Edgar Filing: MAP Pharmaceuticals, Inc. - Form NT 10-K

The Staff of the Securities and Exchange Commission (the Staff), as part of the Staff's review of issuers' periodic reports, is currently reviewing the Company's unaudited Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2011 (the Staff Review). The Staff and the Company are presently in discussions to resolve the Staff's comments objecting to the Company's accounting treatment for the nonrefundable \$60.0 million upfront cash payment received by the Company in February 2011 (the Upfront Payment) pursuant to a Collaboration Agreement with Allergan, Inc. and Allergan USA, Inc. (Allergan and the Collaboration Agreement, respectively).

The Company believes that it is in the best interests of investors to resolve the Staff's comments prior to filing the Annual Report on Form 10-K for the fiscal year ended December 31, 2011 (the 2011 Form 10-K). As a result, the Company is unable to file the 2011 Form 10-K by the prescribed due date of March 15, 2012 without unreasonable effort or expense. The Company will work with the Staff to resolve all of the Staff's comments and file the 2011 Form 10-K as soon as practicable, and in any event within the 15-day extension period afforded by Rule 12b-25 under the Securities Exchange Act of 1934, as amended.

The Staff's comments relate to the Company's accounting treatment for the Upfront Payment received by the Company pursuant to the Collaboration Agreement with Allergan. The Company initially recognized \$34.2 million of the Upfront Payment as collaboration revenue in the quarterly period ended March 31, 2011. The remaining \$25.8 million was recorded as deferred revenue and would be amortized as collaboration revenue over the estimated obligation periods.

However, based on (i) the Staff Review and (ii) various communications between the Staff and the Company relating to the Staff Review, the Company is currently reexamining the appropriate accounting treatment for the Upfront Payment based on the criteria set forth in Accounting Standards Codification (ASC) 605-25. This new accounting guidance was adopted by the Company effective January 1, 2011.

The Company currently expects that a change in the accounting treatment for the Upfront Payment would result in a restatement of the Company's previously reported revenue, net income and earnings per share for the unaudited quarterly periods ended March 31, 2011, June 30, 2011 and September 30, 2011, but would have no effect on the Company's cash balance or total assets. Such change in accounting treatment also would affect the timing of future revenue recognition. Due to the ongoing discussion with the Staff, the Board of Directors is not yet in a position to conclude that previously issued unaudited quarterly reports for the periods ended March 31, 2011, June 30, 2011 and September 30, 2011 should no longer be relied upon.
