As discussed in the news release attached hereto as Exhibit 99.1, on June 28, 2010, the Board of Directors ( Board ) of Kansas City Southern (the Company ) appointed Michael R. Haverty, age 66, as Executive Chairman of the Company and David R. Starling, age 60, as President and Chief Executive Officer. Each of these appointments is effective August 1, 2010. Following the effective date, Mr. Starling will no longer serve as the Company s Chief Operating Officer. The Board has determined that it will not appoint a successor Chief Operating Officer at this time and Mr. Starling will continue to direct the operations of the Company.

Mr. Haverty has served as Chief Executive Officer of the Company since July 2000, and a director since May 1995. As Executive Chairman, he will continue to remain an employee, serve as Chairman of the Board and be responsible for the Company s strategic planning process.

In light of the changes in Mr. Haverty s responsibilities, the independent members of the Board voted to reduce Mr. Haverty s base compensation effective July 1, 2010, to \$550,000 per year. They also modified Mr. Haverty s annual incentive plan threshold, target and maximum payout percentages to 37.5%, 75% and 150%, respectively. Additionally, the independent members of the Board approved an amendment to Mr. Haverty s employment agreement to revise the job description contained therein to conform it to his new position and responsibilities. The foregoing description of the material terms of the amendment to Mr. Haverty s employment agreement is qualified in its entirety by the full text of such amendment, which is included as Exhibit 10.1 to this Current Report and is incorporated by reference herein.

Mr. Starling has served as President and Chief Operating Officer of the Company since July 2008, and a director since May 6, 2010. As President and Chief Executive Officer, he will be responsible for developing and recommending to the Board the annual business plans and budgets of the Company to support the long-term strategy. He will also be ultimately responsible for the Company s operations and making sure the Company is continuously improving the quality and value of its products and services.

In recognition of his promotion to Chief Executive Officer of the Company and the increased responsibilities that accompany this promotion, the independent members of the Board voted to increase Mr. Starling s base compensation effective July 1, 2010, to \$700,000 per year. The independent members of the Board also modified Mr. Starling s annual incentive plan threshold, target and maximum payout percentages to 50%, 100% and 200%, respectively.
