NEWS RELEASE

Agrium commences exchange offer to acquire CF Industries

March 16, 2009 ALL AMOUNTS ARE STATED IN U.S.\$

CALGARY, Alberta Agrium Inc. (TSX and NYSE: AGU) today announced that it has commenced an exchange offer for all of the outstanding shares of CF Industries Holdings, Inc. (NYSE: CF) (the Offer). Under the terms of the Offer, CF stockholders would receive \$31.70 in cash and 1.0 common share of Agrium for each CF share. Alternatively, CF stockholders have the option of electing to receive for each CF share either 1.7866 common shares of Agrium or \$72.00 in cash, subject to proration. In the aggregate, not more than 44% of the shares tendered will be exchanged for cash and not more than 56% of the shares tendered will be exchanged for Agrium common shares. The Offer and withdrawal rights will expire at 12:00 midnight New York City time on May 19, 2009, unless extended.

CF's refusal to engage in discussions with Agrium left us with no choice but to take our offer directly to CF stockholders. We believe CF's restructuring of its offer for Terra to circumvent a vote by its own stockholders highlights their belief that CF would lose a stockholder vote and demonstrates a disregard for the rights of their stockholders, said Agrium President and CEO Mike Wilson.

We believe the Agrium offer is a far superior alternative for CF stockholders as they receive a premium rather than pay a premium to Terra stockholders. We are committed to this compelling combination and urge CF stockholders to send a message to the CF Board by tendering their shares into the Agrium Offer. We would be prepared to increase our offer to reflect additional value that the CF Board and management can demonstrate arising from the combination of our two companies.

The Offer is not subject to a financing condition. Agrium has sufficient cash resources and committed financing underwritten by Royal Bank of Canada and The Bank of Nova Scotia to fund the cash portion of the Offer. The Offer is subject to certain conditions described in the offer to exchange.

RBC Capital Markets is acting as dealer manager; Paul, Weiss, Rifkind, Wharton & Garrison LLP and Blake, Cassels & Graydon LLP as legal counsel; and Georgeson Inc. as information agent in connection with the Offer.

Stockholder questions regarding the exchange offer or requests for offering materials should be directed to Agrium's information agent for the exchange offer, Georgeson Inc., toll-free at (866) 318-0506. Offering materials are also available on the SEC's web site at www.sec.gov. CF stockholders are urged to read the offering materials filed by Agrium, which contain important information about the Offer. All information in this press release concerning CF, including its business, operations and financial results, was obtained from public sources. While Agrium has no knowledge that any such information is inaccurate or incomplete, Agrium has not had the opportunity to verify any of that information.

Forward-Looking Statements

Certain statements and other information included in this press release constitute forward-looking information within the meaning of applicable Canadian securities legislation or constitute forward-looking statements (together, forward-looking statements). All statements in this press release, other than those relating to historical information or current condition, are forward-looking statements, including, but not limited to, estimates, forecasts and statements as to management's expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to future operations following the proposed acquisition of CF. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such forward-looking statements.

Events or circumstances that could cause actual results to differ materially from those in the forward-looking statements, include, but are not limited to, CF's failure to accept Agrium's proposal and enter into a definitive agreement to effect the transaction, Agrium common shares issued in connection with the proposed acquisition may have a market value lower than expected, the businesses of Agrium and CF, or any other recent business acquisitions, may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the expected combination benefits and synergies and costs savings from the Agrium/CF transaction may not be fully realized or not realized within the expected time frame, the possible delay in the completion of the steps required to be taken for the eventual combination of the two companies, including the possibility that approvals or clearances required to be obtained from regulatory and other agencies and bodies will not be obtained in a timely manner, disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees and suppliers, general business and economic conditions, interest rates, exchange rates and tax rates, weather conditions, crop prices, the supply, demand and price level for our major products, gas prices and gas availability, operating rates and production costs, domestic fertilizer consumption and any changes in government policy in key agriculture markets, including the application of price controls and tariffs on fertilizers and the availability of subsidies or changes in their amounts, changes in development plans, construction progress, political risks, including civil unrest, actions by armed groups or conflict, governmental and regulatory requirements and actions by governmental authorities, including changes in government policy, changes in environmental, tax and other laws or regulations and the interpretation thereof and other risk factors detailed from time to time in Agrium and CF's reports filed with the SEC.

Agrium disclaims any intention or obligation to update or revise any forward-looking statements in this press release as a result of new information or future events, except as may be required under applicable U.S. federal securities laws or applicable Canadian securities legislation.

These forward-looking statements are based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. Expected future developments are based, in part, upon assumptions respecting our ability to successfully integrate the businesses of Agrium and CF, or any other recent acquisitions.

All of the forward-looking statements contained herein are qualified by these cautionary statements and by the assumptions that are stated or inherent in such forward-looking statements. Although we believe these assumptions are reasonable, undue reliance should not be placed on these assumptions and such forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include, but are not limited to, CF's acceptance of Agrium's proposal and the entering into of a definitive agreement to effect the proposed transaction, the market value of Agrium common shares issued in connection with the proposed acquisition, our ability to successfully integrate within expected time frames and costs, and realize the expected combination benefits and synergies and costs savings from, the combination of the businesses of Agrium and CF, or any other recent business acquisitions, and our ability to maintain relationships with customers, employees and suppliers during the course of the proposed transaction.
