Dear Shareholders:

I am pleased to inform you that on March 12, 2013, the Board of Directors of Valley Community Bancshares, Inc. (Valley) announced the signing of a definitive agreement for Valley to be acquired by Heritage Financial Corporation (NASDAQ GS: HFWA, Heritage). As part of this transaction, the subsidiary banks, Valley Bank and Heritage Bank, will also be combined. We have attached a copy of the press release which provides a general outline of the terms of the merger transaction.

While we have enjoyed being an independent bank, we are enthusiastic that this transaction will bring expanded opportunities to our employees, our shareholders and our customers. The two banks share similar core values and each takes pride in its customer service, community involvement, and strong credit discipline. The combined companies will have approximately \$1.6 billion in assets and a significant market footprint in the Puget Sound region. The acquisition is subject to approval by Valley s shareholders, as well as regulatory approvals and other customary closing conditions.

Within a short period of time, you will receive a proxy statement that will provide detailed information concerning the transaction. It is anticipated that the transaction will close in the third quarter of 2013.

With this letter we have also enclosed our Annual Report for 2012.

Thank you for your continued loyalty and support.

Very truly yours,

/s/ David H. Brown
