7.01 occurs and is continuing, the principal of and accrued and unpaid interest on the Outstanding Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes may declare the principal of and accrued and unpaid interest on the outstanding Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest will be due and payable immediately and the Trustee may, in its discretion, proceed to protect and enforce the rights of the Holders of the Notes by appropriate judicial proceedings.

SECTION 7.03 Other Remedies. If an Event of Default of which a Trust Officer of the Trustee has knowledge occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

SECTION 7.04 Rescission of Acceleration. Section 8.02(b) of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

Subject to Sections 7.07 and 9.02, at any time after a declaration of acceleration with respect to the Notes as described in Section 7.02, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of at least a majority in principal amount of the Outstanding Notes may, by written notice to the Company and the Trustee, rescind and annul any such declaration of acceleration with respect to the Notes and its consequences if:

(a) the Company has paid (or deposited with the Trustee a sum sufficient to pay) (1) all overdue interest on all outstanding Notes; (2) the principal amount of any Notes that have become due otherwise than by such declaration of acceleration; (3) to the extent that payment of such interest is lawful, interest upon overdue interest; and (4) all sums paid or advanced by the Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and

(c) all existing Events of Default, other than the nonpayment of the principal of or interest, if any, on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

The Company shall deliver to the Trustee an Officers Certificate stating that the requisite percentage of Holders of the Notes has consented to such rescission and attaching copies of such consents.

Subject to Section 7.02, the Holders of a majority in aggregate principal amount of the Notes then Outstanding, on behalf of the Noteholders, by notice to the Trustee may waive any past Default or Event of Default and its consequences (including votes for or consents to such a waiver obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) except:

- (i) a Default in the payment of the principal of or interest on a Note;
- (ii) a Default arising from the failure of the Company to deliver ADSs or the Conversion Settlement Amount upon the conversion of any Notes pursuant to the terms of this Indenture;
- (iii) a Default arising from the failure to repurchase any Note when required pursuant to the terms of this Indenture; or
- (iv) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Noteholder affected.

When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 7.05 Control by Majority. Subject to Section 8.06 of the Original Indenture, the Holders of the Notes of a majority in principal amount of the Outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. Subject to Section 8.06 of the Original Indenture, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of another Holder of the Notes, or that may involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 7.06 Limitation on Suits. Subject to Section 7.07 of this First Supplemental Indenture relating to the duties of the Trustee, if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of the Company or any of Holders unless the Company or such Holders have offered to the Trustee indemnity or security against any loss, liability or expense satisfactory to the Trustee. Except to enforce the right to receive payment of principal, or interest when due or to convert such Notes in accordance with Article 9, no Holder of the Notes may pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (b) Holders of at least 25% in principal amount of the Outstanding Notes have requested the Trustee to pursue the remedy;

- (c) such Holders have offered to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (d) the Trustee has not complied with such request within 60 calendar days after the receipt of the request and the offer of security or indemnity; and
- (e) the Holders of a majority in principal amount of the Outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

SECTION 7.07 Rights of Noteholders to Receive Payment or Conversion Consideration. Notwithstanding any other provision of this Indenture, the right of any Holder of the Notes to receive payment of principal of and interest on a Note, on or after the respective due dates expressed in such Note, or to convert such Notes in accordance with Article 10, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder of the Notes.

SECTION 7.08 Collection Suit by Trustee. If an Event of Default in payment of principal and interest, if any, specified in clause (a) or clause (b) of Section 7.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor on the Notes for the whole amount of principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate per annum borne by the Notes and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 12.01 of the Original Indenture.

SECTION 7.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements, advances or any other amounts due to the Trustee under Section 12.01 of the Original Indenture, its agents, appointees and counsel, accountants and experts) and the holders of the Notes allowed in any judicial proceedings relating to the Company, its creditors or its property or any other obligor on the Notes, its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each holder of the Notes to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the holders of the Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and appointee and counsel, and any other amounts due to the Trustee under Section 12.01 of the Original Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and appointees and counsel, and any other amounts due to the Trustee under Section 12.01 of the Original Indenture out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the holders of the Notes may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

SECTION 7.10 Priorities. Section 8.05 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

If the Trustee collects any money or property pursuant to this Article 7, it shall pay out the money or property in the following order:

First: to the Trustee, the Agents and their agents and appointees and attorneys for amounts due under Section 12.01 of the Original Indenture, including (but not limited to) payment of all compensation, fees, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to holders of the Notes for amounts due and unpaid on the Notes for principal and interest or pursuant to the Company's Conversion Obligation ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest respectively; and

Third: to the Company or any other obligor on the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee, upon prior notice to the Company, may fix a record date and payment date for any payment to holders of the Notes pursuant to this Section 7.10; *provided* that the failure to give any such notice shall not affect the establishment of such record date or payment date for holders of the Notes pursuant to this Section 7.10.

SECTION 7.11 Sole Remedy for Failure to Report. Notwithstanding any other provision of this Indenture, the sole remedy for an Event of Default relating to the failure of the Company to comply with its agreements under Section 11.02 of the Original Indenture will for the 180 calendar days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest (**Reporting Additional Interest**) on the principal amount of the Notes at a rate equal to 0.50% per annum. This Reporting Additional Interest will be payable in the same manner and on the same Interest Payment Dates and subject to the same terms as other interest payable under this Indenture. Reporting Additional Interest will accrue on all outstanding Notes from, and including, the date on which such Event of Default relating to a failure to comply with such Section 11.02 first occurs to, but not including, the 180th calendar day thereafter (or such earlier date on which the Event of Default relating to a failure to comply with such Section 11.02 shall have been cured or waived). On such 180th calendar day (or such earlier date on which the Event of Default relating to a failure to comply with such Section 11.02 shall have been cured or waived), such Reporting Additional Interest will cease to accrue and on such 180th calendar day the Notes will be subject to acceleration and other remedies as provided in this Article 7 if the Event of Default is continuing. For the avoidance of doubt, the provisions of this Section 7.11 will not affect the rights of Holders of Notes in the event of the occurrence of any other Event of Default. For the further avoidance of doubt, the Reporting Additional Interest shall not begin accruing until the Company fails to comply with such Section 11.02 for a period

of 60 calendar days after written notice of such failure is given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of Outstanding Notes.

SECTION 7.12 The Trustee May Enforce Claims Without Possession of Securities. All rights of action and claims under this Indenture and under any Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as Trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the holders of the Notes in respect of which such judgment has been recovered.

SECTION 7.13 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any holder of the Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Section 7.13 or by law to the Trustee or to the Holders of the Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Notes, in each case in accordance with the terms of this Indenture.

SECTION 7.14 Restoration of Rights and Remedies. If the Trustee or any holder of any Note has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder of the Notes, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders of the Notes shall be restored by the Company severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders of the Notes shall continue as though no such proceeding had been instituted.

SECTION 7.15 Notices of Default by Company. Section 6.05 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

The Company shall deliver to the Trustee promptly (and in no event later than 30 calendar days) upon becoming aware of the occurrence of any Default or any Event of Default written notice in the form of an Officers Certificate stating the status of such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

SECTION 7.16 Notices of Default by Trustee. Section 12.03 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows: If a Default occurs and is continuing and is actually known to a Trust Officer of the Trustee, the Trustee must mail to each Holder of the Notes notice of the Default within 90 calendar days after it occurs. Except in the case of a Default in the payment of principal of, or interest, if any, on any Note or delivery of ADSs or the Conversion Settlement Obligation upon conversion of any Note, the Trustee may withhold notice if and so long as the Trustee in good faith determines that withholding notice is in the interests of Holders

of the Notes. The Trustee shall not be charged with knowledge of an Event of Default or a Default (other than a payment Default) unless a Trust Officer has received written notice thereof describing the Default and referring to this Indenture.

ARTICLE 8

DISCHARGE OF INDENTURE

SECTION 8.01 Discharge of Liability on Notes. Section 13.02 of Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

(a) When (i) the Company delivers to the Registrar all outstanding Notes (other than Notes replaced pursuant to Section 2.05 for cancellation or (ii) all outstanding Notes have become due and payable, whether at maturity, upon redemption pursuant to Article 3 or upon a repurchase pursuant to Article 4, and the Company irrevocably deposits with the Trustee money sufficient to pay at maturity, upon redemption or upon repurchase all amounts due under the then outstanding Notes, including interest thereon to maturity or such redemption or repurchase date (other than Notes replaced pursuant to Section 2.05), and cash and any ADSs or other property due in respect of converted Notes, and if in each such case the Company pays all other sums payable hereunder by the Company, then this First Supplemental Indenture shall, subject to Section 8.01(b), cease to be of further effect. The Trustee shall acknowledge satisfaction and discharge of this First Supplemental Indenture on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Company.

(b) Notwithstanding Section 8.01(a), the Company's obligations in this Article 8 shall survive until the Notes have been paid in full or the Company Conversion Obligations with respect to the delivery of the ADSs or Conversion Settlement Amount in accordance with Article 10 have been satisfied in full.

SECTION 8.02 Application of Trust Money. Section 13.07 of Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

The Trustee shall hold in trust money and any ADSs or other property due in respect of converted Notes deposited with it pursuant to this Article 8. It shall apply the deposited money through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes or, in the case of cash and any ADSs or other property due in respect of converted Notes, in accordance with this Indenture in relation to the conversion of Notes pursuant to the terms hereof.

SECTION 8.03 Reinstatement. If the Trustee or Paying Agent is unable to apply any money or to deliver any ADSs or other property due in respect of converted Notes in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money and any ADSs or other property

due in respect of converted Notes in accordance with this Article 8; *provided, however*, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Noteholders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

SECTION 8.04 Defeasance. The Notes will not be subject to defeasance. Accordingly, Section 13.03 of the Original Indenture shall not apply with respect to the Notes.

ARTICLE 9

AMENDMENTS

SECTION 9.01 Without Consent of Noteholders. Section 15.01 of Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other series of Securities) as follows:

The Company and the Trustee may amend this First Supplemental Indenture or the Notes without notice to or consent of any Noteholder:

(i) to provide for amendments to the conversion rights of Holders of the Notes and the Company's repurchase obligations in connection with a Fundamental Change or in the event of any change or reclassification of the Ordinary Shares, consolidation, amalgamation, merger or sale, lease, transfer, conveyance or other disposition of all or substantially all of the Company's property and assets;

(ii) to comply with Article 6;

(iii) to surrender any right or power herein conferred upon the Company;

(iv) to add to the covenants of the Company for the benefit of the Noteholders (including adding one or more additional put rights in favor of the Noteholders);

(v) to cure any ambiguity or correct or supplement any inconsistent or otherwise defective provision contained in this Indenture; *provided* that such modification or amendment does not adversely affect the interests of the Holders of the Notes in any material respect; *provided, further*, that any amendment made solely to conform the provisions of this Indenture to the Description of the Notes contained in the Company's Prospectus Supplement will not be deemed to adversely affect the interests of the Holders of the Notes;

(vi) to increase the Conversion Rate; *provided* that the increase will not adversely affect the interests of the Holders of the Notes;

(vii) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act;

(viii) to secure the Notes;

(ix) to add guarantees of obligations under the Notes;

(x) to provide for uncertificated Notes in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code; or

(xi) to provide for a successor Trustee.

After an amendment under this Section 9.01 becomes effective, the Company shall mail to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.02 With Consent of Noteholders. Section 15.02 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other Series) as follows:

The Company and the Trustee may amend this Indenture or the Notes with the written consent or affirmative vote of the Holders of at least a majority in aggregate principal amount of the Notes then Outstanding (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, the Notes), without prior notice to any other Noteholder. However, without the written consent or the affirmative vote of the Holder of each Outstanding Note affected by such amendment (including, without limitation, consents obtained in connection with or purchase of, or tender offer or exchange offer for, the Notes), an amendment may not:

- (a) change the Maturity Date of any Note or the date of any interest payment due upon any Note;
- (b) reduce the rate of interest on any Note;
- (c) reduce the principal amount of, or any Additional Amounts, if any, on any Note;
- (d) reduce the amount payable upon the repurchase of any Notes;
- (e) change the Company's obligation to repurchase any Notes upon a Fundamental Change in a manner adverse to the Holders;
- (f) except as otherwise permitted pursuant to this Indenture, affect the right of a Holder to convert any Notes and receive ADSs or the Conversion Settlement Amount in satisfaction of the Conversion Obligation or reduce the Conversion Rate;
- (g) impair the right of a Holder to receive payment with respect to the Notes or to institute suit for payment of any Notes;
- (h) change the currency in which any Note is payable;
- (i) change the Company's obligation to maintain an office or agency in New York City under Section 5.05 hereof;

(j) reduce the percentage in aggregate principal amount of the outstanding Notes required for waiver of past Defaults or Events of Default pursuant to Section 7.02 and Section 7.04, or otherwise modify Section 7.02 and Section 7.04 and, except to increase the percentage in aggregate principal amount of the outstanding Notes required for waiver or to provide for consent of each affected Noteholder; or

(k) make any change to the second sentence of this Section 9.02.

For the avoidance of doubt, the only written consent or affirmative vote required to approve any of the foregoing changes is the written consent or affirmative vote of the Holder of each Note affected by such change; the written consent or affirmative vote of the Holders of a majority in aggregate principal amount of the outstanding Notes is not additionally required.

It is not necessary for the consent of the Holders of Notes under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.03 Revocation and Effect of Consents and Waivers. Section 15.07 of the Original Indenture is hereby amended and restated with respect to the Notes (but not with respect to any other Series) as follows:

A consent to an amendment or a waiver by a Noteholder of a Note shall bind the Noteholder and every subsequent Noteholder of that Note or portion of the Note that evidences the same debt as the consenting Noteholder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Noteholder or subsequent Noteholder may revoke the consent or waiver as to such Noteholder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. An amendment or waiver becomes effective in accordance with its terms.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Noteholders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Noteholders after such record date. No such consent shall be valid or effective for more than 120 calendar days after such record date.

For purposes of this Indenture, the consent of the Holder of a Global Note shall be deemed to include any consent delivered by any member of, or participant in, any Depository or DTC, any nominees thereof and their respective successors and assigns, or such other depository institution hereinafter appointed by the Company (*Depository Entity*) by electronic means in accordance with the Automated Tender Offer Procedures system or other customary procedures of, and pursuant to authorization by, such Depository Entity.

Without limiting the generality of this Section 9.03, unless otherwise provided in or pursuant to this Indenture, a Holder, including a Depositary or its nominee that is a Holder of a Global Note, may give, make or take, by an agent or agents duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted in or pursuant to this Indenture to be given, made or taken by Holders, and a Depositary or its nominee that is a Holder of a Global Note may duly appoint in writing as its agent or agents members of, or participants in, such Depositary holding interests in such Global Note in the records of such Depositary, with regard to all or any part of the principal amount of such Note.

Nothing in this paragraph shall be construed to prevent the Company or the Trustee from fixing a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no further action by any Person be canceled and of no effect).

ARTICLE 10

CONVERSION OF NOTES

SECTION 10.01 Right to Convert. (a) Subject to and upon compliance with the provisions of this Indenture, on or prior to 5:00 p.m., New York City time, on the Scheduled Trading Day immediately preceding the Maturity Date, the Holder of any Notes not previously repurchased shall have the right, at such Holder's option, to convert the principal amount of the Notes held by such Holder, or any portion of such principal amount which is an integral multiple of \$1,000, based at the Conversion Rate in effect at such time, by surrender of the Notes so to be converted in whole or in part, together with any required funds, under the circumstances described in this Section 10.01 and in the manner provided in Section 10.02 (the *Conversion Obligation*). The Notes shall be convertible, on or prior to 5:00 p.m., New York City time, on the Scheduled Trading Day immediately preceding the Maturity Date, only during the following periods:

- (1) during any Fiscal Quarter beginning after June 30, 2008 (and only during such Fiscal Quarter), if the Closing Sale Price of the ADSs was more than 130% of the then applicable Conversion Price for at least 20 Trading Days in the 30 consecutive Trading-Day period ending on the last Trading Day of the immediately preceding Fiscal Quarter;
- (2) with respect to any Notes that the Company has called for redemption, during the period from the date of the Redemption Notice until 5:00 p.m., New York City time, on the Business Day prior to the Redemption Date;
- (3) if the Company distributes to all or substantially all holders of Ordinary Shares rights or warrants (other than pursuant to a shareholder rights agreement) entitling them to purchase, for a period expiring within 45 calendar days of the date of distribution, Ordinary Shares (directly or indirectly in the form of ADSs) at a price per

Ordinary Share less than the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the declaration date for such distribution, on any date during the period specified in Section 10.01(b);

(4) if the Company distributes to all or substantially all holders of Ordinary Shares cash or other assets, debt securities or rights to purchase the Company's securities (other than pursuant to a shareholder rights agreement, or a dividend or distribution on its Ordinary Shares in Ordinary Shares), which distribution has a per Ordinary Share value, as determined by the Board of Directors, exceeding 5% of the Closing Sale Price per ADS divided by the number of Ordinary Shares then represented by each ADS on the Trading Day immediately preceding the declaration date for such distribution, on any date during the period specified in Section 10.01(b);

(5) if the Company consolidates with, amalgamates with or merges with or into another Person or sells, leases, transfers, conveys or otherwise disposes of all or substantially all of its assets (other than a consolidation, amalgamation, merger, or sale, lease, transfer, conveyance or other disposition, the primary purpose of which is to effect a redomiciling of the Company) in each case in a transaction that does not constitute a Fundamental Change, in each case pursuant to which the Ordinary Shares (including Ordinary Shares represented by ADSs) would be converted into or exchanged for cash, securities and/or other property, at any time beginning on the Business Day immediately following the effective date of the transaction and until 5:00 p.m., New York City time, on the 30th Business Day thereafter;

(6) if a Fundamental Change occurs, at any time beginning on the Business Day following the effective date of the Fundamental Change until 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date relating to such Fundamental Change;

(7) during the five consecutive Business-Day period immediately following any five consecutive Trading-Day period in which the Trading Price per \$1,000 principal amount of the Notes on each Trading Day during such five consecutive Trading-Day period was less than 98% of the product of (x) the Closing Sale Price of the ADS on such Trading Day multiplied by (y) the Conversion Rate then in effect; or

(8) on any date that is on or after February 15, 2013.

(b) In the case of a distribution contemplated by clauses (3) or (4) of Section 10.01(a), the Company shall notify Holders of Notes at least 35 Scheduled Trading Days prior to the Ex-Dividend Date for such distribution (the ***Distribution Notice***). The Distribution Notice shall state (i) if the Notes have become or will become convertible at the time of or in connection with such event, (ii) the date on which a record is to be taken for the purpose of such dividend or distribution of Common Stock rights, warrants, cash or other assets, debt securities or rights to purchase the Company's securities, or, if a record is not to be taken, the date as of which the holders of Ordinary Shares of record to be entitled to such dividend, distribution or rights are to be determined and (iii) the period during which Holders are permitted to exercise such

conversion rights. Simultaneously with providing such Distribution Notice, the Company shall publicly announce through a reputable national newswire in the United States the relevant information and make this information available on the Company Website. Once the Company has given the Distribution Notice, Holders may surrender their Notes for conversion at any time until the earlier of (i) 5:00 p.m., New York City time, on the Business Day immediately preceding the Ex-Dividend Date or (ii) the Company's announcement that such distribution will not take place. In the event of a distribution contemplated by clauses (3) or (4) of Section 10.01(a), Holders may not convert the Notes based on satisfaction of Section 10.01(a)(3) or (4), as applicable, if the Holders may otherwise participate in such distribution without conversion as a result of holding the Notes.

(c) The Bid Solicitation Agent shall have no obligation to determine the Trading Price of the Notes and whether the Notes are convertible pursuant to clause (7) of Section 10.01(a) unless the Company has requested such determination; and the Company shall have no obligation to make such request unless a Holder of the Notes makes a request for a determination and provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes is less than 98% of the product of the Closing Sale Price of the ADSs and the Conversion Rate then in effect. At such time, the Company shall instruct the Bid Solicitation Agent to determine the Trading Price of the Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price for the Notes for a Trading Day is greater than or equal to 98% of the product of the Closing Sale Price of the ADSs and the then applicable Conversion Rate, and to notify the Company accordingly. The Bid Solicitation Agent's sole duty in respect of such determination shall consist of requesting and receiving, and, if applicable, averaging the quotations provided by the independent nationally recognized securities dealers referred to in the definition of Trading Price.

The Bid Solicitation Agent shall be entitled at its sole discretion to consult with the Company and to request the assistance of the Company in connection with the Bid Solicitation Agent's duties and obligations pursuant to this Section 10.01(c) (including without limitation the calculation or determination of the Conversion Rate, the Closing Sale Price and the Trading Price), and the Company agrees, if requested by the Bid Solicitation Agent, to cooperate with, and provide assistance to, the Bid Solicitation Agent in carrying out its duties under this Section 10.01(c).

(d) Whenever the Notes shall become convertible pursuant to Section 10.01(a)(1) or (7), the Company shall promptly notify the Trustee and the Conversion Agent, and the Company or, at the Company's request, the Trustee in the name and at the expense of the Company, shall promptly notify the Holders, of the event triggering such convertibility in the manner provided in Section 17.04 of the Original Indenture. Whenever the Notes shall become convertible pursuant to Section 10.01(a)(5) or (6), the Company shall, at least 10 calendar days prior to the anticipated effective date of the relevant transaction, notify the Trustee and the Conversion Agent, and the Company, or, at the Company's request, the Trustee in the name and at the expense of the Company, shall promptly notify the Holders, of the event triggering such convertibility in the manner provided in Section 17.04 of the Original Indenture. In each case, simultaneously with providing such notice, the Company shall also publicly announce such information through a reputable national newswire in the United States and make this information available on the Company Website. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice.

SECTION 10.02 Exercise of Conversion Right; Issuance of ADSs on Conversion; No Adjustment for Interest or Dividends. In order to exercise the conversion right with respect to any Notes in certificated form, a Holder must (A) complete and manually sign an irrevocable notice of conversion in the form entitled *Form of Conversion Notice* attached to the reverse of such certificated Note (or a facsimile thereof) (a *Conversion Notice*), (B) deliver such Conversion Notice and certificated Note to the Conversion Agent at the office of the Conversion Agent, (C) to the extent any ADSs issuable upon conversion are to be issued in a name other than the Holder's, furnish endorsements, signature guarantees and transfer documents as may be required by the Conversion Agent pursuant to a written direction from the Company, (D) if required, furnish written acknowledgements, certifications and agreements in connection with the issuance of ADSs by the Ordinary Shares Depository upon deposit of Ordinary Shares; (E) if required pursuant to Section 2.03, pay funds equal to interest payable on the next Interest Payment Date, (F) if required pursuant to Section 3.06 of the Original Indenture, pay any documentary, stamp or similar issue or transfer tax, fee or duty due upon the issuance and delivery of ADSs upon conversion and (G) pay the applicable fees and expenses of the Ordinary Shares Depository for the issuance of the ADSs pursuant to the Deposit Agreement.

In order to exercise the conversion right with respect to any interest in a Global Note, the Holder must (A) complete, or cause to be completed, the appropriate instruction form for conversion pursuant to the Depository's book-entry conversion procedures; (B) deliver, or cause to be delivered, by book-entry delivery an interest in such Global Note; (C) furnish appropriate endorsements and transfer documents if required by the Company or the Trustee or Conversion Agent; (D) pay the funds, if any, required by Section 2.03, and (E) pay any transfer or similar taxes or duties if required pursuant to Section 3.06 of the Original Indenture, and (F) pay the applicable fees and expenses of the Ordinary Shares Depository for the issuance of the ADSs pursuant to the Deposit Agreement.

In addition, Notes in respect of which a Holder has delivered a Fundamental Change Repurchase Notice exercising such Holder's right to require the Company to repurchase such Notes pursuant to Section 4.01 may be converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with Section 4.03 prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date, unless the Company defaults in the payment of the repurchase price.

Each conversion shall be deemed to have been effected as to any such Notes (or portion thereof) on the date on which the requirements set forth above in this Section 10.02 have been satisfied by the Holders thereof as to such Notes (or portion thereof) (the *Conversion Date*).

The (i) ADSs or (ii) cash and, if applicable, ADSs (and in each case cash in lieu of fractional ADSs) delivered in satisfaction of the Company's Conversion Obligation will be delivered to such Holder after satisfaction of the requirements for conversion set forth above in accordance with Section 10.10.

In case any Notes of a denomination greater than \$1,000 shall be surrendered for partial conversion, and subject to Section 2.03, the Company shall execute and the Trustee shall authenticate and deliver to the Holder of the Notes so surrendered, without charge to the Holder, a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Notes.

Upon the conversion of an interest in a Global Note, the Trustee (or other Conversion Agent appointed by the Company) and the Depositary shall reduce the principal amount of such Global Note in their records. The Company shall notify the Trustee in writing of any conversions of Notes effected through any Conversion Agent other than the Trustee.

Except as provided in Section 2.03, upon conversion, a Holder will not receive any separate cash payment of accrued and unpaid interest on the Notes. Accrued and unpaid interest to the Conversion Date is deemed to be paid in full by the ADSs of the Conversion Settlement Amount delivered or paid rather than cancelled, extinguished or forfeited.

A Noteholder is not entitled to any rights of a holder of ADSs until such Holder has converted its Notes to ADSs, and only to the extent such Notes are deemed to have been converted to ADSs under this Article 10. The Noteholder that has converted its Notes (or if such person designated another person to whom such ADSs shall be issued and delivered, such person) shall be treated as a holder of record of such ADSs as of 5:00 p.m., New York City time, on the final Settlement Period Trading Day of the applicable Conversion Period (or in the case of the Company's satisfying its Conversion Obligation in ADSs only, the Conversion Period that would be applicable if the Company had elected to satisfy its Conversion Obligation by delivering the Conversion Settlement Amount).

SECTION 10.03 Cash Payments in Lieu of Fractional Shares. No fractional ADSs or scrip certificates representing fractional ADSs shall be issued upon conversion of Notes. If more than one Note shall be surrendered for conversion at one time by the same Holder, the number of full ADSs that shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered. If any fractional ADS would be issuable upon the conversion of any Note or Notes, the Company shall instead deliver cash with respect to the fractional ADS calculated by multiplying the Volume Weighted Average Price on the final Settlement Period Trading Day of the applicable Conversion Period by the fractional amount and rounding the product to the nearest cent (or in the case of the Company's satisfying its Conversion Obligation in ADSs only, the Conversion Period that would be applicable if the Company had elected to satisfy its Conversion Obligation by delivering the Conversion Settlement Amount).

SECTION 10.04 Conversion Rate. (a) Each \$1,000 principal amount of the Notes shall be convertible based upon the Conversion Rate.

(b) If and only to the extent a Holder elects to convert Notes in connection with a Non-Stock Change of Control, the Company shall increase the Conversion Rate applicable to such converted Notes by a number of additional ADSs (the *Additional ADSs*) as set forth below. A conversion of the Notes by a Holder will be deemed for these purposes to be in connection with a Non-Stock Change of Control if the Conversion Notice is received by the

Conversion Agent during the period from the Business Day following the effective date of the Non-Stock Change of Control to 5:00 p.m., New York City time, on the Business Day immediately preceding the related Fundamental Change Repurchase Date.

The number of Additional ADSs shall be determined by reference to the table below, based on the earliest of the date on which the Non-Stock Change of Control is publicly announced, occurs or becomes effective (the *Adjustment Date*) and the ADS Price paid in the Non-Stock Change of Control. The numbers of Additional ADSs set forth in the table below shall be adjusted as of any date on which the Conversion Rate is adjusted in the same manner in which the Conversion Rate is adjusted. The ADS Prices set forth in the first row of the table below (i.e., the column headers) shall be adjusted as of any date on which the Conversion Rate is adjusted, to equal the ADS Price applicable immediately prior to such adjustment multiplied by a fraction, of which

- (1) the numerator shall be the Conversion Rate immediately prior to the adjustment giving rise to the adjustment to the ADS Price and
- (2) the denominator shall be the Conversion Rate as so adjusted.

The following table sets forth the ADS Price and number of Additional ADSs by which the Conversion Rate shall be increased:

ADS Price

provided, however, that:

- (i) If the actual ADS Price and actual Adjustment Date are not set forth on the table above and the actual ADS Price is between two ADS Prices on the table or the actual Adjustment Date is between two Adjustment Dates on the table, the number of Additional ADSs shall be determined by straight-line interpolation between the number of Additional ADSs set forth for the higher and lower ADS Price amounts and the earlier and later Adjustment Dates, as applicable, based on a 360-day year;
- (ii) If the actual ADS Price is in excess of \$85.00 per ADS (subject to adjustment in the same manner as and as of any date on which the ADS Prices are adjusted in the table above), the Conversion Rate will not be increased; or
- (iii) If the actual ADS Price is less than \$23.00 per ADS (subject to adjustment in the same manner as and as of any date on which the ADS Prices are adjusted in the table above), the Conversion Rate will not be increased.

Notwithstanding the foregoing, in no event will the Conversion Rate exceed 43.4782 per \$1,000 principal amount of the Notes, subject to adjustments in the same manner as and as of any date on which the numbers of Additional ADSs set forth in the above table are adjusted.

SECTION 10.05 Adjustment of Conversion Rate. The Conversion Rate shall be appropriately adjusted by the Company if the number of Ordinary Shares represented by ADS is changed after the date of this Indenture, such that the number of Ordinary Shares represented by ADSs remains the same. For the avoidance of doubt, as of the date of this Indenture, each ADS represents one Ordinary Share.

In addition, the Conversion Rate shall be adjusted from time to time by the Company as follows:

(a) In case the Company shall, at any time or from time to time while any of the Notes are outstanding, pay a dividend in Ordinary Shares or make a distribution in Ordinary Shares to all or substantially all holders of Ordinary Shares (other than a dividend or distribution in connection with a transaction to which Section 10.06 applies), then the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \frac{OS_1}{OS_0}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect on the Ex-Dividend Date for such dividend or distribution;

OS_0 = the number of Ordinary Shares outstanding at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

OS_1 = the number of Ordinary Shares that would be outstanding immediately after, and solely as a result of, such dividend or distribution.

Any adjustment made pursuant to this Section 10.05(a) shall become effective immediately prior to 9:00 a.m., New York City time, on the Ex-Dividend Date for such dividend or distribution. If any dividend or distribution that is the subject of this Section 10.05(a) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay or make such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. For purposes of this Section 10.05(a), the number of Ordinary Shares outstanding at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution shall not include Ordinary Shares held in treasury, if any. The Company will not pay any dividend or make any distribution on Ordinary Shares held in treasury, if any.

(b) In case outstanding Ordinary Shares shall be subdivided into a greater number of Ordinary Shares or combined into a smaller number of Ordinary Shares (in each case, other than in connection with a transaction to which Section 10.06 applies), the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \frac{OS_1}{OS_0}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the effective date of such subdivision or combination;

CR_1 = the Conversion Rate in effect on the effective date of such subdivision or combination;

OS_0 = the number of shares of Ordinary Shares outstanding at 5:00 p.m., New York City time, on the Trading Day immediately preceding the effective date of such subdivision or combination; and

OS_1 = the number of Ordinary Shares that would be outstanding immediately after, and solely as a result of, such subdivision or combination.

Any adjustment made pursuant to this Section 10.05(b) shall become effective immediately prior to 9:00 a.m., New York City time, on the effective date of such subdivision or combination.

(c) In case the Company shall issue rights (other than rights issued pursuant to a shareholders' rights plan or a dividend or distribution on Ordinary Shares in Ordinary Shares) or warrants to all or substantially all holders of its Ordinary Shares (other than an issuance in connection with a transaction to which Section 10.06 applies) entitling them to purchase, for a period expiring within 45 calendar days of the date of issuance, Ordinary Shares (directly or indirectly in the form of ADSs) at a price per Ordinary Share less than the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for the distribution, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \frac{OS_0 + X}{OS_0 + Y}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such issuance;

CR_1 = the Conversion Rate in effect on the Ex-Dividend Date for such issuance;

OS_0 = the number of Ordinary Shares outstanding at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such issuance;

X = the total number of Ordinary Shares issuable (directly or in the form of ADSs) pursuant to such rights or warrants; and

Y = the number of Ordinary Shares equal to the quotient of (x) aggregate price payable to exercise such rights or warrants, divided by (y) the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such issuance.

Any adjustment made pursuant to this Section 10.05(c) shall become effective immediately prior to 9:00 a.m., New York City time, on the Ex-Dividend Date for such issuance. If any rights or warrants described in this Section 10.05(c) are not so issued, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors publicly announces its decision not to issue such rights or warrants, to the Conversion Rate that would then be in effect if such issuance had not been declared. To the extent that such rights or warrants are not exercised prior to their expiration or Ordinary Shares are otherwise not delivered pursuant to such rights or warrants upon the exercise of such rights or warrants, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the issuance of such rights or warrants been made on the basis of delivery of only the number of Ordinary Shares actually delivered. In determining the aggregate price payable to exercise such rights and warrants, there shall be taken into account any consideration received by the Company for such rights or warrants and the value of such consideration (if other than cash, to be determined by the Board of Directors). For purposes of this Section 10.05(c), the number of Ordinary Shares outstanding at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such issuance shall not include Ordinary Shares held in treasury, if any. The Company will not issue any such rights or warrants in respect of Ordinary Shares held in treasury, if any.

(d) In case the Company shall, by dividend or otherwise, distribute to all or substantially all holders of its outstanding Ordinary Shares of any class of Capital Stock of the Company or evidences of its indebtedness or assets (including securities, but excluding (i) any dividends or distributions referred to in Section 10.05(a), (ii) any rights or warrants referred to in Section 10.05(c), (iii) any dividends or distributions referred to in Section 10.05(e), (iv) any dividends or distributions in connection with a transaction to which Section 10.06 applies, or (v) any Spin-Offs to which the provisions set forth below in this Section 10.05(d) applies) (any of the foregoing hereinafter in this Section 10.05(d) called the *Distributed Assets*), then, in each such case, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 \text{ FMV}}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect on the Ex-Dividend Date for such distribution;

SP_0 = the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the Fair Market Value on the Ex-Dividend Date for such distribution of the Distributed Assets so distributed applicable to one Ordinary Share.

In the event where there has been a payment of a dividend or other distribution on the Ordinary Shares of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company (a *Spin-Off*) that are, or when issued, will be, traded or listed on the Nasdaq Global Market, the Nasdaq Global Select Market, the New York Stock Exchange or any other U.S. national securities exchange or market, then the Conversion Rate shall instead be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect on the Ex-Dividend Date for such distribution;

FMV_0 = the average of the Closing Sale Prices of the Distributed Assets applicable to one Ordinary Share during the ten consecutive Trading Day period commencing on and including the effective date of the Spin-Off (the *Spin-Off Valuation Period*); and

MP_0 = the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the Spin-Off Valuation Period.

Any adjustment made pursuant to this Section 10.05(d) shall become effective immediately prior to 9:00 a.m., New York City time, on the Ex-Dividend Date for such distribution. If any dividend or distribution of the type described in this Section 10.05(d) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. If an adjustment to the Conversion Rate is required under this Section 10.05(d) during any Conversion Period in respect of Notes that have been tendered for conversion, delivery of the related ADSs or Conversion Settlement Amount, as the case may be, shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10.05(d).

Rights or warrants distributed by the Company to all holders of Ordinary Shares entitling the Holders thereof to subscribe for or purchase shares of the Company's Capital Stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events (*Trigger Event*): (i) are deemed to be transferred with such Ordinary Shares; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of Ordinary Shares, shall be deemed not to have been distributed for purposes of this Section 10.05 (and no adjustment to the Conversion Rate under this Section 10.05 will be required) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 10.05(d), except as set forth in Section 10.09. If any such right or warrant, including any such existing rights or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights or warrants become exercisable to purchase different securities, evidences of Indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Record Date with respect to new rights or warrants with such rights (and a termination or expiration of the existing rights or warrants without exercise by any of the holders thereof), except as set forth in Section 10.09. In addition, except as set forth in Section 10.09, in the event of any distribution (or deemed distribution) of rights or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 10.05 was made (including any adjustment contemplated by Section 10.09), (1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any Holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Ordinary Shares with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Ordinary Shares as of the date of such redemption or repurchase, and (2) in the case of such rights or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights and warrants had not been issued.

No adjustment of the Conversion Rate shall be made pursuant to this Section 10.05(d) in respect of rights or warrants distributed or deemed distributed on any Trigger Event to the extent that such rights or warrants are actually distributed or reserved by the Company for distribution to Holders of Notes upon conversion by such Holders of Notes to ADSs.

(e) In case the Company shall pay a dividend or otherwise distribute to all or substantially all holders of its Ordinary Shares a dividend or other distribution of exclusively cash excluding (x) any dividend or distribution in connection with the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary and (y) any dividend or distribution in connection with a transaction to which Section 10.06 applies, then the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0} \frac{DIV}{DIV}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect on the Ex-Dividend Date for such dividend or distribution;

SP_0 = the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

DIV = the amount in cash per Ordinary Share the Company distributes to holders of its Ordinary Shares.

Any adjustment made pursuant to this Section 10.05(e) shall become effective immediately prior to 9:00 a.m., New York City time, on the Ex-Dividend Date for such dividend or distribution. If any dividend or distribution of the type described in this Section 10.05(e) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(f) In case of purchases of the Ordinary Shares (directly or in the form of ADSs) pursuant to a tender offer or exchange offer made by the Company or any Subsidiary of the Company for all or any portion of the Ordinary Shares (directly or indirectly in the form of ADSs), to the extent that the Fair Market Value of cash and any other consideration included in the payment per Ordinary Share (or equivalent payment per Ordinary Share represented by the ADSs) exceeds the Closing Sale Price of the ADSs divided by the number of ADSs then represented by each ADS on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender offer or exchange offer (as it may be amended) (the **Expiration Date**), the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + (SP_1 \times OS_1)}{SP_1 \times OS_0}$$

where

CR_0 = the Conversion Rate in effect at 5:00 p.m., New York City time, on the Expiration Date;

CR_1 = the Conversion Rate in effect immediately after 5:00 p.m., New York City time, on the Expiration Date;

FMV = the Fair Market Value, on the Expiration Date, of the aggregate value of all cash and any other consideration paid or payable for Ordinary Shares (directly or indirectly in the form of ADSs) validly tendered or exchanged and not withdrawn as of the Expiration Date;

OS_1 = the number of Ordinary Shares outstanding immediately after the last time tenders or exchanges may be made pursuant to such tender offer or exchange offer (the *Expiration Time*);

OS_0 = the number of Ordinary Shares outstanding immediately before the Expiration Time; and

SP_1 = the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the ten consecutive Trading Day period commencing on the Trading Day immediately after the Expiration Date.

Any adjustment made pursuant to this Section 10.05(f) shall become effective immediately prior to 9:00 a.m., New York City time, on the Trading Day immediately following the Expiration Date. If the Company, or one of its Subsidiaries, is obligated to purchase Ordinary Shares (directly or indirectly in the form of ADSs) pursuant to any such tender or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchases or all such purchases are rescinded, the Conversion Rate shall be readjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made. Except as set forth in the preceding sentence, if the application of this Section 10.05(f) to any tender offer or exchange offer would result in a decrease in the Conversion Rate, no adjustment shall be made for such tender offer or exchange offer under this Section 10.05(f). If an adjustment to the Conversion Rate is required pursuant to this Section 10.05(f) during any Conversion Period in respect of Notes that have been tendered for conversion, delivery of the related ADSs or Conversion Settlement Amount, as the case may be, shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 10.05(f).

(g) In cases where the Fair Market Value of Distributed Assets and cash, including with respect to a Spin-Off, as to which Sections 10.05(d) and 10.05(e) apply, applicable to one Ordinary Share, distributed to holders of the Ordinary Shares:

(i) equals or exceeds the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the ten consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution, or

(ii) the average of the Closing Sale Prices of the ADSs divided by the number of Ordinary Shares then represented by each ADS during the ten consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution exceeds the Fair Market Value of such Distributed Assets or cash so distributed by less than \$1.00, rather than being entitled to an adjustment in the Conversion Rate, the Holder of a Note will be entitled to receive upon conversion, in addition to the ADS or Conversion Settlement Amount, as the case may be, the kind and amount of assets, debt securities or rights, warrants or options comprising the distribution, if any, that such Holder would have received if such Holder had converted such Notes immediately prior to the Record Date for determining the shareholders entitled to receive the distribution.

(h) The Company may (but is not required to) make such increases in the Conversion Rate, in addition to those required by Section 10.05(a)-(f), as the Board of Directors considers to be advisable to avoid or diminish any income tax to holders of Ordinary Shares resulting from any dividend or distribution of Ordinary Shares (or rights to acquire stock) or from any event treated as such for income tax purposes.

In addition to the foregoing, to the extent permitted by applicable law and subject to the applicable rules of the Nasdaq Global Market, the Company from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least 20 Business Days, the increase is irrevocable during the period and the Board of Directors shall have made a determination that such increase would be in the best interests of the Company, which determination shall be conclusive. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall mail to Holders of record of the Notes a notice of the increase, which notice will be given at least 15 calendar days prior to the effectiveness of any such increase, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(i) If during a period applicable for calculating the Volume Weighted Average Price or Closing Sale Price of ADSs or any other security, an event occurs that requires an adjustment to the Conversion Rate, the Volume Weighted Average Price or Closing Sale Price of such security shall be calculated for such period in a manner determined by the Company to appropriately reflect the impact of such event on the price of such security during such period. Whenever any provision of this First Supplemental Indenture requires a calculation of an average of Closing Sale Prices of ADSs or any other security over multiple days, appropriate adjustments shall be made to account for any adjustment to the Conversion Rate that becomes effective or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date of the

event occurs at any time during the period during which the average is to be calculated. Furthermore, whenever successive adjustments to the Conversion Rate are called for pursuant to this Section 10.05, such adjustments shall be made to Closing Sale Prices as may be necessary or appropriate to effectuate the intent of this Section 10.05 and to avoid unjust or inequitable results as determined in good faith by the Board of Directors.

If (A) ADSs or other securities are deliverable as part of the Daily Settlement Amount for a given Settlement Period Trading Day and (B) an adjustment to Conversion Rate pursuant to this Section 10.05 occurs after such Settlement Period Trading Day and prior to the date upon which the Noteholder becomes a record holder in respect of the deliverable ADSs or other securities, then the number of ADSs deliverable in respect of such Settlement Period Trading Day shall be adjusted in the same manner that the Conversion Rate has been adjusted. If ADSs only are deliverable in satisfaction of the Company's Conversion Obligation and an adjustment to the Conversion Rate pursuant to Section 10.05 occurs prior to the date upon which the Noteholder becomes a record holder in respect of the deliverable ADSs, then the number of shares deliverable shall be adjusted in the same manner that the Conversion Rate has been adjusted.

(j) All calculations under this Article 10 shall be made by the Company and not by the Trustee or Conversion Agent, and shall be made to the nearest cent or to the nearest one-ten thousandth (1/10,000) of an ADS, as the case may be. No adjustment need be made for rights to purchase Ordinary Shares (directly or indirectly in the form of ADSs) pursuant to a Company plan for reinvestment of dividends or for any issuance of Ordinary Shares (directly or indirectly in the form of ADSs) or convertible or exchangeable securities or, except as provided in this Section 10.05, rights to purchase Ordinary Shares (directly or indirectly in the form of ADSs) or convertible or exchangeable securities.

(k) Whenever the Conversion Rate is adjusted as herein provided, the Company will publicly announce through a reputable national newswire in the United States the relevant information and make this information available on the Company Website. In addition, the Company shall promptly file with the Trustee and any Conversion Agent other than the Trustee an Officers' Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a responsible officer of the Trustee shall have received such Officers' Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume that the last Conversion Rate of which it has actual knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Rate to the Holder of each Note at its last address appearing on the Register, within 20 calendar days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(l) For purposes of this Section 10.05, the number of Ordinary Shares at any time outstanding shall not include Ordinary Shares held in the treasury of the Company but shall include Ordinary Shares issuable in respect of scrip certificates issued in lieu of fractions of Ordinary Shares. The Company will not pay any dividend or make any distribution on Ordinary Shares held in the treasury of the Company.

(m) Notwithstanding any of the foregoing clauses in this Section 10.05, the applicable Conversion Rate will not be adjusted pursuant to this Section 10.05 if the Holders of the Notes will participate in the transaction that would otherwise give rise to adjustment pursuant to this Section 10.05 on an as-converted basis.

SECTION 10.06 Effect of Reclassification, Consolidation, Amalgamation Merger or Sale. If any of the following events occur, namely:

(a) any reclassification or change of the outstanding Ordinary Shares (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination), or

(b) any consolidation, amalgamation or merger of the Company with or into another Person, or any sale, lease, transfer, conveyance or other disposition of all or substantially all of the Company's assets and those of the Company's Subsidiaries taken as a whole to any other Person or Persons, as a result of which holders of Ordinary Shares (including Ordinary Shares represented by ADSs) receive stock, other securities or other property or assets (including cash or any combination thereof) with respect to or in exchange for such Ordinary Shares,

the Company or the successor or purchasing corporation, as the case may be, shall execute with the Trustee a supplemental indenture (which shall comply with the Trust Indenture Act as in force at the date of execution of such supplemental indenture, if such supplemental indenture is then required to so comply) providing that from and after the effective date of such transaction each such Note shall, without the consent of any Holders of Notes, become convertible based on only the kind and amount of the consideration that the holders of Ordinary Shares received in such reclassification, change, consolidation, amalgamation, merger, sale, lease, transfer, conveyance or other disposition (such consideration, the **Reference Property**). In all cases, the conditions relating to conversion of Notes specified herein (including in Section 10.01, to the extent applicable, and Section 10.02) (modified as appropriate in the good faith judgment of the Board of Directors to apply properly to the Reference Property in lieu of Ordinary Shares) and the provisions of Section 10.10 relating to the Company's satisfaction of the Conversion Obligation upon conversion of Notes shall continue to apply following such transaction, with the Daily Conversion Value and Daily Settlement Amount based on the Reference Property if the Company elects to satisfy its Conversion Obligation in cash and, if applicable, Reference Property rather than Reference Property only; *provided, however*, that if the holders of Ordinary Shares receive only cash in such transaction, the Conversion Settlement Amount shall equal the Conversion Rate in effect on the Conversion Date multiplied by the price paid per Ordinary Share in such transaction multiplied by the number of Ordinary Shares then represented by each ADS and settlement will occur on the third Trading Day following the Conversion Date. If such transaction causes Ordinary Shares to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of shareholder election), the Reference Property shall be deemed to be the kind and amount of consideration elected to be received by a majority of Ordinary Shares voted for such an election (if electing between two types of consideration) or a plurality of Ordinary Shares voted for such an election (if electing

between more than two types of consideration), as the case may be. The Company may not become a party to any such transaction unless its terms are materially consistent with the foregoing. Such supplemental indenture shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article 10, as determined in good faith by the Company or successor or purchasing corporation.

If, in the case of any such reclassification, change, consolidation, amalgamation, merger, sale, lease, transfer, conveyance or other disposition, the stock or other securities and assets received thereupon by a holder of Ordinary Shares includes shares of stock or other securities and assets of a corporation other than the successor or purchasing corporation, as the case may be, in such reclassification, change, consolidation, amalgamation, merger, sale, lease, transfer, conveyance or other disposition, then such supplemental indenture shall also be executed by such other corporation and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Board of Directors shall reasonably consider necessary by reason of the foregoing, including to the extent practicable the provisions providing for the conversion rights set forth in this Article 10.

The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at the address of such Holder as it appears on the register of the Notes maintained by the Registrar, within 20 calendar days after execution thereof. Simultaneously with providing such notice, the Company shall announce through a reputable national newswire in the United States the relevant information and make this information available on the Company Website. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

The above provisions of this Section 10.06 shall similarly apply to successive reclassifications, changes, consolidations, mergers, sales, leases, transfers, conveyances or other dispositions.

If this Section 10.06 applies to any event or occurrence, Section 10.05 shall not apply.

SECTION 10.07 Reservation of Shares, Shares to be Fully Paid; Compliance with Governmental Requirements. The Company shall at all times maintain out of its authorized but unissued Ordinary Shares enough Ordinary Shares to permit the issuance of ADSs upon the conversion, in accordance herewith, of all of the Notes. The ADSs, if any, due upon conversion of a Global Note shall be delivered by the Company in accordance with the Ordinary Shares Depositary's customary practices. All Ordinary Shares represented by the ADSs which may be issued upon conversion of the Securities shall be validly issued, fully paid and non-assessable and shall be free of preemptive or similar rights and free from all liens, taxes, charges or adverse claims.

Before taking any action which would cause an adjustment increasing the Conversion Rate to an amount that would cause the Conversion Price to be reduced below the then par value, if any, of the ADSs issuable upon conversion of the Notes, the Company will take all corporate action which may, in the opinion of its counsel, be necessary in order that the ADSs may be validly and legally issued at such adjusted Conversion Rate.

The Company covenants to take all such actions as may be required for the payment in accordance herewith of ADSs, if any, deliverable upon the conversion of any Note, including the issuance of Ordinary Shares represented by such ADSs, the deposit thereof in accordance with the Deposit Agreement, and the acceptance of such ADSs into the book-entry system maintained by the Ordinary Shares Depository. Without limiting the generality of the foregoing, the Company further covenants that, (i) if any Ordinary Shares to be provided for the purpose of conversion of Notes hereunder require registration with or approval of any governmental authority under any federal or state law before such shares may be validly issued upon conversion, the Company will in good faith and as expeditiously as possible, to the extent then permitted by the rules and interpretations of the Commission (or any successor thereto), endeavor to secure such registration or approval, as the case may be and (ii) if at any time the ADSs shall be listed on any national securities exchange or automated quotation system, the Company will, if permitted by the rules of such exchange or automated quotation system, list and keep listed, so long as the ADSs shall be so listed on such exchange or automated quotation system, all ADSs issuable upon conversion of the Notes; *provided* that if the rules of such exchange or automated quotation system permit the Company to defer the listing of such ADSs until the first conversion of the Notes into ADSs in accordance with the provisions of this Indenture, the Company covenants to list such ADSs issuable upon conversion of the Notes in accordance with the requirements of such exchange or automated quotation system at such time.

SECTION 10.08 Responsibility of Trustee. The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Noteholder to determine the Conversion Rate or whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Ordinary Shares (including Ordinary Shares represented by ADSs), or of any Capital Stock, other securities or other assets or property, which may at any time be issued or delivered upon the conversion of any Notes; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any ADSs or stock certificates or other securities or property or cash upon the surrender of any Notes for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article 10. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 10.06 relating either to the kind or amount of shares of Capital Stock or other securities or other assets or property (including cash) receivable by Holders of Notes upon the conversion of their Notes after any event referred to in such Section 10.06 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 9.01, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. Notwithstanding any other provision herein, the Trustee has no duty to determine when an adjustment under this Article 10 should be made, how it should be made or what it should be. The Trustee has no duty to determine whether a supplemental indenture under Section 10.06 need be entered into or whether

any provisions of any supplemental indenture are correct. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Notes. The Trustee shall not be responsible for the Company's failure to comply with this Article 10. Each Conversion Agent (other than Company or an Affiliate of the Company) shall have the same protection under this Section 10.08 as the Trustee. Neither the Trustee nor the Conversion Agent shall have any duty to verify the calculations of the Company or its agents and shall have no liability in connection therewith. Neither the Conversion Agent nor the Trustee shall have any responsibility to monitor the compliance of the Company with the provisions relating to conversion herein.

SECTION 10.09 Shareholder Rights Agreements. If the rights provided for in any future shareholder rights agreement adopted by the Company have separated from the Ordinary Shares (directly or in the form of ADSs) in accordance with the provisions of the applicable shareholder rights agreement so that the Holders of the Notes would not be entitled to receive any rights in respect of ADSs issuable upon conversion of the Notes, the Conversion Rate will be adjusted (and, if applicable, readjusted in the event of the expiration, termination or redemption of such rights) as provided in Section 10.05(d). If such rights have not separated, any ADSs delivered in complete or partial satisfaction of the Company's Conversion Obligation upon the conversion of Notes shall be accompanied by such rights.

SECTION 10.10 Settlement Upon Conversion. Upon any conversion of Notes, the Company may elect to deliver to converting Holders in satisfaction of its Conversion Obligation in respect of each \$1,000 principal amount of Notes being converted (i) a number of ADSs equal to the Conversion Rate in effect at such time or (ii) a **Conversion Settlement Amount** consisting of cash and, if applicable, ADSs which shall be equal to the sum of the Daily Settlement Amounts for each of the 20 Settlement Period Trading Days during the applicable Conversion Period.

If the Company elects to satisfy its Conversion Obligation in cash and, if applicable, ADSs, the following definitions shall apply for purposes of calculating the Conversion Settlement Amount:

Conversion Period means, with respect to any Note delivered for conversion, the period of 20 consecutive Settlement Period Trading Days:

- (i) with respect to Conversion Notices in respect of such Note received during the period beginning 25 Scheduled Trading Days preceding the Maturity Date, beginning on and including the 22nd Scheduled Trading Day immediately preceding the Maturity Date;
- (ii) with respect to Conversion Notices in respect of Notes that have been called for redemption, beginning on and including the 22nd scheduled Trading Day immediately preceding the Redemption Date; and
- (iii) in all other cases, beginning on and including the third Settlement Period Trading Day following the Conversion Date.

The **Daily Settlement Amount** for each \$1,000 principal amount of Notes, for each of the 20 Settlement Period Trading Days during the applicable Conversion Period, shall consist of:

- (i) cash equal to the lesser of \$50 and the Daily Conversion Value; and
- (ii) to the extent the Daily Conversion Value exceeds \$50, a number of ADSs equal to (A) the difference between the Daily Conversion Value and \$50, divided by (B) the Volume Weighted Average Price of the ADSs for that day.

Daily Conversion Value means, for any Settlement Period Trading Day, one-twentieth (1/20) of the product of (1) the Conversion Rate in effect on that Settlement Period Trading Day and (2) the Volume Weighted Average Price of the ADSs (or, if the Conversion Settlement Amount is then based on the Reference Property in accordance with Section 10.06, a unit of the Reference Property) on that Settlement Period Trading Day. For the purposes of determining the Daily Conversion Value, the following provisions shall apply: (i) if the Reference Property includes securities for which the price can be determined in a manner contemplated by the definition of Volume Weighted Average Price, then the value of such securities shall be determined in accordance with the principles set forth in such definition; (ii) if the Reference Property includes other property (other than securities as to which clause (i) applies or cash), then the value of such property shall be the Fair Market Value of such property; and (iii) if the Reference Property includes cash, then the value of such cash shall be the amount thereof.

If the Company has elected to satisfy its Conversion Obligation by delivering the Conversion Settlement Amount, the Conversion Settlement Amount will be delivered on the third Trading Day following the final Settlement Period Trading Day of the applicable Conversion Period. If the Company has elected to satisfy its Conversion Obligation by delivering ADSs only, such ADSs will be delivered on the third Trading Day following the final Settlement Period Trading Day of the Conversion Period that would be applicable if the Company had elected to satisfy its Conversion Obligation by delivering the Conversion Settlement Amount.

The Company shall from time to time make an election with respect to the method it chooses to satisfy its Conversion Obligation. Such election shall be effective until the Company provides notice of an election of a different method of settlement. The Company may not elect a different method of settlement after February 15, 2013. As of the date of this Indenture, the Company elects to satisfy its Conversion Obligation by delivering the Conversion Settlement Amount. The newly chosen method of settlement shall become effective five Business Days following the date of such notice. The Company shall provide to all Noteholders, the Trustee and the Conversion Agent a notice of the newly chosen method of settlement and the effective date of such newly chosen method. Simultaneously with providing such notice, the Company shall publicly announce through a reputable national newswire in the United States the relevant information and make this information available on the Company Website.

ARTICLE 11

MISCELLANEOUS

SECTION 11.01 First Supplemental Indenture Controls. This First Supplemental Indenture is executed by the Company, and by the Trustee upon the Company's request, pursuant to the provisions of Section 15.01 of the Original Indenture, and the terms and conditions hereof shall be deemed to be part of the Indenture for all purposes. The Original Indenture, as supplemented and amended by this First Supplemental Indenture, is in all respects hereby adopted, ratified and confirmed. Notwithstanding the foregoing, to the extent that any of the terms of this First Supplemental Indenture are inconsistent with, or conflict with, the terms of the Indenture, the terms of this First Supplemental Indenture shall govern.

SECTION 11.02 Governing Law. THIS FIRST SUPPLEMENTAL INDENTURE AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 11.03 Successors. All agreements of the Company in this First Supplemental Indenture and the Notes shall bind its successors. All agreements of the Trustee in this First Supplemental Indenture shall bind its successors.

SECTION 11.04 Multiple Originals. The parties may sign any number of copies of this First Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture.

SECTION 11.05 Table of Contents; Headings. The table of contents, cross-reference sheet and headings of the Articles and Sections of this First Supplemental Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 11.06 Calculations. Except as otherwise provided herein, the Company shall be solely responsible for making all calculations called for under this First Supplemental Indenture and the Notes. The Company or its Agents shall make all such calculations in good faith and, absent manifest error, its calculations will be final and binding on the Trustee, the Conversion Agent and the Holders. The Company upon request shall provide a schedule of its calculations to each of the Trustee and the Conversion Agent, and each of the Trustee and the Conversion Agent shall be entitled to rely conclusively upon the accuracy of the Company's calculations without independent verification. The Trustee or the Conversion Agent, as applicable, shall deliver a copy of such schedule to any Holder upon the request of such Holder.

SECTION 11.07 Currency Indemnity. The U.S. dollar is the sole currency of account and payment for all sums payable by the Company under this First Supplemental Indenture. Any amount received or recovered in a currency other than U.S. dollars in respect of the Notes (whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Company or otherwise) by the Holder (or in respect of the Indenture by the Trustee or Conversion Agent) in respect of any sum expressed to be due to it from the Company will constitute a discharge of the Company only to the extent of the U.S. dollar amount which the recipient is able to purchase with the amount so received or

recovered in that other currency on the date of that receipt or recovery (or, if it is not possible to make that purchase on that date, on the first date on which it is possible to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under any Note, the Company will indemnify the recipient against any loss sustained by it as a result. In any event the Company will indemnify the recipient against the cost of making any such purchase.

For the purposes of this indemnity, it will be sufficient for the Holder (or Trustee or Conversion Agent) to certify that it would have suffered a loss had an actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on such date had not been practicable, on the first date on which it would have been practicable). These indemnities constitute a separate and independent obligation from the other obligations of the Company, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any holder and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgment or order.

SECTION 11.08 Consent to Jurisdiction and Service of Process. The Company irrevocably has appointed CT Corporation System as its agent for service of process in any suit, action or proceeding with respect to this Indenture or the Notes, as the case may be, brought in any federal or state court located in the Borough of Manhattan of New York City and that each of the parties submit to the jurisdiction thereof. If for any reason CT Corporation System is unable to serve in such capacity, the Company shall appoint another agent reasonably satisfactory to the Trustee.

SECTION 11.09 Rules by Trustee, Paying Agent, Conversion Agent and Registrar. The Trustee may make reasonable rules for action by a meeting of Noteholders. The Registrar, the Paying Agent and the Conversion Agent may make reasonable rules for their functions.

SECTION 11.10 No Sinking Fund. No sinking fund is provided for the Notes. Accordingly, Article V of the Original Indenture shall not apply with respect to the Notes.

SECTION 11.11 No Subordination. The Notes are senior obligations of the Company. Accordingly, Article XVI of the Original Indenture shall not apply with respect to the Notes.

SECTION 11.12 References to ADSs. If the Company's ADS facility maintained with the Ordinary Shares Depository is terminated for any reason but the Ordinary Shares are then listed for trading on a U.S. national securities exchange, all references to ADSs herein will be deemed to refer to Ordinary Shares, all references to the Closing Sale Price of the ADSs and Volume Weighted Average Price of the ADSs will be deemed to refer to the Closing Sale Price of the Ordinary Shares and Volume Weighted Average Price of our Ordinary Shares and other appropriate adjustments will be made to reflect such change.

Any such interest not so punctually paid, if such nonpayment continues for a period of 30 calendar days, will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at 5:00 p.m., New York City time, on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Notes not less than ten calendar days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture (as defined on the reverse hereof).

FORM OF REVERSE SIDE OF NOTE

4.50% Senior Convertible Note due 2013

JA SOLAR HOLDINGS CO., LTD., a company incorporated under the laws of the Cayman Islands with limited liability (such company, and its successors and assigns under the Indenture hereinafter referred to, being herein called the Company), issued this Note under an Indenture dated as of May 19, 2008, as amended by the First Supplemental Indenture dated as of May 19, 2008 (the First Supplemental Indenture) (such Indenture, as amended by the First Supplemental Indenture and as it may be amended or supplemented from time to time in accordance with the terms thereof, the Indenture), among the Company and The Bank of New York, as Trustee, to which reference is hereby made for a statement of the respective rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders and of the terms upon which the Notes are, and are to be, authorized and delivered. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Noteholders are referred to the Indenture. This Note is one of the Notes referred to in the First Supplemental Indenture initially issued in an aggregate principal amount of \$400,000,000. An additional aggregate principal amount of Notes may be issued from time to time as Additional Notes in accordance with Section 2.06 of the First Supplemental Indenture.

1. Reporting Additional Interest

The Holder of this Note shall be entitled to receive Reporting Additional Interest as and to the extent provided in the Indenture.

2. Additional Amounts

All payments made by the Company or any other Payor under, or with respect to, this Note, will be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) (collectively, Taxes) unless the Payor is required to withhold or deduct such Taxes by law or by the official interpretation or administration thereof. If the Payor is required to withhold or deduct any amount for or on account of certain Taxes imposed or levied by or in accordance with Section 5.04 of the First Supplemental Indenture, the Payor will pay such Additional Amounts as may be necessary so that the net amount received by each holder of this Note (including Additional Amounts) after such withholding or deduction will not be less than the amount such holder would have received if such Taxes had not been required to be withheld or deducted, subject to certain exceptions specified in the Indenture.

Upon request, the Company will provide the Trustee with documentation satisfactory to the Trustee evidencing the payment of Additional Amounts. Copies of such documentation will be made available to the holders of the Notes upon request.

3. Method of Payment

The Company will pay interest on the Notes (except Defaulted Interest) to the Persons who are registered Holders of Notes at 5:00 p.m., New York City time, on the Regular Record Date with respect to the applicable Interest Payment Date even if Notes are canceled after the Regular Record Date and on or before the Interest Payment Date, except as otherwise provided in the Indenture. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts.

The Company shall pay interest on:

(i) any Global Notes by wire transfer of immediately available funds to the account of the Depositary or its nominee,

(ii) any Notes in certificated form having a principal amount of less than \$2,000,000, by check mailed to the address of the Holder of such Notes as it appears in the Register, *provided, however*, that at maturity interest will be payable at the office of the Company maintained by the Company for such purposes, which shall initially be an office or agency of the Trustee (as defined below), and

(iii) any Notes in certificated form having a principal amount of \$2,000,000 or more, by wire transfer in immediately available funds at the election of the Holder of such Notes duly delivered to the Trustee at least five Business Days prior to the relevant Interest Payment Date, provided, however, that at maturity interest will be payable at the office of the Company maintained by the Company for such purposes in New York City, which shall initially be an office or agency of the Trustee.

4. Paying Agent and Registrar and Conversion Agent

Initially, The Bank of New York (the Trustee) will act as Paying Agent, Registrar and Conversion Agent. The Company may appoint and change any Paying Agent, Registrar or co-registrar or Conversion Agent without notice. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar or co-registrar.

5. Ranking

This Note is a general senior, unsecured obligation of the Company and ranks equal in right of payment with all of the Company's existing and future senior indebtedness. This Note ranks senior in right of payment to any of the Company's existing or future indebtedness that is expressly subordinated to this Note.

6. Optional Redemption

The Notes will not be redeemable at the option of the Company prior to May 15, 2011. On or after May 15, 2011, the Company may redeem all or part of the Notes at its option if the Closing Sale Price of the ADSs has been at least 130% of the then applicable Conversion Price for at least 20 Trading Days during any period of 30 consecutive Trading Days, including the last Trading Day of such period, ending on the Trading Days preceding the date on which the Company provides a Redemption Notice, in cash.

7. Repurchase at the Option of Noteholders Upon a Fundamental Change

If a Fundamental Change occurs at any time prior to maturity of the Notes, this Note will be subject to a repurchase, at the option of the Holder, on a Fundamental Change Repurchase Date specified by the Company that is not less than 20 Business Days nor more than 35 Business Days after the date of the Company Repurchase Notice related to such Fundamental Change, at a repurchase price equal to 100% of the principal amount hereof, together with accrued and unpaid interest on this Note to, but excluding, the Fundamental Change Repurchase Date; *provided* that if such Fundamental Change Repurchase Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, the accrued and unpaid interest shall be payable on such Fundamental Change Repurchase Date to the Holder of record of this Note on the applicable Regular Record Date instead of the Holder surrendering the Note for repurchase on such date. For Notes to be so repurchased at the option of the Holder, the Holder must deliver to the Paying Agent, in accordance with the terms of the Indenture, the Fundamental Change Repurchase Notice containing the information specified by the Indenture, together with such Notes, duly endorsed for transfer, or (if the Notes are Global Notes) book-entry transfer of the Notes, prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date.

Holders have the right to withdraw any Repurchase Notice by delivering to the Paying Agent a written notice of withdrawal at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Repurchase Date, all as provided in the Indenture.

8. Conversion

Subject to and upon compliance with the provisions of the Indenture, the Holder hereof has the right, at its option, to convert each \$1,000 principal amount of this Note based on an initial Conversion Rate of 32.8138 ADSs per \$1,000 principal amount of Notes, as the same may be adjusted pursuant to the terms of the Indenture. As specified in the Indenture, upon conversion, the Company may deliver (i) ADSs or (ii) cash and, if applicable, ADSs equal to the sum of the Daily Settlement Amounts for each of the 20 Settlement Period Trading Days during the applicable Conversion Period.

If and only to the extent Holders elect to convert the Notes in connection with a Non-Stock Change of Control, the Company will increase the Conversion Rate applicable to such converting Notes in accordance with the Indenture.

If this Note (or portion hereof) is surrendered for conversion after 5:00 p.m., New York City time, on the Regular Record Date for an Interest Payment Date but prior to the applicable Interest Payment Date, it shall be accompanied by payment, in immediately available funds or other funds acceptable to the Company, of an amount equal to the interest otherwise payable on such Interest Payment Date on the principal amount being converted; *provided* that no such payment need be made (i) with respect to conversions after 5:00 p.m., New York City time, on

the Regular Record Date immediately preceding the Maturity Date; (ii) with respect to conversions of Notes that the Company has called for redemption if the Company has specified a Redemption Date that is after a Regular Record Date and on or prior to the corresponding Interest Payment Date; (iii) with respect to conversions in connection with a Fundamental Change if the Company has specified a Fundamental Change Repurchase Date that is after a Regular Record Date and on or prior to the corresponding Interest Payment Date; and (iv) with respect to any overdue interest, if overdue interest exists at the time of conversion with respect to such Notes.

Accrued and unpaid interest, if any, to the Conversion Date is deemed to be paid in full by the ADS or Conversion Settlement Amount delivered or paid rather than cancelled, extinguished or forfeited.

No fractional ADSs will be issued upon any conversion of Notes, but an adjustment and payment in cash will be made, as provided in the Indenture, in respect of any fraction of an ADS which would otherwise be issuable upon the surrender of any Note or Notes for conversion.

A Note in respect of which a Holder is exercising its right to require repurchase may be converted only if such Holder validly withdraws its election to exercise such right to require repurchase in accordance with the terms of the Indenture.

9. Responsibility of Trustee

The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Noteholder to determine the Conversion Rate or whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Ordinary Shares (including Ordinary Shares represented by ADSs), or of any Capital Stock, other securities or other assets or property, which may at any time be issued or delivered upon the conversion of any Notes; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any ADSs or stock certificates or other securities or property or cash upon the surrender of any Notes for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in Article 10. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 10.06 relating either to the kind or amount of shares of Capital Stock or other securities or other assets or property (including cash) receivable by Holders of Notes upon the conversion of their Notes after any event referred to in such Section 10.06 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 9.01, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. Notwithstanding any other provision herein, the Trustee has no duty to determine when an adjustment under

Article 10 should be made, how it should be made or what it should be. The Trustee has no duty to determine whether a supplemental indenture under Section 10.06 need be entered into or whether any provisions of any supplemental indenture are correct. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Notes. The Trustee shall not be responsible for the Company's failure to comply with Article 10. Each Conversion Agent (other than Company or an Affiliate of the Company) shall have the same protection under Section 10.08 as the Trustee. Neither the Trustee nor the Conversion Agent shall have any duty to verify the calculations of the Company or its agents and shall have no liability in connection therewith. Neither the Conversion Agent nor the Trustee shall have any responsibility to monitor the compliance of the Company with the provisions relating to conversion herein.

10. Denominations, Transfer, Exchange

The Notes are in registered form without coupons in denominations of \$1,000 and whole multiples of \$1,000. A Noteholder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Noteholder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture.

11. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

12. Unclaimed Money

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal or interest and any ADSs or other property due in respect of converted Notes that remains unclaimed for two years, and, thereafter, Noteholders entitled to the money and/or securities must look to the Company for payment as general creditors.

13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended without prior notice to any Noteholder but with the written consent or affirmative vote of the Holders of at least a majority in aggregate principal amount of the Outstanding Notes and (ii) any Default or Event of Default may be waived with the written consent of the Holders of at least a majority in aggregate principal amount of the Outstanding Notes. In certain circumstances set forth in the Indenture, the Company and the Trustee may amend the Indenture or the Notes without the consent of any Noteholder.

14. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization) and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Outstanding Notes may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable, except as provided in the

Indenture (including special provisions for an Event of Default relating to the failure of the Company to comply with its agreements in respect of periodic reporting as set forth in Section 7.11 of the First Supplemental Indenture). If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization occurs, the principal of and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholders. Under certain circumstances, the Holders of a majority in aggregate principal amount of the Outstanding Notes may rescind and annul such declaration with respect to the Notes and its consequences. No reference herein to the Indenture and no provision of this Note or of the Indenture shall impair, as among the Company and the Holders of the Notes, the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein and in the Indenture prescribed or to convert the Note as provided in the Indenture.

15. Trustee Dealings with the Company

Subject to certain limitations, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No director, officer, employee, or shareholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of the Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

20. CUSIP, Common Code and ISIN Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP, Common Code and ISIN numbers to be printed on the Notes and has directed the Trustee to use CUSIP, Common Code and ISIN numbers in all notices issued to Noteholders as a convenience to such Noteholders. Strike Price Differential:	For each Averaging Date, if the Relevant Price for such Averaging Date is (a) greater than the Strike Price and less than or equal to the Cap Price, an amount equal to the excess of the Relevant Price for such Averaging Date over the Strike Price, (b) greater than the Cap Price, an amount equal to the excess of the Cap Price over the Strike Price, or (c) less than or equal to the Strike Price, zero.

Share Adjustments:

Potential Adjustment Events:

Notwithstanding Section 11.2(e) of the Equity Definitions, a Potential Adjustment Event means an occurrence of any event or condition, as set forth in Section 10.05 of the Supplemental Indenture, that would result in an adjustment to the Conversion Rate of the Convertible Notes; *provided* that in no event shall there be any adjustment hereunder as a result of an adjustment to the Conversion Rate pursuant to Section 10.04(b) or Section 10.05(h) of the Supplemental Indenture.

Method of Adjustment:

Calculation Agent Adjustment; which means, notwithstanding anything to the contrary in the Equity Definitions, upon any adjustment to the Conversion Rate of the Convertible Notes pursuant to the Supplemental Indenture (other than pursuant to Section 10.04(b) or Section 10.05(h) of the Supplemental Indenture) (i) the Calculation Agent shall make a corresponding adjustment to any of the Strike Price, Number of Options and the Option Entitlement and (ii) the Calculation Agent shall make any adjustment consistent with the Calculation Agent Adjustment set forth in Section 11.2(c) of the Equity Definitions to the Cap Price or any other variable relevant to the exercise, settlement or payment for the Transaction to preserve the fair value of the Options to Party A after taking into account the effect of such Potential Adjustment Event; *provided*, that adjustments may be made to account for changes in volatility, expected dividends, stock loan rate and liquidity relevant to the Shares or to the Transaction; *provided further*, that in no event shall the Cap Price be less than the Strike Price.

Extraordinary Events:

Merger Events:

Notwithstanding Section 12.1(b) of the Equity Definitions, a Merger Event means the occurrence of any event or condition set forth in Section 10.06(a) or Section 10.06(b) of the Supplemental Indenture.

Tender Offers:

Applicable; *provided* that notwithstanding Section 12.1(d) of the Equity Definitions, a Tender Offer means the occurrence of any event or condition set forth in Section 10.05(f) or clauses (1) or (2) of the definition of Fundamental Change in Section 1.02 of the Supplemental Indenture.

Consequence of Merger Events/Tender Offers:

Notwithstanding Sections 12.2 and 12.3 of the Equity Definitions, upon the occurrence of a Merger Event or a Tender Offer:

(i) the Calculation Agent shall make a corresponding adjustment in respect of any adjustment under the Supplemental Indenture to any one or more of the nature of the Shares, Strike Price, Number of Options and the Option Entitlement; *provided, however*, that such adjustment shall be made without regard to any adjustment to the Conversion Rate for the issuance of additional shares as set forth in Section 10.04(b) or Section 10.05(h) of the Supplemental Indenture; and

Global Deal ID: []

(ii) the Calculation Agent may, in its sole discretion, make any adjustment consistent with the Modified Calculation Agent Adjustment set forth in Section 12.2(e) or 12.3(d) of the Equity Definitions, as applicable, to the Cap Price or any other variable relevant to the exercise, settlement or payment for the Transaction;

provided that, for the avoidance of doubt, adjustments shall be made pursuant to the provisions of subparagraphs (i) and (ii) above regardless of whether any Merger Event or Tender Offer gives rise to an Early Conversion; and

provided further that, notwithstanding the foregoing, with respect to any Majority Tender Offer, Party A may elect for Cancellation and Payment (Calculation Agent Determination) to apply. Majority Tender Offer means a Tender Offer as defined in Section 12.1(d) of the Equity Definitions that results in the relevant entity or person purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, 50% or greater than 50% of the outstanding voting shares of the Issuer, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

Global Deal ID: []

Announcement Event:	If an Announcement Event occurs, the Calculation Agent will determine the economic effect of the Announcement Event on the theoretical value of the Transaction (including without limitation any change in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Transaction) from the Announcement Date to the Expiration Date. If such economic effect is material, the Calculation Agent may, in its sole discretion, adjust the terms of the Transaction to reflect such economic effect. Announcement Event shall mean the occurrence of (i) the first public announcement of an intention to engage in a transaction that may lead to a Merger Event, (ii) the first public announcement of an intention to purchase or otherwise obtain the requisite number of shares that may lead to a Tender Offer or (iii) in each case, any subsequent amendment to or withdrawal of such announcement.

Share Termination Alternative:

If such Nationalization, Insolvency, Merger Event or Tender Offer involves a choice of consideration to be received by holders, such holder shall be deemed to have elected to receive the maximum possible amount of cash.

Failure to Deliver:

Applicable

Other applicable provisions:

If the Transaction is to be Share Termination Settled, the provisions of Sections 9.8, 9.9, 9.10, 9.11 and 9.12 (as modified above) of the Equity Definitions will be applicable, as if Physical Settlement applied to the Transaction; *provided* that all references to Shares shall be read as references to Share Termination Delivery Units and the representations and agreements contained in Section 9.11 of the Equity Definitions shall be modified by excluding any representations therein relating to restrictions, obligations, limitations or requirements under applicable securities laws that exist as a result of the fact that Party B is the issuer of the Shares. Share Termination Settled in relation to a Transaction means that Share Termination Settlement is applicable to the Transaction.

Regulatory Provisions:

(a) Party B represents and warrants that it has received and read and understands the Notice of Regulatory Treatment and the OTC Option Risk Disclosure Statement.

(b) The Agent will furnish Party B upon written request a statement as to the source and amount of any remuneration received or to be received by the Agent in connection with the Transaction evidenced hereby.

Transfer:

Notwithstanding Section 7 of the Agreement, Party A may assign its rights and obligations under the Transaction, in whole or in part, to any Affiliate of equal or better credit rating or to any Affiliate whose obligations hereunder will be guaranteed by an entity with equal or better credit rating than Party A.

Global Deal ID: []

At any time Party B is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, if Party A, in its sole discretion, determines that its beneficial ownership at any time (within the meaning of Section 13 of the Exchange Act and rules promulgated thereunder) exceeds 8.0% or more of Party B's outstanding Shares; and, in its sole discretion, Party A is unable after its commercially reasonable efforts to effect a transfer or assignment on pricing terms and in a time period reasonably acceptable to Party A that would reduce its beneficial ownership to 7.5%; Party A may designate any Exchange Business Day as an Early Termination Date with respect to a portion (the Terminated Portion) of the Transaction, such that its beneficial ownership following such partial termination will be equal to or less than 7.5%. In the event that Party A so designates an Early Termination Date with respect to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (i) an Early Termination Date had been designated in respect of Transaction having terms identical to the Transaction and Numbers of Options equal to the Terminated Portion, (ii) Party B shall be the sole Affected Party with respect to such partial termination and (iii) such Transaction shall be the only Terminated Transaction.

Staggered Settlement:

Party A may, by notice to Party B on or prior to any Settlement Date (a Nominal Settlement Date), elect to deliver any Shares required to be delivered by it on two or more dates (each, a Staggered Settlement Date) as follows:

(i) in such notice, Party A will specify to Party B the related Staggered Settlement Dates (the first of which will be such Nominal Settlement Date and the last of which will be no later than the twentieth (20th) Exchange Business Day following such Nominal Settlement Date) and the number of Shares that it will deliver on each Staggered Settlement Date;

(ii) the aggregate number of Shares that Party A will deliver to Party B hereunder on all such Staggered Settlement Dates will equal the number of Shares that Party A would otherwise be required to deliver on such Nominal Settlement Date; and

Global Deal ID: []

Set-Off and Netting:

(iii) if the Physical Settlement terms set forth above were to apply on such Nominal Settlement Date, then the Physical Settlement terms will apply on each Staggered Settlement Date, except that the related Shares to be delivered by Party A will be allocated among such Staggered Settlement Dates as specified by Party A in the notice referred to in clause (i) above and Party B shall pay the Settlement Amount for those Shares on the Nominal Settlement Date.

Party A agrees not to set-off or net amounts due from Party B with respect to the Transaction hereunder against amounts due from Party A to Party B under obligations other than Equity Contracts. Section 2(c) of the Agreement as it applies to payments due with respect to the Transaction hereunder shall remain in effect and is not subject to the first sentence of this provision.

Upon the occurrence of an Event of Default or Termination Event with respect to a party who is the Defaulting Party or the Affected Party (X), the other party (Y) will have the right (but not be obliged) without prior notice to X or any other person to set-off or apply any obligation of X under an Equity Contract owed to Y (or any Affiliate of Y) (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation) against any obligation of Y (or any Affiliate of Y) under an Equity Contract owed to X (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation). Y will give notice to the other party of any set-off effected under this paragraph.

Equity Contract shall mean for purposes of this paragraph any transaction relating to Shares between X and Y (or any Affiliate of Y) that qualifies as equity under applicable accounting rules.

Amounts (or the relevant portion of such amounts) subject to set-off may be converted by Y into the Termination Currency at the rate of exchange at which such party would be able, acting in a reasonable manner and in good faith, to purchase the relevant amount of such currency.

If any obligation is unascertained, Y may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this section shall be effective to create a charge or other security interest. This section shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other right to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

Equity Rights:

Party A acknowledges and agrees that this Confirmation is not intended to convey to it rights with respect to the Transaction that are senior to the claims of common stockholders in the event of Party B's bankruptcy. For the avoidance of doubt, the parties agree that the preceding sentence shall not apply at any time other than during Party B's bankruptcy to any claim arising as a result of a breach by Party B of any of its obligations under this Confirmation or the Agreement. For the avoidance of doubt, the parties acknowledge that this Confirmation is not secured by any collateral that would otherwise secure the obligations of Party B herein under or pursuant to any other agreement.

No Collateral:

No collateral is required to be posted by Party B in respect of the Transaction.

Bankruptcy Code Provisions:

Each of Party A and Party B agrees and acknowledges that Party A is a swap participant and/or financial participant within the meaning of Sections 101(53C) and 101(22A) of Title 11 of the United States Code (the Bankruptcy Code). The parties hereto further agree and acknowledge (A) that this Confirmation is (i) a securities contract, as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a settlement payment, as such term is defined in Section 741(8) of the Bankruptcy Code, and (ii) a swap agreement, as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a transfer, as such term is defined in Section 101(54) of the Bankruptcy Code, and (B) that Party A is entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code.

Early Unwind:

In the event the sale of the Convertible Notes by the Issuer is not consummated with the Underwriters for any reason, other than as a result of a breach by Party A, by the close of business in New York on May 19, 2008 (or such later date as agreed upon by the parties) (May 19, 2008 or such later date as agreed upon being the Early Unwind Date), the Transaction shall automatically terminate (the Early Unwind Date), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Party A and Party B under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Party A and Party B represent and acknowledge to the other that upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.

Global Deal ID: []

Additional Termination Events:

Notwithstanding anything to the contrary in this Confirmation, (i) upon the occurrence of an Early Conversion:

(A) such Early Conversion shall constitute an Additional Termination Event hereunder with respect to a number of Options equal to the number of the relevant Exercised Options (the "Affected Number of Options"), in which case (x) the sole Affected Transaction shall consist of a transaction identical to the Transaction except that Number of Options for such Affected Transaction shall equal the Affected Number of Options and Party B shall be deemed the sole Affected Party and (y) the Transaction shall remain in full force and effect, except that the Number of Options subject to the Transaction immediately prior to the Conversion Date for such Early Conversion shall as of such Conversion Date be reduced by the Affected Number of Options;

(B) notwithstanding anything to the contrary in the Agreement, Party A shall designate an Early Termination Date in respect of such Affected Transaction, which shall be no earlier than one Scheduled Trading Day following the Conversion Date for the related Early Conversion; and

(C) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Party B leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to Section 10.04(b) or Section 10.05(h) of the Supplemental Indenture and (z) the corresponding Convertible Notes remain outstanding,

Global Deal ID: []

(ii) if there has occurred an event of default with respect to Party B under the terms of the Convertible Notes as set forth in Section 7.01 of the Supplemental Indenture, then such event of default shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such event of default (A) Party B shall be deemed to be the sole Affected Party and the Transaction shall be the sole Affected Transaction and (B) Party A shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement, and

(iii) if Party B amends, modifies, supplements or obtains a waiver in respect of any term of the Supplemental Indenture or the Convertible Notes governing the principal amount, coupon, maturity, repurchase obligation of Party B, redemption right of Party B, any term relating to conversion of the Convertible Notes (including changes to the conversion price, conversion settlement dates or conversion conditions), or any term that would require consent of the holders of not less than 100% of the principal amount of the Convertible Notes to amend, in each case without the prior consent of Party A and such amendment, in Party A's sole discretion, would have a material adverse effect on the ability of Party A or one or more of its affiliates to hedge Party A's obligations pursuant to the Transaction, an Additional Termination Event with respect to the transaction will be deemed to occur, and (A) Party B shall be deemed to be the sole Affected Party and the Transaction shall be the sole Affected Transaction and (B) Party A shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement.

Right to Extend:

Party A may extend, for as long as it is reasonably necessary, any Averaging Date, the Expiration Date, the Settlement Date or any other date of delivery by Party A, with respect to some or all of the Options hereunder, if Party A determines, in its commercially reasonable discretion, that such extension is reasonably necessary or appropriate to preserve Party A's hedging or hedge unwind activity hereunder in light of existing liquidity conditions or to enable Party A to effect purchases or sales of Shares in connection with its hedging or settlement activity hereunder in a manner that would, if Party A were Party B or an affiliated purchaser of Party B, be in compliance with applicable legal and regulatory or self-regulatory requirements or with related policies or procedures applicable to Party A.

Repurchase Notices:

At any time Party B is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, Party B shall, no later than ten Scheduled Trading Days prior to the day on which Party B effects any repurchase of Shares, give Party A a written notice of such repurchase (a Repurchase Notice) on such day if following such repurchase, the Options Equity Percentage as determined on such day is (i) greater than 8.0% and (ii) greater by 0.5% than the Options Equity Percentage included in the immediately preceding Repurchase Notice (or, in the case of the first such Repurchase Notice, greater than the Options Equity Percentage as of the date hereof). The Options Equity Percentage as of any day is the fraction (A) the numerator of which is the Number of Shares and (B) the denominator of which is the number of Shares outstanding on such day. Party B agrees to indemnify and hold harmless Party A and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an Indemnified Person) from and against any and all losses (including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and expenses (including reasonable attorney's fees), joint or several, which an Indemnified Person may become subject to, as a result of Party B's failure to provide Party A with a Repurchase Notice on the day and in the manner specified in this paragraph, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. loan, the Loan). To effect the Loan, Lender agrees to issue 6,562,760 Ordinary Shares to the Depository and deposit share certificates evidencing such Ordinary Shares with The Hongkong and Shanghai Banking Corporation Limited on or prior to the Initial Closing Date and cause the Depository to deliver 6,562,760 ADSs to Borrower's securities account (within the meaning of Section 8-501 of the UCC) maintained with the Clearing Organization, no later than 9:00 a.m., New York City time, on the Initial Closing Date.

(b) Notwithstanding anything to the contrary in this Agreement, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, in no event shall Borrower be entitled to receive, or shall be deemed to receive, any ADSs if, immediately upon giving effect to such receipt of such ADSs, the beneficial ownership (within the meaning of Section 13 of the Exchange Act and the rules promulgated thereunder) of Ordinary Shares by Borrower or any affiliate of Borrower or any other person subject to aggregation with Borrower under Section 13 of the Exchange Act and the rules promulgated thereunder or any group (within the meaning of such Section 13 and rules) of which Borrower is a member (collectively, the Borrower Group) would be equal to or greater than 9.8% or more of the Outstanding Shares. If any delivery owed to Borrower hereunder is not made, in whole or in part, as a result of this provision, Lender's obligation to make such delivery shall not be extinguished and Lender shall make such delivery as promptly as practicable after, but in no event later than one Business Day after, Borrower gives notice to Lender that such delivery would not result in the Borrower Group directly or indirectly so beneficially owning in excess of 9.8% of the Outstanding Shares, as described above; *provided* that Lender shall not be required to deliver any Loaned ADSs after the Loan Availability Period.

Section 3. Collateral.

(a) Borrower shall, no later than 10:00 a.m., New York city time, on the second Business Day immediately following any Credit Downgrade Date, transfer to Collateral Agent, for deposit to the Collateral Account, Collateral with a Market Value at least equal to the Collateral Percentage of the Market Value of the Loaned ADSs as of the close of business on the Business Day immediately preceding such transfer (any such date, a Pledge Date).

(b) Borrower on the Pledge Date pledges with, assigns to, and grants Collateral Agent for the benefit of Lender a continuing first priority security interest in, and a lien upon, the Collateral as security for Borrower's obligations in respect of the Loaned ADSs and for any other obligations of Borrower to Lender hereunder, which shall attach upon the transfer of the Loaned ADSs by Lender to Borrower and which shall cease upon the transfer of the Loaned ADSs by Borrower to Lender, a Credit Upgrade or upon the transfer of such Collateral to Borrower in accordance with the terms of this Agreement.

(c) In addition to the rights and remedies given to Lender hereunder, Lender shall have all the rights and remedies of a secured party under the UCC. To provide for the effectiveness, validity, perfection and priority of Lender's rights as a secured party, Borrower acknowledges that Collateral Agent has obtained control of any financial assets included in the Collateral (or shall have obtained control upon posting of such Collateral pursuant to the terms contained herein) within the meaning of Sections 8-106 and 9-106 of the UCC. Collateral Agent acknowledges that it has control of the Collateral (or shall have control upon posting of such

collateral pursuant to the terms contained herein) on behalf of Lender within the meaning of Section 8-106(d)(1) of the UCC. Notwithstanding anything to the contrary herein, Lender may not use or invest the Collateral and Collateral Agent shall take no instruction from Lender regarding the use or investment of Collateral. Promptly upon the termination of any Pledge Period, the Collateral Agent shall release to Borrower all of the Collateral.

(d) Borrower agrees that if so requested by the Collateral Agent at any time, to promptly execute all documents (including any security agreements and transfers) and do all things (including the delivery, transfer, assignment or payment of all or part of the Collateral to the Collateral Agent or its nominee(s)) that the Collateral Agent may reasonably specify for the purpose of (a) exercising the rights to the Collateral or (b) securing and perfecting its security over or title to all or any part of the Collateral (including transferring the Collateral into the name of the Collateral Agent or its nominee(s)).

(e) Except as otherwise provided herein, upon the transfer to Lender of Loaned ADSs pursuant to Section 6, Collateral Agent shall release to Borrower Collateral with a Market Value equal to the Collateral Percentage of the Market Value of the Loaned ADSs so transferred but only to the extent that immediately following such transfer of Collateral, no Collateral Deficit would exist. Such transfer of Collateral shall be made no later than the Cutoff Time on the day the Loaned ADSs are transferred, or if such day is not a day on which a transfer of such Collateral may be effected under Section 13, or if the transfer of Loaned ADSs by Lender to Borrower occurs after the Cutoff Time on such day, then in each case the next day on which such a transfer may be effected. As promptly as practicable but no later than the Cutoff Time on the second Business Day immediately following the date on which Borrower notified Lender of a Credit Upgrade, the Collateral Agent shall release to Borrower all Collateral.

(f) If Borrower transfers Collateral to Collateral Agent, as provided in this Section 3, and Lender does not transfer (or has not transferred) the Loaned ADSs to Borrower, Borrower shall have the absolute right to the return of such Collateral; and if Lender transfers Loaned ADSs to Borrower and Borrower does not transfer Collateral to Collateral Agent as provided in this Section 3, Lender shall have the absolute right to the return of the Loaned ADSs.

(g) Borrower may, upon notice to Lender and Collateral Agent, substitute Collateral for Collateral securing the Loan; *provided* that such substituted Collateral shall have a Market Value such that the aggregate Market Value of such substituted Collateral, together with all other Collateral, shall equal or exceed the Collateral Percentage of the Market Value of the Loaned ADSs as of the date of such substitution.

(h) Each of the parties to this Agreement hereby agree that Cash and each item within the definition of Non-Cash Items contained in the Collateral Account shall be treated as a financial asset as defined by Section 8-102(a)(9) of the UCC.

(i) Any Collateral deposited in the Collateral Account shall be segregated from all other assets and property of the Collateral Agent, which such segregation may be accomplished by appropriate identification on the books and records of Collateral Agent, as a securities intermediary within the meaning of the UCC. The Securities Intermediary acknowledges that the Collateral Account is maintained for the Collateral Agent and undertakes to treat the

Collateral Agent as entitled to exercise the rights that comprise the Collateral credited to the Collateral Account. For purposes of UCC Section 9301(2), the Collateral Account and the Collateral will reside in New York, New York.

Section 4. Mark to Market.

(a) During any Pledge Period, if at the close of trading on any Business Day during the Loan Availability Period the aggregate Market Value of all Collateral shall be less than the Collateral Percentage of the Market Value of all the outstanding Loaned ADSs (a Collateral Deficit), Lender may, by notice to Borrower and Collateral Agent, demand that Borrower transfer to Collateral Agent, for deposit to the Collateral Account, no later than the following Business Day, additional Collateral so that the Market Value of such additional Collateral, when added to the Market Value of all other Collateral, shall equal or exceed the Collateral Percentage of the Market Value of the Loaned ADSs on such Business Day of determination.

(b) During any Pledge Period, if at the close of trading on any Business Day during the Loan Availability Period the aggregate Market Value of all Collateral shall be greater than the Collateral Percentage of the Market Value of all the outstanding Loaned ADSs (a Collateral Excess), Borrower may, by notice to Lender and Collateral Agent, demand that Collateral Agent transfer to Borrower such amount of the Collateral selected by Borrower so that the Market Value of the Collateral, after deduction of such amounts, shall thereupon be at least equal to the Collateral Percentage of the Market Value of the Loaned ADSs on such Business Day of determination; *provided* however that with respect to clauses (a) and (b) of this Section 4, the Collateral Agent will promptly give Lender a statement setting forth the Market Value of all Collateral upon Lender's request and Lender shall have the right to audit the Market Value of all Collateral.

(c) Notwithstanding the foregoing, with respect to the Loan secured by Collateral, the respective rights of Lender and Borrower under Section 4(a) and Section 4(b) may be exercised only where a Collateral Excess or Collateral Deficit exceeds 5% of the Market Value of the Loaned ADSs.

Section 5. Fees.

(a) Borrower agrees to pay Lender a single loan fee per Loan (a Loan Fee) equal to (x) \$0.0001 per Loaned ADS, which is equal to the par value of the Ordinary Shares underlying each Loaned ADS, plus (y) \$1.00. The Loan Fee shall be paid by Borrower through the facilities of the Clearing Organization against delivery of Loaned ADSs pursuant to Section 2(b) above or in such other manner as agreed between Lender and Borrower.

(b) Lender agrees to pay all fees and expenses of the Depository in connection with the Loan, including without limitation, in connection with the deposit or issuance of the Ordinary Shares underlying the Loaned ADSs and the withdrawal of such Ordinary Shares.

Section 6. Loan Terminations.

(a) Borrower may terminate all or any portion of the Loan on any Business Day by giving written notice thereof to Lender and transferring the corresponding number of Loaned

ADSs to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(b) Subject to Section 12 below, the Loan, if still outstanding, on the last day of the Loan Availability Period shall terminate on the first Business Day following the date on which this Agreement terminates pursuant to Section 16 (the Facility Termination Date) and all outstanding Loaned ADSs shall be delivered by Borrower to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower, no later than the fifth Business Day following the Facility Termination Date. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(c) Subject to Section 12 below, if the Loan is terminated upon the occurrence of a Default as set forth in Section 11, the Loaned ADSs shall be delivered by Borrower to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower, no later than the third Business Day following the termination date of the Loan as provided in Section 11. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(d) Subject to Section 12 below, if the number of Loaned ADSs exceeds the Maximum Number of ADSs, then such number of Loaned ADSs in excess of the Maximum Number of ADSs shall be transferred by Borrower to the Depositary (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned) without any consideration being payable in respect thereof by Lender to Borrower, no later than the fifth Business Day following the occurrence of such adjustment.

(e) For the avoidance of doubt, all obligations of Borrower hereunder to Lender in respect of the relevant Loaned ADSs shall be satisfied upon Borrower's surrender of such Loaned ADSs to the Depositary pursuant to Section 6(a), 6(b), 6(c) or 6(d), as the case may be.

Section 7. Distributions.

(a) If at any time when there are Loaned ADSs outstanding under this Agreement, Lender pays a cash dividend or makes a cash or other distribution in respect of its Ordinary Shares with the result that, through the Depositary, a cash distribution is made to all of the then holders of ADSs pursuant to the Deposit Agreement, Borrower shall pay to Lender (whether or not Borrower is a holder of any or all of the outstanding Loaned ADSs), within three Business Days after the payment of such dividend or distribution, an amount in cash (in the same currency as received by holders of Loaned ADSs from the Depositary) equal to the product of (i) the amount per ADS of such dividend or distribution (net of any fees and expenses of the Depositary and any applicable withholdings or deductions on account of taxes or other governmental charges) and (ii) the number of Loaned ADSs outstanding on the record date on which the dividend or distribution was paid.

(b) If at any time when there are Loaned ADSs outstanding under this Agreement, Lender, through the Depositary, makes a distribution in respect of all of its outstanding ADSs (other than a distribution upon liquidation or a reorganization in bankruptcy) in property or securities, including any options, warrants, rights or privileges in respect of securities (other than a distribution of ADSs, but including any options, warrants, rights or privileges exercisable for, convertible into or exchangeable for ADSs or Ordinary Shares or other securities of any other entity) to the then holder or holders of such Loaned ADSs pursuant to the Deposit Agreement (a Non-Cash Distribution), Borrower shall deliver to Lender (whether or not Borrower is a holder of any or all of the outstanding Loaned ADSs) in kind, within three Business Days after the delivery date of such Non-Cash Distribution, the property or securities so distributed in an amount (the Delivery Amount) equal to the product of (i) the amount per ADS of such Non-Cash Distribution and (ii) the number of Loaned ADSs outstanding on the record date on which such Non-Cash Distribution was made; *provided* that in lieu of such delivery, Borrower may, with the prior written consent of Lender not to be unreasonably withheld or delayed, deliver to Lender an amount of cash equal to the market value of the Delivery Amount, as determined by Borrower in good faith using commercially reasonable means.

(c) Notwithstanding anything else to the contrary in this Agreement, if Borrower or any of its affiliates determines in good faith that any payment (in cash or in kind) by Borrower or any of its affiliates under this Agreement is subject to withholding tax or reduction under applicable law, such payment may be reduced by such withholding or reduction. Any amount withheld in accordance with this Section 7(c) shall be promptly remitted to the appropriate taxing authority, and such remittance shall be treated for purposes of this Agreement as a payment made to the party on whose behalf such amounts were withheld. If Borrower or any of its affiliates is required to deduct or withhold from any payment hereunder, and does not so deduct or withhold, but such withholding or reduction is assessed directly against Borrower or any of its affiliates, then, except to the extent Lender has satisfied or then satisfies the liability resulting from such withholding or deduction, Lender shall promptly pay to Borrower the amount of such liability (including any related interest and penalties).

(d) Any interest, cash distribution or cash dividend made on or in respect of any Collateral for the Loan hereunder shall, subject to (f) below, be delivered by the Collateral Agent to Borrower, on the date such interest, cash distribution or cash dividend is received by the Collateral Agent.

(e) Any Non-Cash Distributions or dividend made on or in respect of any Collateral for the Loan hereunder shall, subject to (f) below, be delivered by the Collateral Agent to Borrower on the date such Non-Cash Distribution or dividend is received by the Collateral Agent.

(f) If the cash or other property received by the Collateral Agent under the provisions of clauses (d) or (e) of this Section 7 qualifies as Collateral, to the extent that a transfer of such cash or other property to Borrower by the Collateral Agent would give rise to a Collateral Deficit, the Collateral Agent shall (only to the extent of any such Collateral Deficit) not make

such transfer of cash or other property in accordance with this Section 7, but shall in lieu of such transfer immediately credit the amounts that would otherwise have been transferable under this Section 7 to the Collateral Account.

Section 8. Rights in Respect of Loaned ADSs.

Except as otherwise provided in this Agreement, and except as otherwise agreed by Borrower and Lender, Borrower, insofar as it is the record owner of Loaned ADSs, shall have all of the incidents of ownership in respect of any such Loaned ADSs until such Loaned ADSs are required to be delivered to Lender in accordance with the terms of this Agreement, including the right to transfer the Loaned ADSs to others. Borrower agrees that it or any of its affiliates that are the record owner of any Loaned ADSs will not vote or provide any consent or take any similar action with respect to such Loaned ADSs on any matter submitted to a vote of Lender's shareholders.

(b) Lender represents and warrants to Borrower, as of the date hereof and as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, that the Loaned ADSs and all other outstanding ADSs of Lender have been duly authorized and, upon the issuance and delivery of the Loaned ADSs to Borrower in accordance with the terms and conditions hereof, and subject to the contemporaneous or prior receipt of the applicable Loan Fee by Lender, the Loaned ADSs and will conform to the description thereof in any prospectus or prospectus supplement prepared by or on behalf of Lender relating to any sale of Loaned ADSs by Borrower or its affiliates; and the holders of the Ordinary Shares and the holders of ADSs have no preemptive rights with respect to the Loaned ADSs.

(c) Lender represents and warrants to Borrower, as of the date hereof, and as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, that the outstanding ADSs are listed on the Exchange.

(d) Lender represents and warrants to Borrower, as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, (i) Lender is not and will not be rendered as a result of such transfers, insolvent (as such term is defined under Section 101(32) of Title 11 of the United States Code (the Bankruptcy Code)), (ii) Lender is not engaged in, and is not about to engage in, a business or transaction for which it has unreasonably small capital, (iii) Lender does not intend to incur, and does not believe it would incur, debts beyond its ability to pay as such debts mature, and (iv) Borrower would be able to purchase the Maximum Number of ADSs in compliance with the corporate law of Lender's jurisdiction of incorporation.

(e) Lender represents and warrants to Borrower that the Deposit Agreement has been duly authorized, executed and delivered by Lender, and constitutes a valid and legally binding agreement of Lender, enforceable in accordance with its terms, subject, as to enforceability, to bankruptcy, insolvency, reorganization and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles; upon the deposit of Ordinary Shares in respect thereof in accordance with the provisions of the Deposit Agreement and the issuance by the Depositary of ADRs evidencing ADSs, such ADRs will be duly and validly issued and the persons in whose names the ADRs are registered will be entitled to the rights specified therein and in the Deposit Agreement.

(f) Lender represents to Borrower that for United States tax purposes it is a foreign corporation within the meaning of Section 7701(a) of the U.S. Internal Revenue Code of 1986, as amended.

(g) Borrower represents to Lender that it shall have at the time of transfer of Collateral to the Collateral Agent, the right to grant to Collateral Agent, and that Collateral Agent shall acquire, a continuing first priority security interest in the Collateral, if any.

(h) The representations and warranties of Borrower and Lender under this Section 9 shall remain in full force and effect at all times during the term of this Agreement and shall survive the termination for any reason of this Agreement.

Section 10. Covenants.

(a) Borrower covenants and agrees with Lender that it will not transfer or dispose of any Loaned ADSs initially transferred to Borrower by Lender in respect of the Loan of which it is the record owner except pursuant to a registration statement that is effective under the Securities Act; *provided* that Borrower may transfer any such Loaned ADSs to any of its affiliates without a registration statement so long as such affiliate transferee does not transfer or dispose of such Loaned ADSs to any non-affiliated transferee except pursuant to a registration statement that is effective under the Securities Act. For the avoidance of doubt, Lender agrees that the foregoing covenant in this clause (a) does not apply to the transfer or disposition of any ADSs acquired by Borrower in the open market.

(b) Each of Borrower and Lender agrees and acknowledges that Borrower has represented to Lender that it is a financial institution, swap participant and/or financial participant within the meaning of Sections 101(22), 101(53C) and 101(22A) of the Bankruptcy Code. The parties hereto further agree and acknowledge (A) that each Loan under this

Agreement is intended to be (i) a securities contract, as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a settlement payment, as such term is defined in Section 741(8) of the Bankruptcy Code, and (ii) a swap agreement as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a transfer, as such term is defined Section 101(54) of the Bankruptcy Code, and (B) that it is intended that Borrower shall be entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code.

(c) Upon the request of Borrower, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, including at the time the Loan is initiated, Lender shall promptly provide Borrower a written confirmation of its Outstanding Shares as of the date of such request. The Outstanding Shares as of any day is the number of ADSs outstanding on such day, including all outstanding Loaned ADSs; *provided* that as of any date, for purposes of calculating Outstanding Shares as of the date of the request, such number shall be adjusted as set forth in clauses (a) and (b) of the definition of Maximum Number of ADSs above, to the same extent ADSs are adjusted therein, and only to the extent that any of the events listed in such clauses (a) and (b) have occurred between the date of the immediately preceding request and such date.

(d) Lender shall, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, no less than 10 Business Days prior to any day on which Lender effects any repurchase of ADSs or Ordinary Shares underlying the ADSs, give Borrower a written notice of its Outstanding Shares taking into account such repurchase (a Repurchase Notice) if, following such repurchase the Outstanding Shares shall have decreased by more than 0.5% since the immediately preceding Repurchase Notice (or, in the case of the first such Repurchase Notice, the Outstanding Shares as of the date hereof).

(e) Lender shall provide to Borrower an IRS Form W-8BEN prior to the initial payment by Borrower to Lender hereunder and from time to time after the initial delivery whenever a lapse in time or change in circumstances renders such form obsolete or inaccurate in any material respect.

(f) Lender will provide a written notice to Borrower immediately upon becoming aware that Lender is not or will no longer be a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act.

Section 11. Events of Default.

(a) The Loan may, at the option of Lender by a written notice to Borrower, which option shall be deemed exercised even if no notice is given immediately on the occurrence of an event specified in Section 11(a)(iv) or Section 11(a)(v) below, be terminated (i) immediately on the occurrence of any of the events set forth in Section 11(a)(iv) or Section 11(a)(v) below and (ii) two Business Days following such notice on the occurrence of any of the other events set forth below (each, a Default):

(i) Borrower fails to deliver Loaned ADSs as required by Section 6;

(ii) Borrower fails to deliver or pay to Lender when due any cash, securities or other property as required by Section 7;

(iii) Borrower fails to transfer Collateral when due as required by Section 3 or Section 4;

(iv) the filing by or on behalf of Borrower of a voluntary petition or an answer seeking reorganization, arrangement, readjustment of its debts or for any other relief under any bankruptcy, reorganization, receivership, compromise, arrangement, insolvency, readjustment of debt, dissolution, moratorium, delinquency, winding-up or liquidation or similar act or law, of any state, federal or other applicable foreign jurisdictions, now or hereafter existing (Bankruptcy Law), or any action by Borrower for, or consent or acquiescence to, the appointment of a receiver, trustee, custodian or similar official of Borrower, or of all or a substantial part of its property; or the making by Borrower of a general assignment for the benefit of creditors; or the admission by Borrower in writing of its inability to pay its debts as they become due;

(v) the filing of any involuntary petition against Borrower in bankruptcy or seeking reorganization, arrangement, readjustment of its debts or for any other relief under any Bankruptcy Law and an order for relief by a court having jurisdiction in the premises shall have been issued or entered therein; or any other similar relief shall be granted under any applicable federal or state law or law of any other applicable foreign jurisdictions; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee or other officer having similar powers over Borrower or over all or a part of its property shall have been entered; or the involuntary appointment of an interim receiver, trustee or other custodian of Borrower or of all or a substantial part of its property or the issuance of a warrant of attachment, execution or similar process against any substantial part of the property of Borrower; and continuance of any such event for 30 consecutive calendar days unless dismissed, bonded to the satisfaction of the court having jurisdiction in the premises or discharged;

(vi) Borrower fails to provide any indemnity as required by Section 14; or

(vii) any representation made by Borrower under this Agreement in connection with the Loan shall be incorrect or untrue in any material respect during the term of the Loan or Borrower fails to comply in any material respect with any of its covenants under this Agreement.

Section 12. Right to Extend; Lender's Remedies.

(a) Notwithstanding anything to the contrary herein, if all or a portion of the Loan terminates pursuant to Section 6 and, on the date on which the related Loaned ADSs are due to Lender, the purchase or borrow of ADSs in an amount equal to all or any portion of the number of Loaned ADSs to be delivered in accordance with Section 6 shall (A) be prohibited by any law, rules or regulation of any governmental authority to which it is or would be subject (including rules or codes of conduct generally applicable to members of any self regulatory organization of which Borrower is a member or to the regulation of which it is subject (whether or not such rules

or codes of conduct are imposed by law or have been voluntarily adopted by Borrower) or would be inadvisable if Borrower or its affiliate were to effect such purchases of Loaned ADSs as if Borrower or its affiliate, as the case may be, were Lender or an affiliated purchaser of Lender while remaining in compliance with such law, rules, regulations or codes of conduct, (B) violate, or would upon such purchase or borrow likely violate, any order or prohibition of any court, tribunal or other governmental authority, (C) require the prior consent of any court, tribunal or governmental authority prior to any such repurchase, (D) subject Borrower or its affiliate making such repurchase or borrow, in its commercially reasonable judgment exercised in good faith, to any liability or potential liability under any applicable federal securities laws (including, without limitation, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, Section 16 of the Exchange Act), or (E) be commercially impracticable, in the reasonable judgment of Borrower, in the time period required by Section 6 (each of (A), (B), (C), (D) and (E), a Legal Obstacle), then, in each case, Borrower shall immediately notify Lender of the Legal Obstacle and the basis therefor, whereupon Borrower's obligations under Section 6 shall be suspended until such time as no Legal Obstacle with respect to such obligations shall exist (a Repayment Suspension). Following the occurrence of and during the continuation of any Repayment Suspension, Borrower and Borrowing Agent shall use their commercially reasonable efforts to remove or cure the Legal Obstacle as soon as reasonably practicable; *provided* that Lender shall promptly reimburse all costs and expenses (including of legal counsel to Borrower) incurred, or, at Borrower's election, provide adequate surety or guarantee for any such costs and expenses that may be incurred, by Borrower, in each case in removing or curing any Legal Obstacle described in Clause (A), (B), (C) or (D) immediately above. Notwithstanding anything else in this Agreement, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, if as a result of complying with Section 6, the Borrower Group would beneficially own more than 9.0% of the Outstanding Shares, then Borrower shall be permitted to extend the delivery due date for all or a portion of the corresponding delivery obligation to permit Borrower to return, as promptly as reasonably practicable but subject to applicable law, regulation or policy, such Loaned ADSs through one transaction or a series of transactions without causing the Borrower Group to become, directly or indirectly, a beneficial owner of more than 9.0% of the Outstanding Shares at such time. If Borrower is unable to remove or cure the Legal Obstacle within 20 Business Days of the termination of the Loan by Lender under Section 11 or the termination of the Loan under Section 6(b), then Borrower shall, upon the written request of Lender, pay to Lender, in lieu of the delivery of Loaned ADSs in accordance with Section 6, an amount in immediately available funds (the Replacement Cash) equal to the product of the Price and the number of Loaned ADSs otherwise required to be delivered. Such payment will be made by Borrower, and Borrower shall notify Lender of the Price and expected date of such payment, as soon as practicable after the determination of the Price by Borrower pursuant to the terms of this Agreement. Borrower may also direct the Collateral Agent to deliver to Lender any Collateral held by the Collateral Agent in respect of the Loan so terminated and, to the extent the Market Value of any such Collateral delivered to Lender is less than the required amount of Replacement Cash, pay to Lender such difference in immediately available funds. Any Collateral in respect of the Loan so terminated that is not so delivered to Lender pursuant to this clause shall, upon payment in full of the Replacement Cash to Lender, be immediately delivered by Collateral Agent to Borrower.

(b) Upon the termination of the Loan by Lender under Section 11, Borrower may, with the prior consent of Lender (which consent may be withheld at Lender's sole discretion), in lieu of the delivery of Loaned ADSs in accordance with Section 6(c) pay to Lender, Replacement Cash equal to the product of the Price and the number of Loaned ADSs otherwise required to be delivered. Such payment will be made by Borrower, and Borrower shall notify Lender of the Price and expected date of such payment, as soon as practicable after the determination of the Price by Borrower pursuant to the terms of this Agreement.

(c) If Borrower shall fail to deliver Loaned ADSs pursuant to Section 6 when due or shall fail to pay the Replacement Cash to Lender when due in accordance with Section 12(a) or Section 12(b) above, then, in either case, in addition to any other remedies available to Lender under this Agreement or under applicable law, Lender shall have the right (upon prior written notice to Borrower) to (i) purchase a like number of ADSs (Replacement ADSs) in the principal market for such securities in a commercially reasonable manner; *provided* that if any Repayment Suspension or failure to deliver shall exist and be continuing, Lender may not exercise its right to purchase Replacement ADSs unless Borrower shall fail to deliver the Loaned ADSs or to pay the Replacement Cash, as applicable, to Lender when due in accordance with Section 12(a) or Section 12(b) above, (ii) sell any Collateral in the principal market for such Collateral in a commercially reasonable manner and (iii) apply and set off the Collateral, if any, and any proceeds thereof (including any amounts drawn under a letter of credit supporting the Loan) against the payment of the purchase price for such Replacement ADSs and any amounts due to Lender under this Agreement. To the extent Lender shall exercise such right, Borrower's obligation to return a like amount of Loaned ADSs or to pay the Replacement Cash, as applicable, shall terminate and Borrower shall be liable to Lender for the purchase price of Replacement ADSs (plus all other amounts, if any, due to Lender hereunder), all of which shall be due and payable within three Business Days of notice to Borrower by Lender of the aggregate purchase price of the Replacement ADSs. In the event that (i) the purchase price of Replacement ADSs (plus all other amounts, if any, due to Lender hereunder) exceeds (ii) the amount of the Collateral, if any, Borrower shall be liable to Lender for the amount of such excess. The purchase price of Replacement ADSs purchased under this Section 12(c) shall not include broker's fees and commissions or any other costs, fees and expenses related to such purchase unless none of Borrower or any of its affiliates is able to act as a broker with respect to such purchases. In the event Lender exercises its rights under this Section 12, Lender may elect in its sole discretion, in lieu of purchasing all or a portion of the Replacement ADSs or selling all or a portion of the Collateral, if any, to be deemed to have made, respectively, such purchase of Replacement ADSs or sale of Collateral for an amount equal to the Closing Price of the Ordinary Shares on the date Lender elects to exercise this remedy. Upon the satisfaction of all Borrower's obligations hereunder, any remaining Collateral shall be returned to Borrower.

Section 13. Transfers.

(a) All transfers, or deliveries, of Loaned ADSs to Borrower or Lender hereunder shall be made by the crediting by a Clearing Organization of such financial assets to the transferee's securities account (within the meaning of Section 8-501 of the UCC) maintained with such Clearing Organization. All transfers of Loaned ADSs to Lender hereunder shall be made by the crediting of such Loaned ADSs to Lender's Designated Account. All transfers of Collateral to Collateral Agent by Borrower shall be made by crediting the Collateral Account.

All transfers of Collateral to Lender by Collateral Agent shall be made in the manner directed by Lender. In every transfer of financial assets (within the meaning of Section 8-102 of the UCC) hereunder, the transferor shall take all steps necessary (i) to effect a delivery to the transferee under Section 8-301 of the UCC, or to cause the creation of a security entitlement in favor of the transferee under Section 8-501 of the UCC, (ii) to enable the transferee to obtain control (within the meaning of Section 8-106 of the UCC), and (iii) to provide the transferee with comparable rights under any applicable foreign law or regulation that is applicable to such transfer.

(b) All transfers of cash hereunder to Borrower or Lender shall be by wire transfer in immediately available, freely transferable funds.

(c) A transfer of securities or cash may be effected under this Section 13 on any day except (i) a day on which the transferee is closed for business at its address set forth in Section 18 or (ii) a day on which a Clearing Organization or wire transfer system is closed, if the facilities of such Clearing Organization or wire transfer system are required to effect such transfer.

(d) The rights and duties of Borrower under this Agreement may not be assigned or transferred by Borrower without the prior written consent of Lender, such consent not be unreasonably withheld; *provided* that Borrower may assign or transfer any of its rights or duties hereunder to Borrower's ultimate parent entity or any directly or indirectly wholly owned subsidiary or affiliate of Borrower's ultimate parent entity (a Permitted Transferee) without the prior written consent of Lender as long as such Permitted Transferee is of equal or better credit rating as Borrower or is guaranteed by Borrower or an entity of equal or better credit rating as Borrower.

Section 14. Indemnities.

(a) Lender hereby agrees to indemnify and hold harmless Borrower and its affiliates and its former, present and future directors, officers, employees and other agents and representatives from and against any and all liabilities, judgments, claims, settlements, losses, damages, fees, liens, taxes, penalties, obligations and expenses (including, without limitation, any losses relating to Borrower's market activities as a consequence of becoming, or of the risk of becoming, subject to Section 16(b) under the Exchange Act, including without limitation, any forbearance from market activities or cessation of market activities and any losses in connection therewith or with respect to this Agreement) incurred or suffered by any such person or entity directly or indirectly arising from, by reason of, or in connection with, (i) any breach by Lender of any of its representations or warranties contained in Section 9 or (ii) any breach by Lender of any of its covenants or agreements in this Agreement.

(c) In case any claim or litigation which might give rise to any obligation of a party under this Section 14 (each, an Indemnifying Party) shall come to the attention of the party seeking indemnification hereunder (the Indemnified Party), the Indemnified Party shall promptly notify the Indemnifying Party in writing of the existence and amount thereof; *provided* that the failure of the Indemnified Party to give such notice shall not adversely affect the right of the Indemnified Party to indemnification under this Agreement, except to the extent the Indemnifying Party is materially prejudiced thereby. The Indemnifying Party shall promptly notify the Indemnified Party in writing if it accepts such claim or litigation as being within its indemnification obligations under this Section 14. Such response shall be delivered no later than 30 days after the initial notification from the Indemnified Party; *provided* that, if the Indemnifying Party reasonably cannot respond to such notice within 30 days, the Indemnifying Party shall respond to the Indemnified Party as soon thereafter as reasonably possible.

(d) An Indemnifying Party shall be entitled to participate in and, if (i) in the judgment of the Indemnified Party such claim can properly be resolved by money damages alone and the Indemnifying Party has the financial resources to pay such damages and (ii) the Indemnifying Party admits that this indemnity fully covers the claim or litigation, the Indemnifying Party shall be entitled to direct the defense of any claim at its expense, but such defense shall be conducted by legal counsel reasonably satisfactory to the Indemnified Party. An Indemnified Party shall not make any settlement of any claim or litigation under this Section 14 without the written consent of the Indemnifying Party.

Transfer:

Notwithstanding Section 7 of the Agreement, Party A may assign its rights and obligations under the Transaction, in whole or in part, to any Affiliate of equal or better credit rating or to any Affiliate whose obligations hereunder will be guaranteed by an entity with equal or better credit rating than Party A.

At any time Party B is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, if Party A, in its sole discretion, determines that its beneficial ownership at any time (within the meaning of Section 13 of the Exchange Act and rules promulgated thereunder) exceeds 8.0% or more of Party B's outstanding Shares; and, in its sole discretion, Party A is unable after its commercially reasonable efforts to effect a transfer or assignment on pricing terms and in a time period reasonably acceptable to Party A that would reduce its beneficial ownership to 7.5%; Party A may designate any Exchange Business Day as an Early Termination Date with respect to a portion (the Terminated Portion) of the Transaction, such that its beneficial ownership following such partial termination will be equal to or less than 7.5%. In the event that Party A so designates an Early Termination Date with respect to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (i) an Early Termination Date had been designated in respect of Transaction having terms identical to the Transaction and Numbers of Options equal to the Terminated Portion, (ii) Party B shall be the sole Affected Party with respect to such partial termination and (iii) such Transaction shall be the only Terminated Transaction.

Staggered Settlement:

Party A may, by notice to Party B on or prior to any Settlement Date (a Nominal Settlement Date), elect to deliver any Shares required to be delivered by it on two or more dates (each, a Staggered Settlement Date) as follows:

(i) in such notice, Party A will specify to Party B the related Staggered Settlement Dates (the first of which will be such Nominal Settlement Date and the last of which will be no later than the twentieth (20th) Exchange Business Day following such Nominal Settlement Date) and the number of Shares that it will deliver on each Staggered Settlement Date;

(ii) the aggregate number of Shares that Party A will deliver to Party B hereunder on all such Staggered Settlement Dates will equal the number of Shares that Party A would otherwise be required to deliver on such Nominal Settlement Date; and

(iii) if the Physical Settlement terms set forth above were to apply on such Nominal Settlement Date, then the Physical Settlement terms will apply on each Staggered Settlement Date, except that the related Shares to be delivered by Party A will be allocated among such Staggered Settlement Dates as specified by Party A in the notice referred to in clause (i) above and Party B shall pay the Settlement Amount for those Shares on the Nominal Settlement Date.

Set-Off and Netting:

Party A agrees not to set-off or net amounts due from Party B with respect to the Transaction hereunder against amounts due from Party A to Party B under obligations other than Equity Contracts. Section 2(c) of the Agreement as it applies to payments due with respect to the Transaction hereunder shall remain in effect and is not subject to the first sentence of this provision.

Upon the occurrence of an Event of Default or Termination Event with respect to a party who is the Defaulting Party or the Affected Party (X), the other party (Y) will have the right (but not be obliged) without prior notice to X or any other person to set-off or apply any obligation of X under an Equity Contract owed to Y (or any Affiliate of Y) (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation) against any obligation of Y (or any Affiliate of Y) under an Equity Contract owed to X (whether or not matured or contingent and whether or not arising under the Agreement, and regardless of the currency, place of payment or booking office of the obligation). Y will give notice to the other party of any set-off effected under this paragraph.

Equity Contract shall mean for purposes of this paragraph any transaction relating to Shares between X and Y (or any Affiliate of Y) that qualifies as equity under applicable accounting rules.

Amounts (or the relevant portion of such amounts) subject to set-off may be converted by Y into the Termination Currency at the rate of exchange at which such party would be able, acting in a reasonable manner and in good faith, to purchase the relevant amount of such currency.

If any obligation is unascertained, Y may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this section shall be effective to create a charge or other security interest. This section shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other right to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

Equity Rights:

Party A acknowledges and agrees that this Confirmation is not intended to convey to it rights with respect to the Transaction that are senior to the claims of common stockholders in the event of Party B's bankruptcy. For the avoidance of doubt, the parties agree that the preceding sentence shall not apply at any time other than during Party B's bankruptcy to any claim arising as a result of a breach by Party B of any of its obligations under this Confirmation or the Agreement. For the avoidance of doubt, the parties acknowledge that this Confirmation is not secured by any collateral that would otherwise secure the obligations of Party B herein under or pursuant to any other agreement.

No Collateral:

No collateral is required to be posted by Party B in respect of the Transaction.

Bankruptcy Code Provisions:

Each of Party A and Party B agrees and acknowledges that Party A is a swap participant and/or financial participant within the meaning of Sections 101(53C) and 101(22A) of Title 11 of the United States Code (the Bankruptcy Code). The parties hereto further agree and acknowledge (A) that this Confirmation is (i) a securities contract, as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a settlement payment, as such term is defined in Section 741(8) of the Bankruptcy Code, and (ii) a swap agreement, as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a transfer, as such term is defined in Section 101(54) of the Bankruptcy Code, and (B) that Party A is entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code.

Early Unwind:

In the event the sale of the Convertible Notes by the Issuer is not consummated with the Underwriters for any reason, other than as a result of a breach by Party A, by the close of business in New York on May 19, 2008 (or such later date as agreed upon by the parties) (May 19, 2008 or such later date as agreed upon being the Early Unwind Date), the Transaction shall automatically terminate (the Early Unwind), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Party A and Party B under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Party A and Party B represent and acknowledge to the other that upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.

Additional Termination Events:

Notwithstanding anything to the contrary in this Confirmation, (i) upon the occurrence of an Early Conversion:

(A) such Early Conversion shall constitute an Additional Termination Event hereunder with respect to a number of Options equal to the number of the relevant Exercised Options (the Affected Number of Options), in which case (x) the sole Affected Transaction shall consist of a transaction identical to the Transaction except that Number of Options for such Affected Transaction shall equal the Affected Number of Options and Party B shall be deemed the sole Affected Party and (y) the Transaction shall remain in full force and effect, except that the Number of Options subject to the Transaction immediately prior to the Conversion Date for such Early Conversion shall as of such Conversion Date be reduced by the Affected Number of Options;

(B) notwithstanding anything to the contrary in the Agreement, Party A shall designate an Early Termination Date in respect of such Affected Transaction, which shall be no earlier than one Scheduled Trading Day following the Conversion Date for the related Early Conversion; and

(C) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Party B leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to Section 10.04(b) or Section 10.05(h) of the Supplemental Indenture and (z) the corresponding Convertible Notes remain outstanding,

(ii) if there has occurred an event of default with respect to Party B under the terms of the Convertible Notes as set forth in Section 7.01 of the Supplemental Indenture, then such event of default shall constitute an Additional Termination Event applicable to the Transaction and, with respect to such event of default (A) Party B shall be deemed to be the sole Affected Party and the Transaction shall be the sole Affected Transaction and (B) Party A shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement, and

(iii) if Party B amends, modifies, supplements or obtains a waiver in respect of any term of the Supplemental Indenture or the Convertible Notes governing the principal amount, coupon, maturity, repurchase obligation of Party B, redemption right of Party B, any term relating to conversion of the Convertible Notes (including changes to the conversion price, conversion settlement dates or conversion conditions), or any term that would require consent of the holders of not less than 100% of the principal amount of the Convertible Notes to amend, in each case without the prior consent of Party A and such amendment, in Party A's sole discretion, would have a material adverse effect on the ability of Party A or one or more of its affiliates to hedge Party A's obligations pursuant to the Transaction, an Additional Termination Event with respect to the transaction will be deemed to occur, and (A) Party B shall be deemed to be the sole Affected Party and the Transaction shall be the sole Affected Transaction and (B) Party A shall be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement.

Right to Extend:

Party A may extend, for as long as it is reasonably necessary, any Averaging Date, the Expiration Date, the Settlement Date or any other date of delivery by Party A, with respect to some or all of the Options hereunder, if Party A determines, in its commercially reasonable discretion, that such extension is reasonably necessary or appropriate to preserve Party A's hedging or hedge unwind activity hereunder in light of existing liquidity conditions or to enable Party A to effect purchases or sales of Shares in connection with its hedging or settlement activity hereunder in a manner that would, if Party A were Party B or an affiliated purchaser of Party B, be in compliance with applicable legal and regulatory or self-regulatory requirements or with related policies or procedures applicable to Party A.

Registration of Hedge Shares:

Party B hereby agrees that if, in the good faith reasonable judgment of Party A, the Shares (the Hedge Shares) acquired by Party A for the purpose of hedging its obligations pursuant to the Transaction cannot be sold in the U.S. public market by Party A without registration under the Securities Act, Party B shall, at its election: (i) in order to allow Party A to sell the Hedge Shares in a registered offering, make available to Party A an effective registration statement under the Securities Act to cover the resale of such Hedge Shares and (A) enter into an agreement, in form and substance satisfactory to Party A, substantially in the form of an underwriting agreement for a registered offering, (B) provide accountant's comfort letters in customary form for registered offerings of equity securities, (C) provide disclosure opinions of nationally recognized outside counsel to Party B reasonably acceptable to Party A, (D) provide other customary opinions, certificates and closing documents customary in form for registered offerings of equity securities and (E) afford Party A a reasonable opportunity to conduct a due diligence investigation with respect to Party B customary in scope for underwritten offerings of equity securities (*provided, however*, that if Party A, in its sole reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this paragraph shall apply at the election of Party B); (ii) in order to allow Party A to sell the Hedge Shares in a private placement, enter into a private placement agreement substantially similar to private placement purchase agreements customary for private placements of equity securities, in form and substance satisfactory to Party A, including customary representations, covenants, blue sky and other governmental filings and/or registrations, indemnities to Party A, due diligence rights (for Party A or any designated buyer of the Hedge Shares from Party A), opinions and certificates and such other documentation as is customary for private placements agreements, all reasonably acceptable to Party A (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its reasonable judgment, to compensate Party A for any discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement); or (iii) purchase the Hedge Shares from Party A at the VWAP Price on such Exchange Business Days, and in the amounts, as requested by Party A.

Repurchase Notices:

At any time Party B is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, Party B shall, no later than ten Scheduled Trading Days prior to the day on which Party B effects any repurchase of Shares, give Party A a written notice of such repurchase (a Repurchase Notice) on such day if following such repurchase, the Options Equity Percentage as determined on such day is (i) greater than 8.0% and (ii) greater by 0.5% than the Options Equity Percentage included in the immediately preceding Repurchase Notice (or, in the case of the first such Repurchase Notice, greater than the Options Equity Percentage as of the date hereof). The Options Equity Percentage as of any day is the fraction (A) the numerator of which is the Number of Shares and (B) the denominator of which is the number of Shares outstanding on such day. Party B agrees to indemnify and hold harmless Party A and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an Indemnified Person) from and against any and all losses (including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and expenses (including reasonable attorney s fees), joint or several, which an Indemnified Person may become subject to, as a result of Party B s failure to provide Party A with a Repurchase Notice on the day and in the manner specified in this paragraph, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against the Indemnified Person, such Indemnified Person shall promptly notify Party B in writing, and Party B, upon request of the Indemnified Person, shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others Party B may designate in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding. Party B shall not be liable for any settlement of any proceeding effected without its

written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Party B agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Party B shall not, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such proceeding on terms reasonably satisfactory to such Indemnified Person. If the indemnification provided for in this paragraph is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then Party B, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities. The remedies provided for in this paragraph are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity. The indemnity and contribution agreements contained in this paragraph shall remain operative and in full force and effect regardless of the termination of the Transaction.

Additional Notices:

Party B shall provide a written notice to Party A immediately upon becoming aware that Party B is not or will no longer be a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act.

Restrictions on Repurchases:

On any Averaging Date, neither Party B nor any affiliate or affiliated purchaser (each as defined in Rule 10b-18 under the Exchange Act (Rule 10b-18)) shall directly or indirectly (including, without limitation, by means of any cash-settled or other derivative instrument) purchase, offer to purchase, place any bid or limit order that would effect a purchase of, or commence any tender offer relating to, any Shares (or an equivalent interest, including a unit of beneficial interest in a trust or limited partnership or a depository share) or any security convertible into or exchangeable or exercisable for Shares.

Restrictions on Certain Distributions:

During any Averaging Period, the Shares or securities that are convertible into, or exchangeable or exercisable for Shares shall not be subject to a restricted period (as such term is defined in Regulation M) and Party A shall not engage in any distribution (as such term is defined in Regulation M) until the sixth Exchange Business Day immediately following the Averaging Period.

Price on any day means, with respect to ADSs, the closing price per ADS as determined by Borrower in good faith using commercially reasonable terms; *provided* that Borrower shall use commercially reasonable efforts to consult with Lender on such price; and *provided further*, that in determining the Price, Borrower shall not be required to take into account or be bound by any considerations raised by Lender.

Section 2. Loan of ADSs; Transfers of Loaned ADSs.

(a) Subject to the terms and conditions of this Agreement and subject to the closing of the issuance of the Convertible Notes, Lender hereby agrees to issue and loan to Borrower, and Borrower agrees to borrow, on the Initial Closing Date (as defined in the Underwriting Agreement) the Maximum Number of ADSs as of the Initial Closing Date (such issuance and

loan, the Loan). To effect the Loan, Lender agrees to issue 6,562,760 Ordinary Shares to the Depository and deposit share certificates evidencing such Ordinary Shares with The Hongkong and Shanghai Banking Corporation Limited on or prior to the Initial Closing Date and cause the Depository to deliver 6,562,760 ADSs to Borrower's securities account (within the meaning of Section 8-501 of the UCC) maintained with the Clearing Organization, no later than 9:00 a.m., New York City time, on the Initial Closing Date.

(b) Notwithstanding anything to the contrary in this Agreement, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, in no event shall Borrower be entitled to receive, or shall be deemed to receive, any ADSs if, immediately upon giving effect to such receipt of such ADSs, the beneficial ownership (within the meaning of Section 13 of the Exchange Act and the rules promulgated thereunder) of Ordinary Shares by Borrower or any affiliate of Borrower or any other person subject to aggregation with Borrower under Section 13 of the Exchange Act and the rules promulgated thereunder or any group (within the meaning of such Section 13 and rules) of which Borrower is a member (collectively, the Borrower Group) would be equal to or greater than 9.8% or more of the Outstanding Shares. If any delivery owed to Borrower hereunder is not made, in whole or in part, as a result of this provision, Lender's obligation to make such delivery shall not be extinguished and Lender shall make such delivery as promptly as practicable after, but in no event later than one Business Day after, Borrower gives notice to Lender that such delivery would not result in the Borrower Group directly or indirectly so beneficially owning in excess of 9.8% of the Outstanding Shares, as described above; *provided* that Lender shall not be required to deliver any Loaned ADSs after the Loan Availability Period.

Section 3. Collateral.

(a) Borrower shall, no later than 10:00 a.m., New York city time, on the second Business Day immediately following any Credit Downgrade Date, transfer to Collateral Agent, for deposit to the Collateral Account, Collateral with a Market Value at least equal to the Collateral Percentage of the Market Value of the Loaned ADSs as of the close of business on the Business Day immediately preceding such transfer (any such date, a Pledge Date).

(b) Borrower on the Pledge Date pledges with, assigns to, and grants Collateral Agent for the benefit of Lender a continuing first priority security interest in, and a lien upon, the Collateral as security for Borrower's obligations in respect of the Loaned ADSs and for any other obligations of Borrower to Lender hereunder, which shall attach upon the transfer of the Loaned ADSs by Lender to Borrower and which shall cease upon the transfer of the Loaned ADSs by Borrower to Lender, a Credit Upgrade or upon the transfer of such Collateral to Borrower in accordance with the terms of this Agreement.

(c) In addition to the rights and remedies given to Lender hereunder, Lender shall have all the rights and remedies of a secured party under the UCC. To provide for the effectiveness, validity, perfection and priority of Lender's rights as a secured party, Borrower acknowledges that Collateral Agent has obtained control of any financial assets included in the Collateral (or shall have obtained control upon posting of such Collateral pursuant to the terms contained herein) within the meaning of Sections 8-106 and 9-106 of the UCC. Collateral Agent acknowledges that it has control of the Collateral (or shall have control upon posting of such

collateral pursuant to the terms contained herein) on behalf of Lender within the meaning of Section 8-106(d)(1) of the UCC. Notwithstanding anything to the contrary herein, Lender may not use or invest the Collateral and Collateral Agent shall take no instruction from Lender regarding the use or investment of Collateral. Promptly upon the termination of any Pledge Period, the Collateral Agent shall release to Borrower all of the Collateral.

(d) Borrower agrees that if so requested by the Collateral Agent at any time, to promptly execute all documents (including any security agreements and transfers) and do all things (including the delivery, transfer, assignment or payment of all or part of the Collateral to the Collateral Agent or its nominee(s)) that the Collateral Agent may reasonably specify for the purpose of (a) exercising the rights to the Collateral or (b) securing and perfecting its security over or title to all or any part of the Collateral (including transferring the Collateral into the name of the Collateral Agent or its nominee(s)).

(e) Except as otherwise provided herein, upon the transfer to Lender of Loaned ADSs pursuant to Section 6, Collateral Agent shall release to Borrower Collateral with a Market Value equal to the Collateral Percentage of the Market Value of the Loaned ADSs so transferred but only to the extent that immediately following such transfer of Collateral, no Collateral Deficit would exist. Such transfer of Collateral shall be made no later than the Cutoff Time on the day the Loaned ADSs are transferred, or if such day is not a day on which a transfer of such Collateral may be effected under Section 13, or if the transfer of Loaned ADSs by Lender to Borrower occurs after the Cutoff Time on such day, then in each case the next day on which such a transfer may be effected. As promptly as practicable but no later than the Cutoff Time on the second Business Day immediately following the date on which Borrower notified Lender of a Credit Upgrade, the Collateral Agent shall release to Borrower all Collateral.

(f) If Borrower transfers Collateral to Collateral Agent, as provided in this Section 3, and Lender does not transfer (or has not transferred) the Loaned ADSs to Borrower, Borrower shall have the absolute right to the return of such Collateral; and if Lender transfers Loaned ADSs to Borrower and Borrower does not transfer Collateral to Collateral Agent as provided in this Section 3, Lender shall have the absolute right to the return of the Loaned ADSs.

(g) Borrower may, upon notice to Lender and Collateral Agent, substitute Collateral for Collateral securing the Loan; *provided* that such substituted Collateral shall have a Market Value such that the aggregate Market Value of such substituted Collateral, together with all other Collateral, shall equal or exceed the Collateral Percentage of the Market Value of the Loaned ADSs as of the date of such substitution.

(h) Each of the parties to this Agreement hereby agree that Cash and each item within the definition of Non-Cash Items contained in the Collateral Account shall be treated as a financial asset as defined by Section 8-102(a)(9) of the UCC.

(i) Any Collateral deposited in the Collateral Account shall be segregated from all other assets and property of the Collateral Agent, which such segregation may be accomplished by appropriate identification on the books and records of Collateral Agent, as a securities intermediary within the meaning of the UCC. The Securities Intermediary acknowledges that the Collateral Account is maintained for the Collateral Agent and undertakes to treat the

Collateral Agent as entitled to exercise the rights that comprise the Collateral credited to the Collateral Account. For purposes of UCC Section 9301(2), the Collateral Account and the Collateral will reside in New York, New York.

Section 4. Mark to Market.

(a) During any Pledge Period, if at the close of trading on any Business Day during the Loan Availability Period the aggregate Market Value of all Collateral shall be less than the Collateral Percentage of the Market Value of all the outstanding Loaned ADSs (a Collateral Deficit), Lender may, by notice to Borrower and Collateral Agent, demand that Borrower transfer to Collateral Agent, for deposit to the Collateral Account, no later than the following Business Day, additional Collateral so that the Market Value of such additional Collateral, when added to the Market Value of all other Collateral, shall equal or exceed the Collateral Percentage of the Market Value of the Loaned ADSs on such Business Day of determination.

(b) During any Pledge Period, if at the close of trading on any Business Day during the Loan Availability Period the aggregate Market Value of all Collateral shall be greater than the Collateral Percentage of the Market Value of all the outstanding Loaned ADSs (a Collateral Excess), Borrower may, by notice to Lender and Collateral Agent, demand that Collateral Agent transfer to Borrower such amount of the Collateral selected by Borrower so that the Market Value of the Collateral, after deduction of such amounts, shall thereupon be at least equal to the Collateral Percentage of the Market Value of the Loaned ADSs on such Business Day of determination; *provided* however that with respect to clauses (a) and (b) of this Section 4, the Collateral Agent will promptly give Lender a statement setting forth the Market Value of all Collateral upon Lender's request and Lender shall have the right to audit the Market Value of all Collateral.

(c) Notwithstanding the foregoing, with respect to the Loan secured by Collateral, the respective rights of Lender and Borrower under Section 4(a) and Section 4(b) may be exercised only where a Collateral Excess or Collateral Deficit exceeds 5% of the Market Value of the Loaned ADSs.

Section 5. Fees.

(a) Borrower agrees to pay Lender a single loan fee per Loan (a Loan Fee) equal to (x) \$0.0001 per Loaned ADS, which is equal to the par value of the Ordinary Shares underlying each Loaned ADS, plus (y) \$1.00. The Loan Fee shall be paid by Borrower through the facilities of the Clearing Organization against delivery of Loaned ADSs pursuant to Section 2(b) above or in such other manner as agreed between Lender and Borrower.

(b) Lender agrees to pay all fees and expenses of the Depository in connection with the Loan, including without limitation, in connection with the deposit or issuance of the Ordinary Shares underlying the Loaned ADSs and the withdrawal of such Ordinary Shares.

Section 6. Loan Terminations.

(a) Borrower may terminate all or any portion of the Loan on any Business Day by giving written notice thereof to Lender and transferring the corresponding number of Loaned

ADSs to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(b) Subject to Section 12 below, the Loan, if still outstanding, on the last day of the Loan Availability Period shall terminate on the first Business Day following the date on which this Agreement terminates pursuant to Section 16 (the Facility Termination Date) and all outstanding Loaned ADSs shall be delivered by Borrower to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower, no later than the fifth Business Day following the Facility Termination Date. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(c) Subject to Section 12 below, if the Loan is terminated upon the occurrence of a Default as set forth in Section 11, the Loaned ADSs shall be delivered by Borrower to the Depositary for cancellation (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned), without any consideration being payable in respect thereof by Lender to Borrower, no later than the third Business Day following the termination date of the Loan as provided in Section 11. Lender shall immediately notify Borrower upon receipt of Ordinary Shares underlying the Loaned ADSs released by the Depositary.

(d) Subject to Section 12 below, if the number of Loaned ADSs exceeds the Maximum Number of ADSs, then such number of Loaned ADSs in excess of the Maximum Number of ADSs shall be transferred by Borrower to the Depositary (with written instructions to the Depositary to release the Ordinary Shares underlying the Loaned ADSs being returned) without any consideration being payable in respect thereof by Lender to Borrower, no later than the fifth Business Day following the occurrence of such adjustment.

(e) For the avoidance of doubt, all obligations of Borrower hereunder to Lender in respect of the relevant Loaned ADSs shall be satisfied upon Borrower's surrender of such Loaned ADSs to the Depositary pursuant to Section 6(a), 6(b), 6(c) or 6(d), as the case may be.

Section 7. Distributions.

(a) If at any time when there are Loaned ADSs outstanding under this Agreement, Lender pays a cash dividend or makes a cash or other distribution in respect of its Ordinary Shares with the result that, through the Depositary, a cash distribution is made to all of the then holders of ADSs pursuant to the Deposit Agreement, Borrower shall pay to Lender (whether or not Borrower is a holder of any or all of the outstanding Loaned ADSs), within three Business Days after the payment of such dividend or distribution, an amount in cash (in the same currency as received by holders of Loaned ADSs from the Depositary) equal to the product of (i) the amount per ADS of such dividend or distribution (net of any fees and expenses of the Depositary and any applicable withholdings or deductions on account of taxes or other governmental charges) and (ii) the number of Loaned ADSs outstanding on the record date on which the dividend or distribution was paid.

(b) If at any time when there are Loaned ADSs outstanding under this Agreement, Lender, through the Depositary, makes a distribution in respect of all of its outstanding ADSs (other than a distribution upon liquidation or a reorganization in bankruptcy) in property or securities, including any options, warrants, rights or privileges in respect of securities (other than a distribution of ADSs, but including any options, warrants, rights or privileges exercisable for, convertible into or exchangeable for ADSs or Ordinary Shares or other securities of any other entity) to the then holder or holders of such Loaned ADSs pursuant to the Deposit Agreement (a Non-Cash Distribution), Borrower shall deliver to Lender (whether or not Borrower is a holder of any or all of the outstanding Loaned ADSs) in kind, within three Business Days after the delivery date of such Non-Cash Distribution, the property or securities so distributed in an amount (the Delivery Amount) equal to the product of (i) the amount per ADS of such Non-Cash Distribution and (ii) the number of Loaned ADSs outstanding on the record date on which such Non-Cash Distribution was made; *provided* that in lieu of such delivery, Borrower may, with the prior written consent of Lender not to be unreasonably withheld or delayed, deliver to Lender an amount of cash equal to the market value of the Delivery Amount, as determined by Borrower in good faith using commercially reasonable means.

(c) Notwithstanding anything else to the contrary in this Agreement, if Borrower or any of its affiliates determines in good faith that any payment (in cash or in kind) by Borrower or any of its affiliates under this Agreement is subject to withholding tax or reduction under applicable law, such payment may be reduced by such withholding or reduction. Any amount withheld in accordance with this Section 7(c) shall be promptly remitted to the appropriate taxing authority, and such remittance shall be treated for purposes of this Agreement as a payment made to the party on whose behalf such amounts were withheld. If Borrower or any of its affiliates is required to deduct or withhold from any payment hereunder, and does not so deduct or withhold, but such withholding or reduction is assessed directly against Borrower or any of its affiliates, then, except to the extent Lender has satisfied or then satisfies the liability resulting from such withholding or deduction, Lender shall promptly pay to Borrower the amount of such liability (including any related interest and penalties).

(d) Any interest, cash distribution or cash dividend made on or in respect of any Collateral for the Loan hereunder shall, subject to (f) below, be delivered by the Collateral Agent to Borrower, on the date such interest, cash distribution or cash dividend is received by the Collateral Agent.

(e) Any Non-Cash Distributions or dividend made on or in respect of any Collateral for the Loan hereunder shall, subject to (f) below, be delivered by the Collateral Agent to Borrower on the date such Non-Cash Distribution or dividend is received by the Collateral Agent.

(f) If the cash or other property received by the Collateral Agent under the provisions of clauses (d) or (e) of this Section 7 qualifies as Collateral, to the extent that a transfer of such cash or other property to Borrower by the Collateral Agent would give rise to a Collateral Deficit, the Collateral Agent shall (only to the extent of any such Collateral Deficit) not make

such transfer of cash or other property in accordance with this Section 7, but shall in lieu of such transfer immediately credit the amounts that would otherwise have been transferable under this Section 7 to the Collateral Account.

Section 8. Rights in Respect of Loaned ADSs.

Except as otherwise provided in this Agreement, and except as otherwise agreed by Borrower and Lender, Borrower, insofar as it is the record owner of Loaned ADSs, shall have all of the incidents of ownership in respect of any such Loaned ADSs until such Loaned ADSs are required to be delivered to Lender in accordance with the terms of this Agreement, including the right to transfer the Loaned ADSs to others. Borrower agrees that it or any of its affiliates that are the record owner of any Loaned ADSs will not vote or provide any consent or take any similar action with respect to such Loaned ADSs on any matter submitted to a vote of Lender's shareholders.

Section 9. Representations and Warranties.

(a) Each of Borrower and Lender represent and warrant to the other that:

(i) it has full power to execute and deliver this Agreement, to enter into the Loan contemplated hereby and to perform its obligations hereunder;

(ii) it has taken all necessary action to authorize such execution, delivery and performance;

(iii) this Agreement constitutes its legal, valid and binding obligation enforceable against it in accordance with its terms; and

(iv) the execution, delivery and performance of this Agreement does not and will not violate, contravene, or constitute a default under, (A) its constitutive documents, bylaws or other governing documents, (B) any laws, rules or regulations of any governmental authority to which it is subject, (C) any contracts, agreements or instrument to which it is a party or (D) any judgment, injunction, order or decree by which it is bound.

(b) Lender represents and warrants to Borrower, as of the date hereof and as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, that the Loaned ADSs and all other outstanding ADSs of Lender have been duly authorized and, upon the issuance and delivery of the Loaned ADSs to Borrower in accordance with the terms and conditions hereof, and subject to the contemporaneous or prior receipt of the applicable Loan Fee by Lender, the Loaned ADSs and will conform to the description thereof in any prospectus or prospectus supplement prepared by or on behalf of Lender relating to any sale of Loaned ADSs by Borrower or its affiliates; and the holders of the Ordinary Shares and the holders of ADSs have no preemptive rights with respect to the Loaned ADSs.

(c) Lender represents and warrants to Borrower, as of the date hereof, and as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, that the outstanding ADSs are listed on the Exchange.

(d) Lender represents and warrants to Borrower, as of the date any Loaned ADSs are transferred to Borrower in respect of the Loan, (i) Lender is not and will not be rendered as a result of such transfers, insolvent (as such term is defined under Section 101(32) of Title 11 of the United States Code (the Bankruptcy Code)), (ii) Lender is not engaged in, and is not about to engage in, a business or transaction for which it has unreasonably small capital, (iii) Lender does not intend to incur, and does not believe it would incur, debts beyond its ability to pay as such debts mature, and (iv) Borrower would be able to purchase the Maximum Number of ADSs in compliance with the corporate law of Lender's jurisdiction of incorporation.

(e) Lender represents and warrants to Borrower that the Deposit Agreement has been duly authorized, executed and delivered by Lender, and constitutes a valid and legally binding agreement of Lender, enforceable in accordance with its terms, subject, as to enforceability, to bankruptcy, insolvency, reorganization and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles; upon the deposit of Ordinary Shares in respect thereof in accordance with the provisions of the Deposit Agreement and the issuance by the Depositary of ADRs evidencing ADSs, such ADRs will be duly and validly issued and the persons in whose names the ADRs are registered will be entitled to the rights specified therein and in the Deposit Agreement.

(f) Lender represents to Borrower that for United States tax purposes it is a foreign corporation within the meaning of Section 7701(a) of the U.S. Internal Revenue Code of 1986, as amended.

(g) Borrower represents to Lender that it shall have at the time of transfer of Collateral to the Collateral Agent, the right to grant to Collateral Agent, and that Collateral Agent shall acquire, a continuing first priority security interest in the Collateral, if any.

(h) The representations and warranties of Borrower and Lender under this Section 9 shall remain in full force and effect at all times during the term of this Agreement and shall survive the termination for any reason of this Agreement.

Section 10. Covenants.

(a) Borrower covenants and agrees with Lender that it will not transfer or dispose of any Loaned ADSs initially transferred to Borrower by Lender in respect of the Loan of which it is the record owner except pursuant to a registration statement that is effective under the Securities Act; *provided* that Borrower may transfer any such Loaned ADSs to any of its affiliates without a registration statement so long as such affiliate transferee does not transfer or dispose of such Loaned ADSs to any non-affiliated transferee except pursuant to a registration statement that is effective under the Securities Act. For the avoidance of doubt, Lender agrees that the foregoing covenant in this clause (a) does not apply to the transfer or disposition of any ADSs acquired by Borrower in the open market.

(b) Each of Borrower and Lender agrees and acknowledges that Borrower has represented to Lender that it is a financial institution, swap participant and/or financial participant within the meaning of Sections 101(22), 101(53C) and 101(22A) of the Bankruptcy Code. The parties hereto further agree and acknowledge (A) that each Loan under this

Agreement is intended to be (i) a securities contract, as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a settlement payment, as such term is defined in Section 741(8) of the Bankruptcy Code, and (ii) a swap agreement as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder is a transfer, as such term is defined Section 101(54) of the Bankruptcy Code, and (B) that it is intended that Borrower shall be entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code.

(c) Upon the request of Borrower, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, including at the time the Loan is initiated, Lender shall promptly provide Borrower a written confirmation of its Outstanding Shares as of the date of such request. The Outstanding Shares as of any day is the number of ADSs outstanding on such day, including all outstanding Loaned ADSs; *provided* that as of any date, for purposes of calculating Outstanding Shares as of the date of the request, such number shall be adjusted as set forth in clauses (a) and (b) of the definition of Maximum Number of ADSs above, to the same extent ADSs are adjusted therein, and only to the extent that any of the events listed in such clauses (a) and (b) have occurred between the date of the immediately preceding request and such date.

(d) Lender shall, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, no less than 10 Business Days prior to any day on which Lender effects any repurchase of ADSs or Ordinary Shares underlying the ADSs, give Borrower a written notice of its Outstanding Shares taking into account such repurchase (a Repurchase Notice) if, following such repurchase the Outstanding Shares shall have decreased by more than 0.5% since the immediately preceding Repurchase Notice (or, in the case of the first such Repurchase Notice, the Outstanding Shares as of the date hereof).

(e) Lender shall provide to Borrower an IRS Form W-8BEN prior to the initial payment by Borrower to Lender hereunder and from time to time after the initial delivery whenever a lapse in time or change in circumstances renders such form obsolete or inaccurate in any material respect.

(f) Lender will provide a written notice to Borrower immediately upon becoming aware that Lender is not or will no longer be a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act.

Section 11. Events of Default.

(a) The Loan may, at the option of Lender by a written notice to Borrower, which option shall be deemed exercised even if no notice is given immediately on the occurrence of an event specified in Section 11(a)(iv) or Section 11(a)(v) below, be terminated (i) immediately on the occurrence of any of the events set forth in Section 11(a)(iv) or Section 11(a)(v) below and (ii) two Business Days following such notice on the occurrence of any of the other events set forth below (each, a Default):

(i) Borrower fails to deliver Loaned ADSs as required by Section 6;

(ii) Borrower fails to deliver or pay to Lender when due any cash, securities or other property as required by Section 7;

(iii) Borrower fails to transfer Collateral when due as required by Section 3 or Section 4;

(iv) the filing by or on behalf of Borrower of a voluntary petition or an answer seeking reorganization, arrangement, readjustment of its debts or for any other relief under any bankruptcy, reorganization, receivership, compromise, arrangement, insolvency, readjustment of debt, dissolution, moratorium, delinquency, winding-up or liquidation or similar act or law, of any state, federal or other applicable foreign jurisdictions, now or hereafter existing (Bankruptcy Law), or any action by Borrower for, or consent or acquiescence to, the appointment of a receiver, trustee, custodian or similar official of Borrower, or of all or a substantial part of its property; or the making by Borrower of a general assignment for the benefit of creditors; or the admission by Borrower in writing of its inability to pay its debts as they become due;

(v) the filing of any involuntary petition against Borrower in bankruptcy or seeking reorganization, arrangement, readjustment of its debts or for any other relief under any Bankruptcy Law and an order for relief by a court having jurisdiction in the premises shall have been issued or entered therein; or any other similar relief shall be granted under any applicable federal or state law or law of any other applicable foreign jurisdictions; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee or other officer having similar powers over Borrower or over all or a part of its property shall have been entered; or the involuntary appointment of an interim receiver, trustee or other custodian of Borrower or of all or a substantial part of its property or the issuance of a warrant of attachment, execution or similar process against any substantial part of the property of Borrower; and continuance of any such event for 30 consecutive calendar days unless dismissed, bonded to the satisfaction of the court having jurisdiction in the premises or discharged;

(vi) Borrower fails to provide any indemnity as required by Section 14; or

(vii) any representation made by Borrower under this Agreement in connection with the Loan shall be incorrect or untrue in any material respect during the term of the Loan or Borrower fails to comply in any material respect with any of its covenants under this Agreement.

Section 12. Right to Extend; Lender's Remedies.

(a) Notwithstanding anything to the contrary herein, if all or a portion of the Loan terminates pursuant to Section 6 and, on the date on which the related Loaned ADSs are due to Lender, the purchase or borrow of ADSs in an amount equal to all or any portion of the number of Loaned ADSs to be delivered in accordance with Section 6 shall (A) be prohibited by any law, rules or regulation of any governmental authority to which it is or would be subject (including rules or codes of conduct generally applicable to members of any self regulatory organization of which Borrower is a member or to the regulation of which it is subject (whether or not such rules

or codes of conduct are imposed by law or have been voluntarily adopted by Borrower) or would be inadvisable if Borrower or its affiliate were to effect such purchases of Loaned ADSs as if Borrower or its affiliate, as the case may be, were Lender or an affiliated purchaser of Lender while remaining in compliance with such law, rules, regulations or codes of conduct, (B) violate, or would upon such purchase or borrow likely violate, any order or prohibition of any court, tribunal or other governmental authority, (C) require the prior consent of any court, tribunal or governmental authority prior to any such repurchase, (D) subject Borrower or its affiliate making such repurchase or borrow, in its commercially reasonable judgment exercised in good faith, to any liability or potential liability under any applicable federal securities laws (including, without limitation, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, Section 16 of the Exchange Act), or (E) be commercially impracticable, in the reasonable judgment of Borrower, in the time period required by Section 6 (each of (A), (B), (C), (D) and (E), a Legal Obstacle), then, in each case, Borrower shall immediately notify Lender of the Legal Obstacle and the basis therefor, whereupon Borrower's obligations under Section 6 shall be suspended until such time as no Legal Obstacle with respect to such obligations shall exist (a Repayment Suspension). Following the occurrence of and during the continuation of any Repayment Suspension, Borrower and Borrowing Agent shall use their commercially reasonable efforts to remove or cure the Legal Obstacle as soon as reasonably practicable; *provided* that Lender shall promptly reimburse all costs and expenses (including of legal counsel to Borrower) incurred, or, at Borrower's election, provide adequate surety or guarantee for any such costs and expenses that may be incurred, by Borrower, in each case in removing or curing any Legal Obstacle described in Clause (A), (B), (C) or (D) immediately above. Notwithstanding anything else in this Agreement, at any time Lender is not a foreign private issuer, as such term is defined in Rule 3b-4 under the Exchange Act, if as a result of complying with Section 6, the Borrower Group would beneficially own more than 9.0% of the Outstanding Shares, then Borrower shall be permitted to extend the delivery due date for all or a portion of the corresponding delivery obligation to permit Borrower to return, as promptly as reasonably practicable but subject to applicable law, regulation or policy, such Loaned ADSs through one transaction or a series of transactions without causing the Borrower Group to become, directly or indirectly, a beneficial owner of more than 9.0% of the Outstanding Shares at such time. If Borrower is unable to remove or cure the Legal Obstacle within 20 Business Days of the termination of the Loan by Lender under Section 11 or the termination of the Loan under Section 6(b), then Borrower shall, upon the written request of Lender, pay to Lender, in lieu of the delivery of Loaned ADSs in accordance with Section 6, an amount in immediately available funds (the Replacement Cash) equal to the product of the Price and the number of Loaned ADSs otherwise required to be delivered. Such payment will be made by Borrower, and Borrower shall notify Lender of the Price and expected date of such payment, as soon as practicable after the determination of the Price by Borrower pursuant to the terms of this Agreement. Borrower may also direct the Collateral Agent to deliver to Lender any Collateral held by the Collateral Agent in respect of the Loan so terminated and, to the extent the Market Value of any such Collateral delivered to Lender is less than the required amount of Replacement Cash, pay to Lender such difference in immediately available funds. Any Collateral in respect of the Loan so terminated that is not so delivered to Lender pursuant to this clause shall, upon payment in full of the Replacement Cash to Lender, be immediately delivered by Collateral Agent to Borrower.

(b) Upon the termination of the Loan by Lender under Section 11, Borrower may, with the prior consent of Lender (which consent may be withheld at Lender's sole discretion), in lieu of the delivery of Loaned ADSs in accordance with Section 6(c) pay to Lender, Replacement Cash equal to the product of the Price and the number of Loaned ADSs otherwise required to be delivered. Such payment will be made by Borrower, and Borrower shall notify Lender of the Price and expected date of such payment, as soon as practicable after the determination of the Price by Borrower pursuant to the terms of this Agreement.
