### EXPLANATORY NOTE

As previously reported, on January 19, 2012, Eastman Kodak Company (the Company) and certain of its subsidiaries (together with the Company, the Debtors) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the Bankruptcy Code) in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court), Case No. 12-10202 (ALG). The description of the Plan in this report on Form 8-K is qualified in its entirety by reference to the full text of such document. A copy of the Plan is filed as Exhibit 2.2 to the Company's report on Form 8-K filed with the United States Securities and Exchange Commission (the SEC) on August 29, 2013.

#### Item 1.01 Entry into a Material Definitive Agreement

Upon effectiveness of the Plan, the Company issued shares of a new class of common stock to participants in the 1145 Rights Offering and the 4(2) Rights Offering, including the Backstop Parties, at a purchase price of \$11.94 per share. In satisfaction of its obligation to pay the Backstop Fees as required under the Backstop Commitment Agreement, the Company also issued shares of new common stock to the Backstop Parties. Additional shares of the new common stock, and net-share settled Warrants to purchase new common stock, are to be issued as distributions to unsecured creditors on account of their unsecured claims against the Debtors, as set forth in the Plan.

Based on the estimated total amount of unsecured claims, and on the amounts of unsecured claims held by the Backstop Parties, as represented by the Backstop Parties to the Company, the Company estimates that upon completion of distributions of new common stock to unsecured creditors pursuant to the Plan:

shareholders affiliated with GSO Capital Partners LP will own approximately 20 percent of the outstanding common stock of the Company, and net-share-settled Warrants to purchase additional shares of common stock equal to approximately 0.2 percent of the common stock issued pursuant to the Plan for \$14.93 per share and 0.2 percent of the common stock issued pursuant to the Plan for \$16.12 per share, in accordance with the Warrant Agreement;

George Karfunkel and affiliates will own approximately 9 percent of the outstanding common stock, and net-share-settled Warrants to purchase additional shares of common stock equal to approximately 0.2 percent

of the common stock issued pursuant to the Plan for \$14.93 per share and 0.2 percent of the common stock issued pursuant to the Plan for \$16.12 per share;

United Equities Commodities Company and Momar Corporation will own approximately 11.7 percent of the outstanding common stock, and net-share-settled Warrants to purchase additional shares of common stock equal to approximately 0.3 percent of the common stock issued pursuant to the Plan for \$14.93 per share and 0.3 percent of the common stock issued pursuant to the Plan for \$16.12 per share;

Contrarian Funds, LLC will own approximately 11.3 percent of the outstanding common stock, and net-share-settled Warrants to purchase additional shares of common stock equal to approximately 0.3 percent of the common stock issued pursuant to the Plan for \$14.93 per share and 0.3 percent of the common stock issued pursuant to the Plan for \$16.12 per share; and

shareholders affiliated with Serengeti Asset Management, LP will own approximately 7 percent of the outstanding common stock, and net-share-settled Warrants to purchase additional shares of common stock equal to approximately 0.2 percent of the common stock issued pursuant to the Plan for \$14.93 per share and 0.2 percent of the common stock issued pursuant to the Plan for \$16.12 per share.

Pursuant to the Plan and the Backstop Commitment Agreement, certain members of the Company's new board of directors as of the Effective Date were selected by the Backstop Parties. The directors selected by the Backstop Parties include George Karfunkel; Jason New, a Senior Managing Director of The Blackstone Group and Head of Special Situation Investing for GSO Capital Partners; and Derek Smith, a Managing Principal and Senior Portfolio Manager at BlueMountain Capital Management LLC.

As further described below, the Registration Rights Agreement provides the Backstop Parties with certain registration rights with respect to the new common stock, and provides for certain rights to designate a Board Observer (as defined below) to attend meetings of the board of directors of the Company.

As previously reported by the Company in its report on Form 8-K, dated September 3, 2013, upon the effectiveness of the Plan, all previously issued and outstanding shares of the Company's common stock were cancelled, as were all other previously issued and outstanding Equity Interests and the Debtors' Second Lien Notes and Unsecured Notes. ## Section 2 Financial Information

### Item 2.01 Completion of Acquisition or Disposition of Assets

On the Effective Date, the Company consummated the sale of substantially all its assets constituting the Company's Personalized Imaging and Document Imaging businesses (together, the Business) to KPP Holdco Limited (KPP Holdco), a wholly owned subsidiary of KPP Trustees Limited (the KPP), trustee for the Kodak Pension Plan of the United Kingdom (the U.K. Pension Plan), and certain direct and indirect subsidiaries of KPP Holdco, pursuant to the Stock and Asset Purchase Agreement, dated as of April 26, 2013 and amended and restated as of August 30, 2013, between the Company, the KPP, and the other parties thereto (the KPP Purchase Agreement) and the Settlement Agreement between the Company and the KPP, dated April 26, 2013, for a total purchase price, exclusive of the assumption of liabilities, of \$650 million, \$525 million of which was paid in cash (the Cash Consideration) and the balance of which was settled by a \$125 million note issued by the KPP (the KPP Note). Pursuant to the KPP Purchase Agreement, the KPP Note was cancelled after being assigned by the Company to Kodak Limited (KL), a non-Debtor subsidiary of the Company and the primary sponsor of the U.K. Pension Plan, and subsequently assigned by KL to KPP as settlement, by way of setoff, of an equal amount of outstanding pension liabilities of KL to KPP. The Cash Consideration was comprised of \$325 million sourced from assets of the U.K. Pension Plan and \$200 million sourced from a payment by KL to KPP, as contemplated by the KPP Purchase Agreement. Up to \$35 million in aggregate of the purchase price is subject to repayment to KPP if the Business does not achieve certain annual adjusted EBITDA targets over the four-year period ending December 31, 2018. A portion of the assets constituting the Business in certain jurisdictions were not transferred at the Effective Date but are contemplated to be transferred at one of several deferred closings provided for in the KPP Purchase Agreement. Reference is made to the disclosure contained in the Company's report on Form 8-K, Item 1.01, filed September 6, 2013, for a further description of the deferred closing arrangements.

A portion of the purchase price was in consideration for a series of promissory notes issued by Kodak International Finance Limited, a non-Debtor subsidiary of the Company, in an aggregate principal amount equal to the purchase price allocated under the KPP Purchase Agreement to the portions of the Business located in foreign jurisdictions that are to be transferred to KPP or its subsidiaries upon the deferred closings. These promissory notes will be used by KPP or its subsidiaries solely for the purpose of funding any local currency payment required to be made by KPP or its subsidiaries to the Company's foreign subsidiaries under local law in these foreign jurisdictions at a deferred closing, if and when such deferred closing occurs, whereupon they will be canceled and of no further force or effect. These promissory notes are non-interest-bearing and have no maturity date other than in connection with the applicable deferred closing.

The U.K. Pension Plan was historically funded by KL and other participating employers, and the KPP was the largest creditor in the Debtors' chapter 11 proceedings. As previously disclosed, the acquisition of the Business is part of a comprehensive settlement between the Company and the KPP (the KPP Global Settlement), which also resolves approximately \$2.8 billion of claims by the KPP against the Debtors and releases the Company and its worldwide affiliates from obligations relating to the U.K. Pension Plan. The consideration received by the Debtors in connection with the disposition of the Business and the KPP Global Settlement was determined in arms'-length negotiations between the Debtors and the KPP, and was approved by the Bankruptcy Court pursuant its order entered June 21, 2013, approving the KPP Global Settlement.

Pro forma financial information with respect to the disposition of the Business is provided in Item 9.01 of this report on Form 8-K.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The description of the Credit Agreements set forth in Item 1.01 of this report is incorporated herein by reference.

The rights to purchase common stock in the Rights Offerings, all shares issued upon exercise thereof, all shares issued to the Backstop Parties pursuant to the Backstop Commitment Agreement, and all securities issued to unsecured creditors pursuant to the Plan, were or will be issued in reliance upon the exemption from registration under the Securities Act of 1933 provided by Regulation D thereunder and/or Section 4(2) thereof; or under Section 1145 of the Bankruptcy Code as securities of a debtor issued principally in exchange for claims against a debtor and partly in exchange for cash pursuant to a plan of organization. Pursuant to the Plan and the Confirmation Order, the Omnibus Plan was approved by the Bankruptcy Court and became effective on the Effective Date.

The Omnibus Plan is generally administered by the Compensation Committee or a successor committee, and officers, directors and employees of the Company and its consolidated subsidiaries are eligible to receive awards under the Omnibus Plan. Awards under the Omnibus Plan may be cash-based or stock-based. Stock-based awards may be in the form of any of the following: (i) options, (ii) stock appreciation rights, (iii) restricted stock awards, (iv) restricted stock units ("RSUs"), (v) dividend equivalent rights, (vi) other stock-based awards, and (vii) performance-based compensation awards. Cash-based awards may be in the form of (i) performance-based compensation and (ii) other cash awards (including, without limitation, retainers and meeting-based fees) that the Compensation Committee determines to be consistent with the purposes of the Omnibus Plan and the interests of the Company. Unless sooner terminated by the Compensation Committee, no Awards may be granted under the Omnibus Plan after the tenth anniversary of the Effective Date.

The maximum number of shares of common stock that may be issued under the Omnibus Plan is 4,792,480. In addition, under the Omnibus Plan, the maximum number of shares available for the grant of incentive stock options (within the meaning of Section 422 of the Internal Revenue Code) is 2,000,000 shares; the maximum number of shares as to which stock options or stock appreciation rights may be granted to any participant in any calendar year may not exceed 2,000,000 shares; and the maximum number of awards to any one non-employee director in respect of a calendar year may not exceed a number with a grant date fair value of \$900,000 (computed as of the date of grant in accordance with applicable financial accounting rules).

To the extent permitted by Section 162(m) of the Internal Revenue Code, the Compensation Committee is authorized to design any award so that the amounts or shares payable or distributed pursuant to such award are treated as qualified performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code. The maximum number of these performance-based compensation awards that may be granted to any one employee under the Omnibus Plan in any calendar year is 1,000,000 shares or, in the event such award is paid in cash, \$2,500,000.

The Compensation Committee generally has the right to amend, alter, suspend, discontinue, or terminate the Omnibus Plan or an award under the Omnibus Plan, provided that, unless specifically provided in the Omnibus Plan, no amendment may materially adversely impair the rights of a participant under any award without the participant's consent.

The foregoing summary does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Omnibus Plan, which is filed as Exhibit 10.1 to this Form 8-K, and is incorporated by reference into this Item 5.02.
