REDEMPTION

Series M-28 Debentures

Bell Canada shall be entitled, at its option, to redeem the 3.50% Debentures, Series M-28, due 2018 (*Series M-28 Debentures*) in whole at any time or in part from time to time by giving prior notice of not less than 30 days and not more than 60 days to the holders thereof, at the greater of the *Canada Yield Price* (as defined in this paragraph) and par (100% of the outstanding principal amount thereof), together in each case with accrued and unpaid interest up to but excluding the date fixed for redemption. *Canada Yield Price* shall mean a price equal to the price of the Series M-28 Debentures calculated on the banking day preceding the day on which the redemption is authorized by Bell Canada to provide a yield from the date fixed for redemption to the maturity date of the Series M-28 Debentures to be redeemed equal to the *Government of Canada Yield* (as defined in the next sentence) plus 0.3425%. *Government of Canada Yield* shall mean the yield from the date fixed for redemption to the maturity date of the Series M-28 Debentures to be redeemed, assuming semi-annual compounding, which an issue of non-callable Government of Canada bonds would carry on the remaining term to the maturity date of the Series M-28 Debentures to be redeemed. The *Government of Canada Yield* in the case of redemption of the Series M-28 Debentures shall be the average of the yields provided by two registered Canadian investment dealers selected by CIBC Mellon Trust Company, as trustee (the *Trustee*) and approved by Bell Canada. In case of partial redemption, the Series M-28 Debentures shall be redeemed on a *pro rata* basis.

Series M-29 Debentures

Bell Canada shall be entitled, at its option, to redeem the 4.70% Debentures, Series M-29, due 2023 (*Series M-29 Debentures*) in whole at any time or in part from time to time prior to June 11, 2023, by giving prior notice of not less than 30 days and not more than 60 days to the holders thereof, at the greater of the *Canada Yield Price* (as defined in this paragraph) and par (100% of the outstanding principal amount thereof), together in each case with accrued and unpaid interest up to but excluding the date fixed for redemption. Bell Canada shall be entitled, at its option, to redeem the Series M-29 Debentures at any time on or after June 11, 2023, in whole but not in part, by giving prior notice of not less than 30 days and not more than 60 days to the holders thereof, at par (100% of the outstanding principal amount thereof) together with accrued and unpaid interest up to but excluding the date fixed for redemption. *Canada Yield Price* shall mean a price equal to the price of the Series M-29 Debentures calculated on the banking day preceding the day on which the redemption is authorized by Bell Canada to provide a yield from the date fixed for redemption to the maturity date of the Series M-29 Debentures to be redeemed equal to the *Government of Canada Yield* (as defined in the next sentence) plus 0.47%. *Government of Canada Yield* shall mean the yield from the date fixed for redemption to the maturity date of the Series M-29 Debentures to be redeemed, assuming semi-annual compounding, which an issue of non-callable Government of Canada bonds would carry on the remaining term to the maturity date of the Series M-29 Debentures to be redeemed. The *Government of Canada Yield* in the case of redemption of the Series M-29 Debentures shall be the average of the yields provided by two registered Canadian investment dealers selected by the Trustee and approved by Bell Canada. In case of partial redemption, the Series M-29 Debentures shall be redeemed on a *pro rata* basis.

REPURCHASE UPON CHANGE OF CONTROL TRIGGERING EVENT

If a Change of Control Triggering Event (as defined below) occurs with respect to the Series M-28 Debentures and/or the Series M-29 Debentures, unless Bell Canada has exercised its optional right to redeem all of the Series M-28 Debentures and/or the Series M-29 Debentures as described under *Redemption* above, Bell Canada will be required to make an offer to each holder of either the Series M-28 Debentures or the Series M-29 Debentures or of both series, as the case may be, to repurchase all or, at the option of the holder thereof, any part (equal to \$1,000 or an integral multiple thereof) of the Series M-28 Debentures and/or Series M-29 Debentures, as the case may be, pursuant to the offer described below (the *Change of Control Offer*). The determination as to whether a Change of Control Triggering Event occurred and whether a Change of Control Offer shall be made will be effected on a per series basis. In the Change of Control Offer, Bell Canada will be required to offer payment in cash equal to 101% of the outstanding principal amount of the Series M-28 Debentures and/or the Series M-29 Debentures, as the case may be, together with accrued and unpaid interest on the Series M-28 Debentures and/or the Series M-29 Debentures, as the case may be, repurchased up to but excluding the date of purchase (the *Change of Control Payment*).

Within 30 days following any Change of Control Triggering Event, Bell Canada will be required to give written notice to each holder of Series M-28 Debentures and/or Series M-29 Debentures, as the case may be, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Series M-28 Debentures and/or the Series M-29 Debentures, as the case may be, on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is given (the *Change of Control Payment Date*), pursuant to the procedure described herein and in such notice. Bell Canada must comply with the requirements of applicable securities laws and regulations in connection

with the repurchase of the Series M-28 Debentures and/or the Series M-29 Debentures, as applicable, as a result of a Change of Control Triggering Event. To the extent that the provisions of any such applicable securities laws and regulations conflict with the Change of Control (as defined below) provisions, Bell Canada will be required to comply with such laws and regulations and will not be deemed to have breached its obligation to offer to repurchase the Series M-28 Debentures and/or the Series M-29 Debentures, as applicable, by virtue of such conflict.

On the Change of Control Payment Date, Bell Canada will, to the extent lawful:

1. accept for payment all Series M-28 Debentures and/or Series M-29 Debentures or portions of Series M-28 Debentures and/or Series M-29 Debentures, as applicable, properly tendered pursuant to the Change of Control Offer;
2. deposit with the Trustee an amount of money equal to the Change of Control Payment in respect of all Series M-28 Debentures and/or Series M-29 Debentures or portions of Series M-28 Debentures and/or Series M-29 Debentures, as applicable, properly tendered pursuant to the Change of Control Offer; and
3. deliver or cause to be delivered to the Trustee the Series M-28 Debentures and/or the Series M-29 Debentures properly accepted, together with a certificate of Bell Canada stating the aggregate principal amount of the Series M-28 Debentures and/or Series M-29 Debentures or portions of Series M-28 Debentures and/or Series M-29 Debentures, as applicable, being purchased by Bell Canada.

The Trustee will promptly pay to each holder of properly tendered Series M-28 Debentures and/or Series M-29 Debentures, as applicable, an amount equal to the Change of Control Payment in respect of such Series M-28 Debentures and/or Series M-29 Debentures either, at the Trustee's option, by mailing (first class mail, postage prepaid) a cheque to such holder or by means of a wire transfer in accordance with the applicable payment procedures of CDS, and the Trustee will promptly certify and mail (first class mail, postage prepaid) (or cause to be transferred by book-entry) to each such holder a new Series M-28 Debenture and/or Series M-29 Debenture, as applicable, equal in principal amount to any unpurchased portion of any Series M-28 Debentures and/or Series M-29 Debentures surrendered, as applicable; provided that each new Series M-28 Debenture and/or Series M-29 Debenture will be in a principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof.

Bell Canada will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer substantially in the manner, at the times and in compliance with the requirements for a Change of Control Offer (and for at least the same purchase price payable in cash) and such third party purchases all Series M-28 Debentures and/or Series M-29 Debentures, as applicable, properly tendered and not withdrawn under its offer.

Change of Control means the occurrence of any one of the following: (i) the consummation of the direct or indirect sale, transfer, conveyance, lease or other disposition (other than by way of consolidation, amalgamation or merger), in one or a series of related transactions, of all or substantially all of the property and assets of Bell Canada and its subsidiaries, taken as a whole, to any person or group of persons acting jointly or in concert for purposes of such transaction other than (a) sales, transfers, conveyances, leases or other dispositions to Bell Canada and/or its subsidiaries, or (b) provided that the relevant series of debentures shall remain subject to the Guarantee, or any other guarantee by BCE Inc. (BCE) of the full and timely payment when due of all of Bell Canada's payment obligations to the Trustee and the holders thereof with respect to that series of debentures, sales, transfers, conveyances, leases or other dispositions to BCE and/or its subsidiaries (excluding Bell Canada and its subsidiaries); or (ii) the consummation of any transaction including, without limitation, any consolidation, amalgamation, merger or issue of voting shares the result of which is that any person or group of persons acting jointly or in concert for purposes of such transaction (other than BCE, Bell Canada and/or their subsidiaries) becomes the beneficial owner, directly or indirectly, of voting shares of BCE or Bell Canada having more than 50% of the voting power for the election of directors of BCE or Bell Canada (but shall not include the creation of a holding company, the combination of Bell Canada with BCE or any of their subsidiaries by any method whatsoever or any other similar transaction that does not involve a change in the beneficial ownership of BCE, Bell Canada or any successor thereof).

Change of Control Triggering Event means, in respect of Series M-28 Debentures, the occurrence of both a Change of Control with respect to the Series M-28 Debentures and a Rating Event with respect to the Series M-28 Debentures, and, in respect of Series M-29 Debentures, the occurrence of both a Change of Control with respect to the Series M-29 Debentures and a Rating Event with respect to the Series M-29 Debentures, as the case may be.

Investment Grade Rating means a rating equal to or higher than Baa3 (or the equivalent) by Moody's Investors Service, Inc. (Moody's), BBB- (or the equivalent) by Standard & Poor's Financial Services LLC, a subsidiary of The McGraw-Hill Companies, Inc. (S&P) or BBB (low) (or the equivalent) by DBRS Limited (DBRS), or the equivalent investment grade credit rating from any other Specified Rating Agency.

Rating Event means, with respect to the relevant series of debentures, the rating of such series of debentures is lowered to below an Investment Grade Rating by at least two out of three of the Specified Rating Agencies if there are three Specified Rating Agencies or all of the Specified Rating Agencies if there are less than three Specified Rating Agencies (the Required Threshold) on any day within the 60-day period (which 60-day period will be extended so long as the rating of the relevant series of debentures is under publicly announced consideration for a possible downgrade by such number of the Specified Rating Agencies which, together with Specified Rating Agencies which have already lowered their ratings on the relevant series of debentures as aforesaid, would aggregate in number the Required Threshold, but only to the extent that, and for so long as, a Change of Control Triggering Event would result if such downgrade were to occur) after the earlier of (a) the occurrence of a Change of Control and (b) public notice of the occurrence of a Change of Control or of BCE's or Bell Canada's intention or agreement to effect a Change of Control.

Specified Rating Agencies means each of Moody's, S&P and DBRS as long as, in each case, it has not ceased to rate the relevant series of debentures, as the case may be, or failed to make a rating of the relevant series of debentures publicly available for reasons outside of Bell Canada's control; provided that if one or more of Moody's, S&P or DBRS ceases to rate the relevant series of debentures, or fails to make a rating of the relevant series of debentures publicly available for reasons outside of Bell Canada's control, Bell Canada may select any other designated rating organization within the meaning of National Instrument 41-101 of the Canadian Securities Administrators as a replacement agency for such one or more of them, as the case may be.
