Sale of Interests in BBAM Limited Partnership

On December 28, 2012, Fly Leasing Limited (FLY) sold its 15% interest in BBAM Limited Partnership (BBAM) to a fund managed by Onex Corporation (Onex). The gross purchase price was \$49.5 million. Summit Aviation Partners LLC (Summit) also sold a 35% interest in BBAM to Onex, and BBAM is now owned 50% by Summit and 50% by Onex.

Concurrently with the closing of the BBAM sale transaction, Summit and Onex invested \$25 million in 2,191,060 newly issued common shares of FLY. The per share price of \$11.41 represents a 5% discount to the volume weighted average price of FLY shares in the five day period ended November 29, 2012. The shares were issued in a private placement transaction pursuant to Section 4(a)(2) of the Securities Act of 1933. The shares are subject to lock up provisions, and FLY has agreed to register the shares with the Securities and Exchange Commission pursuant to a registration rights agreement.

FLY received aggregate net proceeds of approximately \$72.5 million from these transactions after payment of expenses including a one-time fee of \$1.74 million paid to BBAM for services rendered in connection with the transactions.

FLY also entered into an amended management agreement (Management Agreement) with Fly Leasing Management Co. Limited (Manager), an indirect wholly owned subsidiary of BBAM. The term of the Management Agreement has been extended to December 28, 2022, with an automatic five year renewal period unless FLY makes a payment to the Manager of \$8 million, subject to potential future adjustment. In addition, BBAM has agreed to provide FLY with certain information regarding BBAM s financial results as well as information about purchases and disposition of aircraft by entities managed or serviced by BBAM. Finally, FLY has agreed that it will not have the right to terminate the Management Agreement upon the departure of Steven Zissis, the current president and chief executive of Summit and BBAM.
