- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01. Entry Into a Material Definitive Agreement.

On February 21, 2013, Odyssey Marine Exploration, Inc. ("Odyssey"), Odyssey Marine Enterprises, Ltd., a Bahamian company (the "Enterprises"), and Oceanica Resources, S. de. R.L., a Panamanian company ("Oceanica"), entered into a Unit Purchase Agreement (the "Purchase Agreement") with Mako Resources, LLC (the "Buyer"). Enterprises is an indirect, wholly owned subsidiary of Odyssey. As of the date of the Purchase Agreement, Enterprises held 77.6 million of Oceanica's 100.0 million outstanding quotas (a unit of equity interest under Panamanian law).

Pursuant to the Purchase Agreement, Enterprises agreed to sell to Mako up to 15.0 million of the quotas held by Enterprises for a purchase price of U.S.\$1.00 per quota, and the purchase and sale of the quotas may be consummated in one or more closings, with the initial closing to be held on February 21, 2013. The Purchase Agreement further provides that at each closing, Mako will be granted an option to purchase a number of additional quotas held by Enterprises equal to the number of quotas purchased by Mako at such closing. The options have an exercise price of U.S.\$2.50 per quota and are exercisable at any time and from time to time through and until December 31, 2013.

An initial closing was held on February 21, 2013. At the closing, Enterprises sold and transferred to Mako 10.0 million quotas for an aggregate purchase price of U.S.\$10.0 million. Pursuant to the Purchase Agreement, Mako is permitted to purchase an additional 5.0 million quotas on or before February 28, 2013.

Oceanica is in the business of mineral exploration and controls exclusive mining licenses for offshore mineral deposits. The licenses include areas which, based upon extensive exploration and analysis undertaken by Odyssey, are believed to feature valuable mineral resources. Preliminary resource assessments indicate that the licenses, or concessions, which have been granted for a 50-year period to a wholly owned subsidiary of Oceanica, may prove to have significant economic and strategic value.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
