The exact stock price and effective date may not be set forth in the table above, in which case:

(i) if the stock price is between two stock price amounts in the table or the effective date is between two dates in the table, the additional shares will be determined by straight-line interpolation between the number of additional shares set forth for the higher and lower stock price amounts and the two dates, as applicable, based on a 365-day year;

(ii) if the stock price is in excess of \$9.00 per share, subject to adjustment, no additional shares will be issued upon conversion; and

(iii) if the stock price is less than \$5.92 per share, subject to adjustment, no additional shares will be issued upon conversion.

Notwithstanding anything herein to the contrary, in no event will the total number of shares of Common Stock issuable upon conversion exceed 168.9189 shares per \$1,000 principal amount of Notes, subject to adjustment in the same manner as the conversion rate as set forth under Description of Notes Conversion Rights Conversion Rate Adjustments in the preliminary prospectus supplement dated October 14, 2013 for the Offering.
