ITEM 1.01 Entry into a Material Definitive Agreement

On August 13, 2010, Dynegy Inc., a Delaware corporation (the **Company**), entered into an Agreement and Plan of Merger (the **Merger Agreement**) with Denali Parent Inc., a Delaware corporation (**Parent**), and Denali Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of Parent (**Merger Sub**), providing for the merger of Merger Sub with and into the Company (the **Merger**), with the Company surviving the Merger as a wholly owned subsidiary of Parent. Parent and Merger Sub are affiliates of Blackstone Capital Partners V L.P. (**BCP**). The Merger Agreement was approved by the Company's Board of Directors.

At the effective time of the Merger, each share of Company common stock issued and outstanding immediately prior to the effective time (other than shares owned by (i) Parent, Merger Sub or any other direct or indirect wholly owned subsidiary of Parent, (ii) the Company or any direct or indirect wholly owned subsidiary of the Company or (iii) stockholders who have perfected and not withdrawn a demand for appraisal rights under Delaware law) will be automatically cancelled and converted into the right to receive \$4.50 in cash (the **Per Share Merger Consideration**), without interest.

Concurrently with the execution of the Merger Agreement, Merger Sub entered into a Purchase and Sale Agreement (the **NRG PSA**) with NRG Energy, Inc., a Delaware corporation (**NRG**), pursuant to which, upon the terms and subject to the conditions set forth therein and described below, NRG will, at the effective time of the Merger, purchase and assume, and the surviving corporation of the Merger will sell and assign, or cause to be sold and assigned to NRG, four natural gas-fired assets currently owned by Dynegy the Casco Bay facility in Maine and the Moss Landing, Morro Bay and Oakland facilities in California (the **NRG Sale**).

Consummation of the Merger is subject to customary conditions, including without limitation (i) the approval by the holders of a majority of the outstanding shares of the Company's common stock entitled to vote on the Merger, (ii) the expiration or early termination of the waiting period applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the **HSR Act**), (iii) the approval of the Federal Energy Regulatory Commission under Section 203 of the Federal Power Act of 1935, as amended (**FERC Approval**), (iv) the approval, or a determination that no approval is required, of the New York Public Service commission pursuant to the New York Public Service Law, as amended, (v) notification to the California Public Utilities Commission and the California Independent System Operator, and the expiration of any applicable notice period under California Public Utilities Commission General Order No. 167 (collectively, the **California Regulatory Requirements**) and (vi) the absence of any law, order or injunction prohibiting the Merger. In addition, the obligations of Parent and Merger Sub to consummate the Merger are subject to the satisfaction or waiver of the conditions to the obligation of Merger Sub and NRG to effect the NRG Sale (other than the closing of the Merger) and that NRG is ready, willing and able to consummate the NRG Sale in conjunction with the consummation of the Merger. NRG is an intended third-party beneficiary of the Merger Agreement and has the right to specifically enforce the rights and obligations of Parent, Merger Sub and the Company under the Merger Agreement to the extent such rights relate to the assets being sold pursuant to the NRG Sale.

Parent has obtained from BCP an equity financing commitment for the proposed transaction contemplated by the Merger Agreement, the proceeds of which will provide for the necessary funds to consummate the transactions contemplated by the Merger Agreement. BCP has provided the Company with a limited guaranty in favor of the Company dated August 13, 2010 guaranteeing the payment of certain monetary obligations that may be owed by Parent pursuant to the Merger Agreement, including any reverse termination fee that may become payable by Parent.

During the period beginning on August 13, 2010 and continuing until 11:59 p.m. on September 22, 2010 (the **Go-Shop Period**), the Company may initiate, solicit and encourage any alternative acquisition proposals from third parties, provide non-public information and participate in discussions and negotiate with third parties with respect to alternative acquisition proposals. Starting at 12:00 a.m. on

September 23, 2010 (the "No Shop Period Start Date"), the Company will become subject to customary no-shop restrictions on its ability to solicit alternative acquisition proposals from third parties and to provide information to and engage in discussions with third parties regarding alternative acquisition proposals. However, prior to approval of the Merger by the Company's stockholders, the no-shop provision is subject to a customary fiduciary-out provision which allows the Company under certain circumstances to provide information to and participate in discussions with third parties with respect to unsolicited alternative acquisition proposals that the Board of Directors has determined are or could reasonably be expected to, if consummated, result in a transaction more favorable to the Company's stockholders from a financial point of view than the proposed transaction contemplated by the Merger Agreement (a "Superior Proposal").

The Company may terminate the Merger Agreement if the Company receives a takeover proposal that the Board of Directors determines in good faith constitutes a Superior Proposal and that failure to terminate could be inconsistent with its fiduciary duties. In connection with such a termination, the Company must pay Parent a \$16.3 million fee and reimburse Parent expenses up to \$6 million if the termination is in connection with a takeover proposal from a party from whom the Company has received (i) an alternative acquisition proposal prior to the expiration of the Go-Shop Period that the Board of Directors has determined in good faith constitutes a Superior Proposal or could reasonably be expected to result in a Superior Proposal and (ii) by 11:59 p.m. on September 29, 2010, an alternative acquisition proposal that the Board of Directors determines constitutes a Superior Proposal. The Company also may be obligated to pay a termination fee of up to \$50 million or up to \$10 million of Parent's expenses under certain other circumstances. Each of the parties to the Merger Agreement is entitled to specific performance, and in certain circumstances where a court of competent jurisdiction declines to specifically enforce the obligations of the Parent and Merger Sub, the Company is entitled to a reverse termination fee of \$100 million, less certain Parent reimbursement and indemnification obligations in connection with the arrangement of certain third party investments and the financing of the Merger.

The representations, warranties and covenants of the Company contained in the Merger Agreement (including such representations and warranties contained in the NRG PSA that are representations and warranties of the Company pursuant to the Merger Agreement) have been made solely for the benefit of Parent and Merger Sub. In addition, such representations, warranties and covenants (a) have been made only for purposes of the Merger Agreement, (b) have been qualified by confidential disclosures made to Parent and Merger Sub in connection with the Merger Agreement, (c) are subject to materiality qualifications contained in the Merger Agreement which may differ from what may be viewed as material by investors, (d) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (e) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the Company or its business. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q and other documents that the Company files with the SEC.

The Company is a third party beneficiary of the NRG PSA and has the right to enforce the obligations of NRG and Merger Sub under the NRG PSA, and no party to the NRG PSA may amend or waive any condition thereunder without the Company's consent if such waiver or amendment would be adverse to the Company in any material respect. The parties to the NRG PSA are required to use reasonable best efforts to take all actions reasonably necessary to consummate the NRG Sale, including obtaining all necessary regulatory approvals, and NRG is required to sell certain of its assets as may be required to obtain such regulatory approvals.

Consummation of the NRG Sale is subject to customary conditions, including without limitation (i) the expiration or early termination of the waiting period applicable to the consummation of the NRG Sale under the HSR Act, (ii) the receipt of FERC Approval, (iii) the satisfaction of the California Regulatory Requirements and the filing of updates in disclosure statements required by California Health and Safety Code Section 25112.5 by entities in California holding hazardous waste permits, (iv) the approval of the Federal Communications Commission, (v) the absence of any law, order or injunction prohibiting the NRG Sale, (vi) the absence of a total loss of certain assets to be sold in the NRG Sale and (vii) the simultaneous closing of the Merger. In addition, the obligation of NRG to consummate the NRG Sale is subject to the absence of any event, effect, change, circumstance or occurrence having occurred and continuing, from the date of the NRG PSA to the effective time of the NRG Sale, that has had a Material Adverse Effect (as defined in the NRG PSA), but only to the extent such Material Adverse Effect would permit the Company and its affiliates not to consummate the proposed transactions contemplated by the Merger Agreement.

Assuming all necessary conditions are satisfied, which cannot be guaranteed, the Merger is expected to close in the fourth quarter 2010.

The foregoing description of the Merger Agreement and the NRG PSA and the proposed transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement and the NRG PSA attached hereto as Exhibit 2.1 which is incorporated herein by reference.
