18. Any other matters that need to be specified: None

To announce the Company's November 2011 revenues

Date of events: 2011/12/09

Contents:

1. Date of occurrence of the event: 2011/12/09

2. Company name: Chunghwa Telecom Co., Ltd.

3. Relationship to the Company (please enter head office or affiliate company): Head office

4. Reciprocal shareholding ratios: N/A

5. Cause of occurrence: Chunghwa Telecom today announced a 1.3% year-over-year decrease in unconsolidated total revenue to NT\$15.72 billion in November 2011. Operating income decreased by 11.0% year-over-year to NT\$4.16 billion, net income decreased by 4.5% year-over-year to NT\$3.75 billion, and EPS rose by 17.1% to NT\$0.48. The revenue decrease was primarily attributable to (1) the decrease in mobile service revenue resulting from the shift of the pricing right of a fixed-to-mobile call from mobile operators to fixed network operators, (2) the hold back of handset sales because of customers' wait for new iPhone model, (3) the relatively higher Universal Service Revenue for the same period last year, (4) the decrease in international settlement revenue and (5) the broadband tariff cut and mobile internet service discounts, which offset (1) the increase of local fixed line revenue resulting from the pricing right shift, and (2) the growth of mobile value added service revenue and MOD revenue.

Operating costs and expenses increased year over year, mainly attributable to higher interconnection costs from the shift of pricing right of a fixed to mobile call from mobile operators to fixed network operators. Net income decreased mainly due to the decrease of operating income, which offset the lower loss due to available-for-sale financial assets disposal. The increase in EPS was mainly due to the capital reduction in January 2011, which decreased the number of outstanding shares.

6. Countermeasures: None

7. Any other matters that need to be specified: None

Chunghwa Telecom

December 09, 2011
