PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS

January 31, 2012

We are providing you with these proxy materials in connection with the solicitation by the board of directors of Visa Inc. of proxies to be used at our 2012 Annual Meeting of Stockholders. The Annual Meeting will be held at The Commonwealth Club of California, 595 Market Street, 2nd Floor, San Francisco, California 94105 on January 31, 2012 at 8:30 a.m. Pacific Time. This proxy statement contains important information regarding our Annual Meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote, and information about voting procedures. As used herein, we, us, our, Visa or the Company refers to Visa Inc., a Delaware corporation.

A Notice of Internet Availability of Proxy Materials, this proxy statement, any accompanying proxy card or voting instruction form, and our 2011 Annual Report to Stockholders will be made available to our stockholders on or about December 14, 2011.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

What matters will be voted on at the Annual Meeting?

The following matters will be voted on at the Annual Meeting:

Proposal 1: To elect the ten directors nominated by our board of directors and named in this proxy statement;

Proposal 2: To approve, on an advisory basis, the compensation of our named executive officers;

Proposal 3: To approve the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated;

Proposal 4: To ratify the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2012;
and

Edgar Filing: VISA INC. - Form DEF 14A

Such other business as may properly come before the Annual Meeting and any adjournment or postponement of the Annual Meeting.

How does the board of directors recommend that I vote?

The board of directors recommends that you vote:

FOR the election of the ten directors nominated by our board of directors and named in this proxy statement;

FOR the approval, on an advisory basis, of the compensation of our named executive officers;

FOR the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2012.

Will there be any other items of business on the agenda?

We do not expect any other items of business to be brought before the Annual Meeting because the deadlines for stockholder proposals and director nominations have already passed. Nonetheless, in case there is an unforeseen need, your proxy gives discretionary authority to the persons named on the proxy card with respect to any other matters that might be brought before the meeting. Those persons intend to vote the proxy in accordance with their best judgment.

Table of Contents

Who is entitled to vote at the Annual Meeting?

Holders of our Class A common stock at the close of business on December 5, 2011, or the Record Date, may vote at the Annual Meeting. We refer to the holders of our Class A common stock as stockholders throughout this proxy statement. Each stockholder is entitled to one vote for each share of Class A common stock held as of the Record Date.

Stockholders at the close of business on the Record Date may examine a list of all stockholders as of the Record Date for any purpose germane to the Annual Meeting for ten days preceding the Annual Meeting, at our offices in Foster City, California or at the Annual Meeting. If you would like to view the stockholder list, please call our Investor Relations Department at (415) 932-2213 to schedule an appointment.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholders of Record. You are a stockholder of record if at the close of business on the Record Date your shares were registered directly in your name with Wells Fargo Shareowner Services, our transfer agent.

Beneficial Owner. You are a beneficial owner if at the close of business on the Record Date your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like most of our stockholders, your shares are held in street name. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares with respect to some of the proposals in this proxy statement, but not all. Please see *What if I did not specify how my shares are to be voted?* for additional information.

Do I have to do anything in advance if I plan to attend the Annual Meeting in person?

Yes. Stockholders planning to attend the Annual Meeting in person must contact our Investor Relations Department at (415) 932-2213 by January 27, 2012 to reserve a seat at the Annual Meeting.

Individuals who are the beneficial owners of their Class A common stock must also bring with them to the Annual Meeting a legal proxy from the organization that holds their shares or a brokerage statement showing ownership of shares as of the close of business on the Record Date. Representatives of institutional stockholders must bring a legal proxy or other proof that they are representatives of a firm that held shares as of the close of business on the Record Date and are authorized to vote on behalf of the institution.

Anyone seeking admittance to the Annual Meeting who cannot prove ownership or representation as of the close of business on the Record Date, and has not reserved his or her seat in advance, may not be admitted. In addition, stockholders must also bring a form of government-issued photo identification, such as a driver's license, state-issued ID card, or passport to gain entry to the Annual Meeting.

Why did I receive a Notice in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we are making this proxy statement available to our stockholders electronically via the Internet. On or about December 14, 2011, we will mail the Notice of Internet Availability of Proxy Materials to stockholders of our Class A common stock at the close of business on the Record Date, other than those stockholders who previously requested electronic or paper delivery of communications from us. The Notice contains instructions on how to access an electronic copy of our proxy materials, including this proxy statement and our Annual Report. The Notice also contains instructions on how to request a paper copy of the proxy statement. We believe that this process will allow us to provide you with the information you need in a timely manner, while conserving natural resources and lowering the costs of printing and distributing our proxy materials.

Can I vote my shares by filling out and returning the Notice of Internet Availability of Proxy Materials?

No. The Notice only identifies the items to be voted on at the Annual Meeting. You cannot vote by marking the Notice and returning it. The Notice provides instructions on how to cast your vote. For additional information, please see the answer to the next question *How do I vote and what are the voting deadlines?*

Table of Contents

How do I vote and what are the voting deadlines?

Stockholders of Record. If you are a stockholder of record, there are several ways for you to vote your shares.

By mail. If you received printed proxy materials, you may submit your vote by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received no later than January 30, 2012 to be voted at the Annual Meeting.

By telephone or over the Internet. You may vote your shares by telephone or via the Internet by following the instructions provided in the Notice. If you vote by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone voting are available 24 hours a day, 7 days a week. Votes submitted by telephone or through the Internet must be received by 11:59 p.m. Eastern Time on January 30, 2012.

In person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy card or vote by telephone or via the Internet by the applicable deadline so that your vote will be counted if you later decide not to attend the meeting.

Beneficial Owners. If you are a beneficial owner of your shares, you should have received a Notice of Internet Availability of Proxy Materials or voting instructions from the broker or other nominee holding your shares. You should follow the instructions in the Notice or voting instructions provided by your broker or nominee in order to instruct your broker or nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker or nominee. Shares held beneficially may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker or nominee giving you the right to vote the shares.

Can I revoke or change my vote after I submit my proxy?

Stockholders of Record. If you are a stockholder of record, you may revoke your vote at any time before the final vote at the Annual Meeting by:

signing and returning a new proxy card with a later date;

submitting a later-dated vote by telephone or via the Internet, since only your latest Internet or telephone vote received by 11:59 p.m. Eastern Time on January 30, 2012 will be counted;

attending the Annual Meeting in person and voting again; or

delivering a written revocation to our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, California 94128-8999, before the Annual Meeting.

Beneficial Owners. If you are a beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow its instructions for changing your vote.

What will happen if I do not vote my shares?

Stockholders of Record. If you are the stockholder of record of your shares and you do not vote by proxy card, by telephone, via the Internet or in person at the Annual Meeting, your shares will not be voted at the Annual Meeting.

Edgar Filing: VISA INC. - Form DEF 14A

Beneficial Owners. If you are the beneficial owner of your shares, and you do not instruct your broker or nominee how to vote your shares, your broker or nominee may exercise its discretion to vote on some proposals at the Annual Meeting, but not all. Under the rules of the New York Stock Exchange, or the NYSE, your broker or nominee does not have discretion to vote your shares on non-routine matters such as Proposals 1, 2 and 3. However, your broker or nominee does have discretion to vote your shares on routine matters such as Proposal 4.

Table of Contents

What if I do not specify how my shares are to be voted?

Stockholders of Record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions on the proxy, your shares will be voted:

FOR the election of the ten directors nominated by our board of directors and named in this proxy statement (Proposal 1);

FOR the approval, on an advisory basis, of the compensation of our named executive officers (Proposal 2);

FOR the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated (Proposal 3);

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2012 (Proposal 4); and

In the discretion of the named proxies regarding any other matters properly presented for a vote at the Annual Meeting. *Beneficial Owners.* If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on your behalf. Under the NYSE's rules, brokers and other nominees have the discretion to vote on routine matters such as Proposal 4, but do not have discretion to vote on non-routine matters such as Proposals 1, 2 and 3. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 4 and any other routine matters properly presented for a vote at the Annual Meeting.

What is the effect of a broker non-vote?

Brokers or other nominees who hold shares of our Class A common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not impact our ability to obtain a quorum and will not otherwise affect the outcome of the vote on any of the proposals to be considered at the Annual Meeting.

What constitutes a quorum, and why is a quorum required?

We need a quorum of stockholders to hold our Annual Meeting. A quorum exists when at least a majority of the outstanding shares entitled to vote at the close of business on the Record Date are represented at the Annual Meeting either in person or by proxy. As of the close of business on the Record Date, we had 521,591,943 shares of Class A common stock outstanding and entitled to vote at the Annual Meeting, meaning that 260,795,972 shares of Class A common stock must be represented at the Annual Meeting in person or by proxy to have a quorum.

Your shares will be counted towards the quorum if you vote by mail, telephone, or over the Internet or if you vote in person at the Annual Meeting. Abstentions and broker non-votes also will count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

Table of Contents***What is the vote required for each proposal?***

| Proposal | Vote Required | Broker Discretionary Voting Allowed |
|---|---|--|
| 1 - Election of ten directors | Majority of the Shares Cast for the Director's Election | No |
| 2 - Approval, on an advisory basis, of the compensation of our named executive officers | Majority of the Shares Entitled to Vote and Present in Person or Represented by Proxy at the Annual Meeting | No |
| 3 - Approval of the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated | Majority of the Shares Entitled to Vote and Present in Person or Represented by Proxy at the Annual Meeting | No |
| 4 - Ratification of the appointment of KPMG as our independent registered public accounting firm for fiscal year 2012 | Majority of the Shares Entitled to Vote and Present in Person or Represented by Proxy at the Annual Meeting | Yes |

With respect to all Proposals, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal 1 it will have no effect on the election of directors. If you ABSTAIN from voting on Proposals 2, 3, or 4, the abstention will have the same effect as an AGAINST vote.

What happens if an incumbent director nominee does not receive a majority of the votes cast for his or her re-election?

Our Corporate Governance Guidelines require each incumbent nominee to submit an irrevocable contingent resignation letter prior to the mailing of the proxy statement for an annual meeting at which the nominee's candidacy will be considered. If the nominee does not receive a majority of the votes cast for his or her re-election, meaning that he or she does not have more votes cast FOR than AGAINST his or her re-election, the Nominating and Corporate Governance Committee will recommend to the board of directors that it accept the nominee's contingent resignation, unless the Committee determines that acceptance of the resignation would not be in the interest of the Company or its stockholders. The board of directors will decide whether to accept or reject the contingent resignation at its next regularly scheduled meeting, but in no event later than 120 days following certification of the election results. The board of directors' decision and its reasons will be promptly disclosed in a periodic or current report filed with the SEC.

Who will count the votes?

Broadridge Financial Solutions, Inc. has been engaged as our independent agent to receive and tabulate stockholder votes. Broadridge will separately tabulate FOR and AGAINST votes, abstentions, and broker non-votes. We also have retained an independent inspector of election, who will certify the election results and perform any other acts required by the Delaware General Corporation Law.

What happens if the Annual Meeting is adjourned or postponed?

Your proxy will still be effective and will be voted at the rescheduled or adjourned Annual Meeting. You will still be able to change or revoke your proxy until it is voted.

Who is paying for the costs of this proxy solicitation?

We will bear the expense of soliciting proxies. We have retained Phoenix Advisory Partners to solicit proxies for a fee of \$11,000 plus a reasonable amount to cover expenses. Proxies may also be solicited in person, by telephone or electronically by Visa personnel who will not receive additional compensation for such

Table of Contents

solicitation. Copies of proxy materials and the Annual Report will be supplied to brokers and other nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse such brokers or other nominees for their reasonable expenses.

How can I find the results of the Annual Meeting?

Preliminary results will be announced at the Annual Meeting. Final results also will be published in a current report on Form 8-K to be filed with the SEC within four business days after the Annual Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

CORPORATE GOVERNANCE

Our business, property and affairs are managed under the direction of our board of directors. Members of our board of directors are kept informed of our business through discussions with our Chairman and Chief Executive Officer, our President, our Chief Financial Officer, our General Counsel, our Chief Risk Officer, and other officers and employees, and by reviewing materials provided to them and participating in meetings of the board of directors and its committees.

Corporate Governance Changes in Fiscal Year 2011

Because our board of directors is committed to strong and effective corporate governance, it regularly monitors our corporate governance policies and practices to ensure we meet or exceed the requirements of applicable laws, regulations and rules, and the NYSE's listing standards. During fiscal year 2011, our board made substantial changes to our corporate governance policies and practices including:

implementing immediate declassification of our board of directors during the 2011 annual meeting, upon receipt of stockholder approval of a proposed amendment to our Certificate of Incorporation to declassify;

implementing a majority vote standard in uncontested elections of directors for the Annual Meeting;

instituting a director resignation policy in uncontested elections of directors;

decreasing the size of our board of directors from 17 to ten directors;

having a board of directors comprised of 90% independent directors;

adopting a Clawback Policy, which is discussed in the section of this proxy statement entitled *Executive Compensation Compensation Discussion and Analysis*;

adopting an Executive Severance Plan in lieu of individual employment contracts with our named executive officers, other than the Chief Executive Officer, which also is discussed in the section of this proxy statement entitled *Executive Compensation Compensation Discussion and Analysis*;

entering into a fixed-term employment contract with our Chief Executive Officer, which also is discussed in the section of this proxy statement entitled *Executive Compensation Compensation Discussion and Analysis*;

recommending that an advisory vote on executive compensation be held annually; and

adopting a political contributions policy, which is discussed in the section of this proxy statement entitled *Corporate Governance Political Contributions Policy*.

The changes made to our corporate governance policies and practices build upon our solid corporate governance structure, which is exemplified by:

Edgar Filing: VISA INC. - Form DEF 14A

a strong independent Lead Director who is elected annually by the board and whose duties and responsibilities are set forth in our Bylaws;

the charters of the board's committees, which clearly establish the roles and responsibilities of each of the committees;

board committees that are comprised and chaired solely by independent directors;

our independent directors meeting regularly in executive session;

a no-hedging policy in our insider trading policy, which prohibits all employees, including our named executive officers and our non-employee directors, from hedging the economic risk in the Visa shares they own;

a strong risk management program with specific responsibilities assigned to management, the board, and the board's committees;

a director orientation and continuing education program;

Table of Contents

our clear Code of Business Conduct and Ethics, and Code of Ethics for Senior Financial Officers;

our Corporate Governance Guidelines;

our limitation on the use of perquisites for directors and executive officers; and

the Compensation Committee's engagement of an independent compensation consultant.

Additional information regarding the above aspects of our corporate governance is provided in this proxy statement in this section and the sections entitled *Board of Directors and Committees of the Board* and *Executive Compensation Compensation Discussion and Analysis*.

Corporate Governance Guidelines

As a part of our board of directors' commitment to sound corporate governance, our board has adopted a set of Corporate Governance Guidelines, which guides the operation of the board and its committees. The Nominating and Corporate Governance Committee reviews our Corporate Governance Guidelines at least annually and recommends any changes to our board of directors for its consideration and approval.

Our Corporate Governance Guidelines cover, among other topics:

director independence;

board structure and composition;

board member nomination and eligibility requirements;

board leadership and executive sessions;

limitations on other board and committee service;

committees of the board;

director responsibilities;

board and committee resources, including access to officers and employees;

director compensation;

director orientation and ongoing education;

succession planning; and

board and committee self evaluations.

Please see the section of this proxy statement entitled *Availability of Corporate Governance Documents* for information on how to view or obtain a copy of our Corporate Governance Guidelines.

Board Leadership Structure and Lead Director

Our board leadership structure is currently composed of a combined Chairman of the board of directors and Chief Executive Officer, an independent Lead Director, an independent Nominating and Corporate Governance Committee Chairwoman, an independent Audit and Risk Committee Chairman, and an independent Compensation Committee Chairman.

Visa Inc. has undergone a transition from a group of regional bank associations into a global public company. To lead this transition, Visa's predecessor board in May 2007 appointed Joseph W. Saunders as Chairman and Chief Executive Officer. Our current board believes it is appropriate to continue this combined role, especially given the current economic and regulatory environment. Mr. Saunders is a payments industry veteran who previously served as the Executive Chairman of our Transition Governance Committee and who is intimately familiar with our history and business. By serving as both our Chairman and Chief Executive Officer, Mr. Saunders is able to provide strong and consistent leadership and a unified voice for the Company.

The executive Chairman position is paired with a strong independent Lead Director, who is annually elected by the board and whose duties and responsibilities are set forth in our Bylaws. John A. Swainson has served as our Lead Director since October 2007. Mr. Swainson is an experienced former public company chief

executive officer, executive and director, having served as the Chief Executive Officer and President of CA, Inc. (now CA Technologies) for many years, as well as in senior executive roles at International Business Machines and as a director of Cadence Design Systems, Assurant Inc. and Broadcom Corporation. For additional information regarding Mr. Swainson's professional experience, please see *Proposal 1 Election of Directors*.

As our Lead Director, Mr. Swainson has the following responsibilities, among others:

chairing executive sessions of our non-employee directors at each regularly scheduled meeting of our board, and more often as necessary;

chairing meetings of our board in the absence of the Chairman and Chief Executive Officer or when it is deemed appropriate in light of the Chairman's management role;

providing feedback to the Chairman and Chief Executive Officer on corporate and board policies and strategies and, when requested by the board, acting as a liaison between the board and the Chief Executive Officer;

facilitating one-on-one communication between directors and committee chairs and the Chairman and Chief Executive Officer and other senior managers, to keep abreast of their perspectives;

overseeing the evaluation of the Chairman and Chief Executive Officer;

advising on the agenda and schedule of meetings for our board and strategic planning sessions based on input from directors; and

providing feedback on board materials in advance of board meetings.

Our board of directors also has three key committees: the Nominating and Corporate Governance Committee, chaired by Suzanne Nora Johnson; the Audit and Risk Committee, chaired by Robert W. Matschullat; and the Compensation Committee, chaired by William S. Shanahan. Ms. Nora Johnson, Mr. Matschullat, and Mr. Shanahan each have significant public company director experience, and have served in senior executive and leadership roles at large, multinational corporations. In addition, in their capacities as Lead Director and independent committee chairs, respectively, Mr. Swainson, Ms. Nora Johnson, Mr. Matschullat, and Mr. Shanahan have substantial responsibilities, which contribute to the board's oversight of management and facilitate frequent and open communication among the board and the executive Chairman. The roles and responsibilities of the committee chairs and their committees, which are comprised solely of independent directors, are set forth in the committee charters and in our Corporate Governance Guidelines. These responsibilities include, among other things, evaluating the performance of and determining the compensation for the Chief Executive Officer and other members of senior management, overseeing executive succession and development planning, and overseeing the company's risk management framework and programs, including strategic risks. For additional information regarding the committees of the board, please see the section of this proxy statement entitled *Board of Directors and Committees of the Board of Directors*, and for the biographies of the Chairpersons of each of the committees, please see *Proposal 1 Election of Directors*.

The Nominating and Corporate Governance Committee of the board reviews our corporate governance profile and the board's leadership structure on an annual basis, and may consider separating the Chairman and Chief Executive Officer roles in the future. In addition, in fulfilling its responsibility to plan for the eventual succession of Mr. Saunders, the Nominating and Corporate Governance Committee and the board consider the issue of whether the position of Chairman and Chief Executive Officer should be combined or separate as an important part of those discussions.

The Board of Directors Role in Risk Oversight

Edgar Filing: VISA INC. - Form DEF 14A

Our board of directors recognizes the importance of effective risk oversight in running a successful business and in fulfilling its fiduciary responsibilities to Visa and its stockholders. While the Chairman and Chief Executive Officer, Chief Risk Officer, and other members of our senior leadership team are responsible for the day-to-day management of risk, our board of directors is responsible for ensuring that an appropriate culture of

Table of Contents

risk management exists within the Company and for setting the right tone at the top, overseeing our aggregate risk profile, and assisting management in addressing specific risks, such as strategic and competitive risks, financial risks, brand and reputation risks, legal risks, regulatory risks, and operational risks.

The board believes that its current leadership structure best facilitates its oversight of risk by combining independent leadership, through the Lead Director, independent board committees, and majority independent board composition, with an experienced Chairman and Chief Executive Officer who has intimate knowledge of our business, history, and the complex challenges we face. The Chairman and Chief Executive Officer's in-depth understanding of these matters and involvement in the day-to-day management of the Company uniquely positions him to promptly identify and raise key business risks to the board, call special meetings of the board when necessary to address critical issues, and focus the board's attention on areas of concern. The Lead Director, independent committee chairs and other directors also are experienced professionals or executives who can and do raise issues for board consideration and review, and are not hesitant to challenge management. The board believes there is a well-functioning and effective balance between the Lead Director, non-employee board members and the Chairman and Chief Executive Officer, which enhances risk oversight.

The board of directors exercises its oversight responsibility for risk both directly and through its three standing committees. Throughout the year, the board and each committee spend a portion of their time reviewing and discussing specific risk topics. The full board is kept informed of each committee's risk oversight and related activities through regular oral reports from the committee chairs, and committee meeting minutes are available for review by all directors. Strategic, operational and competitive risks also are presented and discussed at the board's quarterly meetings, and more often as needed. On at least an annual basis, the board conducts a review of our long-term strategic plans and the Chief Risk Officer and other members of senior management report on our top risks and the steps management has taken or will take to mitigate these risks. In addition, at each quarterly meeting, or more often as necessary, the General Counsel updates the board on material legal and regulatory matters. On a regular basis between board meetings, our Chairman and Chief Executive Officer provides written reports to the board on the critical issues we face and recent developments in each of our principal operating areas. These reports include a discussion of business risks as well as a discussion regarding enterprise risk.

The Audit and Risk Committee is responsible for reviewing our Enterprise Risk Management, or ERM, framework and programs, as well as the framework by which management discusses our risk profile and risk exposures with the full board and its committees. The Audit and Risk Committee meets regularly with our Chief Financial Officer, Chief Risk Officer, Chief Auditor, Chief Compliance Officer, independent auditor, General Counsel, and other members of senior management to discuss our major financial risk exposures, financial reporting, internal controls, credit and liquidity risk, compliance risk, key operational risks, and ERM framework and programs. Other responsibilities include at least annually reviewing the implementation and effectiveness of our compliance and ethics program and our business continuity plan and test results. The Audit and Risk Committee meets regularly in separate executive session with the Chief Financial Officer, Chief Risk Officer, Chief Auditor, and independent auditor, as well as with committee members only, to facilitate a full and candid discussion of risk and other issues.

The Compensation Committee is responsible for overseeing human capital and compensation risks, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. The Compensation Committee also is charged with monitoring our incentive and equity-based compensation plans, and our employee pension and benefit plans. For additional information regarding the Compensation Committee's review of compensation-related risk, please see the section of this proxy statement entitled *Executive Compensation Risk Assessment of the Compensation Programs*.

Table of Contents

The Nominating and Corporate Governance Committee oversees risks related to our overall corporate governance, including board and committee composition, board size and structure, director independence, and our corporate governance profile and ratings. The Committee also is actively engaged in overseeing risks associated with succession planning for the board and management.

Independence of Directors

The NYSE's listing standards and our Corporate Governance Guidelines require that a majority of our board of directors and every member of the Audit and Risk, Compensation, and Nominating and Corporate Governance Committees are independent. Our Certificate of Incorporation further requires that at least fifty-eight percent (58%) of our board of directors is independent. Under the NYSE's listing standards, our Corporate Governance Guidelines, and our Certificate of Incorporation, no director will be considered to be independent unless and until our board of directors affirmatively determines that such director has no direct or indirect material relationship with Visa or our management. Our board of directors reviews the independence of its members annually.

Our board of directors adopted categorical director independence standards, which generally track the NYSE's listing standards, to assist it in making its independence determinations. Our categorical director independence standards, which specify commercial or charitable relationships that will not be considered material relationships that would impair a director's independence, are a part of our Corporate Governance Guidelines and are available on the Investor Relations section of our website, or in print free of charge to any stockholder who requests a copy in writing from our Corporate Secretary.

In October 2011, with the assistance of our legal counsel, the Nominating and Corporate Governance Committee reviewed the applicable legal and NYSE standards for independence, as well as the commercial and charitable relationships, as applicable, specified in our categorical director independence standards, and found that each of Gary P. Coughlan, Mary B. Cranston, Francisco Javier Fernandez-Carbajal, Suzanne Nora Johnson, Robert W. Matschullat, Cathy E. Minehan, David J. Pang, William S. Shanahan and John A. Swainson qualify as independent directors. Copies of the annual questionnaires completed by each of our directors and a summary of the Company's relationships with director-affiliated entities also were made available to the Committee. Following its review, the Committee delivered a report to the full board of directors, and the board made its independence determinations based upon the report and other supporting information. As an executive officer of Visa, Mr. Saunders, our Chairman and Chief Executive Officer, does not meet the NYSE's bright-line independence test.

In making the determination that the directors listed above are independent, the Nominating and Corporate Governance Committee and the board also considered the financial services, commercial, familial and other relationships between each director and his or her immediate family members or affiliated entities, on the one hand, and Visa and its subsidiaries, on the other hand, described below:

Ms. Minehan's spouse is a managing director of the Goldman Sachs Group, Inc., or Goldman Sachs, a financial services company which, through its affiliates, in fiscal years 2008 and 2009 provided us with investment banking and certain related financial services in the ordinary course of business. No fees were paid to Goldman Sachs in fiscal years 2010 or 2011 for such services. In addition, we paid an affiliate of Goldman Sachs rent under a long-term real estate lease, which terminated in fiscal year 2011. Our board of directors has determined that the amounts paid to Goldman Sachs in each of fiscal years 2008 through 2011 were not more than the greater of \$1 million or 2% of the annual consolidated gross revenue of Goldman Sachs. Our relationship with Goldman Sachs predated Ms. Minehan's election to our board of directors, and neither she nor her husband has played any role in our dealings with Goldman Sachs. In addition, Ms. Minehan's husband is not an executive officer of Goldman Sachs. Our board of directors has concluded that our relationship with Goldman Sachs is not a material relationship that would impede the exercise of independent judgment by Ms. Minehan.

Table of Contents

Ms. Nora Johnson is a member of the board of directors of American International Group, Inc., or AIG, a holding company which, through its subsidiaries, provides insurance products to Visa, and previously issued Visa cards and used the Visa network to process Visa card payments. Neither AIG nor its subsidiaries presently issue Visa cards or use the Visa network. Our relationship with AIG predated Ms. Nora Johnson's election to our board of directors, and she has played no role in our dealings with AIG. Our board of directors has concluded that our relationship with AIG is in the ordinary course of business and is not a material relationship that would impede the exercise of independent judgment by Ms. Nora Johnson.

Mr. Swainson is a member of the board of directors and a less than 1% stockholder of a small private company based in Canada that provides Internet security solutions. We have an ongoing business relationship with the private company, under which it provides certain services to us. We have paid less than U.S. \$1 million for these services in the last two fiscal years. We also recently supported the private company in a project, in return for which it issued us a warrant to purchase approximately 1% of the company provided certain vesting conditions are met. At this time only 25% of the warrant has vested. Our board of directors concluded that our relationship with the private company is the ordinary course of business and is not a material relationship that would impede the exercise of independent judgment by Mr. Swainson.

As discussed under *Certain Relationships and Related Person Transactions*, Ms. Cranston's daughter married one of our employees, Russell Hamilton, in September 2008. The board of directors determined that this relationship would not impede the exercise of independent judgment by Ms. Cranston.

Contributions to certain charitable organizations with which our independent directors are affiliated also were reviewed. The contributions complied with the NYSE's and our director independence standards, and the board of directors determined that they would not represent a material relationship that would impede the exercise of independent judgment by our independent directors.

Nomination of Directors

Criteria for Nomination to the Board of Directors and Diversity

Candidates for nomination to our board of directors are selected by the Nominating and Corporate Governance Committee in accordance with the Committee's charter, our Certificate of Incorporation and Bylaws, our Corporate Governance Guidelines, and the criteria adopted by the board regarding director candidate qualifications. The Nominating and Corporate Governance Committee will evaluate all candidates in the same manner and using the same criteria, regardless of the source of the recommendation.

Since the identification and selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, and will be significantly influenced by the particular needs of the board from time to time, there is not a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and NYSE listing requirements and the provisions of our Certificate of Incorporation, Bylaws, Corporate Governance Guidelines, and charters of the board's committees. When considering nominees, the Nominating and Corporate Governance Committee may take into consideration many factors, including a candidate's:

record of accomplishment in his or her chosen field;

depth and breadth of experience at an executive, policy-making level in business, payment systems, financial services, academia, law, government, information technology, emerging technology or other areas relevant to the Company's activities;

depth and breadth of experience at an executive, policy-making level at a publicly-listed company or other organization based in a strategic non-U.S. jurisdiction in which the Company operates or seeks to operate;

Table of Contents

depth and breadth of experience at an executive, policy-making level at a multinational company or other organization, with significant managerial and operational responsibilities outside of the United States;

experience working as the chief executive officer of a publicly-listed company;

experience serving as a director of a publicly-listed company based in the United States;

experience serving as an executive officer or director of Visa Inc. or any pre-merger Visa entity;

personal and professional ethics, integrity and values;

commitment to enhancing stockholder value;

commitment to engaging with all of the Company's constituencies, including merchants, clients, consumers, stockholders, employees, policy-makers, and the communities in which the Company operates;

ability to exercise good judgment and provide practical insights and diverse perspectives;

absence of real and perceived conflicts of interest;

ability and willingness to devote sufficient time to become knowledgeable about the Company and to effectively carry out the duties and responsibilities of service;

ability to attend all or almost all board of directors' meetings in person;

ability to develop a good working relationship with other members of the board of directors; and

ability to contribute to the board of directors' working relationship with senior management.

In addition to the above factors, the qualification criteria adopted by the board specify that the Nominating and Corporate Governance Committee should consider the value of diversity on the board of directors in the director nominee identification and nomination process. The Committee seeks nominees with a broad diversity of experience, strategic and operational views, and philosophies. The Committee's evaluation of director nominees also includes consideration of their ability to contribute to the diversity of personal and professional experiences, opinions, perspectives and backgrounds on the board. Nominees are not discriminated against on the basis of race, color, religion, sex, ancestry, national origin, sexual orientation, disability or any other basis prescribed by law. The Committee will assess the effectiveness of this approach as part of its annual review of its charter as well as during the board of directors' and Committee's self-evaluation process.

When considering nominees, the Committee also may consider whether the candidate possesses the qualifications, experience and skills it considers appropriate in the context of the board of directors' overall composition and needs. To assist it with its evaluation of the director nominees for election at the Annual Meeting, the Committee took into account the factors listed above. Under the heading *Proposal 1 Election of Directors*, we provide an overview of each nominee's principal occupation, business experience and other directorships of publicly-traded companies, together with the key attributes, experience and skills the Committee and the board of directors believe will best serve the interests of

the board of directors, the Company and our stockholders.

Stockholder Proposed Nominees

The Nominating and Corporate Governance Committee will consider director candidates who are timely proposed by our stockholders in accordance with our Bylaws and other procedures established from time to time by the Nominating and Corporate Governance Committee.

The deadline to propose candidates to be considered for nomination at the Annual Meeting has passed. To propose a candidate to be considered for nomination at our 2013 annual meeting, stockholders must deliver or mail their nomination submission and such submission must be received by our Corporate Secretary no earlier than one hundred twenty (120) days and not less than ninety (90) days prior to the date of

the annual meeting to ensure adequate time for meaningful review by the Nominating and Corporate Governance Committee and board of directors. However, if we give stockholders less than one hundred (100) days' notice or other prior public disclosure of the date of our 2013 annual meeting, we must receive stockholder nomination submissions no later than the close of business on the tenth (10th) day following the earlier of the day on which notice of the date of the meeting was mailed or other public disclosure was made.

Each stockholder nomination submission must include the following information:

a description of the nominee and the reasons for making the nomination;

the name and address, as they appear on our books, of the stockholder making the nomination, and the name and address of the beneficial owner, if any, on whose behalf the nomination is made;

the class and number of shares of common stock owned beneficially and of record by such stockholder and by the beneficial owner, if any, on whose behalf the nomination is made;

a description of all arrangements and understandings, whether or not in writing, between the stockholder and the nominee and any other person or persons, naming such person or persons, pursuant to which the nomination is to be made;

the name, age, business address and residential address of the nominee;

the class, series and number of shares of capital stock of the Company owned beneficially and of record by the nominee;

the written consent of the nominee to being named in the solicitation material and to serving as a director if elected;

a description of any negotiations, transactions or contacts during the past two years between the stockholder or its affiliates and any other person (including the identity of such other person) concerning any take-over bid, tender offer, exchange offer, merger, consolidation, business combination, recapitalization, restructuring, liquidation, dissolution, distribution, stock purchase or other extraordinary transaction involving the Company or any of its subsidiaries or the assets or securities of the Company or any of its subsidiaries;

a description of any negotiations, transactions or contacts during the past two years between the stockholder or its affiliates and any other person (including the identity of such other person) concerning any solicitation of proxies or consents from stockholders, any stockholder proposal, the election, removal or appointment of directors or executive officers of the Company or any of its subsidiaries, or the policies, affairs or strategy of the Company or any of its subsidiaries; and

such other information regarding the nominee as would be required to be included in the solicitation material, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, or the Exchange Act.

For additional information about the stockholder nominee submission process, please see our Bylaws, which are available on the Investor Relations page of our website at <http://investor.visa.com> under Corporate Governance.

Majority Voting Standard for Director Elections and Director Resignation Policy

Edgar Filing: VISA INC. - Form DEF 14A

During fiscal year 2011, our board of directors amended our Bylaws to provide for a majority voting standard for uncontested elections of directors. This standard states that in uncontested director elections, a director nominee will be elected only if the number of votes cast For the nominee exceeds the number of votes cast AGAINST the nominee. To address the holdover director situation under the Delaware General Corporation Law pursuant to which a director remains on the board of directors until his or her successor is elected and qualified, our board of directors also amended our Corporate Governance Guidelines in fiscal year 2011 to require each incumbent nominee to submit an irrevocable contingent resignation letter prior to the mailing of the proxy statement for an annual meeting at which the nominee's candidacy will be considered. If

Table of Contents

the nominee does not receive more votes cast FOR than AGAINST their election, our Nominating and Corporate Governance Committee will recommend to the board of directors that it accept the nominee's contingent resignation, unless it determines that acceptance of the resignation would not be in the interest of the Company or its stockholders. The board of directors will decide whether to accept or reject the contingent resignation at its next regularly scheduled meeting, but in no event later than 120 days following certification of the election results. The board of directors' decision and its reasons will be promptly disclosed in a periodic or current report filed with the SEC.

Board of Directors and Committee Self-Evaluations

Our board of directors and each of the Nominating and Corporate Governance, Compensation and Audit and Risk committees conduct an annual self-evaluation, which includes a qualitative assessment by each director of the performance of the board of directors and the committee or committees on which the director sits. The Nominating and Corporate Governance Committee oversees the evaluation process and reports the results to the full board of directors following the end of each year.

Code of Business Conduct and Ethics

Our board of directors has adopted a written Code of Business Conduct and Ethics that applies to all executive officers, employees and directors of the Company. Additionally, the board of directors has adopted a supplemental Code of Ethics for Senior Financial Officers, which applies to our Chief Executive Officer, Chief Financial Officer, General Counsel, and other senior financial officers, whom we refer to collectively as senior officers. These Codes require the senior officers to engage in honest and ethical conduct in performing their duties, provide guidelines for the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, and provide mechanisms to report unethical conduct. Our senior officers will be held accountable for their adherence to the Codes.

A copy of each of the Codes is available on the Investor Relations page of our website at <http://investor.visa.com> under Corporate Governance. If we amend or grant any waiver from a provision of our Codes, we will publicly disclose such amendment or waiver in accordance with and if required by applicable law, including by posting such amendment or waiver on our website at the address above or by filing a current report on Form 8-K.

Political Contributions Policy

In order to provide greater transparency to our stockholders regarding our political giving and to ensure board-level oversight of our political participation, lobbying and contributions, the Nominating and Corporate Governance Committee of our board of directors has adopted a political contributions policy. Under the policy, the Nominating and Corporate Governance Committee must pre-approve the use of corporate funds for political contributions. The policy also requires us to post an annual report of our political contributions, which is available on our website at <http://www.visa.com> under Corporate Responsibility.

The Nominating and Corporate Governance Committee will review the policy annually.

Communication with the Board of Directors

We believe that communications between our board of directors, our stockholders and other interested parties are an important part of our corporate governance. As a result, our board of directors has adopted a formal process by which stockholders or other interested persons may communicate with the board or any of its members. Stockholders and other interested parties may send communications in writing to any or all directors (including the Lead Director, the Chairman of the Board, or the non-employee directors as a group) electronically to board@visa.com or by mail c/o our Corporate Secretary, P.O. Box 8999, San Francisco, California 94128. Communications that meet the procedural and substantive requirements of the process approved by the board of directors will be delivered to the specified member of the board of directors,

non-employee directors as a group or all members of the board of directors, as applicable, on a periodic basis, which generally will be in advance of or at each regularly scheduled meeting of the board of directors. Communications of a more urgent nature will be referred to the General Counsel, the Corporate Secretary, or the Head of Global Corporate Legal, who will determine whether it should be delivered more promptly. Additional information regarding the procedural and substantive requirements for communicating with our board of directors may be found on our website at <http://investor.visa.com>, under Corporate Governance and Board of Directors.

All communications involving accounting, internal accounting controls and auditing matters, possible violations of, or non-compliance with, applicable legal and regulatory requirements or the Codes, or retaliatory acts against anyone who makes such a complaint or assists in the investigation of such a complaint, may be made via email to businessconduct@visa.com, through our Confidential Compliance Hotline at (888) 289-9322 within the United States or the AT&T International Toll-Free Dial codes available online at <http://www/business.att.com/bt/tollfree.jsp> outside of the United States, through our Confidential Online Compliance Hotline at <https://visa.alertline.com>, or by mail to Visa Inc., Business Conduct Office, P.O. Box 8999, San Francisco, California 94128. All such communications will be handled in accordance with our Whistleblower Policy.

The acceptance and forwarding of a communication to any director does not imply that the director owes or assumes any fiduciary duty to the person submitting the communication, all such duties being only as prescribed by applicable law.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Structure of the Board of Directors

During fiscal year 2011, our Nominating and Corporate Governance Committee and our board of directors undertook a review of the board's size and composition and, after careful consideration, decided to reduce its overall size from 17 directors to ten directors effective from and after the day of our 2011 annual meeting. Our board of directors currently consists of ten directors, nine of whom are independent. Our Nominating and Corporate Governance Committee and our board of directors continue to consider the appropriate size and composition of the board, to determine if other changes are necessary.

At the 2011 annual meeting, our stockholders also approved amendments to our Certificate of Incorporation to declassify the board of directors immediately during the meeting. As a result, all of our directors are elected at each annual meeting of stockholders and will hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified, or until their earlier death, resignation, retirement, disqualification or removal.

Attendance at Board of Directors, Committee and Annual Stockholders Meetings

Our board of directors and its committees meet throughout the year on a set schedule, hold special meetings as needed, and act by written consent from time to time. The board of directors met eleven times during fiscal year 2011. Each director attended at least 75% or more of the aggregate of: (a) the total number of meetings of the board of directors and independent directors held during fiscal year 2011, and (b) the total number of meetings held by all committees of the board of directors on which such director served during fiscal year 2011. The total number of meetings held by each committee is set forth below, under *Committees of the Board of Directors*.

Table of Contents

It is our policy that all members of our board of directors should endeavor to attend annual meetings of stockholders at which directors are elected. All of our directors attended the 2011 annual meeting of stockholders.

Executive Sessions of the Board of Directors

The non-employee, independent members of our board of directors and all committees of our board of directors meet in executive session without management present at each regularly scheduled in-person board and committee meeting and on an as-needed basis during telephonic and special meetings. John Swainson, our Lead Director, presides over executive sessions of the board of directors and the committee chairs, each of whom is independent, preside over executive sessions of the committees.

Committees of the Board of Directors

The current standing committees of the board of directors are the Nominating and Corporate Governance Committee, the Audit and Risk Committee, and the Compensation Committee. Each of the standing committees operates pursuant to a written charter, which is available on the Investor Relations page of our website at <http://investor.visa.com> under Corporate Governance.

Table of Contents**Compensation of Non-Employee Directors**

We use a combination of cash and equity-based compensation to attract and retain non-employee directors and to compensate such directors for their service on the board of directors in an amount that is commensurate with their role and involvement. In setting director compensation, we consider the significant amount of time our directors will expend in fulfilling their duties as well as the skill level required of our board of directors. Mr. Saunders, who is also our Chief Executive Officer, does not receive additional compensation for his service as a director. The Compensation Committee, which is comprised solely of independent directors, has the primary responsibility for reviewing and considering any revisions to our director compensation program. In fiscal year 2011, the Compensation Committee undertook its annual review of the type and form of compensation paid to our non-employee directors in connection with their service on the board of directors and its committees. The Compensation Committee consulted with our human resources department and also considered the results of an independent review completed by Frederic W. Cook & Co., the Compensation Committee's independent compensation consultant. As part of this review, Cook & Co. analyzed non-employee director compensation trends and reviewed data from companies comprising the same peer group adopted for review of our executive compensation program. Based on this review, the Compensation Committee recommended, and the board of directors approved, changes to the annual cash compensation of our non-employee directors effective as of April 1, 2011, and changes to the equity compensation of our non-employee directors effective for fiscal year 2012, in order to further align with peer group practices and recognize relative responsibilities, evolving market practice and increased time non-employee directors are required to commit to governance-related responsibilities.

Annual Retainers Paid in Cash

Each non-employee director receives an annual cash retainer for his or her service on the board of directors, as well as additional cash retainers if he or she serves as the Lead Director, on a committee or as the chair of a committee. As described above, the Compensation Committee made changes to director compensation that were effective April 1, 2011. The following table lists the various cash retainer amounts in effect during fiscal year 2011.

| | Amount of Retainer (Effective April 1, 2011) | Previous Amount of Retainer (Effective Through March 31, 2011) |
|--|---|---|
| Annual Board Membership Retainer | \$100,000 | \$82,000 |

Table of Contents

All of these cash retainers are paid in quarterly installments throughout the year. In addition, directors are reimbursed for customary expenses incurred while attending board of director and committee meetings.

Equity Compensation

Each non-employee director also receives an annual stock grant. For fiscal year 2011, a grant with a value of \$162,000 was awarded on November 5, 2010. Pursuant to the Compensation Committee's review of director compensation, effective for fiscal year 2012, the value of the award was increased to \$175,000. Grants made to U.S. based directors are made in the form of restricted stock and grants made to non-U.S. based directors are made in the form of restricted stock units. In each case, the shares and units vest on the first anniversary of the grant dates, but may be accelerated upon completion of service on the board of directors or in other limited circumstances.

Stock Ownership Guidelines

The board of directors' stock ownership guidelines for our non-employee directors require that each director own shares of our common stock equal to five times the annual board membership retainer. In fiscal year 2011, the board increased the guideline from three to five times the annual board membership retainer to reinforce the importance of aligning the interests of the members of the board with the interests of our stockholders. Equity interests that count toward the satisfaction of the ownership guidelines include shares owned outright by the director, shares jointly owned, and restricted shares and restricted stock units. Directors have five years from the date they become a member of the board to attain these ownership levels. Although all directors are within this five year period, each director currently meets or exceeds the increased guidelines. We also have an insider trading policy which, among other things, prohibits directors from hedging the economic risk of their stock ownership.

Charitable Matching Gift Program

Our non-employee directors may participate in our Board Charitable Matching Gift Program. Under this program, Visa will match contributions to eligible non-profit organizations, up to a maximum of \$15,000 per director per calendar year.

The following tables provide information on the total compensation of our non-employee directors during fiscal year 2011.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS**

Our stockholders will be asked to consider ten nominees for election to our board of directors to serve for a one year term until the 2013 annual meeting of stockholders, and until their successors, if any, are elected or appointed, or their earlier death, resignation, retirement, disqualification or removal. The names of the ten nominees for director, their current positions and offices, tenure as a Visa director, and their board committee memberships are set forth in the table below. All of the nominees are current Visa directors and, with the exception of Mr. Saunders, have been determined by our board to be independent. Our Nominating and Corporate Governance Committee reviewed the qualifications of each of the nominees and recommended to our board of directors that each nominee be submitted to a vote of our stockholders at the Annual Meeting. The board unanimously approved the Committee's recommendation at its meeting on October 18, 2011.

The board of directors expects each nominee to be able to serve if elected. If any director nominee is unable or unwilling to serve as a nominee at the time of the Annual Meeting, the persons named as proxies may vote for a substitute nominee chosen by the present board of directors to fill the vacancy. In the alternative, the proxies may vote just for the remaining nominees, leaving a vacancy that may be filled at a later date by the board of directors, or the board of directors may reduce the size of the board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL

NOMINEES TO SERVE AS DIRECTORS.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS****Review, Approval or Ratification of Transactions with Related Persons**

The Audit and Risk Committee of the board of directors has adopted a written Statement of Policy with Respect to Related Party Transactions, or the Policy, governing any transaction, arrangement or relationship between the Company and any Related Party where the aggregate amount will or may be expected to exceed \$120,000 and any Related Party had, has or will have a direct or indirect material interest. Under the Policy, the Audit and Risk Committee or its management delegate shall review Related Party Transactions and may approve or ratify them only if it is determined that they are in, or not inconsistent with, the best interests of the Company and its stockholders. When reviewing a Related Party Transaction, the Audit and Risk Committee or management delegate may take into consideration all of the relevant facts and circumstances available to it, including (if applicable), but not limited to: (i) the material terms and conditions of the transaction or transactions; (ii) the Related Party's relationship to Visa; (iii) the Related Party's interest in the transaction, including their position or relationship with, or ownership of, any entity that is a party to or has an interest in the transaction; (iv) the approximate dollar value of the transaction; (v) the availability from other sources of comparable products or services; and (vi) an assessment of whether the transaction is on terms that are comparable to the terms available to us from an unrelated third party. Related Party Transactions that are approved or ratified by the management delegate must be reported to the Audit and Risk Committee at its next regularly scheduled meeting.

In the event we become aware of a Related Party Transaction that was not previously approved or ratified under the Policy, the Audit and Risk Committee or management delegate shall evaluate all options available, including ratification, revision or termination of the Related Party Transaction. The Policy is intended to augment and work in conjunction with our other policies having code of conduct and/or conflict of interest provisions, including our Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers.

We engage in transactions, arrangements and relationships with many other entities, including financial institutions and professional organizations, in the ordinary course of our business. Some of our directors, executive officers, greater than five percent stockholders and their immediate family members, each a Related Party, may be directors, officers, partners, employees or stockholders of these entities. We carry out transactions with these entities on customary terms, and, in many instances, our directors and executive officers may not be aware of them. To our knowledge, since the beginning of fiscal year 2011, no Related Party has had a material interest in any of our business transactions or relationships other than as described below.

Texas Independent Bancshares Inc.

Texas Independent Bancshares, Inc. is a non-equity member of our subsidiary, Visa U.S.A. Inc. Charles T. Doyle, who was a Regional Director of the Company from our U.S.A. region until January 27, 2011, is the Chairman of the Board, Chief Executive Officer and a major stockholder of Texas Independent Bancshares. In October 2004, Texas Independent Bancshares was named as a defendant in litigation involving Visa U.S.A. and certain of its members known as *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, which we refer to as the interchange litigation. Texas Independent Bancshares is also a party to a joint defense agreement relating to the interchange litigation. Pursuant to a Visa U.S.A. board of directors' resolution dated April 18, 2007, which was approved by a majority of the independent directors of Visa U.S.A., Visa U.S.A. reimburses Texas Independent Bancshares for reasonable costs and expenses incurred in defending itself in the interchange litigation and as a participant in the joint defense agreement. In the board resolution, the Visa U.S.A. board of directors noted its belief that Texas Independent Bancshares would not have been named as a defendant in the interchange litigation absent Mr. Doyle's being a member of the Visa U.S.A. board of directors at the time. Visa U.S.A. has reimbursed Texas Independent Bancshares approximately \$123,223 for such expenses since the beginning of fiscal year 2011. This agreement was entered into prior to the adoption of the Policy, but was subsequently ratified by the Audit and Risk Committee of our board of directors, which found that it is in, or not inconsistent with, the best interests of the Company and its stockholders.

Table of Contents***Relationship with a Visa U.S.A. Employee***

Mary B. Cranston, an independent member of our board of directors, is related to an employee of our subsidiary, Visa U.S.A. Inc. Ms. Cranston's daughter married a Visa U.S.A. employee, Russell Hamilton, in September 2008, after Ms. Cranston joined our board. While Mr. Hamilton is not an executive officer of the Company, his compensation is approximately \$250,000 per year. Accordingly, Mr. Hamilton is both a Related Party and his employment is a Related Party Transaction for purposes of the Company's Statement of Policy with Respect to Related Party Transactions. Both the Audit and Risk Committee, with Ms. Cranston abstaining, and the Nominating and Corporate Governance Committee previously reviewed the circumstances surrounding Mr. Hamilton's employment and his relationship to Ms. Cranston and concluded that they are not material. Accordingly, the Audit and Risk Committee, with Ms. Cranston abstaining, approved Mr. Hamilton's continued employment and compensation, and the Nominating and Corporate Governance Committee and the board determined that the relationship would not impede the exercise of independent judgment by Ms. Cranston.

Impact of Company Performance on Fiscal Year 2011 Compensation

Our fiscal year 2011 corporate performance was a key factor in the compensation decisions and outcomes for the fiscal year:

Net Income and Operating Revenues Growth, adjusted to exclude the items discussed in more detail under the heading *Annual Incentive Plan* below, are the key metrics for annual incentive awards. Operating Revenues Growth, as adjusted, is also referred to as Net Revenue Growth, as adjusted, in this proxy statement. As performance with respect to each of these metrics was above target, the corporate performance portion of the annual incentive award paid out above target at 131.5% of target.

Long-term Incentives make up a significant portion of each of the named executive officer's compensation and the value of their equity awards is directly linked to the performance of our stock. Based on two-year Net Income, as adjusted, and our TSR results over the two year period, the performance shares earned under the performance share awards granted on November 5, 2009 paid out at 192.3% of target.

Based on our analysis of the overall economy and our review of competitive positioning, we made no salary changes in fiscal year 2011 for our named executive officers.

Continued Refinement of Our Compensation Programs in Fiscal Year 2011 and for Fiscal Year 2012

To further demonstrate our commitment to aligning our executive compensation structure with our stockholders' interests and current market practice, in fiscal year 2011 and for fiscal year 2012 we made the following changes to our compensation programs:

Increased the portion of long-term incentive awards granted as performance shares and reduced the proportion of awards delivered as stock options in order to strengthen the link between our named executive officer compensation and stockholders' long-term interests. As a result, approximately one-half of the value of the equity awards granted in fiscal year 2011 was in the form of performance share awards.

Executed a fixed-term employment agreement with our Chief Executive Officer that does not automatically renew and does not contain a gross-up for excise taxes that may be imposed as a result of severance or other payments deemed made in connection with a change of control.

Notified our named executive officers (other than our Chief Executive Officer) that their existing employment agreements would not be renewed and adopted an Executive Severance Plan in which the named executive officers (other than our Chief Executive Officer) participate. The Executive Severance Plan does not provide for gross-ups for excise taxes that may be imposed as a result of severance or other payments deemed made in connection with a change of control.

Increased the stock ownership guidelines for non-employee directors from three times to five times their annual board membership retainer.

Increased the stock ownership guidelines for our Chief Executive Officer from five times to six times his base salary.

Amended our stock ownership guidelines to require that executive officers who do not meet the applicable guideline must hold a minimum of 50% of the net shares resulting from any future vesting of restricted shares, restricted stock units or performance shares, or the exercise of stock options, until the guideline is met.

Completed the conversion of our defined benefit pension plan to a cash balance plan formula for all employees, including our named executive officers, effective January 1, 2011.
