ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

Worldwide Incentive Compensation Program for the 2010 Fiscal Year (ICP); Criteria for Payout.

On March 26, 2009, the Compensation Committee adopted the Company's ICP. Named executive officers (other than those who receive commission-based incentive compensation) will participate in the ICP to the same extent as all other eligible employees. Under the terms of the ICP, employees who are eligible to participate are eligible to receive cash incentive awards on a semi-annual basis, based on the Company's and the individual employee's performance. Target awards are set at a percentage of a participant's annual salary.

The level of achievement of Wind River's company-wide performance goal for each semi-annual period in FY10 will determine the funding level of the bonus pool for each semi-annual period. The Compensation Committee determined that Company performance will be based upon achieving targeted levels of semi-annual earnings per share on a non-GAAP basis (calculated by adjusting GAAP net income/(loss) per share to exclude certain items such as stock-based compensation, amortization of purchased and other intangibles and the tax effects of these non-GAAP adjustments).

The target bonus percentages for FY10 for our principal executive officer, our principal financial officer and our other named executive officers that are eligible to participate in the ICP remain unchanged from FY09.

The Compensation Committee retains the discretion to amend any aspect of the ICP, including the amounts of the bonus pool, the applicable formulas and the payout percentages. Management does not have discretion to change any of these aspects of the ICP.
