Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 16, 2012, the Board of Directors (the Board) of Manning & Napier, Inc. (the Company) appointed Robert M. Zak to fill a vacancy on the Board. Mr. Zak currently serves as President and Chief Executive Officer of Merchants Mutual Insurance Company, Merchants National Insurance Company and Merchants Preferred Insurance Company. Mr. Zak holds an M.B.A. in Accounting and Economics and a Bachelor of Science from the State University of New York at Buffalo.

There is no arrangement or understanding between Mr. Zak and any other person pursuant to which Mr. Zak was selected as a director. Mr. Zak does not have any family relationship with any director, executive officer or person nominated or chosen by the Company to become a director or an executive officer. The Board has determined that Mr. Zak is an independent director under applicable New York Stock Exchange (the NYSE) rules. Mr. Zak will serve on the Nominating and Corporate Governance, Compensation, and Audit Committees.

A copy of the press release announcing Mr. Zak's appointment is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 8.01. Other Events.

Pursuant to applicable NYSE listing standards, the Company is required to have a majority of independent directors on its Board, as well as a nominating/corporate governance committee composed entirely of independent directors, among other things (the Corporate Governance Requirements), unless the Company determines to opt out of the Corporate Governance Requirements pursuant to the controlled company exemption of the NYSE under 303A.00 of the NYSE's Listed Company Manual. The Company may avail itself of the controlled company exemption because William Manning, the Company's Chairman, holds a majority of the combined voting power of the Company's capital stock through his ownership of 100% of the Company's outstanding Class B common stock.

The Company has been unable to identify and appoint a fourth independent director to meet the Corporate Governance Requirements relating to having a majority of independent directors on its Board (a Majority Board). Accordingly, in order to remain in compliance with the Corporate Governance Requirements, the Company shall, as of November 16, 2012, rely on the controlled company exemption and not maintain a Majority Board or have a nominating and corporate governance committee composed entirely of independent directors. The Company is continuing to search for additional qualified director candidates that would allow the Company to meet all of the Corporate Governance Requirements and not to rely on the controlled company exemption.

Because the Company shall rely on the controlled company exemption, holders of the Company's common stock may not have the same protections afforded to stockholders of companies that are subject to all of the Corporate Governance Requirements. William Manning has a controlling influence over the Board, and the interests of William Manning may conflict with the interests of the Company's other stockholders.
