**2012 LONG-TERM INCENTIVE PLAN**

At the Annual Meeting of Shareholders held on April 26, 2012, the shareholders of the Company approved the 2012 Long-Term Incentive Plan (the "2012 Plan"). The following description is qualified in its entirety by reference to the full text of the 2012 Plan as referenced in Exhibit 99.1.

**Purpose:** The 2012 Plan is designed to provide a flexible mechanism to permit employees to obtain equity ownership in Corning, to increase their proprietary interest in the Company's growth and success.

**Administration:** The 2012 Plan will be administered by the Compensation Committee of the Board of Directors (the "Committee"). The Committee will have broad discretionary authority (within the parameters specified in the 2012 Plan) including, but not limited to: determining eligibility; transferability of awards; interpreting the 2012 Plan's provisions; and administering the 2012 Plan in a manner that is consistent with its purpose.

**Eligibility and Participation:** Only persons who, at the time of an award, are officers or employees of Corning or an affiliated entity are eligible to participate in the 2012 Plan.

**Number of Shares to be Optioned or Granted under the 2012 Plan:** Subject to adjustment as contemplated by the 2012 Plan, the maximum number of shares of Common Stock that may be used for awards and the settlement of options is 85,000,000.

**How the 2012 Plan may be Amended or Terminated:** The Board of Directors may amend, modify, suspend or terminate the 2012 Plan at any time, provided, however, that such amendment may not (i) increase the number of shares of Common Stock available under the 2012 Plan, or (ii) reduce the exercise price of any option to less than 100% of the New York Stock Exchange ( "NYSE" ) closing price as of the date of grant or allow for repricing of options, unless such amendment is properly approved by the Company's shareholders if such approval is required under applicable laws, rules and regulations, including the rules of the NYSE. No amendment shall adversely affect any outstanding award or option without the holder's consent.

**Termination Date:** The 2012 Plan will terminate on May 1, 2021.

## ITEM 8.01 OTHER EVENTS

The following description is being filed in this Form 8-K for the purpose of being incorporated by reference into registration statements filed by the Company under the Securities Act of 1933, as amended.

### DESCRIPTION OF COMMON STOCK

Corning Incorporated's Restated Certificate of Incorporation authorizes the issuance of 3,800,000,000 shares of common stock, par value \$.50 per share. Each holder of common stock is entitled to one vote per share for all matters to be voted on by shareholders. While the Restated Certificate of Incorporation currently contains remnants of provisions dealing with a classification of the board of directors of the Company, the board of directors is no longer effectively classified. Holders of common stock may not cumulate their votes in the election of directors, and are entitled to share equally in the dividends that may be declared by the board of directors, but only after payment of dividends required to be paid, if any, on any outstanding shares of preferred stock. Holders of the Company's common stock are entitled to dividends when, as, and if declared by the Company's board of directors, subject to the restrictions imposed by the New York Business Corporation Law. The continued declaration of dividends by our board of directors is subject to our current and prospective earnings, financial condition and capital requirements and any other factors that the board of directors deems relevant.

Upon voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of the common stock share ratably in the assets remaining after payments to creditors and provision for the preference of any preferred stock. There are no preemptive or other subscription rights, conversion rights or redemption or scheduled installment payment provisions relating to shares of common stock. All of the outstanding shares of common stock are fully paid and non-assessable.

Computershare Trust Company, N.A. is the transfer agent and registrar for our common stock. The common stock is listed on the New York Stock Exchange under the symbol "GLW".

Corning's By-Laws provide that holders of common stock may remove a director from office at any time prior to the expiration of his or her term only with cause and by vote of the holders of a majority of the common stock outstanding. Additionally, the By-Laws provide that premature vacancies on the board of directors may be filled only by a majority of the entire board. The By-Laws of Corning contain procedural requirements with respect to the nomination of directors by shareholders at an annual meeting that require, among other things, delivery of notice by nominating shareholders to the Company's Secretary not less than 90 days nor more than 120 days before the anniversary of the prior year's shareholders' meeting. The By-Laws do not provide that a special meeting of shareholders may be called by shareholders.

The Restated Certificate of Incorporation authorizes the issuance of 10,000,000 shares of preferred stock and authorizes the board of directors to establish one or more series of preferred stock and to determine, with respect to any such series, the relative rights, preferences or limitations of such series. The authorized shares of preferred stock are available for issuance without further action by the Company's shareholders, unless such action is required by applicable law or the rules of any stock exchange on which the Company's securities are listed.

The effect of the foregoing provisions may be to deter attempts either to obtain control of Corning or to acquire a substantial amount of its stock, even if a proposed acquisition transaction were at a significant premium over the then-prevailing market value of the common stock, or to deter attempts to remove the board of directors and management of Corning, even though some or a majority of the holders of common stock may believe these actions to be beneficial.

The Restated Certificate of Incorporation provides that no director will be liable to Corning or its shareholders for a breach of duty as a director except as provided by the New York Business Corporation Law.
