#### Edgar Filing: AMERICAN EAGLE OUTFITTERS INC - Form 8-K/A

#### **Explanatory Note**

This Form 8-K/A is filed by American Eagle Outfitters, Inc. (the Company) to amend the Current Report on Form 8-K dated May 18, 2012, filed May 24, 2012, (the Original Form 8-K) in order to update certain disclosures therein under Item 2.05 with respect to the Company s exit and disposal activities.

#### ITEM 2.05. Costs Associated with Exit or Disposal Activities

On May 18, 2012, the Company announced plans to exit 77kids by american eagle (77kids), including all 22 stores and the online business. Management determined that it is in the best interest of the Company and its shareholders to prioritize and focus its efforts on businesses with the highest return potential.

At the time of the announcement, management was exploring strategic alternatives for the 77kids business, which included a full or partial disposition of assets to a third party. As such, the Company was unable to make a good faith estimate of exit charges at that time, beyond the estimated \$16 million of pre-tax, non-cash asset impairment charges.

The Company is filing this amendment to the Original Form 8-K as an estimate of total exit charges can now be made based on progress of evaluating strategic alternatives.

In connection with the exit of 77kids, the Company expects to incur an after-tax loss of \$35 million to \$50 million, which includes \$25 million to \$38 million of closing related charges and \$10 million to \$12 million of operational costs during the exit period. The closing related charges, which are anticipated to be primarily taken in the second and third quarters, are comprised of the following after-tax amounts:

\$7 million to \$19 million for store transition and lease-related payments

\$3 million to \$4 million of severance and employee related costs

\$15 million of non-cash asset impairment charges and inventory write-downs

Of this, \$15 million to \$37 million is expected as pre-tax cash outflow for severance and store transition and lease related payments.

#### ITEM 2.06. Material Impairments

The information set forth in Item 2.05 is incorporated herein by reference.
