**Item 2.02 Results of Operations and Financial Condition**

On January 24, 2012, the Company issued a press release regarding its results of operations and financial condition for the three months and year ended December 31, 2011. The text of the press release is included as Exhibit 99.1 to this report. The Company will include final financial statements and additional analyses for the three months and year ended December 31, 2011 as part of its Annual Report on Form 10-K.

The information in this Item 2.02, including the exhibit attached hereto, is furnished pursuant to Item 2.02 and shall not be deemed filed for any other purpose, including for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that Section. The information in this Item 2.02 of this Current Report on Form 8-K shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act regardless of any general incorporation language in such filing.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

Effective January 24, 2012, the Company and Mr. Joseph P. Campanelli, President and Chief Executive Officer of the Company, entered into a letter agreement (the Amendment) amending the purchase agreement that they entered into on September 29, 2009 (the Purchase Agreement). Additionally, effective January 24, 2012, Mr. Campanelli elected pursuant to Exhibit B of the Amendment (the Election Form) to reduce to zero, in the manner described below, the number of additional shares of the Company's common stock required to be purchased under the Purchase Agreement. The following descriptions are qualified in their entirety by reference to the Amendment, Purchase Agreement and Election Form, filed as Exhibits 10.1, 10.2 and 10.3 hereto, respectively, and incorporated herein by reference.

Pursuant to the terms of the Purchase Agreement, Mr. Campanelli originally committed to purchase 1,987,500 shares of the Company's common stock in eight separate tranches (the Tranches) at a price per share of \$10.50 (as adjusted for stock splits after its execution). In accordance with Schedule I of the Purchase Agreement, the Tranche purchases were to occur on September 29, 2009, December 31, 2009 and each June 30 and December 31 in 2010, 2011 and 2012. The Amendment eliminates the requirement that Tranches 6 through 8 be purchased at \$10.50 per share and, instead, provides that the underlying shares be purchased at their fair market value on the date of purchase, based on the closing price per share as reported on the New York Stock Exchange.

Further, the Amendment removes the specific Tranche closing dates for Tranches 4 through 8 on Schedule I, and permits Mr. Campanelli to complete each Tranche purchase at any time on or prior to December 31, 2012. Finally, because Mr. Campanelli has previously expended \$700,000 of his personal assets for the purpose of purchasing shares in support of the Company's public offerings, the Amendment permits Mr. Campanelli to elect to reduce the number of shares he is required to purchase under the Purchase Agreement by a number having an aggregate price per share of up to \$700,000. The Amendment provides for this reduction from the purchase requirement to be determined (i) for shares purchasable pursuant to Tranches 4 and 5, based on a price per share of \$10.50, and (ii) for shares purchasable pursuant to Tranches 6 through 8, based on their fair market value on the date of Mr. Campanelli's election pursuant to the Amendment.

Pursuant to the Amendment and the Election Form, on January 24, 2012, Mr. Campanelli elected to reduce the number of shares he is required to purchase by a number having a purchase price of \$700,000 which, based on the terms of the Amendment described above, reduced the number of additional shares he is required to purchase pursuant to the Purchase Agreement to zero. As a result of Mr. Campanelli's election, his obligation to make any further share purchases has been fully discharged, and the Purchase Agreement has been terminated.

**Item 7.01 Regulation FD Disclosure**

On January 25, 2012, the Company held a quarterly conference call to review fourth quarter 2011 earnings and furnished a slide presentation to accompany the call. A copy of the slide presentation used by the Company on the conference call is furnished as Exhibit 99.2 to this Current Report on Form 8-K and incorporated by reference herein.

The information in this Item 7.01, including the exhibit attached hereto, is furnished pursuant to Item 7.01 and shall not be deemed filed for any other purpose, including for purposes of Section 18 of the Exchange Act or otherwise subject to the liabilities of that Section. The information in this Item 7.01 of this Current Report on Form 8-K shall not be deemed incorporated by reference into any filing under the Securities Act or the Exchange Act regardless of any general incorporation language in such filing.

#### **Item 8.01 Other Events**

In the Company's press release announcing its results of operations and financial condition for the three months and year ended December 31, 2011, the Company also announced that it intends to provide notice to the U.S. Department of the Treasury exercising its contractual rights to defer its regularly scheduled quarterly payments of dividends, beginning with February 2012 payments, on preferred stock issued and outstanding in connection with the Company's participation in the TARP Capital Purchase Program. Under the terms of the preferred stock, the Company may defer payments of dividends for up to six quarters in total without default or penalty. The dividend is cumulative and failure to pay dividends for six dividend periods would trigger board appointment rights, and, during the deferral period, the Company may not pay any dividends on its capital stock.

Concurrently, the Company intends to exercise its contractual rights to defer interest payments with respect to its trust preferred securities. Under the terms of the related indentures, the Company may defer interest payments for up to 20 consecutive quarters without default or penalty. During the deferral period, the Company may not pay any dividends on its common or preferred stock or interest on its outstanding debt obligations that rank equally with, or junior to, the junior subordinated debentures related to the trust preferred securities.

At December 31, 2011, Flagstar Bank, FSB remained well capitalized. However, the Company believes it is prudent capital stewardship to refrain from making further payments until the Company's financial condition improves. These payments will be periodically evaluated and reinstated when appropriate, subject to provisions of the supervisory agreement currently in place with the Company.
