- (3) Attending the Annual Meeting and voting in person.

9. Q: Who will count the votes?

A: Representatives of Computershare Shareowner Services, the Company's transfer agent, will count the votes and act as the inspector of election at the Annual Meeting.

10. Q: Why did I receive a Notice in the mail regarding the Internet availability of proxy material instead of a full set of printed proxy materials?

A: Pursuant to rules adopted by the Securities and Exchange Commission (SEC) we are making this Proxy Statement available to our stockholders electronically via the Internet. On or about August 16, 2013, we will mail the Notice of Internet Availability of Proxy Materials to stockholders of our common stock at the close of business on the Record Date, other than those stockholders who previously requested electronic or paper delivery of communications from us. The Notice contains instructions on how to access an electronic copy of our proxy materials, including this Proxy Statement and our 2013 Annual Report. The Notice also contains instructions on how to request a paper copy of the Proxy Statement. We believe that this process will allow us to provide you with the information you need in a timely manner, while conserving natural resources and lowering the costs of the Annual Meeting.

11. Q: Can I vote my shares by filling out and returning the Notice of Internet Availability of Proxy Materials?

A: No. The Notice only identifies the items to be voted on at the Annual Meeting. You cannot vote by marking the Notice and returning it. The Notice provides instructions on how to cast your vote.

12. Q: What does it mean if I receive more than one notice regarding the Internet availability of proxy materials or more than one set of printed proxy materials?

A: If you hold your shares in more than one account, you may receive a separate Notice of Internet Availability of Proxy Materials or a separate set of printed proxy materials, including a separate proxy card or voting instruction card, for each account. To ensure that all of your shares are voted, please vote by telephone or by Internet or sign, date, and return a proxy card or voting card for each account.

13. Q: What if I own shares through the Company's 401(k) plan?

A: If you own shares that are held in our 401(k) plan, the trustees of the 401(k) plan will vote those shares.

Table of Contents

14. Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner ?

A: You are a beneficial owner if your shares are held in a brokerage account, including an Individual Retirement Account, by a bank or other nominee. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares. However, because you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting. Your broker, bank or other nominee has provided you with voting instructions.

You are a stockholder of record if your shares are registered directly in your name with the Company's transfer agent.

15. Q: What if a beneficial owner does not provide the stockholder of record with voting instructions for a particular proposal?

A: If you are a beneficial owner and you do not provide the stockholder of record with voting instructions for a particular proposal, your shares may constitute broker non-votes with respect to that proposal. Broker non-votes are shares held by a broker, bank or other nominee with respect to which the holder of record does not have discretionary power to vote on a particular proposal and with respect to which instructions were never received from the beneficial owner. Shares that constitute broker non-votes with respect to a particular proposal will not be considered present and entitled to vote on that proposal at the Annual Meeting even though the same shares will be considered present for purposes of establishing a quorum and may be entitled to vote on other proposals. However, in certain circumstances, such as the appointment of the independent registered public accounting firm, the broker, bank or other nominee has discretionary authority and therefore is permitted to vote your shares even if the broker, bank or other nominee does not receive voting instructions from you. The amendment to the Company's Certificate of Incorporation, election of directors, and the advisory vote on the Company's executive compensation are not considered routine matters and as a result, your broker, bank or other nominee will not have discretion to vote on these matters at the Annual Meeting unless you provide applicable instructions to do so. Therefore, we strongly encourage you to follow the voting instructions on the materials you receive.

16. Q: What is the requirement to conduct business at the Annual Meeting?

A: In order to conduct business at the Annual Meeting, a quorum must be established. A quorum is a majority in voting power of the outstanding shares of common stock. A quorum must be present in person or represented by proxy at the Annual Meeting for business to be conducted. As discussed below, abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum.

17. Q: How are votes counted?

A: Shares of common stock that reflect abstentions are treated as present and entitled to vote for the purposes of establishing a quorum and for purposes of determining the outcome of any matter submitted to the stockholders for a vote. However, abstentions do not constitute a vote for or against any matter and thus will be disregarded in the calculation of a plurality. Shares of common stock that reflect broker non-votes are treated as present and entitled to vote for the purposes of establishing a quorum. However, for the purposes of determining the outcome of any matter as to which the broker or nominee has indicated on the proxy that it does not have discretionary authority to vote, those shares will be treated as not present and not entitled to vote with respect to that matter, even though those shares are considered present and entitled to vote for the purposes of establishing a quorum and may be entitled to vote on other matters.

Table of Contents

18. Q: What is the voting requirement to approve each proposal?

A: For Proposal No. 1 to amend our Certificate of Incorporation to declassify the Board to be approved, a majority of our outstanding stock entitled to vote thereon must approve the proposal. Abstentions and broker non-votes will have the effect of a negative vote. Directors are elected by a plurality. Therefore, if Proposal No. 1 to declassify the Board is approved, the eight nominees for election who receive the most votes will be elected; if Proposal No. 1 to declassify the Board is not approved, the two nominees for election to serve on the Board until the 2016 Annual Meeting of Stockholders who receive the most votes will be elected. Abstentions and broker non-votes will not affect the outcome of the election of directors. For Proposals No. 4 and 5 to be approved, the proposal must receive the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on the proposal. In determining the outcome of Proposals No. 4 and 5, abstentions have the effect of a negative vote, but broker non-votes will not affect the outcome.

19. Q: What happens if additional matters (other than the proposals described in this Proxy Statement) are presented at the Annual Meeting?

A: The Board is not aware of any additional matters to be presented for a vote at the Annual Meeting; however, if any additional matters are properly presented at the Annual Meeting, your proxy gives Gary D. Burnison and Robert P. Rozek authority to vote on those matters in their discretion.

20. Q: Who will bear the cost of the proxy solicitation?

A: The entire cost of the proxy solicitation will be borne by the Company. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to beneficial owners.

**PROPOSAL NO. 1 AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO
DECLASSIFY OUR BOARD OF DIRECTORS AND PROVIDE FOR ANNUAL ELECTIONS OF
ALL DIRECTORS**

We are asking you to approve an amendment to our Certificate of Incorporation to declassify the Board and provide for annual elections of all directors commencing with the Annual Meeting. Article VIII of our Certificate of Incorporation currently provides that the Board shall be divided into three classes, with members of each class of directors serving a three-year term. The classification of the Board results in staggered elections, with a different class of directors standing for election every third year. The current terms of our director classes expire as follows: Class 2013 director term expires at the Annual Meeting; Class 2014 director term expires at the 2014 Annual Meeting of Stockholders; and Class 2015 director term expires at the 2015 Annual Meeting of Stockholders.

Following stockholder approval, on an advisory basis, at the 2012 Annual Meeting of Stockholders of a stockholder proposal to declassify the Board, the Board and the Nominating and Corporate Governance Committee conducted a full review regarding the potential declassification of the Board and moving to annual elections of all directors. Following the completion of that review and consideration of the results of the stockholder vote, the Nominating and Corporate Governance Committee recommended to the Board that a proposal to amend the Company's Certificate of Incorporation to provide for annual elections for all directors commencing with the Annual Meeting be submitted to the stockholders for approval. The Board, upon the recommendation of the Nominating and Corporate Governance Committee and consideration of the non-binding stockholder vote at the 2012 Annual Meeting of Stockholders, has determined that declassification of the Board is advisable and in the best interests of the Company and its stockholders.

If the amendment to our Certificate of Incorporation is adopted and approved by our stockholders, we will file the amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware (the Delaware Secretary) immediately following the vote at the Annual Meeting and such amendment will be in effect immediately upon such filing. We expect to make this filing before the vote is taken to elect directors at the Annual Meeting so that if the amendment to our Certificate of Incorporation is adopted it will become effective when the vote is taken to elect directors. The directors currently serving in Class 2014 and Class 2015 have indicated their support for the elimination of the Company's staggered board structure by agreeing to resign from their current classes of directors if they are elected to new one-year terms at the Annual Meeting. Thus, all eight members of the Board will be standing for election at the Annual Meeting, if the proposed declassification amendment is adopted. In the event this Proposal No. 1 is not adopted, a director serving in Class 2014 or Class 2015 will, in accordance with Delaware law, remain in office until the 2014 Annual Stockholder Meeting or the 2015 Annual Stockholder Meeting, respectively, or until such director's earlier death, resignation or removal.

Under Delaware corporate law, directors of companies that have a classified Board structure may be removed only for cause unless their certificate of incorporation provides otherwise. However, directors of companies that do not have a classified structure may be removed with or without cause by the holders of a majority of the shares then entitled to vote at an election of directors. Accordingly, in conjunction with our proposal to declassify our Board, we are proposing to amend Article X of our Certificate of Incorporation to eliminate the provision that allows stockholders to remove our directors only for cause. Thus, whereas under the current provisions of Article X, a director is removable only for cause by the holders of a majority of the outstanding shares entitled to vote at an election of directors, following the adoption of the amendment to our Certificate of Incorporation a director will be removable, either for cause or without cause, by the holders of a majority of the shares entitled to vote at an election of directors.

The foregoing description of the proposed amendments to our Certificate of Incorporation is a summary and is qualified by and subject to the full text of the proposed amendment, which is attached to this Proxy Statement as Appendix A. Additions of text to our Certificate of Incorporation contained in Appendix A are indicated by double underlining and deletions of text are indicated by strike-outs.

Table of Contents

Similar to our Certificate of Incorporation, our Second Amended and Restated Bylaws (the "Bylaws") contain provisions concerning the classification of the Board. If this Proposal No. 1 is approved, our Board will amend Article III of the Bylaws to implement the proposed declassification of the Board and appropriate conforming changes, including (i) eliminating Section 3(c), which provides for the division of the Board into three classes, (ii) amending existing Section 3(e) to provide for directors to hold office until the next annual meeting of stockholders (as opposed to the third year following the year of their election) and the due election and qualification of their successors or until their earlier death, resignation or removal, (iii) amending existing Section 3(f) to provide for removal of directors or the entire Board for cause or without cause by the holders of a majority of the shares then entitled to vote at the election of directors, and (iv) amending Section 4 to provide that directors elected to fill vacancies on the Board will serve for a term ending at the next annual meeting of stockholders following their election (as opposed to at which the class of which he is a member becomes subject to re-election). If this Proposal No. 1 is not approved, the Board will not amend the Bylaws with respect to declassification.

If this Proposal No. 1 is not approved by the Company's stockholders, then the election of the two Class 2016 director nominees as set forth in Proposal No. 3 shall proceed under the Certificate of Incorporation as currently in effect. In such case, the Class 2016 director nominees shall be elected for a term expiring at the 2016 Annual Meeting of Stockholders and the Class 2014 and Class 2015 directors shall serve the remaining terms of such class.

Required Vote

The affirmative vote of a majority of the shares of our common stock outstanding on the Record Date is required for approval of the proposal to amend our Certificate of Incorporation.

Recommendation of the Board

The Board unanimously recommends that you vote FOR the amendment to our Certificate of Incorporation to declassify our Board and to allow for the removal of directors without cause.

Table of Contents

PROPOSAL NO. 2 ELECTION OF DIRECTORS

PROPOSAL NO. 2 WILL BE VOTED UPON ONLY IF OUR STOCKHOLDERS APPROVE PROPOSAL NO. 1

If our stockholders approve Proposal No. 1 at the Annual Meeting, our stockholders will be asked to consider eight nominees for election to our Board to serve for a one year term until the 2014 Annual Meeting of Stockholders and until their successors have been duly elected and qualified. If our stockholders do not approve Proposal No. 1, this Proposal No. 2 will not be submitted to a vote of our stockholders at the Annual Meeting and instead Proposal No. 3 (Election of Class 2016 Directors) will be submitted in its place.

The names of the eight nominees for director and their current position and office with the Company are set forth below. Detailed biographical information regarding each of these nominees is provided in this Proxy Statement under the heading Board of Directors. All of the nominees, with the exception of Mr. Burnison, have been determined by the Board to be independent. Our Nominating and Corporate Governance Committee has reviewed the qualifications of each of the nominees and has recommended to the Board that each nominee be submitted to a vote at the Annual Meeting.

All of the nominees have indicated their willingness to serve, if elected, but if any should be unable or unwilling to serve, proxies may be voted for a substitute nominee designated by the Board. The Company did not receive any stockholder nominations for director. Proxies cannot be voted for more than the number of nominees named in this Proxy Statement.

PROPOSAL NO. 4 RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP

AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has approved the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2014. Ernst & Young LLP has served as the Company's independent registered public accounting firm since March 2002. Ernst & Young LLP has unrestricted access to the Audit Committee to discuss audit findings and other financial matters. Neither the Company's Certificate of Incorporation nor its Bylaws requires that the stockholders ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm. However, we are requesting ratification because we believe it is a matter of good corporate practice. If the Company's stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but may, nonetheless, retain Ernst & Young LLP as the Company's independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in their discretion may change the appointment at any time if they determine that such change would be in the best interests of the Company and its stockholders. Representatives of Ernst & Young LLP will attend the Annual Meeting to answer appropriate questions and may also make a statement if they so desire.

Required Vote

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm requires the affirmative vote of a majority of those shares present, either in person or by proxy, and entitled to vote at the Annual Meeting.

PROPOSAL NO. 5 ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

In accordance with the Securities Exchange Act of 1934, as amended (the Exchange Act), and more specifically, Section 14A of the Exchange Act which was added under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are asking stockholders to approve an advisory resolution on the Company's executive compensation as reported in this Proxy Statement. Our executive compensation program is designed to support the Company's long-term success. As described below in the Compensation Discussion and Analysis section of this Proxy Statement, the Compensation and Personnel Committee has structured our executive compensation program to achieve the following key objectives:

provide compensation packages to our executives that are competitive with other major executive recruitment firms, a broader group of human capital companies and similarly-sized publicly traded companies;

closely tie individual annual cash incentive and equity-based awards to the performance of the Company as a whole, or one or more of its divisions or business units as well as to the team and individual performance of the named executive officer; and

align the interests of senior management with those of our stockholders through direct ownership of Company common stock and by providing a meaningful portion of each named executive officer's total compensation in the form of equity-based incentives.

We urge stockholders to read the Compensation Discussion and Analysis below, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and related compensation tables and narrative below which provide detailed information on the compensation of our named executive officers. The Compensation and Personnel Committee and the Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement has supported and contributed to the Company's success.

We are asking stockholders to approve the following advisory resolution at the 2013 Annual Meeting of Stockholders:

RESOLVED, that the stockholders of Korn/Ferry International (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers set forth in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement for the Company's 2013 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a say-on-pay resolution, is non-binding on the Board. Although non-binding, the Board and the Compensation and Personnel Committee will carefully review and consider the voting results when evaluating our executive compensation program.

Recommendation of the Board

The Board unanimously recommends that you vote FOR the Company's executive compensation.

THE BOARD OF DIRECTORS

The Company's Certificate of Incorporation currently provides that the number of directors shall not be fewer than eight nor more than fifteen, with the exact number of directors within such limits to be determined by the Board. Currently, the Board is comprised of eight directors, divided into three classes, with one class elected at each annual meeting of stockholders, and with directors of each class elected to serve for three year terms. If Proposal No. 1 is approved at the Annual Meeting, the Board will be declassified and all directors will serve a one-year term and be elected on an annual basis at each annual meeting of stockholders. If Proposal No. 1 is not approved at the Annual Meeting, the classified structure will be maintained and the two directors named in Proposal No. 3 will stand for election for a three year term at the Annual Meeting.

Director Qualifications

The Board believes that the Board, as a whole, should possess a combination of skills, professional experience and diversity of backgrounds necessary to oversee the Company's business. In addition, the Board believes there are certain attributes every director should possess, as reflected in the Board's membership criteria discussed below. Accordingly, the Board and the Nominating and Corporate Governance Committee consider the qualifications of directors and director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs.

The Nominating and Corporate Governance Committee is responsible for developing and recommending Board membership criteria to the full Board for approval. The criteria, which are set forth in the Company's Corporate Governance Guidelines, include a reputation for integrity, honesty and adherence to high ethical standards, strong management experience, current knowledge and contact in the Company's industry or other industries relevant to the Company's business, and the ability to commit sufficient time and attention to Board and Committee activities. The Nominating and Corporate Governance Committee seeks a variety of occupational, educational, and personal backgrounds on the Board in order to obtain a range of viewpoints and perspectives and to enhance the diversity of the Board in such areas as professional experience, geography, race, gender, ethnicity and age. While the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, the Nominating and Corporate Governance Committee does believe it is essential that Board members represent diverse viewpoints and backgrounds. The Nominating and Corporate Governance Committee periodically evaluates the composition of the Board to assess the skills and experience that are currently represented on the Board, as well as the skills and experience that the Board will find valuable in the future, given the Company's current situation and strategic plans. This periodic assessment enables the Board to update the skills and experience it seeks in the Board as a whole, and in individual directors, as the Company's needs evolve and change over time and to assess effectiveness of efforts at pursuing diversity. In identifying director candidates from time to time, the Nominating and Corporate Governance Committee may establish specific skills and experience that it believes the Company should seek in order to constitute a balanced and effective board.

Table of Contents

In evaluating director candidates, and considering incumbent directors for renomination to the Board, the Nominating and Corporate Governance Committee takes into account a variety of factors. These include each nominee's independence, financial literacy, personal and professional accomplishments, and experience, each in light of the composition of the Board as a whole and the needs of the Company in general, and for incumbent directors, past performance on the Board. The table below sets forth information about each of the nominees for director, including each such person's specific experience, qualifications, attributes and skills that led our Board to conclude that such nominee/director should serve on our Board. The process undertaken by the Nominating and Corporate Governance Committee in recommending qualified director candidates is described below under Corporate Governance Board Committees Nominating and Corporate Governance Committee.

CORPORATE GOVERNANCE

The Board held twelve meetings during fiscal 2013. Each of the directors except for former director Baroness Denise Kingsmill attended at least 75% of the Board meetings and the meetings of committees of which they were members in fiscal 2013. Directors are expected to attend each annual meeting of stockholders. All directors attended the 2012 Annual Meeting of Stockholders in person other than one former director and one current director.

Director Independence

The Board has determined that as of the date hereof a majority of the Board is independent under the independence standards of the New York Stock Exchange (NYSE). The Board has determined that the following directors and director-nominees are independent under the independence standards of the NYSE: Jerry Leamon, Edward Miller, Debra J. Perry, Gerhard Schulmeyer, Harry L. You, George T. Shaheen and William R. Floyd, and that former directors Baroness Denise Kingsmill and Kenneth Whipple were independent under the NYSE standards during the portion of fiscal 2013 when they served as directors. For a director to be independent, the Board must affirmatively determine that such director does not have any material relationship with the Company. To assist the Board in its determination, the Board reviews director independence in light of the categorical standards set forth in the NYSE's Listed Company Manual. Under these standards, a director cannot be deemed independent if, among other things:

the director is, or has been within the last three years, an employee of the Company, or an immediate family member is, or has been within the last three years, an executive officer of the Company;

the director has received, or has an immediate family member who received, during any 12 month period within the last three years, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

(1) the director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor, (2) the director is a current employee of such a firm, (3) the director has an immediate family member who is a current employee of such a firm and personally works on the Company's audit, or (4) the director or an immediate family member was within the last three years a partner or employee of such firm and personally worked on the Company's audit within that time;

the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serve or served on that company's compensation committee; or

the director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of the other company's consolidated gross revenues.

The independent directors of the Board meet regularly in executive sessions outside the presence of management. Mr. George Shaheen, as Chair of the Board, currently presides at all executive sessions of the independent directors. Subject to his reelection at the Annual Meeting or continuation as a Class 2015 Director, as the case may be, Mr. Shaheen will continue in this role following the Annual Meeting.

Board Leadership Structure

The Company's Corporate Governance Guidelines provide that the Board is free to select its Chair and CEO in the manner it considers to be in the best interests of the Company and that the role of Chair and CEO may be filled by a single individual or two different persons. This provides the Board with flexibility to decide what leadership structure is in the best interest of the Company at any point in time. Currently, the Board is led by an

Table of Contents

independent, non-executive Chair, Mr. George Shaheen. Mr. Shaheen will continue to serve as Chair of the Board, subject to his reelection as a director at the Annual Meeting or continuation as a Class 2015 Director, as the case may be. The Board has determined that having an independent director serve as Chair of the Board is in the best interests of the Company at this time as it allows the Chair to focus on the effectiveness and independence of the Board while the CEO focuses on executing the Company's strategy and managing the Company's business. In the future, the Board may determine that it is in the best interests of the Company to combine the role of Chair and CEO.

Board's Oversight of Enterprise Risk and Risk Management

The Board plays an active role, both as a whole and also at the committee level, in overseeing management of the Company's risks. Management is responsible for the Company's day-to-day risk management activities. The Company has established an enterprise risk framework for identifying, aggregating and evaluating risk across the enterprise. The risk framework is integrated with the Company's annual planning, audit scoping and control evaluation management by its internal auditor. The review of risk management is a dedicated periodic agenda item for the Audit Committee, whose responsibilities include periodically reviewing management's financial risk assessment and risk management policies, the Company's major financial risk exposures, and the steps management has taken to monitor and control such exposures. The Company's other Board committees also consider and address risk during the course of their performance of their committee responsibilities. Specifically, the Compensation and Personnel Committee reviews the risks related to the Company's compensation programs for senior management, discussed in more detail below, and the Nominating and Corporate Governance Committee oversees risks associated with operations of the Board and its governance structure. Further, the General Counsel periodically reports on litigation and other legal risks that may affect the Company to the Board. The full Board monitors risks through regular reports from each of the Committee chairs and the General Counsel, and is apprised of particular risk management matters in connection with its general oversight and approval of corporate matters. We believe the division of risk management responsibilities described above provides an effective framework for evaluating and addressing the risks facing the Company, and that our Board leadership structure supports this approach because it allows our independent directors, through the independent committees and non-executive Chair, to exercise effective oversight of the actions of management.

Assessment of Risk Related to Compensation Programs. During fiscal 2013, the Company completed its annual inventory of executive and non-executive compensation programs globally, with particular emphasis on incentive compensation plans and programs. Based on this inventory, the Company evaluated the primary components of its compensation plans and practices to identify whether those components, either alone or in combination, properly balanced compensation opportunities and risk. As part of this inventory, several factors were noted that reduce the likelihood of excessive risk taking. These factors include: balancing performance focus between near-term objectives and long-term stockholder value creation; issuing equity awards that vest over multi-year time horizons; and maintaining stock ownership guidelines and a clawback policy applicable to our executive officers. Furthermore, the Compensation Committee retains its own independent compensation consultant to provide input on executive pay matters, meets regularly, and approves all performance goals, award vehicles, and pay opportunity levels for senior management. As a result of this evaluation, the Company concluded that risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse impact on the Company.

Table of Contents**Board Committees**

Although the full Board considers all major decisions, the Company's Bylaws permit the Board to have the following standing committees to more fully address certain areas of importance: (1) an Audit Committee, (2) a Compensation and Personnel Committee and (3) a Nominating and Corporate Governance Committee. The members of the standing committees as of the date hereof are set forth in the table below:

Audit Committee. Among other things, the Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm, reviews the independent registered public accounting firm's qualifications and independence, reviews the plans and results of the audit engagement with the independent registered public accounting firm, approves professional services provided by the independent registered public accounting firm, approves financial reporting principles and policies, considers the range of audit and non-audit fees, reviews the adequacy of the Company's internal accounting controls and works to ensure the integrity of financial information supplied to stockholders. The Audit Committee is also available to receive reports, suggestions, questions and recommendations from the Company's independent registered public accounting firm, the Chief Financial Officer and the General Counsel. It also confers with these parties in order to help assure the sufficiency and effectiveness of the programs being followed by corporate officers in the area of compliance with legal and regulatory requirements, business conduct and conflicts of interest. The Audit Committee is composed entirely of non-employee directors whom the Board has determined are independent directors under the applicable listing standards of the NYSE and the applicable rules of the Securities and Exchange Commission (SEC). The Board, in its business judgment, has determined that Messrs. You and Leamon qualify as audit committee financial experts as that term is defined in Item 407(d)(5) of Regulation S-K under the Exchange Act, and that Ms. Perry is financially literate, under the NYSE rules. The Audit Committee met eleven times in fiscal 2013. The Audit Committee operates pursuant to a written charter adopted by the Board, which is available on the Company's website at www.kornferry.com in the Corporate Governance section of the About Us webpage and in print to any stockholder that requests it. Any such request should be addressed to Korn/Ferry International, 1900 Avenue of the Stars, Suite 2600, Los Angeles, California 90067, Attention: Corporate Secretary.

Compensation and Personnel Committee. Among other things, the Compensation and Personnel Committee approves and oversees the Company's compensation programs, including cash and equity-based incentive programs provided to members of the Company's senior management group, including the Company's Chief Executive Officer, Chief Financial Officer and other named executive officers, reviews the compensation of directors for service on the Board and its committees, and approves or recommends to the Board, as required, specific compensation actions, including salary adjustments, annual cash incentives, stock option grants and employment and severance arrangements for the Chief Executive Officer and other executive officers. The Compensation and Personnel Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee consisting solely of members of the Compensation and Personnel Committee who are non-employee directors and outside directors. The Board has determined that all members of the Compensation and Personnel Committee are independent directors under the applicable listing standards of the NYSE. The Compensation and Personnel Committee met seven times during fiscal 2013. Nominating and Corporate Governance Committee. Among other things, the Nominating and Corporate Governance Committee recommends criteria to the Board for the selection of nominees to the Board, evaluates all proposed nominees, recommends nominees to the Board to fill vacancies on the Board, and, prior to each annual meeting of stockholders, recommends to the Board a slate of nominees for election to the Board by the stockholders at the annual meeting. In evaluating nominations, the Nominating and Corporate Governance Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board activities and the absence of potential conflicts with the Company's interests. While the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, it also takes into account the diversity of the Board when considering director nominees. The Board has determined that all members of the Nominating and Corporate Governance Committee are independent directors under the applicable listing standards of the NYSE. The Nominating and Corporate Governance Committee met four times in fiscal 2013. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by the Board, which is available on the Company's website at www.kornferry.com in the Corporate Governance section of the About Us webpage and in print to any stockholder that requests it. Any such request should be addressed to Korn/Ferry International, 1900 Avenue of the Stars, Suite 2600, Los Angeles, California 90067, Attention: Corporate Secretary. Stockholders may recommend director nominees by mailing submissions to Korn/Ferry International, 1900 Avenue of the Stars, Suite 2600, Los Angeles, California 90067, Attention: Corporate Secretary. Any stockholder recommendations for director are evaluated in the same manner as all other candidates considered by the Nominating and Corporate Governance Committee.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that is applicable to all directors, employees and officers (including the Company's Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer). Among other things, the Code of Business Conduct and Ethics requires directors, employees and officers to maintain the confidentiality of all information entrusted to them (except when disclosure is authorized or legally mandated); to deal fairly with the Company's clients, service providers, suppliers, competitors and employees; to protect Company assets; and for those who have a role in the preparation and/or review of information included in the Company's public filings, to report such information accurately and honestly. It also prohibits directors, employees and officers from using or attempting to use their position at the Company to obtain an improper personal benefit. EXECUTIVE COMPENSATION PHILOSOPHY AND OVERSIGHT

Philosophy

The Company is a premier global provider of talent management solutions including executive recruitment, leadership consulting services and high impact recruitment solutions. The Company is uniquely positioned to help its clients with their human capital needs by assisting our clients to attract, engage, develop and reward their talent. The Company's unique global positioning allows it to maintain enhanced brand visibility and to attract and retain high-caliber consultants. The Company provides its services to a broad range of clients through the expertise of more than 607 consultants located in 37 countries throughout the world. Accordingly, the Company's executive officers must have the skills and experience to manage and motivate an organization spread over a large number of countries with varying business and regulatory environments. The market for these talented individuals is highly competitive. The Company's compensation philosophy focuses on ensuring the right candidates can be attracted, retained and properly rewarded for their contributions.

The Compensation and Personnel Committee (the Committee) is guided by the following principles in establishing and assessing compensation programs and policies for the named executive officers:

Individual annual cash incentive and equity-based awards should be closely tied to the performance of the Company as a whole or one or more of its divisions or business units, as well as to the team and individual performance of the named executive officer;

Edgar Filing: KORN FERRY INTERNATIONAL - Form DEF 14A

The interests of senior management and the Company's stockholders should be aligned through direct ownership of Company common stock and by providing a meaningful portion of each named executive officer's total compensation in the form of equity-based incentives; and

Total compensation (base salary, annual cash incentive and long-term incentive payments) must be competitive with other major executive recruiting firms, a broader group of human capital companies and similarly-sized publicly traded companies.

Oversight of Compensation Programs

The Committee has direct responsibility for determining the compensation of the named executive officers, having been delegated authority by the Board for the oversight of compensation for the Company's senior management and the Company's overall compensation programs, including its stock incentive plan.

The Committee retains compensation consultants to assist it in assessing the competitiveness of the named executive officers' compensation. Frederic W. Cook & Co, Inc. has provided services to the Committee since September 2010. Pursuant to the factors set forth in Item 407 of Regulation S-K of the Exchange Act, the Committee has reviewed the independence of Frederic W. Cook & Co and conducted a conflicts of interest assessment, and has concluded that Frederic W. Cook & Co is independent and Frederic W. Cook & Co's work for the Committee has not raised any conflicts of interest. No other fees were paid to these compensation consultants except as such fees related to their services to the Committee.

Use of a Peer Group

The Company does not target or position named executive officer pay levels at a specific percentile level relative to a peer group. Rather, the Company reviews total compensation and the mix of the compensation components relative to the peer group as one of the factors in determining if compensation is adequate to attract and retain executive officers with the unique set of skills necessary to manage and motivate our global human capital management firm.

Because a number of the Company's peer organizations are privately-held, precise information regarding executive officer compensation practices among the Company's competitor group is difficult to obtain. In addition, even when such data is available, meaningful differences in size, complexity and organizational structure among the Company's competitor group make direct comparisons of compensation practices challenging and require exercise of judgment. In assessing the competitiveness of the Company's named executive officer compensation, the Committee relies on information obtained from the proxies of publicly-traded competitors, information derived from data obtained from other public sources with respect to competitor organizations, and the general knowledge of the Committee and its consultant with regard to the market for senior management positions.

During fiscal 2013, the Committee used the following companies as a peer group:

CBIZ, Inc.	Navigant Consulting, Inc.
FTI Consulting, Inc.	Resources Connection, Inc.
Heidrick & Struggles International, Inc.	Robert Half International Inc.
Huron Consulting Group Inc.	The Corporate Executive Board Company
ICF International, Inc.	The Dun & Bradstreet Corporation
Insperty, Inc.	Towers Watson & Co.
Kelly Services, Inc.	TrueBlue, Inc.
Kforce Inc.	

This peer group was primarily selected based upon criteria such as business lines, operating model, customer base, revenue, market capitalization and entities with which the Company competes for stockholder investment. The peer group remained unchanged from fiscal 2012. Revenue and market capitalization data for this peer group and the Company are as follows:

	Market capitalization	
	(as of 7/25/13)	Revenues*
Fiscal 2013 Peer Group Median	\$847.54 million	\$1.08 billion
Korn/Ferry**	\$969.43 million	\$812.8 million

Table of Contents

* Peer company revenues computed for 12 months ending as of the applicable company's most recent annual report (as of July 25, 2013).

** As of the Company's fiscal year ended April 30, 2013.

While the Committee does not target a particular position relative to its peer group, in determining the salary, annual cash incentive and long-term incentive levels for each named executive officer, the Committee does consider the range of salary, annual cash incentive and long-term incentive levels that the peer group provides to similarly situated executives and intends that the levels provided to each named executive officer fall within that range. The salary, annual cash incentive and long-term incentive levels for fiscal 2013 fell within this range and are generally intended to be within the 25th to 75th percentile of the range.

ELEMENTS OF COMPENSATION & COMPENSATION DECISIONS AND ACTIONS**Base Salary**

Base salary is intended to compensate named executive officers for services rendered during the fiscal year and to provide sufficient fixed cash income for retention and recruiting purposes. Named executive officer base salary levels are reviewed on an annual basis by the Committee. In addition to competitive data from the peer group, data is also obtained from other sources with respect to non-public competitor organizations. The Committee also incorporates its perspective and the market knowledge of its compensation consultant related to senior management positions in assessing base salary levels. Further, the Committee takes into consideration individual performance of each named executive officer and, with respect to the named executive officers other than the Chief Executive Officer, input from the Chief Executive Officer.

There were no changes to the base salaries of the Company's named executive officers during fiscal 2013 as the Committee determined based on competitive data and general market knowledge that the base salary levels of the named executive officers were appropriate. Mr. Heckman's salary was established during fiscal 2013 as a part of the arms-length negotiation of his offer letter.

Annual Cash Incentives

Annual cash incentives are intended to motivate and reward named executive officers for achieving performance and strategic goals over a one-year period. The Committee determines annual cash incentive amounts based upon a number of factors including performance goals, strategic objectives, competitive data, individual performance, and the terms of employment contracts, as described in more detail below. While the Committee does take into consideration performance against performance goals and strategic objectives for the year, it retains discretion in determining actual bonus payouts. Annual cash incentives are typically paid in cash, but the Committee has discretion to pay a portion of the annual cash incentive in equity or other long-term incentives. In the case of Ms. Dutra and Mr. Mulrooney, their annual cash incentive awards and annual long-term incentive awards are determined in the aggregate on the basis of the aforementioned factors. The performance goals with respect to our annual incentive program typically include financial metrics such as fee revenue, operating margin (for Mr. Burnison and Mr. Rozek), and EPS. The Company also typically selects various strategic objectives such as recruiting and retention, productivity of consultants, diversification of revenues, brand awareness and customer satisfaction. For fiscal 2013, the goals and weightings for named executive officers were as follows:

Named Executive Officer	Company-Level Operating Results	Business Unit Operating Results	Strategic Key Performance Indicators (KPIs)	
			Individual Performance	
Mr. Burnison	50%		50%	
Mr. Rozek	50%		50%	
Ms. Dutra	20%	30%	20%	30%
Mr. Mulrooney	20%	30%	20%	30%
Mr. Heckman	20%	30%	20%	30%

Table of Contents

The company-level performance goals chosen at the beginning of fiscal 2013 for Mr. Burnison and Mr. Rozek were fee revenues of \$790.4 million, operating margin of 9.3% and EPS of \$0.95; which goals were equally weighted. The company-level performance goals for Ms. Dutra, Mr. Mulrooney and Mr. Heckman for the year were company-wide fee revenues of \$790.4 million and EPS of \$0.95, which goals were equally weighted. The Committee approved these goals as they are considered to be key indicators of Company performance since they capture both overall Company growth and the ability of the Company to translate the growth into net income. Actual results for the year were fee revenue of \$812.8 million, operating margin of 8.7% and EPS of \$1.10. The Committee approved challenging revenue and profitability goals at the business unit level for Ms. Dutra, Mr. Mulrooney and Mr. Heckman. Achievement at LTC was below target with respect to both goals and achievement at Futurestep was slightly below target for revenues and above target for profitability.

The strategic KPIs for fiscal 2013, and achievement against such KPIs, consisted of the following:

	Strategic KPIs	
Integrated, solutions-based go-to-market strategy	Strategic Account Development	Above Target
	Average Fee (Search Segment only)	Achievement of 2x Target
Extend and elevate the brand	Net Promoter Score	Achievement of 2x Target
	% of Shared Engagements	Below Target
Unparalleled client excellence	Succession & Development Plans for Critical Management Positions	Achievement of Target
	LTC Fee Revenue	Below Target
Premier career destination	Futurestep Fee Revenue	Slightly below Target
	Measured by the Audit Committee	Achievement of Target
Non-executive search solutions*		
Preparation for growth and managing risk*		

* Achievement of the non-executive search solutions and preparation for growth and managing risk KPIs is not a factor in Ms. Dutra, Mr. Mulrooney and Mr. Heckman's annual incentive determinations.

Strong performance against these strategic KPIs is considered difficult to achieve given the continuing uncertain economic environment. Despite this, the Committee concluded that the Company had performed very well against these strategic objectives in fiscal 2013, including performing at or well above target in five of the eight KPIs.

Consistent with past practice, in determining annual incentive amounts for fiscal 2013, the Committee reviewed a number of factors in addition to the goals described above, including competitive data, individual performance, and the terms of employment contracts. In assessing performance against the Company's performance goals, the Committee noted the Company's performance during fiscal 2013, including the achievements discussed in the section above entitled "Fiscal 2013 Performance" as well as the difficulty of operating in the continued uncertain economic environment.

For each named executive officer, the Committee took into account (among other accomplishments) the following:

Gary Burnison the Company's enhanced performance and the difficulty of the Company's objectives in the economic environment that existed during fiscal 2013;

the increase in total fee revenue;

the increase in the average fee amount of executive search engagements; and

the acquisition and integration of Global Novations and PDI Ninth House.

Table of Contents

Robert Rozek the Company's enhanced performance and the difficulty of the Company's objectives in the economic environment that existed during fiscal 2013;

the enhancements and activities to continuously prepare the Company for growth and manage risk;

the restructured credit line to provide enhanced liquidity and more favorable terms; and

the acquisition and integration of Global Novations and PDI Ninth House.

Ana Dutra the performance of LTC relative to strategic objectives established for LTC for the fiscal year;

the financial performance of LTC; and

Ms. Dutra's individual performance.

Byrne Mulrooney the performance of Futurestep, including its profitability and revenue;

the Company's strategic objectives as they applied to Futurestep; and

Mr. Mulrooney's individual performance.

Robert Heckman the performance of LTC relative to strategic objectives established for LTC for the fiscal year;

the financial performance of LTC; and

Mr. Heckman's individual performance and the commitments contained in his offer letter (as discussed below).

Notwithstanding the structure outlined above, the Committee retained its ability to evaluate achievement against these factors as it deemed most appropriate. After the end of the fiscal year the Committee then evaluated the achievement of the performance and strategic goals relative to the target and maximum annual incentive amounts established for the named executive officers in their employment contracts.

Edgar Filing: KORN FERRY INTERNATIONAL - Form DEF 14A

For each of Mr. Burnison and Mr. Rozek, the target bonus is equal to 100% of his base salary and the maximum bonus is equal to 200% of his base salary. Ms. Dutra had a target of \$650,000 for her target bonus and long-term incentives, in the aggregate. Mr. Mulrooney and Mr. Heckman each had a target of \$400,000 for his target annual cash and long-term incentives, in the aggregate.

Pursuant to his employment agreement and based upon arms -length negotiation of such agreement at the time of his initial hire, for the first year of his employment, Mr. Rozek was entitled to receive a guaranteed cash incentive award of no less than \$275,000. Pursuant to his offer letter and based upon arms -length negotiation of such agreement at the time of his initial hire, for the period beginning on January 1, 2013 through the end of the 2013 fiscal year, Mr. Heckman was entitled to receive a guaranteed cash incentive award of no less than \$66,667, and for the 2014 fiscal year, he is entitled to receive a guaranteed cash incentive award of no less than \$200,000.

For Messrs. Burnison and Rozek, the Committee awarded annual cash incentive amounts as follows: Mr. Burnison-\$836,223 and Mr. Rozek-\$567,437 (which amounts represents 119.5% of their respective target bonuses for the year, and, in the case of Mr. Rozek exceeds his guaranteed bonus amount). The Committee reviewed performance against the performance goals and strategic objectives described above in determining a total dollar value for Ms. Dutra and Mr. Mulrooney s combined annual cash incentive and long-term equity awards. A portion of this value was provided to each executive in early fiscal 2014 as an annual cash incentive (Ms. Dutra-\$232,500, Mr. Mulrooney-\$137,600) and a portion of this value (Ms. Dutra-\$300,000 and Mr. Mulrooney-\$400,000) was granted to the executive in the form of long-term incentive awards in fiscal 2014, as described further below. Mr. Heckman received an annual cash incentive amount of \$66,666 (which is equal to the minimum bonus which was guaranteed to him pursuant to his offer letter).

Table of Contents

Discretionary Cash Bonus

In addition to the foregoing, in light of Mr. Mulrooney's exceptional contributions to the Company during 2013, the Committee determined to award him with a one-time special cash bonus equal to \$500,000. The Committee determined that Futurestep had performed well against the objectives described above and that Mr. Mulrooney's individual performance as the CEO of Futurestep had been a key contributor to the success of Futurestep. In making this determination, the Committee reviewed Futurestep's growth in fee revenue, adjusted EBITDA margin performance improvement and increased operating income. In addition to leading Futurestep to another year of strong results, during fiscal 2013 Mr. Mulrooney managed Futurestep in a manner complimentary to and supportive of the goals of the overall Company through, among other things, restructuring Futurestep's business and sales organization to enhance the Company's business model and continuing to shift the services mix of Futurestep and grow recruitment process outsourcing and consulting. Mr. Mulrooney exhibited exceptional commitment and dedication to product innovation during fiscal 2013, including leading the development of FORTE, and he also devoted significant attention to enhancing and optimizing the Company's overall talent. In addition, the Committee took note of Mr. Mulrooney's involvement in advancing the Company's social media and new technology initiatives and his service as interim Chief Information Officer from about March 2013 to August 2013.

Long-Term Incentives

Long-term incentives are intended to align the named executive officers' interests with those of stockholders and encourage the achievement of the long-term goals of the Company. Long-term incentives are also designed to motivate and help retain top talent. To accomplish these objectives the Committee has discretion to make grants of options, time-based restricted stock and/or performance-based awards, as well as contributions to the Company's non-qualified deferred compensation plan (described below) that vest over time.

The Committee determines long-term incentive award amounts based upon a number of factors including competitive data, total overall compensation provided to each named executive officer, Company performance during the fiscal year preceding the year of grant, historic grants, and any applicable agreements with the named executive officers. The various factors are not given specific weights; the Committee retains discretion to consider items as it deems appropriate.

In fiscal 2013 our Chief Executive Officer received annual equity grants with a target grant value (i.e., shares awarded for target performance) equal to 2 times base salary, paid 50% in restricted stock units subject to market-based vesting criteria (referred to as performance shares) and 50% in time-based restricted stock. The Committee has determined that this amount falls within the range of long-term incentives provided by the peer group companies and that this was an appropriate level of equity grant to properly align the interests of our Chief Executive Officer with the Company's long-term goals, taking into account his individual performance and market compensation levels. In fiscal 2013 our Chief Financial Officer received annual equity grants with a target grant value equal to his base salary, paid 50% in performance shares and 50% in time-based restricted stock.

As described above, Ms. Dutra had an aggregate target of \$650,000 for her target annual cash and long-term incentives, and Mr. Mulrooney and Mr. Heckman each had an aggregate target of \$400,000 for their target annual cash and long-term incentives. Pursuant to his offer letter and based upon arms-length negotiation of such letter at the time of his initial hire, upon the commencement of his employment Mr. Heckman received a one-time award of restricted stock having a value on the grant date equal to \$400,000. When determining the allocation between cash and long-term equity incentives with respect to Ms. Dutra, Mr. Mulrooney and Mr. Heckman, the Committee primarily reviewed historical pay practices, internal equity and what it considered to be an appropriate balance between short-term and long-term pay elements.

Below we discuss equity grants made during fiscal 2013, the payout of the performance shares granted in 2010 for which the three-year performance period ended in fiscal 2013, and the equity grants made during fiscal 2014.

Table of Contents**Fiscal Year 2013 Awards****Performance Shares**

Mr. Burnison was awarded performance shares with a target amount of 49,470 shares, a maximum amount of 98,940 shares, and a minimum amount of zero. These performance shares have a three-year performance period after which the number of shares that vest may range from 0-98,940, depending upon the Company's total stockholder return (the TSR) over the three-year performance period relative to the fiscal 2013 peer group of companies listed above. Such shares are subject to full forfeiture and will only vest if the Company meets certain performance targets at the end of three years from the grant date. If the Company's TSR is less than zero, then the payouts will be modified to reduce the percentage of the target.

Performance shares were also granted to the other named executive officers in the following target amounts: Mr. Rozek, 16,780 shares (maximum of 33,560 shares and minimum of zero), Ms. Dutra, 9,420 shares (maximum of 18,840 shares and minimum of zero), and Mr. Mulrooney, 9,420 shares (maximum of 18,840 shares and minimum of zero).

The table below outlines the vesting of the performance shares granted in fiscal 2013 resulting from the Company's TSR over the three-year performance period relative to the TSR of the fiscal 2013 peer group.

Time-based restricted stock grants were awarded to the other named executive officers as follows: Mr. Rozek 16,780 shares, Ms. Dutra 18,850 shares and Mr. Mulrooney 18,850 shares. The restricted stock awarded vests in four equal annual installments beginning on July 11, 2013.

Pursuant to his offer letter, Mr. Heckman was awarded 24,750 shares of time-based restricted stock. The award vests in four equal annual installments beginning on January 4, 2014.

Performance Shares for the Three-Year Performance Cycle Ending April 30, 2013

April 30, 2013 marked the end of the three-year performance cycle for the performance shares granted to Mr. Burnison and Ms. Dutra for fiscal 2010. Based upon the Company's relative total stockholder return over the three-year performance period, 0% of the award was paid out.

Fiscal Year 2014 Awards

After the close of fiscal 2013 and as will be described in more detail in the proxy for fiscal 2014, the Company granted time-based restricted stock and performance shares to the named executive officers, in part to reward performance in fiscal 2013. For the fiscal year 2014 grants, Mr. Burnison and Mr. Rozek received no time-based restricted stock awards, and instead received two different types of performance shares (one with vesting tied to the revenue and EBITDA margin compound annual growth rates of the LTC and Futurestep service offerings and one with vesting tied to three-year TSR, as described above). In addition, Ms. Dutra and Mr. Mulrooney received time-based restricted stock grants as in years past, but received the new performance shares tied to LTC and Futurestep performance rather than the performance shares tied to three-year TSR.

Other Compensation Elements

Generally Available Benefits and Perquisites

The Company provides named executive officers the same benefits that are provided to all employees, including medical, dental and vision benefits, group term life insurance and participation in the Company's 401(k) plan. In addition, the named executive officers receive the benefits provided to all employees at the level of vice president and above including an automobile allowance, participation in the Company's nonqualified deferred compensation plan (described below) and reimbursement for medical expenses not reimbursed under the group medical plan, typically up to \$2,500 per annum.

Nonqualified Deferred Compensation Plan

The Company maintains a nonqualified deferred compensation plan, known as the Korn/Ferry International Executive Capital Accumulation Plan (ECAP). Pursuant to the ECAP, the named executive officers, along with all other U.S.-based vice presidents, may defer up to 90% of their salary and/or up to 100% of their annual incentive award into the ECAP. Participants in the ECAP make elections on how they would like their deemed account invested from a set line up of 17 pre-determined mutual funds. At its discretion, the Company may make contributions to the ECAP on behalf of a participant. All Company matching and performance contributions to the ECAP are approved by the Committee. During fiscal 2013, no Company contributions were made to the ECAP on behalf of the named executive officers. Participants in the ECAP may elect to receive distributions (in lump sum) while employed by the Company (and after such amounts have become vested) or upon termination of their employment with the Company.

Employment Agreements

Each of the Company's named executive officers is covered by an employment contract or letter agreement that provides for a minimum annual level of salary, target incentives, eligibility for long-term incentives and benefit eligibility. The agreements with Messrs. Burnison, Rozek and Heckman also provide for a severance benefit in the event of a termination of employment without cause or, in the case of Messrs. Burnison and Rozek, for good reason, as such terms are defined in the agreements. It is the Committee's belief that such agreements are necessary from a competitive perspective and also contribute to the stability of the management team.

The change in control benefits for Mr. Burnison include a gross-up payment in connection with Section 280G of the Internal Revenue Code (referred to as the Section 280G gross-up). The Section 280G tax on excess parachute payments is assessed, in part, based on Form W-2 income over the five year period preceding a termination in connection with a change in control. Thus, the amount of tax imposed varies depending on factors such as whether the executive officer elected to defer compensation or to exercise stock options. The Section 280G gross-up payment is intended to make certain that the payments and benefits actually received by Mr. Burnison, net of tax, are consistent with our compensation decisions and do not vary arbitrarily due to the operation of the tax rules. For these reasons, we believe that the provision of the Section 280G gross-up payment for Mr. Burnison is appropriate. The Company will no longer provide for Section 280G gross-up payments in future employment and/or severance arrangements.

Please refer to the sections entitled Employment Agreements and Potential Payments Upon Termination or Change of Control for further discussion of these agreements.

OTHER POLICIES

Stock Ownership Guidelines

The Company's amended and restated stock ownership guidelines provide that all named executive officers are required to own three times their annual salary in Company common stock. Stock ownership includes direct

Table of Contents

stock ownership but does not include unvested stock awards. Pursuant to the stock ownership guidelines, the stock ownership level will be calculated annually on the day of the Company's annual meeting of stockholders based on the prior thirty-day average closing stock price as reported by the NYSE. Each named executive officer has five years from the later of the effective date of the guidelines (June 14, 2011) or the date appointed to such position to meet the ownership requirements. All of our named executive officers are either in compliance with the stock ownership guidelines or are on track to be in compliance within the applicable time period.

Clawback Policy

On July 12, 2011, the Board adopted a clawback policy applicable to all incentive payments and performance-based equity awards granted to executive officers or the principal accounting officer after July 12, 2011. Pursuant to the policy, in the event that the Board determines there has been an accounting restatement due to material noncompliance with any financial reporting requirement under the securities laws, the Board will review all applicable incentive payments and if such payments would have been lower had they been calculated based on such restated results, the Board may, to the extent permitted by governing law, seek to recoup for the benefit of the Company such payments to and/or equity awards held by executive officers or the principal accounting officer who are found personally responsible for the material restatement, as determined by the Board.

Internal Revenue Code Section 162(m)

As one of the factors in the review of compensation matters, the Committee considers the anticipated tax treatment to the Company. The deductibility of some types of compensation for named executive officers depends upon the timing of a named executive officer's vesting or exercise of previously granted rights or on whether such plans qualify as performance-based plans under the provisions of the tax laws. The Committee usually seeks to satisfy the requirements necessary to allow the compensation of its named executive officers to be deductible under Section 162(m) of the Internal Revenue Code, but may also approve compensation that is not deductible under Section 162(m). For example, for fiscal 2013 no annual bonuses would have been paid, and no equity awards would have been granted in fiscal 2014, to any of the named executive officers (other than Mr. Heckman) if the Company had not achieved at least \$728 million in revenue, 8.8% in operating margin or \$0.81 of earnings per share.

2012 Say-on-Pay Advisory Vote on Executive Compensation

The Company provided stockholders a say-on-pay advisory vote on its executive compensation in September 2012. At the Company's 2012 Annual Meeting of Stockholders, stockholders expressed substantial support for the compensation of the Company's named executive officers, with over 99% of the votes cast for approval of the say-on-pay advisory vote. The Committee carefully evaluated the results of the 2012 annual advisory say-on-pay vote. The Committee also considers numerous other factors in evaluating the Company's executive compensation program as discussed in this Compensation Discussion and Analysis. While each of these factors informed the Committee's decisions regarding the named executive officers' compensation, the Compensation Committee did not implement changes to the Company's executive compensation program as a result of the stockholder advisory vote.

As to the frequency of advisory votes on executive compensation, the Board has determined in consideration of the stockholder vote on the frequency proposal at the 2011 Annual Meeting of Stockholders that the Company will seek advisory approval of the Company's executive compensation every year. As such, the Company's executive compensation will be considered at the Annual Meeting.

- (1) Represents the aggregate grant date fair value of awards granted during the fiscal year, calculated in accordance with Accounting Standards Codification, 718, Compensation-Stock Compensation. Certain assumptions used to calculate the valuation of the awards are set forth in Note 4 to the notes to consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended April 30, 2013. For the 2013 grants, the value on the grant date of the maximum number of shares that could be earned as performance shares granted to each named executive officer is as follows: Mr. Burnison, \$1,519,718, Mr. Rozek, \$515,482, Ms. Dutra, \$289,382, and Mr. Mulrooney, \$289,382. For performance shares, the grant date fair value is measured using a Monte Carlo simulation valuation model. The simulation model applies a risk-free interest rate and an expected volatility assumption. The risk-free rate is assumed to equal the yield on a three-year Treasury bond on the grant date. Volatility is based on historical volatility for the 36-month period preceding the grant date. For Mr. Burnison, the assumed per-share value for the July 11, 2012 annual grant was \$15.36, for the July 11, 2011 annual grant was \$28.00, and for the June 17, 2010 annual grant was \$17.84. For Mr. Rozek, the assumed per-share value for the July 11, 2012 annual grant was \$15.36. For Ms. Dutra, the assumed per-share value for the July 11, 2012 annual grant was \$15.36, for the July 11, 2011 annual grant was \$28.00 and for the July 12, 2010 annual grant was \$15.71. For Mr. Mulrooney, the assumed per-share value for the July 11, 2012 annual grant was \$15.36 and for the July 11, 2011 annual grant was \$28.00.

As discussed under "Fiscal 2013 Pension Benefits," participants in the EWAP elected to participate in a deferral unit that required the participant to contribute a portion of their compensation for an eight year period, or in some cases, make an after tax contribution, in return for defined benefit payments from the Company over a fifteen year period generally at retirement age of 65 or later. Mr. Burnison is the only named executive officer that participates in the EWAP. To date, Mr. Burnison has contributed \$55,200 to the EWAP. In June 2003, the Company amended the EWAP plan, so as not to allow new participants or the purchase of additional deferral units

by existing participants. Prior year amounts were revised to reflect a change in the assumptions used to calculate the present value of the accumulated benefit.

Employment Agreements

Certain elements of compensation set forth in the Summary Compensation Table and Grants of Plan-Based Awards Table reflect the terms of employment or letter agreements entered into between the Company and each of the named executive officers that were in effect as of April 30, 2013.

Gary D. Burnison. We entered into an employment agreement with Mr. Burnison dated April 24, 2007 (the Burnison Employment Agreement) pursuant to which Mr. Burnison serves as Chief Executive Officer. Pursuant to the Burnison Employment Agreement, we agreed to provide Mr. Burnison with the following annual compensation: (1) an annual base salary of \$575,000; (2) participation in the Company's annual cash incentive

plan with an annual target award of 100% of annual base salary and the ability to earn additional amounts up to a maximum cash award of 200% of annual base salary; and (3) subject to approval of the Board, participation in the Company's equity incentive program, pursuant to which Mr. Burnison was initially eligible to receive (a) a grant of restricted stock with a target grant value of \$900,000; (b) an annual award of performance shares with a target grant value of 100% of annual base salary; and (c) an annual grant of restricted stock with a target grant value of 100% of annual base salary.

The Committee increased Mr. Burnison's base salary from \$675,000 to \$700,000 effective May 1, 2010 following a temporary salary reduction that was in place from July 1, 2009 through April 30, 2010 at the request of Mr. Burnison as a result of the economic environment at the start of fiscal 2010.

Robert P. Rozek. We entered into an employment agreement (the "Rozek Employment Agreement") with Robert Rozek as Executive Vice President and Chief Financial Officer of the Company on February 6, 2012, for an initial term ending on April 30, 2015 and thereafter subject to automatic renewal for successive terms of one year unless sooner terminated. Pursuant to the terms of the Rozek Employment Agreement, Mr. Rozek receives an annual base salary of \$475,000 and is eligible for an annual target cash incentive award equal to 100% of his annual base salary with the ability to earn additional amounts up to a maximum cash award equal to 200% of his annual base salary. Upon commencement of his employment, Mr. Rozek was entitled to receive a cash-incentive award of no less than \$275,000, payable in 12 equal semi-monthly installments, subject to Mr. Rozek's continued employment. On February 21, 2012, per the terms of the Rozek Employment Agreement, Mr. Rozek received an initial one-time restricted stock unit award (the "Initial RSU Award") covering a number of shares having a value on the grant date of the award equal to \$1,050,003, which will vest in four (4) annual installments from the effective date of grant, in each case subject to Mr. Rozek's continued employment. Commencing with the completion of fiscal year 2012, Mr. Rozek became eligible to receive (a) a grant of restricted stock or restricted stock units (the "2012 Time-Based Awards"), covering a number of shares having a value on the grant date of the award equal to 50% of his annual base salary, which will vest in four (4) annual installments from the effective date of grant subject to Mr. Rozek's continued employment; and (b) an award of restricted stock units subject to performance-based vesting criteria (the "2012 Performance-Based Awards"), covering a number of shares with a value on the grant date of the award at target performance equal to 50% of his annual base salary, which will be earned at the end of, and based on the Company's performance during, a performance period of three (3) years subject to Mr. Rozek's continued employment.

The terms of the Rozek Employment Agreement required the Company to pay up to \$628,000 in order to discharge certain obligations owed to Mr. Rozek's previous employer, Cushman & Wakefield ("C&W"). Following the commencement of his employment, and in connection with Mr. Rozek's termination of employment with C&W in order to become employed by the Company, the Company paid the entire \$628,000, including a \$362,542 payment to Mr. Rozek to reimburse him for amounts he paid to C&W, and a \$265,458 payment directly to C&W as an additional amount indicated as due by C&W. If Mr. Rozek voluntarily resigns employment (without good reason) or is terminated for cause in the first three years of his employment with the Company, he will be required to repay to the Company all or a portion of the aggregate \$628,000. The amount required to be repaid would equal 100% of this total if resignation or termination occurred in the first year of employment, 66% if it occurs in the second year of employment, and 33% if it occurs in the third year of employment. Pursuant to the Rozek Employment Agreement, Mr. Rozek was also entitled to reimbursement for reasonable relocation expense, including reimbursement of up to \$100,000 relating to his home lease in New York and the Company paid for temporary housing in Los Angeles until June 30, 2012.

Ana Dutra. We entered into a letter agreement with Ana Dutra on January 16, 2008 (the "Dutra Letter Agreement"). The Dutra Letter Agreement provides for (1) an annual base salary of \$450,000; (2) an annual target incentive award (cash and long-term equity) with a value of \$650,000; (3) for fiscal 2008, a \$70,000 cash stipend secured by a promissory note to be forgiven on the third anniversary of Ms. Dutra's hire date; (4) for fiscal 2009, a minimum guaranteed cash bonus award of \$350,000; (5) a recommendation to the Committee to award Ms. Dutra \$750,000 of restricted stock, which was granted on March 3, 2008; and (6) an additional equity

award of \$750,000 of restricted stock to replace equity from her prior employer, which was granted on March 3, 2008. On April 17, 2013, Ms. Dutra transitioned into a new role at the Company as Executive Vice President of Leadership and Talent Consulting, however, the material terms of her compensation were not revised.

Byrne Mulrooney. We entered into a letter agreement with Byrne Mulrooney on March 29, 2010 that was effective April 5, 2010 (the Mulrooney Letter Agreement). The Mulrooney Letter Agreement provides for (1) an annual base salary of \$300,000; (2) a monthly cash stipend equal to \$8,333; (3) an annual target incentive award (cash and long-term equity) with a value of \$400,000; and (4) a recommendation by management to the Committee to award Mr. Mulrooney \$400,000 of restricted stock, which was granted on April 5, 2010.

Robert Heckman. We entered into a letter agreement with Robert Heckman on December 4, 2012 (the Heckman Letter Agreement). The Heckman Letter Agreement provides for (1) an annual base salary of \$400,000; (2) an annual target incentive award (cash and long-term equity) with a target value of \$400,000; (3) for fiscal 2013, a minimum guaranteed cash bonus award of \$66,667; (4) for fiscal 2014, a minimum guaranteed cash bonus award of \$200,000; and (6) a sign-on equity award of \$400,000 of restricted stock, which was granted on January 4, 2013.

Table of Contents**Fiscal 2013 Pension Benefits**

The following table sets forth the pension benefits of the named executive officers as of April 30, 2013.

Name	Plan Name	Number of Years Credited Service or Number of Units Earned (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
Gary D. Burnison	Enhanced Wealth Accumulation Plan (EWAP)	9	279,456	

Enhanced Wealth Accumulation Plan

The EWAP was established in fiscal 1994. Certain vice presidents elected to participate in a deferral unit that required the participant to contribute a portion of their compensation for an eight year period, or in some cases, make an after tax contribution, in return for defined benefit payments from the Company over a fifteen year period generally at retirement age of 65 or later. Participants were able to acquire additional deferral units every five years. In June 2003, the Company amended the EWAP so as not to allow new participants or the purchase of additional deferral units by existing participants. The assumptions used to calculate the present value of the accumulated benefit under the EWAP are set forth in Note 6 to the notes to consolidated financial statements in our Annual Report on Form 10-K for the year ended April 30, 2013.

Nonqualified Deferred Compensation

The nonqualified deferred compensation plan earnings and withdrawals of the named executive officers as of April 30, 2013 are set forth in the table below.

Name	Executive Contributions in Last FY (\$)	Registrant Contributions in Last FY (\$)	Aggregate Earnings/loss in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$)(1)
Gary D. Burnison			115,757		841,274
Robert P. Rozek					
Ana Dutra				108,780	0
Byrne Mulrooney					
Robert J. Heckman					

- (1) The Aggregate Balance at Last FYE is comprised of contributions made by both named executive officers and the Company. Of these balances, the following amounts were reported in Summary Compensation Tables in prior-year proxy statements beginning with the fiscal 2007 proxy statement: Mr. Burnison, \$209,000. The information in this footnote is provided to clarify the extent to which amounts payable as deferred compensation represent compensation reported in our prior proxy statements, rather than additional currently earned compensation.

Please see the Compensation Discussion and Analysis section for further discussion of the Company's nonqualified deferred compensation plan.

Potential Payments Upon Termination or Change of Control

The tables below reflect the amount of compensation that would become payable to each of the named executive officers under existing plans and arrangements if that named executive officer's employment had terminated on April 30, 2013 (pursuant to his/her employment agreement then in effect), given the named executive officer's compensation and service levels as of such date and, if applicable, based on the Company's

closing stock price on that date. These benefits are in addition to benefits available prior to the occurrence of any termination of employment, including benefits under then-exercisable stock options, benefits generally available to salaried employees, such as distributions under the Company's 401(k) plan and pension plan, and previously accrued and vested benefits under the Company's nonqualified deferred compensation plans, as described in the tables above. In addition, in connection with any actual termination of employment, the Company may determine to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of benefits described below, as the Committee determines appropriate. The actual amounts that would be paid upon a named executive officer's termination of employment can be determined only at the time of such named executive officer's separation from the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be higher or lower than reported below. Factors that could affect these amounts include the timing during the year of any such event, the Company's stock price and the named executive officer's age. Ms. Dutra, and Mr. Mulrooney are not eligible for severance or change in control benefits.

Gary D. Burnison. Under the Burnison Employment Agreement, if Mr. Burnison's employment terminates due to death or disability, then we will pay him, or his legal representatives: (1) all accrued compensation as of the date of termination; (2) all outstanding stock options, other equity-type incentives (excluding performance shares) and benefits under the ECAP will fully vest; (3) a pro rata portion of his target annual cash incentive award for the fiscal year in which his employment is terminated; (4) the number of performance shares that would have been earned if he had served the Company for the entire performance period and the target performance had been achieved; and (5) reimbursement of COBRA coverage premiums for him and his dependents for as long as such coverage is available under COBRA.

If we terminate Mr. Burnison's employment for cause or he voluntarily terminates his employment without good reason, then we will pay him accrued compensation through the date of termination.

Prior to a change in control or more than 12 months after a change in control, if Mr. Burnison's employment is terminated by us without cause or by Mr. Burnison for good reason, then we will provide him with the following: (1) his accrued compensation; (2) a pro rata portion of his target annual cash incentive award for the year in which his employment is terminated; (3) cash payments equal to one and one-half times his then current annual base salary and one and one-half times his target bonus; (4) for up to 18 months after termination, reimbursement of COBRA coverage premiums for him and his dependents for as long as such coverage is available under COBRA; (5) all outstanding stock options, other equity-type incentives, and all benefits held under the ECAP (excluding performance shares) at the time of termination that would have vested within 12 months of his termination will vest on the date of termination; and (6) a pro rata award of performance shares based on target performance and the number of days Mr. Burnison was employed during the performance period plus an additional year (provided this number of days does not exceed the number of days in the performance period).

- (1) Upon a termination without cause by the Company or with good reason by Mr. Burnison within 12 months after a change in control, Mr. Burnison is entitled to (i) a pro rata award (based on the portion of the performance period that elapsed prior to the date of the change in control) of performance shares based on the Company's actual results and (ii) a pro rata award (based on the portion of the performance period after the date of the change in control) of performance shares assuming the Company meets applicable targets. For the calculations above, with respect to performance shares for which the vesting period was still ongoing as of the end of fiscal 2013, it was assumed that the Company achieved the performance-based target. With respect to Mr. Burnison's grant of performance shares for which the measurement period ended on April 30, 2013, no shares vested based upon the Company's total stockholder return over the three-year performance period relative to the peer group of companies, therefore the value was zero.
- (2) With respect to Mr. Burnison's grant of performance shares for which the measurement period ended on April 30, 2013, the measurement period was assumed to have concluded prior to his termination for purposes of the table.
- (3) Where Mr. Burnison or his dependants are entitled to COBRA for as long as COBRA is available, we have assumed entitlement to 36 months of COBRA as that is the maximum length of time for which such benefits may be available.

Robert P. Rozek. Under the Rozek Employment Agreement, if Mr. Rozek's employment terminates due to death or disability, then we will pay him, or his legal representatives: (1) all accrued compensation as of the date of termination; (2) all outstanding stock options, other equity-type incentives (excluding performance shares and benefits under the ECAP) will fully vest; (3) a pro rata portion of his target annual cash incentive award for the fiscal year in which his employment is terminated; (4) the number of performance shares that would have been earned if he had served the Company for the entire performance period and the target performance had been achieved; and (5) reimbursement of COBRA coverage premiums for him and his dependents for as long as such coverage is available under COBRA.

If we terminate Mr. Rozek's employment for cause or he voluntarily terminates his employment without good reason, then we will pay him accrued compensation through the date of termination. Additionally, Mr. Rozek will be required to repay all or a portion of his sign-on bonus if such termination occurs within the first three years of Mr. Rozek's employment.

In the event that Mr. Rozek's employment is terminated by the Company without cause or by Mr. Rozek for good reason prior to a change in control and more than 12 months after his start date or more than 12 months after a change in control occurs, the Company will pay Mr. Rozek the following severance payments: (1) his accrued

Additionally, following such termination, Mr. Rozek will not be required to repay the sign-on bonus.

- (8) Mr. You received an annual fee of \$5,000 for service as Audit Committee Member during fiscal 2013.

Directors who are also employees or officers do not receive any additional compensation for their service on the Board. The non-employee director compensation program provides for an annual equity award of restricted stock units with a value of approximately \$100,000 to be awarded on the date of each annual meeting of stockholders. The number of units subject to such award is determined by dividing \$100,000 by the closing price of the Company's common stock on the date of such annual meeting of stockholders (rounded to the nearest ten units). The restricted stock unit awards vest on the day before the following annual meeting of stockholders. Additionally, non-employee directors receive each year \$60,000 either in cash or in restricted stock units, at their election, on the date of each annual meeting of stockholders. In addition, each member of the Audit Committee receives \$5,000 in cash annually, the Audit Committee chair receives \$15,000 in cash annually, the Compensation and Personnel Committee chair receives \$10,000 in cash annually, and the Nominating and Corporate Governance Committee chair receives \$7,500 in cash annually. The Chair of the Board receives \$120,000 in cash annually. All directors are reimbursed for their out-of-pocket expenses incurred in connection with their duties as directors.

In June 2011, the Board and the Nominating and Corporate Governance Committee adopted amended stock ownership guidelines which require each non-employee director to own three times their annual cash retainer in Company stock. As of April 30, 2013, all of the non-employee directors complied with the guidelines or on track to comply with the guidelines within the requirement time period.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to help assure that they do not impair the registered public accounting firm's independence from the Company. The Audit Committee may either approve the engagement of the independent registered public accounting firm to provide services or pre-approve services to be provided on a case by case basis. The Audit Committee believes the combination of these two approaches results in an effective and efficient procedure to pre-approve services performed by the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor is determinative. The Audit Committee requires the rotation of its independent registered public accounting firm's audit partners as required by the Sarbanes-Oxley Act and the related rules of the SEC.

All requests or applications for Ernst & Young LLP services are submitted to the Senior Vice President Finance and Corporate Controller and include a detailed description of services to be rendered. The detailed descriptions are then reviewed against a list of approved services and are provided to the Audit Committee for review and approval. All requests or applications for Ernst & Young LLP services receive approval from the Senior Vice President Finance and Corporate Controller, prior to the Audit Committee's review and approval.

Stockholders Sharing an Address

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Company stock but who share the same address, we have adopted a procedure approved by the SEC called householding. Under this procedure, certain stockholders of record who have the same address and last name, and who do not participate in electronic delivery of proxy materials, will receive only one copy of our Notice of Internet Availability of Proxy Materials and, as applicable, any additional proxy materials that are delivered until such time as one or more of these stockholders notify us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you receive a single set of proxy materials as a result of householding, and you would like to have separate copies of our Notice of Internet Availability of Proxy Materials, Annual Report, or Proxy Statement mailed to you, please submit a request, either in writing or by phone, by contacting the Company at Korn/Ferry International, 1900 Avenue of the Stars, Suite 2600, Los Angeles, California 90067, Attention: Corporate Secretary or at (310) 552-1834, and we will promptly send you the materials you have requested. However, please note that if you want to receive a paper proxy or voting instruction form or other proxy materials for the purposes of this year's annual meeting, you will need to follow the instructions included in the Notice of Internet Availability that was sent to you. You can also contact our Corporate Secretary at the telephone number noted previously if you received multiple copies of the annual meeting materials and would prefer to receive a single copy in the future, or if you would like to opt out of householding for future mailings.
