About Monotype Imaging Holdings Inc.

Monotype Imaging Holdings Inc. is a leading global provider of text imaging solutions. Our end-user and embedded solutions for print, web and mobile environments enable people to create and consume dynamic content on any and every device. Our technologies and fonts enable the display and printing of high quality digital content. Our software technologies have been widely deployed across, and embedded in a range of consumer electronics, or CE devices, including laser printers, digital copiers, mobile phones, digital televisions, set-top boxes, navigation devices and digital cameras, as well as in numerous software applications and operating systems. In the laser printer market, we have worked together with industry leaders for over 18 years to provide critical components embedded in printing standards. Our scaling, compression, text layout, printer driver and color technologies solve critical text imaging issues for CE device manufacturers by rendering high quality text on low resolution and memory constrained CE devices. We combine these proprietary technologies with access to more than 13,000 typefaces from a library of some of the most widely used designs in the world, including popular names such as Helvetica and Times New Roman. We also license our typefaces to creative and business professionals through our e-commerce websites *fonts.com*, *linotype.com*, *itcfonts.com*, *faces.co.uk* and *fontexplorerx.com*, which combined attracted more than 27 million visits in 2009 from over 200 countries and territories, direct and indirect sales and custom font design services. Our principal office is located in Woburn, Massachusetts; with regional offices in Redwood City, California; Boulder, Colorado; Mt. Prospect, Illinois; Salfords and Hampshire, United Kingdom; Bad Homburg, Germany (Linotype GmbH); Hong Kong, China (Monotype Imaging Hong Kong Ltd., formerly China Type Design); Seoul, South Korea; and Tokyo, Japan.

Until November 5, 2004, Agfa Corporation, or Agfa, operated its font and printer driver business through its wholly-owned subsidiary, Agfa Monotype Corporation, or Agfa Monotype. On November 5, 2004, through a series of transactions, all of the common stock of Agfa Monotype was acquired by a newly formed entity, Monotype Imaging Inc., which was wholly owned by TA Associates, Inc., debt investors and certain of the former officers and employees of Agfa Monotype through a holding company, Imaging Holdings Corp., or IHC. In August 2005, IHC entered into a recapitalization transaction which resulted in it becoming wholly owned by Monotype Imaging Holdings Inc., the registrant and a Delaware corporation.

In 2006, we completed two acquisitions. On July 28, 2006, the Company acquired 80.01% of the capital stock of China Type Design Ltd., or China Type Design, a Hong Kong corporation, specializing in font design. At the time of the acquisition, we already had a 19.99% ownership interest in China Type Design; and, following the acquisition, it became our wholly owned subsidiary. With the China Type Design acquisition, we acquired a library of East Asian stroke-based fonts and gained the internal capability to develop and produce these fonts. On August 1, 2006, the Company acquired Linotype GmbH, or Linotype, a German company and a leader in the development, marketing, licensing and servicing of digital fonts and proprietor of a font library comprised of typefaces. We also acquired certain fonts and other intellectual property assets from the seller of Linotype. With the purchase of Linotype, we acquired access to a large library of fonts, a strong brand with a significant web presence and a more complete offering for the creative professional market.

On July 30, 2007, we completed an initial public offering, issuing 6.5 million shares of our common stock at a price of \$12.00 per share. We received net proceeds from the offering of approximately \$67.2 million and used the proceeds, along with cash on hand, to restructure and pay down a portion of our debt. In June 2008, we completed a secondary offering of our common stock under a contractual agreement with a shareholder. We did not receive any proceeds from the secondary offering, as we did not issue any new shares of common stock in connection with the transaction.

On December 10, 2009, we acquired the principal assets of Planetweb, Inc., a global provider of embedded user interface, or UI, software and developer tools for the consumer electronics industry, located in Redwood Shores, California, for \$1.9 million.

We maintain a website at <http://www.monotypeimaging.com>. Information contained on our website is not a part of this prospectus.

Risk Factors

Our business is subject to significant risks. You should carefully consider the risks and uncertainties described in our Annual Report on Form 10-K for our fiscal year ended December 31, 2009 (the Annual Report) and filed on March 5, 2010, which is incorporated by reference herein. The risks and uncertainties described in our Annual Report incorporated by reference herein are not the only ones facing us. Additional risks and uncertainties that we do not presently know about or that we currently believe are not material may also adversely affect our business. If any of the risks and uncertainties described in our Annual Report incorporated by reference herein actually occur, our business, financial condition and results of operations could be adversely affected in a material way. This could cause the trading price of our common stock to decline, perhaps significantly, and you may lose part or all of your investment.

Use of Proceeds

We will receive no proceeds from the sale by TA Associates of the common stock described in this prospectus.

Selling Security Holder

We agreed to file this registration statement with the SEC for the benefit of TA Associates as the selling security holder. The shares are being registered to permit public secondary trading of the shares. TA Associates, or its pledgees, donees, transferees or other successors in interest, may offer the shares for resale from time to time.

A. Bruce Johnston, a member of our board of directors since November 2004, is a Managing Director of TA Associates.

The following table provides certain information with respect to TA Associates, including TA Associates' beneficial ownership of our common stock as of November 17, 2010, and as adjusted to give effect to the sale of the shares covered by this prospectus. The amounts set forth below are based upon information provided to us by TA Associates and are accurate to the best of our knowledge. These numbers do not reflect the impact of any prospective adjustments or limitations described in the foregoing paragraphs. It is possible that TA Associates may have acquired, sold, transferred or otherwise disposed of shares of our common stock in transactions exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), since the date on which it provided the information to us regarding the shares beneficially owned by it. We cannot estimate the number of shares TA Associates will hold after completion of this offering because TA Associates may sell all or a portion of the shares and there currently are no agreements, arrangements or understandings with respect to the sale of any of the shares. This table assumes that TA Associates will offer for sale all of its shares of our common stock covered by this prospectus. We do not know whether TA Associates will offer for sale any or all of the common stock covered by this prospectus. Beneficial ownership is determined in accordance with Rule 13d-3(d) promulgated by the SEC under the Securities Exchange Act of 1934, as amended (Exchange Act). Unless otherwise noted, each person or group identified possesses sole voting and investment power with respect to the shares, subject to community property laws where applicable.

Voting and investment power with respect to such shares is vested in a four-person investment committee consisting of the following employees of TA Associates Funds: Messrs. A. Bruce Johnston, Roger B. Kafker, C. Kevin Landry and Jonathan W. Meeks. Mr. Johnston is a Managing Director of TA Associates, Inc., the manager of the general partner of TA IX L.P. and TA Subordinated Debt Fund L.P., the general partner of the general partner of TA/Atlantic and Pacific IV, L.P., TA Strategic Partners Fund A L.P. and TA Strategic Partners Fund B L.P., and the general partner of TA Investors II, L.P.

Plan of Distribution

The shares being offered by the selling security holder have been issued pursuant to an exemption from the registration provisions of the Securities Act. The shares may be sold or distributed from time to time by the selling security holder, or by its pledgees, donees, or transferees of, or other successors-in-interest to, the selling security holder, directly to one or more purchasers (including pledgees) or through brokers, dealers or underwriters who may act solely as agents or who may acquire shares as principals and will act independently of us in making decisions with respect to the timing, manner and size of each sale.

The shares may be sold in one or more transactions at:

fixed prices,

prevailing market prices at the time of sale,

prices related to the prevailing market prices,

varying prices determined at the time of sale, or

otherwise negotiated prices.

The shares may be sold by one or more of, or a combination of, the following methods, in addition to any other method permitted under this prospectus:

a block trade in which the broker-dealer so engaged will attempt to sell the offered securities as agent but may position and resell a portion of the block as principal to facilitate the transaction,

purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus,

on any national securities exchange or quotation service on which our common stock may be listed or quoted at the time of sale, including The Nasdaq Global Select Market,

ordinary brokerage transactions and transactions in which the broker solicits purchasers,

privately negotiated transactions,

by pledge to secure debts or other obligations,

put or call transactions,

to cover hedging transactions made pursuant to this prospectus, or

underwritten offerings.

If required, this prospectus may be amended or supplemented on a continual basis to describe a specific plan of distribution. In making sales, broker-dealers engaged by the selling security holder, if any, may arrange for other broker-dealers to participate in the resales.

In connection with the sale of shares, the selling security holder may (1) enter into transactions with brokers, dealers or others, who in turn may engage in sales, including short sales, of the shares in the course of hedging the positions they assume, (2) deliver shares to close out positions or

Edgar Filing: Monotype Imaging Holdings Inc. - Form S-3/A

(3) loan shares to brokers, dealers or others that may in turn sell such shares. The brokers, dealers or others referred to in (1) above may engage in those transactions referred to in (1), (2) or (3) above through this prospectus. The selling security holder may enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer of the shares. The broker-dealer or other financial institution may then resell or transfer these shares through this prospectus. The selling security holder may also loan or pledge its shares to a broker-dealer or other financial institution. The broker-dealer or financial institution may sell the shares which are loaned or pursuant to a right to rehypothecate while pledged or, upon a default, the broker-dealer or other financial institution may sell the pledged shares by use of this prospectus. The broker, dealer or other financial institution may use shares pledged by the selling security holder or borrowed from the selling security holder or others to settle those sales or to close out any related open borrowings of shares, and may use securities received from the selling security holder in settlement of those derivatives to close out any related open borrowings of shares. Some or all of the shares offered in this prospectus may also be sold to or through an underwriter or underwriters. Any shares sold in that manner will be acquired by the underwriters for their own accounts and may be resold at different times in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. These shares may be offered to the public through underwriting syndicates represented by one or more managing underwriters or may be offered to the public directly by one or more underwriters. Any public offering price and any discounts or concessions allowed or disallowed to be paid to dealers may be changed at different times.

The selling security holder may pay usual and customary or specifically negotiated underwriting discounts and concessions or brokerage fees or commissions in connection with its sales.

The selling security holder and any dealers or agents that participate in the distribution of the shares may be deemed to be underwriters within the meaning of the Securities Act, and any profit on the sale of shares by them and any commissions received by any such dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act. Because the selling security holder may be deemed to be an underwriter within the meaning of the Securities Act, the selling security holder will be subject

to the prospectus delivery requirements of the Securities Act. Neither the delivery of any prospectus, or any prospectus supplement, nor any other action taken by the selling security holder or any purchaser relating to the purchase or sale of shares under this prospectus shall be treated as an admission that any of them is an underwriter within the meaning of the Securities Act relating to the sale of any shares.

Any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under that rule rather than pursuant to this prospectus.

The shares may be sold through registered or licensed brokers or dealers if required under applicable state securities laws. Additionally, in some states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the shares may not engage in market-making activities for our common stock during some restricted periods. Additionally, TA Associates will be subject to applicable provisions of the Exchange Act and the associated rules and regulations under the Exchange Act, including Regulation M, that may limit the timing of purchases and sales of shares of our common stock by TA Associates. We will make copies of this prospectus available to TA Associates and have informed TA Associates of the need for delivery of copies of this prospectus to purchasers at or before the time of any sale of the shares.

Section 145(g) of the Delaware General Corporation Law provides, in general, that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify the person against such liability under Section 145 of the Delaware General Corporation Law.

Article VII of our Amended and Restated Certificate of Incorporation, as amended to date (the "Charter"), provides that no director of our company shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) in respect of unlawful dividend payments or stock redemptions or repurchases, or (4) for any transaction from which the director derived an improper personal benefit. In addition, our Charter provides that if the Delaware General Corporation Law is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of our company shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

Article VII of the Charter further provides that any repeal or modification of such article by our stockholders or an amendment to the Delaware General Corporation Law will not adversely affect any right or protection existing at the time of such repeal or modification with respect to any acts or omissions occurring before such repeal or modification of a director serving at the time of such repeal or modification.

Edgar Filing: Monotype Imaging Holdings Inc. - Form S-3/A

Article V of our Amended and Restated By-Laws, as amended to date (the By-Laws), provides that we will indemnify each of our directors and officers and, in the discretion of our board of directors, certain employees, to the fullest extent permitted by the Delaware General Corporation Law as the same may be amended (except that in the case of an amendment, only to the extent that the amendment

II-1

permits us to provide broader indemnification rights than the Delaware General Corporation Law permitted us to provide prior to such amendment) against any and all expenses, judgments, penalties, fines and amounts reasonably paid in settlement that are incurred by the director, officer or such employee or on the director's, officer's or employee's behalf in connection with any threatened, pending or completed proceeding or any claim, issue or matter therein, to which he or she is or is threatened to be made a party because he or she is or was serving as a director, officer or employee of our company, or at our request as a director, partner, trustee, officer, employee or agent of another corporation, partnership, limited liability company, joint venture, trust, employee benefit plan, foundation, association, organization or other legal entity, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of our company and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Article V of the By-Laws further provides for the advancement of expenses to each of our directors and, in the discretion of our board of directors, to certain officers and employees. In addition, Article V of the By-Laws provides that the right of each of our directors and officers to indemnification and advancement of expenses shall be a contract right and shall not be exclusive of any other right now possessed or hereafter acquired under any statute, provision of the Charter or By-Laws, agreement, vote of stockholders or otherwise. Furthermore, Article V of the By-Laws authorizes us to provide insurance for our directors, officers and employees, against any liability, whether or not we would have the power to indemnify such person against such liability under the Delaware General Corporation Law or the provisions of Article V of the By-Laws.

We have entered into indemnification agreements with each of our directors and certain of our executive officers. These agreements provide that we will indemnify each of our directors and certain of our executive officers to the fullest extent permitted by law.

We also maintain a general liability insurance policy which covers certain liabilities of directors and officers of our company arising out of claims based on acts or omissions in their capacities as directors or officers.

In connection with their investment in us, we entered into a stockholders agreement, dated as of November 5, 2004, with TA Associates and D.B. Zwirn. Most provisions of the stockholders agreement terminated upon the closing of our initial public offering. However, surviving provisions include our covenant to indemnify TA Associates and D.B. Zwirn, including their associated investment funds, subject to exceptions, for damages, expenses or losses arising out of, based upon or by reason of any breach of a covenant or agreement made by us in the stockholders agreement, any third party or governmental claims relating to their status as a security holder, creditor, director, agent, representative or controlling person of us, or otherwise relating to their involvement with us. This covenant continues until the expiration of the applicable statute of limitations. We have also covenanted to maintain directors and officers' liability insurance for so long as any person nominated by TA Associates, as two-thirds holder, is a member of our board of directors.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions of the Delaware General Corporation Law, the certificate of incorporation or bylaws of the registrant or resolutions of the registrant's board of directors adopted pursuant thereto, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
