**Item 8.01. Other Events.**

On June 7, 2013, Thermo Fisher Scientific Inc. (the Company) announced that it priced an underwritten public offering (the Offering) of its common stock, par value \$1.00 per share (Common Stock), in connection with the Forward Sale Agreements described below. On June 11, 2013, the Company announced that the underwriters exercised their over-allotment option in full in connection with the Offering. In connection with the Offering, the Company entered into: (i) letter agreements, each dated as of June 6, 2013 (the Initial Forward Sale Agreements), with each of JPMorgan Chase Bank, National Association, London Branch and Barclays Bank PLC (each, a Forward Purchaser and collectively, the Forward Purchasers), (ii) an underwriting agreement, dated as of June 6, 2013 (the Underwriting Agreement), with J.P. Morgan Securities LLC and Barclays Capital Inc., as representatives of the several underwriters listed therein (the Underwriters) and J.P. Morgan Securities LLC and Barclays Capital Inc. each as agent for an affiliate of its respective affiliated Forward Purchaser (collectively, the Forward Sellers) and (iii) letter agreements, each dated as of June 10, 2013 (the Additional Forward Sale Agreements) and together with the Initial Forward Sale Agreements, the Forward Sale Agreements, and the Forward Sale Agreements together with the Underwriting Agreement, the Offering Agreements), with each of the Forward Purchasers, relating to the Offering of a total of 29,590,643 shares of Common Stock (the Offered Shares).

Pursuant to the Offering Agreements and at the Company's request, the Forward Sellers agreed to borrow from third parties and sell to the Underwriters the Offered Shares in connection with the Forward Sale Agreements. If the Forward Sellers are unable to borrow and deliver for sale on the anticipated closing date the Offered Shares, or if the Forward Purchasers determine, in their commercially reasonable judgment, that it is either impracticable to do so or that the Forward Sellers are unable to borrow, at a stock loan rate not greater than a specified amount, and deliver for sale on the anticipated closing date the Offered Shares, then the Company will issue and sell to the underwriters a number of Offered Shares equal to the number of shares that the Forward Sellers do not borrow and sell. The closing of the sale of the Offered Shares is expected to occur on June 12, 2013.

Under the terms of the Forward Sale Agreements, the settlement of the Forward Sale Agreements must occur no later than 14 months from June 6, 2013. The Company will not initially receive any proceeds from the sale of the Offered Shares except to the extent it issues the portion of Offered Shares, if any, that the Forward Sellers do not borrow and sell. Although the Company expects to fully physically settle the Forward Sale Agreements entirely by delivering shares of Common Stock in exchange for cash proceeds, the Company may, subject to certain conditions, elect cash or net share settlement for all or a portion of its obligations under the Forward Sale Agreements if it concludes it is in the Company's best interest to do so.

In connection with the Offering, the Company and certain of its officers entered into 60-day lock-up agreements in substantially the form included in the Underwriting Agreement and subject to customary exceptions.

The Offering was made pursuant to a prospectus supplement and an accompanying prospectus, both of which have been filed with the Securities and Exchange Commission pursuant to the Company's automatic shelf registration statement on Form S-3 (Registration No. 333-187080).

The Offering Agreements contain customary representations, warranties and agreements by the Company, conditions to closing, indemnification rights, obligations of the parties and acceleration and termination provisions. The descriptions of the Underwriting Agreement and the Forward Sale Agreements set forth above are qualified in their entirety by reference to such documents, which are attached as Exhibits 1.1, 10.1, 10.2, 10.3 and 10.4 hereto respectively and are incorporated by reference in this Item 8.01.
