(1) Effective September 6, 2012, commitments under our revolving credit facility increased to \$1.15 billion, with \$200 million of availability for letters of credit. As of September 26, 2012, we had approximately \$695 million of borrowings outstanding under our revolving credit facility and approximately \$496 million of availability.

Ranking

As of June 30, 2012, after giving effect to this offering and the application of the net proceeds therefrom to repay borrowings outstanding under our revolving credit facility as set forth under Use of Proceeds, we and the guarantors would have had approximately \$1.96 billion in principal amount of senior indebtedness outstanding (including the notes offered hereby), none of which would have ranked senior to the notes. After also giving effect to the increase in our revolving commitments to \$1.15 billion, which was effective on September 6, 2012, we would have had approximately \$1.15 billion of availability under our revolving credit facility.
