On June 25, 2008, as reported by the Issuer on a Current Report on Form 8-K dated June 26, 2008, the Issuer issued and sold (i) \$150 million aggregate principal amount of its 9.00% Convertible Senior Notes due 2038 and (ii) \$150 million in aggregate liquidation preference of its 9.75% Non-Cumulative Convertible Preference Shares, Series B. As a result of the issuance of these securities, the Issuer agreed (a) to pay to JCF Fund II and its affiliates on the Closing Date, in the form of a reduction of the amount otherwise payable by JCF Fund II and its affiliates on such date, Make-Whole Payments (including an amount in respect of the overall terms on which these other securities were issued) in an aggregate amount of \$36.3 million

(the July Make-Whole Amount ) and (b) to increase the dividend rate on the Series A Preference Shares held by JCF Fund II or its affiliates to 10.725% (the July Incremental Dividend Adjustment ). These matters were memorialized in letter agreements between the Issuer and JCF Fund II dated June 27, 2008 (the June Letter Agreement ) and July 17, 2008 (the July Letter Agreement ).

On July 18, 2008 (the Closing Date ), pursuant to the Amended Investment Agreement, (i) JCF Fund II paid an aggregate purchase price of \$106,729,100 to acquire 1,067,291 Series A Preference Shares, (ii) JCF Fund II-A paid an aggregate purchase price of \$6,732,200 to acquire 67,322 Series A Preference Shares, (iii) JCF Fund II-B paid an aggregate purchase price of \$6,538,700 to acquire 65,387 Series A Preference Shares and (iv) FSO paid an aggregate purchase price of \$30,000,000 to acquire 300,000 Series A Preference Shares.

Such purchase price amounts were funded by (i) funds obtained from the respective JCF Fund s equity partners pursuant to commitments made by such equity partners for the purpose of making private equity and related investments, (ii) the Commitment Fee, and (iii) the July Make-Whole Amount.

The foregoing description of the Investment Agreement, the Amendment, the June Letter Agreement or the July Letter Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of such agreements, copies of which are attached as Exhibit 7.01, Exhibit 7.02, Exhibit 7.03 and Exhibit 7.04, respectively, to this Statement, and which are incorporated herein by reference.

#### **Item 4. Purpose of Transaction**

As described more fully above, pursuant to the terms of the Amended Investment Agreement, on the Closing Date, the JCF Funds purchased a total of 1,500,000 Series A Preference Shares (the Purchase ).

The JCF Funds acquired the Series A Preference Shares because of the belief that the Series A Preference Shares represent an attractive investment. The Reporting Persons beneficially own the Series A Preference Shares for investment purposes.

On the Closing Date, the Issuer filed a current report on Form 8-K stating that the Purchase had closed. The Issuer stated therein that the net proceeds from the Purchase were used to repay a portion of the Issuer s bridge loan facility pursuant to its capital plan. The Purchase and the Amended Investment Agreement did or may result in one or more of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D promulgated under the Exchange Act, including the acquisition or disposition of additional securities of the Issuer, a change to the present board of directors of the Issuer or a change to the present capitalization or dividend policy of the Issuer, as briefly described below.

The responses set forth in Item 3 are incorporated by reference in their entirety.

#### *Amended Investment Agreement*

Pursuant to the terms of the Amended Investment Agreement, JCF Fund II has designated Mr. David Schamis to be appointed to the board of directors of the Issuer and the

Issuer is obligated to take all corporate and other actions necessary, including increasing the size of the board of directors of the Issuer, as applicable, to appoint Mr. Schamis to the board of directors of the Issuer promptly following the Issuer's annual meeting of its members currently scheduled for the date hereof. Subject to certain share ownership requirements described in the Amended Investment Agreement, the Issuer will be required to take all corporate and other actions necessary, including increasing the size of the board of directors of the Issuer, as applicable, to nominate up to two directors designated by JCF Fund II at each annual meeting of its members after the annual meeting currently scheduled for the date hereof and to use its reasonable best efforts to cause such nominees to be elected.

*Series A Preference Shares*

The Series A Series A Preference Shares held by the JCF Funds are convertible at any time (as described in Section 7 of the Certificate of Designations) at an initial conversion rate of 8 shares of Common Stock per Preference Share (subject to adjustment). In connection with any conversion, the holders of the Series A Preference Shares are entitled to receive any accumulated, unpaid dividends on the Series A Preference Shares.

As set forth in the Certificate of Designations, dividends on the Series A Preference Shares are payable quarterly, on a cumulative basis, if, as and when declared by the Issuer's board of directors out of legally available funds, commencing with the dividend period relating to the dividend payment date on August 15, 2008, at an annual rate of 6% of the liquidation preference of the Series A Preference Shares (as adjusted by the July Incremental Dividend Adjustment and any additional Incremental Dividend Adjustments with respect to the Series A Preference Shares beneficially owned by JCF Fund II and its affiliates). Holders of the Series A Preference Shares are entitled to participate in any dividends (other than dividends in shares of Common Stock) paid on the shares of Common Stock, on an as-converted basis. The Issuer may pay quarterly dividends in the form of cash or shares of Common Stock (valued at 95% of the then-current market value), at its option. Dividends that are not declared and paid accumulate and accrue dividends at the annual rate of 6% (as adjusted by the July Incremental Dividend Adjustment and any additional Incremental Dividend Adjustments with respect to the Series A Preference Shares beneficially owned by JCF Fund II and its affiliates). The Issuer is prohibited from paying any dividend with respect to shares of Common Stock and from repurchasing or redeeming shares of Common Stock or other junior securities, subject to certain exceptions, unless full accumulated dividends are paid on the Series A Preference Shares.

Holders of the Series A Preference Shares are entitled to vote with the holders of Common Stock on all matters submitted to a vote of the holders of Common Stock, which includes the right to vote for the election of directors at any annual meeting, voting together with the common shareholders as a single class on an as-converted basis. Holders of the Series A Preference Shares are also entitled to vote, to the exclusion of the holders of Common Stock, on certain matters that affect the rights and privileges of the Series A Preference Shares. Holders of the Series A Preference Shares have the right, together with other parity securities having similar voting rights, to elect two directors if dividends have not been paid in full for six quarterly dividend periods.

In the event of any liquidation, dissolution or winding up of the Issuer, the holders of Series A Preference Shares will have the right to receive a liquidation distribution out of any assets available for distribution after payments to creditors, and before any distribution in

respect of shares of Common Stock, in an amount equal to the greater of (1) the liquidation preference amount (\$100 per share plus accumulated and unpaid dividends) and (2) the amount such holders would receive if they had converted their Series A Preference Shares into common shares prior to liquidation.

The foregoing description of the Certificate of Designations is not intended to be complete and is qualified in its entirety by reference to the full text of the Certificate of Designations, a copy of which is attached as Exhibit 7.05 to this Statement, and which is incorporated herein by reference.

#### *Registration Rights Agreement*

On the Closing Date, the Issuer entered into a Registration Rights Agreement (the Registration Rights Agreement ), with JCF Fund II, with respect to the Series A Preference Shares beneficially owned by the Reporting Persons, the shares of Common Stock into which such Preference Shares may be converted and the shares of Common Stock issued by the Issuer upon payment of dividends in respect of such Preference Shares (collectively, the Registrable JCF Securities ). Under the Registration Rights Agreement, the Issuer has agreed, subject to certain exceptions, upon JCF Fund II's request, to file registration statements to cover the resale of the Registrable JCF Securities. The Registration Rights Agreement also entitles JCF Fund II to register the Registrable JCF Securities if the Issuer files registration statements to register shares of Common Stock or any other of the Issuer's securities, either on its own accord or at the request of another holder.

The foregoing description of the Registration Rights Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is attached as Exhibit 7.06 to this Statement, and which is incorporated herein by reference.
