**Item 8.01. Other Events**

As previously disclosed in the Company's Form 10-K for the fiscal year ended January 31, 2008, filed with the Securities and Exchange Commission (SEC) on April 15, 2008, a proposed settlement (the Settlement) has been reached between the parties in the stockholder derivative litigation filed in the Superior Court of the State of California, Alameda County (Case Number RG06288009) against various officers and directors of the Company and naming the Company as a nominal defendant (the Litigation). The Litigation was brought derivatively on behalf of the Company to recover damages allegedly caused to the Company by the individual defendants. The complaints in the Litigation asserted causes of action for accounting; breach of fiduciary duty; restitution/unjust enrichment; rescission; and violation of California Corporations Code § 25402 in connection with the Company's historical stock option practices and accounting therefore.

The full terms and conditions of the proposed settlement (the Settlement) are set forth in the Stipulation of Settlement, which the parties to the Litigation executed on April 2, 2008 (the Stipulation) and a copy of which is on file with the Court. On May 9, 2008, the Court gave its preliminary approval to the Settlement, and the Court scheduled a final settlement hearing for August 1, 2008 at 11:00 a.m. to determine whether the proposed Settlement is fair, reasonable and adequate, whether judgment should be entered giving final approval to the Settlement and dismissing the Litigation with prejudice, and whether the application of Plaintiffs' counsel for an award of attorneys' fees and reimbursement of expenses should be granted. In accordance with the Court's preliminary approval order of May 9, 2008, on May 23, 2008 the Company mailed a Notice of Proposed Settlement of Shareholder Derivative Action and Hearing Thereon to its stockholders of record as of May 9, 2008, a copy of which is attached hereto as Exhibit 99.1.
