*Closing of Sale of Working Interests in Greater Aneth Field to NNOG*

Resolute Energy Corporation ( Resolute ) today announced that it had closed the transfer of 5% of Resolute s interest in Greater Aneth Field to Navajo Nation Oil and Gas Company ( NNOG ). Resolute and NNOG entered into a purchase and sale agreement in April 2012 pursuant to which NNOG exercised an option to purchase 10% of the interest owned by Resolute in Greater Aneth Field. This option was exercised for cash consideration of \$100 million, including a \$10 million performance deposit and subject to customary purchase price adjustments. The purchase and sale agreement provided that the transaction would be closed and paid for in two equal transfers of 5% each, scheduled for July 2012 and January 2013. The first of these two transfers was consummated on July 2, 2012 and Resolute received cash of approximately \$45 million (including purchase price adjustments) for the 5% interest that was transferred at that time. The second of these transfers was consummated on January 18, 2013 and Resolute received approximately \$48 million (including purchase price adjustments) for the 5% interest that was transferred at that time. Please refer to Resolute s press release dated April 11, 2012, for further information on the transaction.
