Unless otherwise defined herein, capitalized terms not defined herein shall have the meanings assigned to them in the Master Lease. This Interim Lease Schedule is a Schedule as defined in the Master Lease. The terms and conditions of the Master Lease are incorporated herein as if fully set forth in this Interim Lease Schedule LESSEE ACKNOWLEDGES THAT EACH INTERIM FUNDING REQUEST (AS DEFINED IN PARAGRAPH B BELOW) SHALL BE SUBJECT TO THE APPROVAL BY LESSOR IN LESSOR S SOLE DISCRETION.

A. TERMS.

Cut-Off Date: December 31, 2013

Stipulated Loss Value Percentage: 105.00%

Initial Documentation/Set-Up Fee: \$0.00

Per Disbursement Fee: \$25.00

Minimum Funding Request Amount: \$50,000.00

B. EQUIPMENT. From time to time, Lessee may request that Lessor finance Lessee s acquisition of Equipment that is described on each and every Interim Funding Request executed and delivered by Lessee to Lessor which refers to this Interim Schedule. Each Interim Funding Request shall include, without limitation, a description of the applicable Equipment and the Funding Amount for each such item of Equipment. Lessee hereby expressly agrees that each such Interim Funding Request is subject to the approval by Lessor in Lessor s sole discretion. Any such Interim Funding Request which is approved by Lessor shall thereupon be made a part of this Interim Lease Schedule. The term Equipment for the purposes of this Interim Lease Schedule may include Equipment which has been delivered and installed at Lessee s premises and Equipment which is in the process of production and/or installation for which Lessee requests progress payments. Lessee agrees that the Equipment is and will be used at all times solely for commercial purposes, and not for personal, family and household purposes.

C. TERM. Upon and after the date of execution hereof, the Equipment which is described in an Interim Funding Request that is approved by Lessor shall be subject to the terms and conditions of the Lease. The Interim Term of the Lease with respect to the Equipment shall commence on Lessor s Acceptance Date of the applicable Interim Funding Request. Upon Lessor s request from time to time before the Cut Off Date, Lessee will execute and deliver to Lessor a permanent Lease Schedule (the Replacement Schedule) which shall apply to Equipment which has been subject to previous Interim Funding Requests and the terms and conditions of the Replacement Schedule (including, but not limited to, the Lease Term and the amortization and interest rate for the principal amount financed) shall be subject to the mutual agreement of Lessor and Lessee. Upon the beginning of the Lease Term of a Replacement Schedule executed pursuant to the Master Lease, the Interim Term of the Lease shall terminate with respect to the Equipment subject to the Replacement Schedule. Until the beginning of the Lease Term under a Replacement Schedule, the Interim Term shall be the Lease Term as defined in the Master Lease. If for any reason whatsoever a Replacement Schedule has not been commenced for the Equipment then remaining subject to this Interim Lease Schedule on or before the Cut-Off Date referred to above (Cut-Off Date), Lessee shall, without demand from Lessor, pay Lessor all accrued and unpaid Interim Interest and the Stipulated Loss Value for such Equipment (as hereinafter defined).

D. INTERIM INTEREST. For the period from and including the date of disbursement by Lessor of the Funding Amount for each item of Equipment (pursuant to the Interim Funding Request) to the Commencement Date of the Replacement Schedule for the item of Equipment, or to such earlier date as this Interim Lease Schedule shall terminate (Interim Period), Lessee shall pay Lessor the product of (i) the Funding Amount of each item of Equipment and (ii) the Interim Interest Rate, all divided by three hundred sixty (360) days and multiplied by the number of days in the Interim Period for each Interim Funding Request (the Interim Interest). The total amount of accrued and unpaid Interim Interest for each item of Equipment shall be due and payable (i) on demand, or absent demand, monthly, and (ii) on the earlier of the Commencement Date of each Replacement Schedule, or the Cut-Off Date or such date as this Interim Lease Schedule shall terminate. The Funding Amount of each item of Equipment is the total amount of money disbursed by Lessor for such item of Equipment pursuant to the Interim Funding Authorizations. Interim Interest Rate means the LIBOR Overage as set forth above plus LIBOR as determined (a) as of the first day of the same month as the Acceptance Date; and (b) as of each Adjustment Date thereafter; provided, however, the Interim Interest Rate shall not exceed the maximum rate permitted by applicable law. Adjustment Date means the first day of each month. LIBOR means the London Interbank Offered Rate for 30 day loans as published in the Wall Street Journal on the first day of each month during the term hereof; provided that if the Wall Street Journal is not published on a particular day, the rate shall be as published in the most recently preceding published Wall Street Journal or, if the Wall Street Journal has stopped publishing 30-day LIBOR or if the Wall Street Journal has stopped publishing 30-day LIBOR on at least a monthly basis, in a comparable publication as reasonably determined by Lender.

E. STIPULATED LOSS VALUE. As used herein and in the Master Lease, during the Interim Term of the Lease, Stipulated Loss Value for any item of Equipment shall equal the Stipulated Loss Value Percentage set forth above of the Lessor's Cost related to such Equipment. As used herein and in the Master Lease, during the Interim Term of the Lease, Lessor's Cost shall mean the aggregate Funding Amount related to such item of Equipment. Any payment due to Lessor pursuant to Section 9(a) of the Master Lease shall be due within 30 days of the Casualty Loss.

F. AGREEMENT TO FINANCE EQUIPMENT IS SUBJECT TO LESSOR'S APPROVAL. Subject to the terms and conditions hereof, Lessor agrees to finance the purchase of the Equipment described in an approved Interim Funding Request. All funds for each and every Equipment purchase shall be paid directly to the applicable Supplier unless Lessor otherwise agrees. The obligation of Lessor to finance any Equipment purchase is subject to the performance by Lessee of all of its agreements and covenants under the Lease and the fulfillment of the following conditions.

- (1) Lessee has executed and delivered to Lessor an Interim Funding Request describing the Equipment and the manner in which the purchase proceeds are to be disbursed together with all related documents reasonably required by Lessor for any such financing, and Lessor, in the exercise of its sole discretion, has approved such Interim Funding Request. For each Interim Funding Request approved by Lessor, Lessee shall pay Lessor the Per Disbursement Fee stated in Paragraph A above. The total amount of the disbursements on each Interim Funding Request shall be no less than Minimum Funding Request Amount stated in Paragraph A above.
- (2) Lessor has received such executed financing statements, fixture filings, waiver and/or subordination agreements and other documents as it may reasonably request to perfect its security interest in the Equipment (including, without limitation, any lien, mortgagee, landlord or similar waivers).

H. SECURITY INTEREST. This Interim Lease Schedule is not intended to be a true lease, but is intended to be a secured debt financing transaction. As collateral security for payment and performance of all Secured Obligations (as defined below) and to induce Lessor to extend credit from time to time to Lessee (under the Lease or otherwise), Lessee hereby grants to Lessor a first priority security interest in all of Lessee's right, title and interest in the Equipment, whether now existing or hereafter acquired, and in all Proceeds (as defined below). Lessee represents, warrants and agrees that Lessee shall be the lawful owner of the Equipment and that good and marketable title to the Equipment shall remain with Lessee thereafter at all times. Lessee represents, warrants and agrees: that Lessee has granted to Lessor a first priority security interest in the Equipment and all Proceeds; and that the Equipment and all Proceeds are or, upon completion of progress payments to the supplier, shall be free and clear of any Liens other than Lessor's security interest thereafter at all times. 8. **INSURANCE:** Lessee at its sole expense shall at all times keep each item of Equipment insured against all risks of loss or damage from every cause whatsoever for an amount not less than the greater of the full replacement value or the Stipulated Loss Value (as defined in Section 9(b) below) of such item of Equipment. Lessee at its sole expense shall at all times carry public liability and third party property damage insurance in amounts satisfactory to Lessor (but in no event less than \$5,000,000.00) protecting Lessee and Lessor from liabilities for injuries to persons and damage to property of others relating in any way to the Equipment. All insurers shall be reasonably satisfactory to Lessor. Lessee shall deliver to Lessor satisfactory evidence of such coverage prior to and during the Lease Term of each Schedule. Proceeds of any insurance covering damage or loss of the Equipment shall be payable to Lessor as loss payee and shall be applied as set forth in Section 9 below. Proceeds of any public liability or third party property insurance shall be payable first to Lessor as additional insured to the extent of its liability, then to Lessee. Each insurance policy will require that the insurer give Lessor at least 30 days prior written notice of any cancellation of such policy and will require that Lessor's interests remain insured regardless of any act, error, omission, neglect or misrepresentation of Lessee. In the event that any policies insuring against liability risks described above shall now or hereafter provide coverage on a claims made basis, Lessee shall continue to maintain such policies in effect for a period of not less than three years after the expiration of the Lease Term of any Schedules. The insurance maintained by Lessee shall be primary without any right of contribution from insurance which may be maintained by Lessor.
9. **LOSS AND DAMAGE:**
- (a) Lessee bears the entire risk of loss, theft, damage or destruction of Equipment in whole or in part from any reason whatsoever (Casualty Loss). No Casualty Loss to Equipment shall relieve Lessee from the obligation to pay rent or from any other obligation under the Lease. In the event of Casualty Loss to any item of Equipment, Lessee shall immediately notify Lessor of the same and Lessee shall, if so directed by Lessor, immediately repair the same. If Lessor determines that any item of Equipment has suffered a Casualty Loss beyond repair (Lost Equipment), then Lessee, at the option of Lessor, shall: (1) immediately replace the Lost Equipment with similar equipment in good repair, condition and working order free and clear of any Liens and deliver to Lessor a bill of sale covering the replacement equipment, in which event such replacement equipment shall automatically be Equipment under the Lease; or (2) on the rent payment date which is at least 30 but no more than 60 days after the date of the Casualty Loss (the Loss Payment Due Date), pay to Lessor all accrued and unpaid rent, late charges and other amounts due under the Lease on or before such rent payment date plus the Stipulated Loss Value for such Lost Equipment as of the Loss Payment Due Date and a Breakfunding Charge. Upon payment by Lessee of all amounts due under the above clause (2), the lease of the Lost Equipment will terminate and Lessor shall transfer to Lessee all of Lessor's right, title and interest in such Equipment on an as-is, where-is basis with all faults, without recourse and without representation or warranty of any kind, express or implied.
- (b) Stipulated Loss Value of any item of Equipment during its Lease Term equals the Stipulated Loss Value of the Equipment as set forth in its Schedule. If the Stipulated Loss Value of any item of Equipment is not set forth in its Schedule, then the Stipulated Loss Value shall be equal to 102% of the present value discounted in arrears to the applicable date at the applicable SLV Discount Rate of

(1) the remaining rents and all other amounts [including, without limitation, any balloon payment and, as to a terminal rental adjustment clause (TRAC) lease, the TRAC value stated in the Schedule, and any other payments required to be paid by Lessee at the end of the applicable Lease Term] payable under the Lease for such item on

Page 3 of 10

(Intertape Master Lease)

and after such date to the end of the applicable Lease Term and (2) an amount equal to the Economic Value of the Equipment. For any item of Equipment, Economic Value means the Fair Market Value of the Equipment at the end of the applicable Lease Term as originally anticipated by Lessor at the Commencement Date of the applicable Schedule; provided, that Lessee agrees that such value shall be determined by the books of Lessor as of the Commencement Date of the applicable Schedule. After the payment of all rent due under the applicable Schedule and the expiration of the Lease Term of any item of Equipment, the Stipulated Loss Value of such item equals the Economic Value of such item. Stipulated Loss Value shall also include any Taxes payable by Lessor in connection with its receipt thereof. For any item of Equipment, SLV Discount Rate means an interest rate equal to LIBOR in effect on the Commencement Date of the Schedule for such item. LIBOR means the London Interbank Offered Rate for 30 day loans as published in the Wall Street Journal on the applicable date; provided that if the Wall Street Journal is not published on a particular day, the rate shall be as published in the most recently preceding published Wall Street Journal or, if the Wall Street Journal has stopped publishing 30-day LIBOR or if the Wall Street Journal has stopped publishing 30-day LIBOR on at least a monthly basis, in a comparable publication as reasonably determined by Lessor.

10. TAX BENEFITS INDEMNITY:

- (a) The Lease has been entered into on the basis that Lessor shall be entitled to such deductions, credits and other tax benefits as are provided by federal, state and local income tax law to an owner of the Equipment (the Tax Benefits) including, without limitation: (1) modified accelerated cost recovery deductions on each item of Equipment under Section 168 of the Code (as defined below) in an amount determined commencing with the taxable year in which the Commencement Date of the applicable Schedule occurs, using the maximum allowable depreciation method available under Section 168 of the Code, using a recovery period (as defined in Section 168 of the Code) reasonably determined by Lessor, and using an initial adjusted basis which is equal to the Lessor's Cost of such item; (2) amortization of the expenses paid by Lessor in connection with the Lease on a straight-line basis over the term of the applicable Schedule; and (3) Lessor's federal taxable income will be subject to the maximum rate on corporations in effect under the Code as of the Commencement Date of the applicable Schedule.
- (b) If on any one or more occasions (1) Lessor shall lose, shall not have or shall lose the right to claim all or any part of the Tax Benefits, (2) there shall be reduced, disallowed, recalculated or recaptured all or any part of the Tax Benefits, or (3) all or any part of the Tax Benefits is reduced by a change in law or regulation (each of the events described in subparagraphs 1, 2 or 3 of this paragraph (b) will be referred to as a Tax Loss), then, upon 30 days written notice by Lessor to Lessee that a Tax Loss has occurred, Lessee shall pay Lessor an amount which, in the reasonable opinion of Lessor and after the deduction of all taxes required to be paid by Lessor with respect to the receipt of such amount, will provide Lessor with the same after-tax net economic yield which was originally anticipated by Lessor as of the Commencement Date of the applicable Schedule.
- (c) A Tax Loss shall occur upon the earliest of: (1) the happening of any event (such as disposition or change in use of an item of Equipment) which may cause such Tax Loss; (2) Lessor's payment to the applicable taxing authority of the tax increase resulting from such Tax Loss; or (3) the adjustment of Lessor's tax return to reflect such Tax Loss.
- (d) Lessor shall not be entitled to payment under this section for any Tax Loss caused solely by one or more of the following events: (1) a disqualifying sale or disposition of an item of Equipment by Lessor prior to any Event of Default by Lessee; (2) Lessor's failure to timely or properly claim the Tax Benefits in Lessor's tax return; (3) a disqualifying change in the nature of Lessor's business or liquidation thereof; (4) a foreclosure by any person holding through Lessor a security interest on an item of Equipment which foreclosure results solely from an act of Lessor; or (5) Lessor's failure to have sufficient taxable income or tax liability to utilize the Tax Benefits.
- (e) Code shall mean the Internal Revenue Code of 1986, as amended. For the purposes of this section 10, the term Lessor shall include any affiliate group (within the meaning of section 1504 of the Code) of which Lessor is a member for any year in which a consolidated income tax return is filed for such affiliated group. Lessee's obligations under this section shall survive the expiration, cancellation or termination of the Lease.

GENERAL TAX INDEMNITY: Lessee will pay, and will defend, indemnify and hold Lessor harmless on an after-tax basis from, any and all Taxes (as defined below) and related audit and contest expenses on or relating to (a) any of the Equipment, (b) the Lease, (c) purchase, acceptance, ownership, lease, possession, use, operation, transportation, return or other disposition of any of the Equipment, and (d) rentals or earnings relating to any of the Equipment or the Lease. Taxes means present and future taxes or other governmental charges that are not based on the net income of Lessor, whether they are assessed to or payable by Lessee or Lessor, including, without limitation (i) sales, use, excise, licensing, registration, titling, franchise, business and occupation, gross receipts, stamp and personal property taxes, (ii) levies, imposts, duties, assessments, charges and withholdings, (iii) penalties, fines, and additions to tax and (iv) interest on any of the foregoing. Unless Lessor elects otherwise in a writing sent

Page 4 of 10

(Intertape Master Lease)

to Lessee, Lessor will prepare and file all reports and returns relating to any Taxes and will pay all Taxes to the appropriate taxing authority. Lessee will reimburse Lessor for all such payments promptly on request. On or after any applicable assessment/levy/lien date for any personal property Taxes relating to any Equipment, Lessee agrees that upon Lessor's request Lessee shall pay to Lessor the personal property Taxes which Lessor reasonably anticipates will be due, assessed, levied or otherwise imposed on any Equipment during its Lease Term. If Lessor elects in a writing sent to Lessee, Lessee will itself prepare and file all such reports and returns, pay all such Taxes directly to the taxing authority, and send Lessor evidence thereof. Lessee's obligations under this section shall survive the expiration, cancellation or termination of the Lease.

- 12. GENERAL INDEMNITY:** Lessee assumes all risk and liability for, and shall defend, indemnify and keep Lessor harmless on an after-tax basis from, any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs and expenses, including reasonable attorney fees and expenses, of whatsoever kind and nature imposed on, incurred by or asserted against Lessor, in any way relating to or arising out of the manufacture, purchase, acceptance, rejection, ownership, possession, use, selection, delivery, lease, operation, condition, sale, return or other disposition of the Equipment or any part thereof (including, without limitation, any claim for latent or other defects, whether or not discoverable by Lessee or any other person, any claim for negligence, tort or strict liability, any claim under any environmental protection or hazardous waste law and any claim for patent, trademark or copyright infringement). Lessee will not indemnify Lessor under this section for loss or liability arising from events which occur after the Equipment has been returned to Lessor or for loss or liability caused directly and solely by the gross negligence or willful misconduct of Lessor. In this section, Lessor also includes any director, officer, employee, agent, successor or assign of Lessor. Lessee's obligations under this section shall survive the expiration, cancellation or termination of the Lease.
- 13. PERSONAL PROPERTY:** Lessee represents and agrees that the Equipment is, and shall at all times remain, separately identifiable personal property. Upon Lessor's request, Lessee shall furnish Lessor a landlord's and/or mortgagee's waiver and consent to remove all Equipment. Lessor may display notice of its interest in the Equipment by any reasonable identification. Lessee shall not alter or deface any such indicia of Lessor's interest.
- 14. DEFAULT:** Each of the following events shall constitute an Event of Default under the Lease: (a) Lessee fails to pay any rent or other amount due under the Lease within 10 days of its due date; or (b) Lessee fails to perform or observe any of its obligations in Sections 8, 18, or 22 hereof; or (c) Lessee fails to perform or observe any of its other obligations in the Lease for more than 30 days after Lessor notifies Lessee of such failure; or (d) Lessee or any Guarantor fails to pay or perform or observe any term, covenant (including, but not limited to, any financial covenant), agreement or condition contained in, or there shall occur any payment or other default under or as defined in, any loan, credit agreement, extension of credit or lease in which Lessor or any subsidiary (direct or indirect) of JPMorgan Chase & Co. (or its successors or assigns) is the lender, creditor or lessor, other than this Agreement (each an Affiliate Credit Agreement) which shall not be remedied within the period of time (if any) within which such Affiliate Credit Agreement permits such default to be remedied; or (e) any statement, representation or warranty made by Lessee in the Lease, in any Schedule or in any document, certificate or financial statement in connection with the Lease proves at any time to have been untrue or misleading in any material respect as of the time when made; or (f) Lessee or any Guarantor becomes insolvent or bankrupt, or admits its inability to pay its debts as they mature, or makes an assignment for the benefit of creditors, or applies for, institutes or consents to the appointment of a receiver, trustee or similar official for it or any substantial part of its property or any such official is appointed without its consent, or applies for, institutes or consents to any bankruptcy, insolvency, reorganization, debt moratorium, liquidation or similar proceeding relating to it or any substantial part of its property under the laws of any jurisdiction or any such proceeding is instituted against it without stay or dismissal for more than 60 days, or it commences any act amounting to a business failure or a winding up of its affairs, or it ceases to do business as a going concern; or (g) with respect to any guaranty, letter of credit, pledge agreement, security agreement, mortgage, deed of trust, debt subordination agreement or other credit enhancement or credit support agreement (whether now existing or hereafter arising) signed or issued by any party (each a Guarantor) in connection with all or any part of Lessee's obligations under the Lease, the Guarantor defaults in its obligations thereunder or any such agreement shall cease to be in full force and effect or shall be declared to be null, void, invalid or unenforceable by the Guarantor; or (h) Lessee or any Guarantor fails to pay or perform or observe any term, covenant (including, but not limited to, any financial covenant), agreement or condition contained in, or there shall occur any payment or other default under or as defined in any Other Credit Agreement which shall not be remedied within the period of time (if any) within which such Other Credit Agreement permits such default to be remedied, regardless of whether such default is waived by any other party to such Other Agreement or such default produces or results in the cancellation of such Other Credit Agreement or the acceleration of the liability, indebtedness or other obligation under such Other Credit Agreement; or (i) Lessee or any Guarantor shall suffer the loss of any material license or franchise when Lessor shall reasonably conclude that such loss fairly impairs Lessee's or such Guarantor's ability to perform its obligations required hereunder or with respect hereto; or (j) Lessee or any Guarantor shall fail to pay any final judgment for the payment of money in an amount equal to or in excess of \$50,000.00; or (k) there shall occur in Lessor's reasonable opinion any material adverse change in the financial condition, business or operations of Lessee or any Guarantor; or (l) a Change of Control shall occur.

(Intertape Master Lease)

15. REMEDIES: If any Event of Default exists, Lessor may exercise in any order one or more of the remedies described in the lettered subparagraphs of this section, and Lessee shall perform its obligations imposed thereby:

- (a) Lessor may require Lessee to return any or all Equipment as provided in the Lease.
- (b) Lessor or its agent may repossess any or all Equipment wherever found, may enter the premises where the Equipment is located and disconnect, render unusable and remove it, may demand that Lessee cease using the Equipment, and may use such premises without charge to store or show the Equipment for sale for up to 90 days.
- (c) Lessor may sell any or all Equipment at public or private sale, with or without advertisement or publication, may re-lease or otherwise dispose of it or may use, hold or keep it.
- (d) Lessor may require Lessee to pay to Lessor on a demand date specified by Lessor (the Demand Date), with respect to any or all Equipment (i) all accrued and unpaid rent, late charges and other amounts due under the Lease on or before such demand date, plus (ii) as liquidated damages for loss of a bargain and not as a penalty, and in lieu of any further payments of rent, the Stipulated Loss Value of the Equipment on such demand date, plus (iii) interest at the Overdue Rate on the total of the foregoing from the demand date to the date of payment, plus (iv) a Breakfunding Charge. Overdue Rate means an interest rate per annum equal to the higher of 18% or 2% over the Prime Rate, but not to exceed the highest rate permitted by applicable law. The parties acknowledge that the foregoing money damage calculation reasonably reflects Lessor's anticipated loss with respect to the Equipment and the related Lease resulting from the Event of Default. If an Event of Default under section 14(f) of this Master Lease Agreement exists, then Lessee will be automatically liable to pay Lessor the foregoing amounts as of the next rent payment date unless Lessor otherwise elects in writing.
- (e) Without demanding payment pursuant to section 15(d), increase the Rent Payment due under the Lease to an amount equal to 105% of the payment provided for in the Schedule as amended from time to time.
- (f) Lessee shall pay all costs, expenses and damages incurred by Lessor because of the Event of Default or its actions under this section, including, without limitation any collection agency and/or attorney fees and expenses, and any costs related to the repossession, safekeeping, storage, repair, reconditioning or disposition of the Equipment.
- (g) Lessor may terminate the Lease and/or any or all Schedules, may sue to enforce Lessee's performance of its obligations under the Lease and/or may exercise any other right or remedy then available to Lessor at law or in equity.

Except as otherwise expressly required by Section 14 hereof or by applicable law, Lessor is not required to take any legal process or give Lessee any notice before exercising any of the above remedies. None of the above remedies is exclusive, but each is cumulative and in addition to any other remedy available to Lessor. Lessor's exercise of one or more remedies shall not preclude its exercise of any other remedy. No action taken by Lessor shall release Lessee from any of its obligations to Lessor. No delay or failure on the part of Lessor to exercise any right hereunder shall operate as a waiver thereof, nor as an acquiescence in any Event of Default, nor shall any single or partial exercise of any right preclude any other exercise thereof or the exercise of any other right. After any Event of Default, Lessor's acceptance of any payment by Lessee under the Lease shall not constitute a waiver by Lessor of such Event of Default, regardless of Lessor's knowledge or lack of knowledge at the time of such payment, and shall not constitute a reinstatement of the Lease if the Lease has been declared in default by Lessor, unless Lessor has agreed in writing to reinstate the Lease and to waive the Event of Default.

If Lessor actually repossesses any Equipment, then it will use commercially reasonable efforts under the then current circumstances to attempt to mitigate its damages; provided, that Lessor shall not be required to sell, re-lease or otherwise dispose of any Equipment prior to Lessor enforcing any of the remedies described above. Lessor may sell or re-lease the Equipment in any manner it chooses, free and clear of any claims or rights of Lessee and without any duty to account to Lessee with respect thereto except as provided below. If Lessor actually sells or re-leases the Equipment, it will credit the net proceeds of any sale of the Equipment, or the net present value (discounted at the then current Prime Rate) of the rents payable under any new lease of the Equipment, against and up to (but not exceeding) the Stipulated Loss Value of the Equipment and any other amounts Lessee owes Lessor, or will reimburse Lessee for and up to (but not exceeding) Lessee's payment thereof. The term net as used above shall mean such amount after deducting the costs and expenses described in clause (e) above of this section.

- 16. LESSOR'S RIGHT TO PERFORM:** If Lessee fails to make any payment under the Lease or fails to perform any of its other agreements in the Lease (including, without limitation, its agreement to provide insurance coverage as stated in the Lease), Lessor may itself make such payment or perform such agreement, and the amount of such payment and the amount of the expenses of Lessor incurred in connection with such payment or performance shall be deemed to be additional rent, payable by Lessee on demand.

Page 6 of 10

(Intertape Master Lease)

- 17. FINANCIAL AND OTHER REPORTS:** Lessee agrees to furnish to Lessor: (a) annual audited financial statements setting forth the financial condition and results of operation of Parent (financial statements shall include balance sheet, income statement and statement of cash flows and all notes and auditor's report thereto) within 90 days of the end of each fiscal year of Parent; (b) quarterly financial statements setting forth the financial condition and results of operation of Lessee within 45 days of the end of each of the first three fiscal quarters of Parent; and (c) such other financial information as Lessor may from time to time reasonably request including, without limitation, financial reports filed by Lessee or Parent with federal or state regulatory agencies. All such financial information shall be prepared in accordance with generally accepted accounting principles on a basis consistently applied. Notwithstanding the above requirements, if any Affiliate Credit Agreement exists, the financial reporting requirements of Lessee and any Guarantor under such Affiliate Credit Agreement shall remain fully applicable to Lessee and any Guarantor (as the case may be). Lessee agrees that any affiliate of JPMorgan Chase & Co. that receives any financial reports under any Affiliate Credit Agreement is hereby authorized to deliver complete copies of all such financial reports and related compliance certificates to Lessor in satisfaction of Lessee's obligation to deliver such information to Lessor. If for any reason whatsoever an Affiliate Credit Agreement is canceled, discharged or otherwise terminated, then, automatically and without any action by Lessor or any other party, all financial reporting requirements which are in effect as of the date immediately prior to the cancellation, discharge or termination of such Affiliate Credit Agreement shall remain in full force and effect, shall be incorporated in this Master Lease by reference, and shall be made a part of this Master Lease. Lessee will promptly notify Lessor in writing with full details if any event occurs or any condition exists which constitutes, or which but for a requirement of lapse of time or giving of notice or both would constitute, an Event of Default under the Lease or which might materially and adversely affect the financial condition or operations of Lessee or any affiliate of Lessee. Lessee will promptly notify Lessor in writing of the commencement of any litigation to which Lessee or any of its subsidiaries or affiliates may be a party (except for litigation in which Lessee's or the affiliate's contingent liability is fully covered by insurance) which, if decided adversely to Lessee would adversely affect or impair the title of Lessor to the Equipment or which, if decided adversely to Lessee would materially adversely affect the business operations or financial condition of Lessee. Lessee will immediately notify Lessor, in writing, of any judgment against Lessee if such judgment would have the effect described in the preceding sentence.
- 18. NO CHANGES IN LESSEE; FINANCIAL COVENANTS:** Lessee shall not: (a) liquidate, dissolve or suspend its business; (b) sell, transfer or otherwise dispose of all or a majority of its assets, except that Lessee may sell its inventory in the ordinary course of its business; (c) enter into any merger, consolidation or similar reorganization unless it is the surviving company; (d) transfer all or any substantial part of its operations or assets outside of the United States of America; or (e) without 30 days advance written notice to Lessor, change its name, state of incorporation or organization, or chief place of business. All financial covenants of Lessee and any Guarantor under any Affiliate Credit Agreement shall remain fully applicable to Lessee and any Guarantor (as the case may be) and shall not be violated by Lessee or any Guarantor (as the case may be) at any time. If for any reason whatsoever an Affiliate Credit Agreement is canceled, discharged or otherwise terminated, then, automatically and without any action by Lessor or any other party, all financial covenants which are in effect as of the date immediately prior to the cancellation, discharge or termination of such Affiliate Credit Agreement shall remain in full force and effect, shall be incorporated in this Master Lease by reference, and shall be made a part of this Master Lease.
- 19. LATE CHARGES:** If any rent or other amount payable under the Lease is not paid within 5 days of its due date, then as compensation for the administration and enforcement of Lessee's obligation to make timely payments, Lessee shall pay with respect to each overdue payment on demand an amount equal to the greater of fifteen dollars (\$15.00) or five percent (5%) of the each overdue payment (but not to exceed the highest late charge permitted by applicable law) plus any collection agency fees and expenses. The failure of Lessor to collect any late charge will not constitute a waiver of Lessor's right with respect thereto.
- 20. NOTICES; POWER OF ATTORNEY:** (a) Any notices and demands under or related to this document shall be in writing and delivered to the intended party at its address stated herein (if to Bank to 1111 Polaris Parkway, Suite 3A OH-1085, Columbus, Ohio 43240-2050, to the attention of the Operations Manager). Notice shall be deemed sufficiently given or made (i) upon receipt if delivered by hand, (ii) on the Delivery Day after the day of deposit with a nationally recognized courier service, (iii) on the third Delivery Day after the day of deposit in the United States mail, sent certified, postage prepaid with return receipt requested, and (iv) only if to Lessee, on the third Delivery Day after the notice is deposited in the United States mail, postage prepaid. Delivery Day means a day other than a Saturday, a Sunday, or any other day on which national banking associations are authorized to be closed. Any party may change its address for the purposes of the receipt of notices and demands by giving notice of such change in the manner provided in this provision. (b) With respect to any power of attorney covered by the Lease, the powers conferred on Lessor thereby: are powers coupled with an interest; are irrevocable; are solely to protect Lessor's interests under the Lease; and do not impose any duty on Lessor to exercise such powers. Lessor shall be accountable solely for amounts it actually receives as a result of its exercise of such powers.

ASSIGNMENT BY LESSOR: Lessor and any assignee of Lessor, with or without notice to or consent of Lessee, may sell, assign, transfer or grant a security interest in all or any part of Lessor's rights, obligations, title or interest in the Equipment, the Lease, any Schedule or the amounts payable under the Lease or any Schedule to any entity (a transferee). The transferee shall

Page 7 of 10

(Intertape Master Lease)

succeed to all of Lessor's rights in respect to the Lease as assigned to said transferee (including, without limitation, all rights to insurance and indemnity protection described in the Lease). Lessee agrees to sign any acknowledgement and other documents reasonably requested by Lessor or the transferee in connection with any such transfer transaction. Lessee, upon receiving notice of any such transfer transaction, shall comply with the terms and conditions thereof. Lessee agrees that it shall not assert against any transferee any claim, defense, setoff, deduction or counterclaim which Lessee may now or hereafter be entitled to assert against Lessor. Unless otherwise agreed in writing, the transfer transaction shall not relieve Lessor of any of its obligations to Lessee under the Lease and Lessee agrees that the transfer transaction shall not be construed as being an assumption of such obligations by the transferee. Lessee agrees that Lessor may provide lease information and financial information about Lessee on a confidential basis to any prospective transferee.

22. NO ASSIGNMENT, SUBLEASE OR LIEN BY LESSEE: LESSEE SHALL NOT, DIRECTLY OR INDIRECTLY, (a) MORTGAGE, ASSIGN, SELL, TRANSFER, OR OTHERWISE DISPOSE OF THE LEASE OR ANY INTEREST THEREIN OR THE EQUIPMENT OR ANY PART THEREOF, OR (b) SUBLEASE, RENT, LEND OR TRANSFER POSSESSION OR USE OF THE EQUIPMENT OR ANY PART THEREOF TO ANY PARTY, OR (c) CREATE, INCUR, GRANT, ASSUME OR ALLOW TO EXIST ANY LIEN ON THE LEASE, ANY SCHEDULE, THE EQUIPMENT OR ANY PART THEREOF.

23. EXPIRATION OF LEASE TERM:

- (a) At least 90 days (or earlier if otherwise specified), but no more than 270 days prior to expiration of the Lease Term of each Schedule, Lessee shall give Lessor written notice of its electing one of the following options for all (but not less than all) of the Equipment covered by such Schedule: return the Equipment under clause (b) below; or purchase the Equipment under clause (c) below. **The election of an option shall be irrevocable.** If Lessee fails to give timely notice of its election, then (i) Lessee shall be deemed to have elected to return the Equipment to Lessor at the end of the original Lease Term or, if elected by Lessor under clause (ii) of this sentence, the Extended Lease Term, and (ii) Lessor, at its option, may extend the Lease Term for an additional three months (Extended Lease Term) and all provisions of the Lease shall remain in full force and effect during the Extended Lease Term including, without limitation, obligations to pay rent and insure the Equipment.
- (b) If Lessee elects or is deemed to have elected to return the Equipment at the expiration of the Lease Term of a Schedule or if Lessee is obligated at any time to return the Equipment, then Lessee shall, at its sole expense and risk, deinstall, disassemble, pack, crate, insure and return the Equipment to Lessor (all in accordance with applicable industry standards) at any location in the continental United States of America selected by Lessor. The Equipment shall be in the same condition as when received by Lessee, reasonable wear, tear and depreciation resulting from normal and proper use excepted (and, if applicable, in the condition set forth in the Lease or the Schedule), shall be in good operating order and maintenance as required by the Lease, shall be certified as being eligible for any available manufacturer's maintenance program, shall be free and clear of any Liens as required by the Lease, shall comply with all applicable laws and regulations and shall include all manuals, specifications, repair and maintenance records and similar documents. Until Equipment is returned as required above, all provisions of the Lease shall remain in full force and effect including, without limitation, obligations to pay rent and insure the Equipment; provided, that the Lease Term of the lease of the Equipment covered by such Schedule shall be month-to-month or such shorter period as may be specified by Lessor.
- (c) If Lessee gives Lessor timely notice of its election to purchase Equipment, then on the expiration date of the applicable Schedule Lessee shall purchase all (but not less than all) of the Equipment and shall pay to Lessor the Fair Market Value of the Equipment plus all Taxes (other than income taxes on Lessor's gains on such sale), costs and expenses incurred or paid by Lessor in connection with such sale plus all accrued but unpaid amounts due with respect to the Equipment and/or the Schedule. The Stipulated Loss Value or Economic Value of any item of Equipment shall have no bearing or influence on the determination of Fair Market Value under this clause (c). Upon payment in full of the above amounts, and if no Event of Default has occurred and is continuing under the Lease, Lessor shall transfer title to such Equipment to Lessee as-is, where-is with all faults and without recourse to Lessor and without any representation or warranty of any kind whatsoever by Lessor, express or implied.
- (d) For purposes of the purchase option of the Lease, the determination of the Fair Market Value of any Equipment shall be determined (1) without deducting any costs of dismantling or removal from the location of use, (2) on the assumptions that the Equipment is in the better of its then current condition or the condition required by the applicable return and maintenance provisions of the Lease and that the Equipment is free and clear of any Liens as required by the Lease, and (3) by mutual agreement of Lessee and Lessor or, if Lessor and Lessee are not able to agree on such value, by the Appraisal Procedure. Appraisal Procedure means the determination of

Edgar Filing: INTERTAPE POLYMER GROUP INC - Form 6-K

Fair Market Value by an independent appraiser acceptable to Lessor and Lessee, or, if the parties are unable to agree on an acceptable appraiser, by averaging the valuation (disregarding the one which differs the most from the other two) of three independent appraisers, the first appointed by Lessor, the second

Page 8 of 10

(Intertape Master Lease)

appointed by Lessee and the third appointed by the first two appraisers. Lessee, at its sole expense, shall pay all fees, costs and expenses of the above described appraisers.

- 24. GOVERNING LAW:** THE INTERPRETATION, CONSTRUCTION AND VALIDITY OF THE LEASE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF OHIO WITHOUT REFERENCE TO CONFLICT OF LAW PROVISIONS. WITH RESPECT TO ANY ACTION BROUGHT BY LESSOR AGAINST LESSEE TO ENFORCE ANY TERM OF THE LEASE, LESSEE HEREBY IRREVOCABLY CONSENTS TO THE JURISDICTION AND VENUE OF ANY STATE OR FEDERAL COURT IN OHIO, WHERE THE MAIN OFFICE OF LESSOR IS LOCATED.
- 25. RIGHT OF SETOFF.** Lessee grants to the Lessor a security interest in the Deposits, and the Lessor is authorized to setoff and apply, all Deposits, Securities and Other Property, and Lessor Debt against any and all Liabilities. This right of setoff may be exercised at any time and from time to time, without prior notice to or demand on the Lessee and regardless of whether any Liabilities are contingent, unmatured or unliquidated. In this section: (a) the term Deposits means any and all accounts and deposits of the Lessee (whether general, special, time, demand, provisional or final) at any time held by the Lessor (including all Deposits held jointly with another, but excluding any IRA or Keogh Deposits, or any trust Deposits in which a security interest would be prohibited by law); (b) the term Securities and Other Property means any and all securities and other personal property of the Lessee in the custody, possession or control of the Lessor, JPMorgan Chase & Co. or their respective subsidiaries and affiliates (other than property held by the Lessor in a fiduciary capacity); and (c) the term Lessor Debt means all indebtedness at any time owing by the Lessor, to or for the credit or account of the Lessee and any claim of the Lessee (whether individual, joint and several or otherwise) against the Lessor now or hereafter existing.
- 26. MISCELLANEOUS:** (a) Subject to the limitations herein, the Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, administrators, successors and assigns. (b) This Master Lease Agreement and each Schedule may be executed in any number of counterparts, which together shall constitute a single instrument. If more than one counterpart of each Schedule is executed by Lessee and Lessor, then only one may be marked Lessor's Original by Lessor. A security interest in any Schedule may be created through transfer and possession only of: the sole original of said Schedule if there is only one original; or the counterpart marked Lessor's Original if there are multiple counterparts of said Schedule. (c) Section and paragraph headings in this Master Lease Agreement and the Schedules are for convenience only and have no independent meaning. (d) The terms of the Lease shall be severable and if any term thereof is declared unconscionable, invalid, illegal or void, in whole or in part, the decision so holding shall not be construed as impairing the other terms of the Lease and the Lease shall continue in full force and effect as if such invalid, illegal, void or unconscionable term were not originally included herein. (e) All indemnity obligations of Lessee under the Lease and all rights, benefits and protections provided to Lessor by warranty disclaimers shall survive the cancellation, expiration or termination of the Lease. (f) Neither party hereto shall be liable to other party hereto for any indirect, consequential or special damages for any reason whatsoever. (g) Each payment made by Lessee shall be applied by Lessor in such manner as Lessor determines in its discretion which may include, without limitation, application as follows: first, to accrued late charges; second, to accrued rent; and third, the balance to any other amounts then due and payable by Lessee under the Lease. (h) If the Lease is signed by more than one Lessee, each of such Lessees shall be jointly and severally liable for payment and performance of all of Lessee's obligations under the Lease. (i) In order to secure all obligations of Lessee under the Lease, Lessee assigns and grants to Lessor a security interest in: all rights, powers and privileges of Lessee under any sublease of any Equipment hereafter authorized in writing by Lessor; and all funds, balances, accounts, proceeds of collateral and/or other property of any kind of Lessee or in which Lessee has an interest now or hereafter in the possession, custody, or control of Lessor and any of its direct or indirect affiliates and subsidiaries, including, without limitation, J.P. Morgan Securities Inc.
- 27. By Lessee's acceptance hereof, Lessee acknowledges that not every ancillary provision specified herein, imposing duties, burdens or limitations on the Lessee and to be contained in the final documentation customary for this type of transaction can be set forth in this offer of commitment. Failure by the Lessee or CEF to reach agreement on the documentation or ancillary provisions shall not be deemed to be a breach of commitment on CEF's part.

CEF may terminate its commitment to provide the Facility if, in CEF's sole judgment: (i) any information submitted to CEF proves to have been inaccurate or incomplete or if any event or change occurs, or any additional information is disclosed to or discovered by CEF after the date hereof, which in any such case CEF deems, individually or in the aggregate, materially adverse in respect of the condition (financial or otherwise), business, operations, assets, liabilities or the prospects of the Lessee, (ii) any of the fees or other consideration provided for herein are not paid or delivered when due, (iii) a change shall have occurred in the financial markets after the date of delivery of this letter of offer of commitment, including but not limited to any governmental action or other event which materially adversely affects the extension of credit by banks, leasing companies or other lending institutions, (iv) the terms of the Facility are materially changed by the Lessee, (v) any condition to CEF's obligations set forth herein becomes incapable of satisfaction by the Lessee, or (vi) in CEF's sole judgment, there has been a material adverse change in the financial condition or business of Lessee or any Guarantor.

CEF's commitment hereunder may not be assigned, relied upon by any third party or changed orally or by course of conduct. This commitment letter and the related credit documentation embodies the entire understanding between the Lessee and CEF relating to the matters discussed herein and supersedes all prior agreements and understandings relating to the subject matter hereof. No extension or other modification of CEF's commitment shall be valid, binding or enforceable against CEF unless contained in writing made expressly for that purpose and executed by CEF.

This commitment letter shall be deemed to be executed and performable in and governed by the substantive laws of the State of Ohio, exclusive of conflict of laws provisions thereunder.

PREPAYMENT SCHEDULE ADDENDUM

(For a Financing Lease Schedule)

(Lock-Out Period & Break Funding Premium)

Dated: _____, 20____

Lease Schedule No: SAMPLE

Lessee: SAMPLE

Reference is made to the above Lease Schedule (Schedule) and to the Master Lease Agreement (Master Lease) identified in the Schedule, which are by and between **JPMORGAN CHASE BANK, N.A.** (Lessor) and the above lessee (Lessee). As used herein: Lease shall mean the Schedule and the Master Lease, but only to the extent that the Master Lease relates to the Schedule. This Schedule Addendum amends and supplements the terms and conditions of the Lease. Unless otherwise defined herein, capitalized terms defined in the Lease shall have the same meaning when used herein. **Solely for purposes of the Schedule, Lessor and Lessee agree as follows:**

1. Notwithstanding anything to the contrary herein or in the Schedule, Lessee and Lessor agree that Lessee shall not exercise its prepayment rights under this Addendum prior to the end of the Lock-Out Period specified below.

Lock-Out Period: the first **24** months of the Base Term of the Schedule

2. Notwithstanding anything to the contrary in the Lease, Lessee and Lessor agree that so long as no Event of Default has occurred and continues under the Lease and so long as Lessee gives Lessor at least 20 days prior written notice (the Notice Period) and so long as the above Lock-Out Period has expired, Lessee may elect to prepay its obligations under the Schedule by paying to Lessor on the installment payment date (a Prepayment Date) following the Notice Period the total of the following (the Prepayment Amount): (a) all accrued installment payments, interest, Taxes, late charges and other amounts then due and payable under the Lease; plus (b) the remaining principal balance payable by Lessee under the Schedule as of said Prepayment Date.

3. In addition to the prepayment amounts required by paragraph 2 above, Lessee shall also pay to Lessor a break funding charge equal to the sum of the differences between (i) each scheduled interest payment which would have been made on the prepaid amount if such prepayment had not occurred and (ii) the corresponding fixed-rate interest payment which would be received under an interest rate swap which the Lessor shall be deemed to have entered into as of the Prepayment Date (the Replacement Swap) covering its payment obligations under an interest rate swap which the Lessor shall be deemed to have entered into when the prepaid amount was originally funded, with each such difference discounted to a present value as of the date of prepayment using the fixed interest rate of the Replacement Swap as the applicable discount rate; the Lessee acknowledges that the Lessor might not fund or hedge its fixed-rate loan portfolio or any prepayment thereof on a loan-by-loan basis at all times, and agrees that the foregoing is a reasonable and appropriate method of calculating liquidated damages for any prepayment irrespective of whether any of the foregoing hedging transactions have in fact occurred or occurred precisely as stated with respect to the loan evidenced by this Note; all calculations and determinations by the Lessor of the amounts payable pursuant to the preceding provisions or of any element thereof, if made in accordance with its then standard procedures for so calculating or determining such amounts, shall be conclusive absent manifest arithmetic error.

4. Except as expressly amended or supplemented by this Addendum and other instruments signed by Lessor and Lessee, the Lease remains unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Addendum as of the date first written above.

11. **Deemed Liabilities.** All monies, advances, renewals, credits and credit facilities in fact borrowed or obtained from each Guaranteed Party shall be deemed to form part of the Liabilities, notwithstanding any lack or limitation of status or of power, incapacity or disability of the Customer or of any of the directors, partners or agents thereof, or that the Customer may not be a legal or suable entity, or any irregularity, defect or informality in any borrowing or the obtaining of such monies, advances, renewals, credits, or credit facilities, or any other reason whatsoever, the whole whether known to any of the Guaranteed Parties or not. Any sum which may not be recoverable from the undersigned or any of them (if more than one) on the footing of a guarantee shall be recoverable from the undersigned and each of them (if more than one) as sole or principal debtor in respect of such sum and shall be paid to the applicable Guaranteed Party on demand with interest.

CONTINUING GUARANTY

Lease/Loan Customer Name: INTERTAPE POLYMER CORP.

1. For valuable consideration, the receipt of which is hereby acknowledged, the undersigned (Guarantor) unconditionally guarantees to **JPMORGAN CHASE BANK, N.A.** (the Bank) the full and prompt payment and performance by the Lease/Loan Customer identified above (Customer) of all Obligations pursuant to a Lease, when due, whether at stated maturity, by acceleration, or otherwise, due or to become due, direct or indirect, absolute or contingent, joint or several, now or hereafter at any time owed or contracted by Customer to the Bank and whether owing by Customer alone or with one or more other customers, persons or other parties, and all costs and expenses of, and incidental to, collection of any of the foregoing, including reasonable attorneys' fees. **Lease** means, collectively, each Lease Schedule entered into pursuant to the Master Lease Agreement by and between Customer and the Bank dated as of _____, as amended from time to time, any addenda, riders, exhibits, schedules or supplements to a Lease Schedule or the Master Lease, and any replacement or substitution thereof. **Related Document** means any agreement or document relating to the Lease and any amendment to or replacement or substitution for the Lease or any such agreements or documents.
2. This is an absolute and unconditional guarantee of payment and not a guarantee of collection. The Bank shall not be required, as a condition of the liability of Guarantor, to resort to, enforce or exhaust any of its remedies against the Customer or any other party who may be liable for payment on any of the Obligations or to resort to, marshal, enforce or exhaust any of its remedies against any leased property or any property given or held as security for this Guaranty or any of the Obligations.
3. Guarantor hereby waives and grants to the Bank, without notice to Guarantor and without in any way affecting Guarantor's liability, the right at any time and from time to time, to extend other and additional credit, leases, loans or financial accommodations to Customer apart from the Obligations, to deal in any manner as it shall see fit with any of the Obligations and with any leased property or security for any of the Obligations, including, but not limited to, (i) accepting partial payments on account of any of the Obligations, (ii) granting extensions or renewals of all, or any part of, the Obligations, (iii) releasing, surrendering, exchanging, dealing with, abstaining from taking, taking, abstaining from perfecting, perfecting, or accepting substitutes for any or all leased property or security which it holds or may hold for any of the Obligations, (iv) modifying, waiving, supplementing or otherwise changing any of the terms, conditions or provisions contained in any of the Obligations, and (v) the addition or release of any other party or person liable hereon, liable on the Obligations or liable on any other guaranty executed to guarantee any of the Obligations. Guarantor hereby agrees that any and all settlements, compromises, compositions, accounts stated and agreed balances made in good faith between the Bank and Customer shall be binding upon Guarantor. No postponement or delay on the part of the Bank in the enforcement of any right hereunder shall constitute a waiver of such right.
4. Every right, power and discretion herein granted to the Bank shall be for the benefit of the successors or assigns of the Bank and of any transferee or assignee of any of the Obligations covered by this Guaranty. In the event any of the Obligations shall be transferred or assigned, every reference herein to the Bank shall be construed to mean, as to such Obligations, the transferee or assignee thereof. This Guaranty shall be binding upon each of the Guarantor's executors, administrators, heirs, successors, and assigns.
5. The Bank may continue to make loans or extend credit to Customer based on this Guaranty until termination of this Guaranty as provided herein, regardless of whether at any time or from time to time there are no existing Obligations or commitment by the Bank to make advances or other financial accommodations for Customer. Guarantor may terminate this Guaranty by sending written notice of such termination to the Bank. Such termination shall only be effective upon Guarantor's receipt of written acknowledgment from the Bank that it has received Guarantor's notice of such termination, which acknowledgment the Bank agrees to provide promptly upon receipt of Guarantor's notice of termination. If terminated, Guarantor will continue to be liable to the Bank for any Obligations in existence, created, assumed or committed to at the time the termination becomes effective, and all subsequent renewals, extensions, modifications and amendments of the Obligations. Guarantor expressly waives notice of the incurring by Customer of any and all Obligations to the Bank. Guarantor also waives presentment, demand of payment, protest, notice of dishonor or nonpayment of or nonperformance of any and all Obligations.

Edgar Filing: INTERTAPE POLYMER GROUP INC - Form 6-K

6. Until Customer and Guarantor have fully performed all of their obligations to the Bank (including, without limitation, payment in full in cash of all Obligations), Guarantor hereby waives any claims or rights which Guarantor might now have or hereafter acquire against Customer or any other person primarily or contingently liable on any of the Obligations, which claims or rights

arise from the existence or performance of Guarantor's obligations under this Guaranty or any other guaranty or under any instrument or agreement with respect to any leased property or any property constituting collateral or security for this Guaranty or any other guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, or any right to participate in any claim or remedy of the Bank or any other creditor which Guarantor now has or hereafter acquires, whether such claim or right arises in equity, under contract or statute, at common law, or otherwise.

7. The Bank's rights hereunder shall be reinstated and revived, and this Guaranty shall be fully enforceable, with respect to any amount at any time paid on account of the Obligations which thereafter shall be required to be restored or returned by the Bank upon the bankruptcy, insolvency or reorganization of Customer, Guarantor, or any other person, or as a result of any other fact or circumstance, all as though such amount had not been paid.
8. Guarantor shall pay to the Bank all costs and expenses, including reasonable attorneys' fees, incurred by the Bank in the enforcement or attempted enforcement of this Guaranty, whether or not suit is filed in connection therewith, or in the exercise by the Bank of any right, privilege, power or remedy conferred by this Guaranty.
9. Guarantor agrees that: (a) Guarantor shall not liquidate, dissolve, or suspend its business; and (b) Guarantor shall not sell, transfer, or otherwise dispose of all, or a majority of, its assets, except that Guarantor may sell Guarantor's inventory in the ordinary course of Guarantor's business.
10. Guarantor agrees to furnish the following to the Bank as long as any the Obligations remains unpaid or any credit is available to Customer under any of the Obligations such financial information as the Bank may from time to time request including, without limitation, financial reports filed by Guarantor with federal or state regulatory agencies. Guarantor will promptly notify The Bank in writing with full details if any event occurs or any condition exists which might materially and adversely affect the financial condition of Guarantor or any affiliate of Guarantor. Guarantor will promptly notify the Bank in writing of the commencement of any litigation to which Guarantor or any of its affiliates may be a party (except for litigation in which Guarantor's or the affiliate's contingent liability is fully covered by insurance) which, if decided adversely to Guarantor materially adversely affect the financial condition of Guarantor. Guarantor will immediately notify the Bank, in writing, of any judgment against Guarantor if such judgment would have the effect described in the preceding sentence. Notwithstanding the above requirements, if any Affiliate Credit Agreement exists, the financial reporting requirements of Guarantor under such Affiliate Credit Agreement shall remain fully applicable to Guarantor, and shall replace the financial reporting requirements set forth above. Guarantor agrees that any affiliate of JPMorgan Chase & Co. that receives any financial reports under any Affiliate Credit Agreement is hereby authorized to deliver complete copies of all such financial reports and related compliance certificates to the Bank in satisfaction of Guarantor's obligation to deliver such information to the Bank. If for any reason whatsoever an Affiliate Credit Agreement is canceled, discharged or otherwise terminated, then, automatically and without any action by the Bank or any other party, all financial reporting requirements which are in effect as of the date immediately prior to the cancellation, discharge or termination of such Affiliate Credit Agreement shall remain in full force and effect, shall be incorporated in this Guaranty by reference, and shall be made a part of this Guaranty. Affiliate Credit Agreement means any loan, credit agreement, extension of credit, lease, or guaranty applicable to Guarantor or by which Guarantor is bound and in which the Bank or any subsidiary (direct or indirect) of JPMorgan Chase & Co. (or its successors or assigns) is the lender, creditor or lessor., other than this Guaranty.
11. If Guarantor is a trust, Guarantor represents and warrants that: (a) it is a duly constituted and validly existing trust; (b) the Guarantor has delivered to the Bank a true, complete and accurate copy of the trust agreement pursuant to which it has been organized and all amendments and modifications thereto; and (c) the trustees of the Guarantor signing this Guaranty have the legal capacity and full power and authority to execute, deliver, and perform their obligations under, and to bind the Guarantor to perform its obligations under, this Guaranty, and to execute and deliver any and all documents and instruments in connection herewith.
12. If there is more than one Guarantor, the obligations under this Guaranty are joint and several. In addition, each Guarantor under this Guaranty shall be jointly and severally liable with any other guarantor of the Obligations. If the Bank elects to enforce its rights against fewer than all guarantors of the Obligations, that election does not release the Guarantor from its obligations under this Guaranty. The compromise or release of any of the obligations of any of the other guarantors or Customer shall not serve to waive, alter or release the Guarantor's obligations. The failure of any person or entity to sign this Guaranty shall not discharge the liability of any other Guarantor. Each Guarantor shall provide its own financial statements according to the terms of the foregoing section.

Edgar Filing: INTERTAPE POLYMER GROUP INC - Form 6-K

13. Guarantor represents and warrants that Guarantor has relied exclusively on Guarantor's own independent investigation of Customer, the leased property and the collateral for Guarantor's decision to guarantee Customer's Obligations now existing or thereafter arising. Guarantor agrees that Guarantor has sufficient knowledge of the Customer, the leased property, and the collateral to make an informed decision about this Guaranty, and that the Bank has no duty or obligation to disclose any information in its possession or control about Customer, the leased property, and the collateral to Guarantor. Guarantor warrants

to the Bank that Guarantor has adequate means to obtain from Customer on continuing basis information concerning the financial condition of Customer and that Guarantor is not relying on the Bank to provide such information either now or in the future. This Guaranty remains fully enforceable irrespective of any claim, defense or counterclaim which Customer may or could assert on any of the Obligations including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, fraud, bankruptcy, accord and satisfaction, and usury, same of which Guarantor hereby waives along with any standing by Guarantor to assert any said claim, defense or counterclaim.

14. This Guaranty contains the entire agreement of the parties and supersedes all prior agreements and understandings, oral or written, with respect to the subject matter hereof. This Guaranty is not intended to replace or supersede any other guaranty which Guarantor has entered into or may enter into in the future. Any Guarantor may enter into additional guaranties in the future, and such guaranties are not intended to replace or supersede this Guaranty unless specifically provided in that additional guaranty. The interpretation, construction and validity of this Guaranty shall be governed by the laws of the State of Ohio without reference to conflict of laws. With respect to any action brought by the Bank against Guarantor to enforce any term of this Guaranty, Guarantor hereby irrevocably consents to the jurisdiction and venue of any state or federal court in Ohio, where the main office of the Bank is located.

ALL PARTIES TO THIS GUARANTY WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY ON ANY MATTER WHATSOEVER ARISING OUT OF, IN CONNECTION WITH OR IN ANY WAY RELATED TO THIS GUARANTY.

Guarantor will promptly notify the Bank in writing of the commencement of any litigation to which Guarantor or any of its affiliates may be a party (except for litigation in which Guarantor's or the affiliate's contingent liability is fully covered by insurance) which, if decided adversely to Guarantor materially adversely affect the financial condition of Guarantor. Guarantor will immediately notify the Bank, in writing, of any judgment against Guarantor if such judgment would have the effect described in the preceding sentence. Notwithstanding the above requirements, if any Affiliate Credit Agreement exists, the financial reporting requirements of Guarantor under such Affiliate Credit Agreement shall remain fully applicable to Guarantor, and shall replace the financial reporting requirements set forth above. Guarantor agrees that any affiliate of JPMorgan Chase & Co. that receives any financial reports under any Affiliate Credit Agreement is hereby authorized to deliver complete copies of all such financial reports and related compliance certificates to the Bank in satisfaction of Guarantor's obligation to deliver such information to the Bank. If for any reason whatsoever an Affiliate Credit Agreement is canceled, discharged or otherwise terminated, then, automatically and without any action by the Bank or any other party, all financial reporting requirements which are in effect as of the date immediately prior to the cancellation, discharge or termination of such Affiliate Credit Agreement shall remain in full force and effect, shall be incorporated in this Guaranty by reference, and shall be made a part of this Guaranty. Affiliate Credit Agreement means any loan, credit agreement, extension of credit, lease, or guaranty applicable to Guarantor or by which Guarantor is bound and in which the Bank or any subsidiary (direct or indirect) of JPMorgan Chase & Co. (or its successors or assigns) is the lender, creditor or lessor., other than this Guaranty.
11. If Guarantor is a trust, Guarantor represents and warrants that: (a) it is a duly constituted and validly existing trust; (b) the Guarantor has delivered to the Bank a true, complete and accurate copy of the trust agreement pursuant to which it has been organized and all amendments and modifications thereto; and (c) the trustees of the Guarantor signing this Guaranty have the legal capacity and full power and authority to execute, deliver, and perform their obligations under, and to bind the Guarantor to perform its obligations under, this Guaranty, and to execute and deliver any and all documents and instruments in connection herewith.
12. If there is more than one Guarantor, the obligations under this Guaranty are joint and several. In addition, each Guarantor under this Guaranty shall be jointly and severally liable with any other guarantor of the Obligations. If the Bank elects to enforce its rights against fewer than all guarantors of the Obligations, that election does not release the Guarantor from its obligations under this Guaranty. The compromise or release of any of the obligations of any of the other guarantors or Customer shall not serve to waive, alter or release the Guarantor's obligations. The failure of any person or entity to sign this Guaranty shall not discharge the liability of any other Guarantor. Each Guarantor shall provide its own financial statements according to the terms of the foregoing section.

13. Guarantor represents and warrants that Guarantor has relied exclusively on Guarantor's own independent investigation of Customer, the leased property and the collateral for Guarantor's decision to guarantee Customer's Obligations now existing or thereafter arising. Guarantor agrees that Guarantor has sufficient knowledge of the Customer, the leased property, and the collateral to make an informed decision about this Guaranty, and that the Bank has no duty or obligation to disclose any information in its possession or control about Customer, the leased property, and the collateral to Guarantor. Guarantor warrants

to the Bank that Guarantor has adequate means to obtain from Customer on continuing basis information concerning the financial condition of Customer and that Guarantor is not relying on the Bank to provide such information either now or in the future. This Guaranty remains fully enforceable irrespective of any claim, defense or counterclaim which Customer may or could assert on any of the Obligations including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, fraud, bankruptcy, accord and satisfaction, and usury, same of which Guarantor hereby waives along with any standing by Guarantor to assert any said claim, defense or counterclaim.

14. This Guaranty contains the entire agreement of the parties and supersedes all prior agreements and understandings, oral or written, with respect to the subject matter hereof. This Guaranty is not intended to replace or supersede any other guaranty which Guarantor has entered into or may enter into in the future. Any Guarantor may enter into additional guaranties in the future, and such guaranties are not intended to replace or supersede this Guaranty unless specifically provided in that additional guaranty. The interpretation, construction and validity of this Guaranty shall be governed by the laws of the State of Ohio without reference to conflict of laws. With respect to any action brought by the Bank against Guarantor to enforce any term of this Guaranty, Guarantor hereby irrevocably consents to the jurisdiction and venue of any state or federal court in Ohio, where the main office of the Bank is located.

ALL PARTIES TO THIS GUARANTY WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY ON ANY MATTER WHATSOEVER ARISING OUT OF, IN CONNECTION WITH OR IN ANY WAY RELATED TO THIS GUARANTY.

RATE LOCK LETTER AGREEMENT

Dated: _____

Dear Mr. Pitz:

With your execution of the attached Commitment Letter dated August 14, 2012 (the Commitment Letter), you have requested that JPMorgan Chase Bank, N.A. (Lender) provide fixed rate financing subject to the terms outlined therein. This is to confirm that, pursuant to the terms of the Commitment Letter executed and accepted by Intertape Polymer Corp (the Borrower) on August 14, 2012, Lender will reserve \$4,000,000 in fixed rate funds, effective August 14, 2012 in anticipation of the Borrower s need for the financing of an equivalent amount on or before December 31, 2012 subject to the terms contained herein. The interest rate for the financing, as described in the Commitment Letter, will be at an annual rate equal to 2.74%.

If the qualified, essential use equipment is not delivered to and accepted by Borrower by December 31, 2012 or if for any reason (other than Lender s gross negligence or willful misconduct) the full amount of the \$4,000,000.00 financing is not funded in accordance with the terms of the financing documents by December 31, 2012, then Borrower shall pay to Lender a Reinvestment Premium on the amount equal to the difference between the \$4,000,000 and the amount actually funded within 5 business days of Lender s written request for payment of the Reinvestment Premium for the difference between the \$4,000,000 and the amount actually funded, if less.

Reinvestment Premium means the sum of the differences between (i) each scheduled interest payment which would have been made pursuant to the Scheduled Payments and (ii) the corresponding fixed-rate interest payment which would be received under an interest rate swap which the Lender shall be deemed to have entered into as of December 31, 2012 (the Replacement Swap) covering its payment obligations under an interest rate swap, including any forward rate swap, if applicable, which the Lender shall be deemed to have entered into as of August 14, 2012, with each such difference discounted to a present value as of December 31, 2012 using the fixed interest rate of the Replacement Swap as the applicable discount rate; the Borrower acknowledges that the Lender might not fund or hedge its fixed-rate loan portfolio on a loan-by-loan basis at all times, and agrees that the foregoing is a reasonable and appropriate method of calculating liquidated damages irrespective of whether any of the foregoing hedging transactions have in fact occurred or occurred precisely as stated with respect to the loan; all calculations and determinations by the Lender of the amounts payable pursuant to the preceding provisions or of any element thereof, if made in accordance with its then standard procedures for so calculating or determining such amounts, shall be conclusive absent manifest arithmetic error. The Replacement Interest Rate Swap shall be for 3 year maturity as reported on the Federal Reserve H.15 report for August 14, 2012, if applicable.

Scheduled Payments means 60 installments of \$71,413.54 each.

This agreement expires if not signed **and** returned by August 14, 2012.

If Borrower is in agreement with the above, please indicate such acceptance by signatures as set forth below, and returning this letter to my attention.
