ITEM 8.01. OTHER EVENTS.

On March 26, 2014, The Bank of New York Mellon Corporation (the Company or BNY Mellon) announced that the Federal Reserve did not object to its 2014 capital plan submitted to the Federal Reserve in connection with its Comprehensive Capital Analysis and Review. The Company also announced that its Board of Directors approved the repurchase of up to \$1.74 billion of the Company's common stock, par value \$0.01 per share (the Common Stock), beginning in the second quarter of 2014 and continuing through the first quarter of 2015, to be executed through open market purchases, in privately negotiated transactions or by other means, at such prices and times and upon such other terms and conditions as any authorized officer of the Company may determine. This new share repurchase plan replaces all previously authorized share repurchase plans. The 2014 capital plan also includes a 13 percent increase to BNY Mellon's quarterly Common Stock dividend in the second quarter of 2014, which the Board of Directors is expected to consider at its April meeting.

In addition, a summary of the Company's and The Bank of New York Mellon's company-run results under the Dodd-Frank stress tests, applying the Federal Reserve's severely adverse scenario, has been posted to the Company's website at <http://www.bnymellon.com/investorrelations/doddfrank.html>. The contents of the Company's website referenced herein are not incorporated into this Current Report on Form 8-K.

All statements in this Current Report on Form 8-K speak only as of March 26, 2014 and BNY Mellon undertakes no obligation to update the information to reflect events or circumstances that arise after that date or reflect the occurrence of unanticipated events, except as required by federal securities laws.
