**Disclosure according to art. 4 para. 2 of the Regulation (EU) no. 2273/2003**

The share buyback resolved on 4 November 2013 by the Managing Board of Siemens Aktiengesellschaft, approved by the Supervisory Board on 6 November 2013 and announced by Siemens Aktiengesellschaft in a press release dated 7 November 2013 will commence on 12 May 2014. In the time period until 31 October 2015, treasury shares of the company with a maximum value of EUR 4 billion (excluding incidental transaction charges) shall be repurchased, in total, however, no more than 47.8 million shares. The buyback serves the sole purposes of cancelling and reducing the capital stock, issuing shares to employees, board members of affiliated companies and members of the Managing Board of Siemens AG as well as servicing convertible bonds and warrant bonds. The Managing Board thereby exercises the authorization granted by the Shareholders Meeting of Siemens Aktiengesellschaft on 25 January 2011, to acquire treasury shares pursuant to section 71 para. 1 no. 8 of the German Stock Corporation Act (*Aktiengesetz, AktG*).

A bank is mandated to carry out the buyback, making its decisions on the date of the acquisition of shares independently of, and without influence by the company. The right of Siemens Aktiengesellschaft to terminate the mandate and to confer the mandate to another bank remains unaffected. The share buyback may be terminated, suspended and resumed at any time, subject to compliance with legal provisions.

The buyback shall be conducted at the most favorable terms and in line with the company's interests; the shares shall be repurchased exclusively on the electronic trading platform of the Frankfurt Stock Exchange (Xetra). In line with the authorization granted by the Shareholders Meeting of Siemens Aktiengesellschaft on 25 January 2011, the purchase price per repurchased share (excluding incidental transaction charges) may neither exceed the market price of a Siemens share, as determined at the opening auction in the Xetra trading (or a comparable successor system) on the day of trading, by more than 10%, nor fall below such market price by more than 20%.

The bank is obligated to observe the trade terms of article 5 of Regulation no. 2273/2003 of the Commission of 22 December 2003 (EC Reg.) and all relevant applicable provisions, in particular Rule 10b-18 of the U.S. Securities Exchange Act of 1934. According to the EC Reg., the purchase price may not exceed the price of the last independent trade or the highest current independent bid at the stock exchange where the purchase is carried out, the higher of the two values being relevant. In accordance with the EC Reg., no more than 25 % of the average daily volume of the shares at the stock exchange where the purchase is carried out will be acquired. The average volume of shares is based on the average daily volume traded in the 20 trading days preceding the specific date of purchase.

The transactions will be announced in a way complying with the requirements of art. 4 para. 4 EC Reg. at the latest on the seventh trading day following their execution.

Furthermore, Siemens Aktiengesellschaft will report on the progress of share buyback regularly under [www.siemens.com/ir](http://www.siemens.com/ir).
