**Item 1.01 Entry into a Material Definitive Agreement.**

On July 5, 2011, National CineMedia, Inc. (the Company) consolidated subsidiary, National CineMedia, LLC (LLC), completed a private placement of \$200 million aggregate principal amount of 7.875% Senior Notes due 2021 (the Notes) to qualified institutional buyers in reliance on Rule 144A and to persons outside the United States in accordance with Regulation S under the Securities Act of 1933, as amended (the Securities Act).

**Indenture**

The Notes were issued pursuant to an Indenture, dated as of July 5, 2011 (the Indenture), by and between LLC and Wells Fargo Bank, National Association, as trustee (the Trustee). The Notes are the senior unsecured obligations of LLC which rank equally in right of payment with all existing and future senior debt, without giving effect to collateral arrangements, are effectively subordinated to all existing and future secured debt of LLC, including all borrowings under LLC's senior secured credit facility, as to the assets securing such debt and are senior in right of payment to any future subordinated debt. The Notes will be effectively subordinated to all liabilities of any subsidiaries that LLC may form or acquire in the future, unless those subsidiaries become guarantors of the Notes, which will only occur under limited circumstances.

The Notes will mature on July 15, 2021. Interest on the Notes accrues at a rate of 7.875% per annum and is payable semi-annually in arrears on January 15 and July 15 of each year, commencing on January 15, 2012. LLC is obligated to make each interest payment to the holders of record of the Notes as of the immediately preceding December 30 and June 30.

Prior to July 15, 2016, LLC may redeem all or any portion of the Notes, at once or over time, at 100% of the principal amount plus the applicable make-whole premium, plus accrued and unpaid interest, if any, to the redemption date. LLC may redeem all or any portion of the Notes, at once or over time, on or after July 15, 2016 at specified redemption prices, plus accrued and unpaid interest, if any, to the redemption date. In addition, at any time prior to July 15, 2014, LLC may on any one or more occasions redeem up to 35% of the original aggregate principal amount of Notes from the net proceeds of certain equity offerings at a redemption price equal to 107.875% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the redemption date.

Upon the occurrence of a Change of Control (as defined in the Indenture), LLC will be required to make an offer to each holder of Notes to repurchase all of such holder's Notes for a cash payment equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture contains covenants that, among other things, restrict LLC's ability and the ability of its restricted subsidiaries, if any, to: (1) incur additional debt; (2) make distributions or make certain other restricted payments; (3) make investments; (4) incur liens; (5) sell assets or merge with or into other companies; and (6) enter into transactions with affiliates. All of these restrictive covenants are subject to a number of important exceptions and qualifications. In particular, LLC has the ability to distribute all of its quarterly available cash as a restricted payment if it meets a minimum net senior secured leverage ratio or as an investment.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment with respect to the Notes, the breach of covenants contained in the Indenture, payment defaults on other indebtedness at maturity or acceleration of or foreclosure under other indebtedness, the failure to pay certain judgments and certain events of bankruptcy, insolvency or reorganization. Generally, if an event of default occurs, the Trustee or holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal and accrued but unpaid interest on all the Notes to be due and payable immediately. In the case of certain events of bankruptcy, insolvency or reorganization, all outstanding Notes will become due and payable immediately without further action or notice.

The foregoing description of the Indenture is qualified in its entirety by reference to the complete copy of the Indenture filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated by reference herein.

***Registration Rights Agreement***

In connection with the private placement of the Notes, LLC entered into a Registration Rights Agreement, dated as of July 5, 2011 (the Registration Rights Agreement ), with J.P. Morgan Securities LLC, as representative of the Initial Purchasers named therein. Under the Registration Rights Agreement, LLC has agreed to use its commercially reasonable best efforts to file a registration statement with the Securities and Exchange Commission with respect to an offer to exchange the Notes for substantially identical notes that are registered under the Securities Act. LLC is required to use its commercially reasonable best efforts to cause the exchange offer registration statement to become effective, and to hold the exchange offer open for at least 20 business days. In addition, under certain circumstances, LLC will be required to file a registration statement for the resale of the Notes. If the exchange offer is not completed (or, if required, the shelf registration statement is not declared effective) on or before March 31 2012, or if certain other events occur which constitute a Registration Default (as defined in the Registration Rights Agreement), LLC will be required to pay additional interest to the holders of the Notes.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the complete copy of the Registration Rights Agreement filed as Exhibit 4.3 to this Current Report on Form 8-K and incorporated by reference herein.

***Effectiveness of Amendment to Credit Facility***

As previously disclosed by the Company in a Current Report on Form 8-K filed with the Securities and Exchange Commission on June 23, 2011, LLC entered into an amendment dated as of June 20, 2011 to LLC's senior secured credit facility dated as of February 13, 2007, as amended, by and among LLC, Barclays Bank PLC, as administrative agent, and certain lenders party thereto (the Amendment ). Pursuant to the terms and conditions thereof, the Amendment became effective upon the completion of the private placement of the Notes.
